## White woman's long history falsely accusing Black Men

## NEWS IN BRIEF

### The things that psychiatrists and doctors have done to other human beings in the name of "medicine"

The so-called "health care" industry has done unspeakable things to Black women, children, prisoners, senior citizens, and other racial "minorities" -- all in the name of "science" and "medicine."

In fact, these experiments continue to this day in the form of the psychiatric drugging of children who are diagnosed with fictitious health conditions such as "ADHD."

From 1845-1849, J. Marion Sims, later hailed as the "father of gynecology," performed medical experiments on enslaved African women without anesthesia. These women would usually die of infection soon after surgery. Based on his belief that the movement of newborns' skull bones during protracted births causes lockjaw, he also uses a shoemaker's awl, a pointed tool shoemakers use to make holes in leather, to practice moving the skull bones of babies born to enslaved mothers.

In 1896, Dr. Arthur Wentworth turned 29 children at Boston's Children's Hospital into human guinea pigs when he performs spinal taps on them, just to test whether the procedure is harmful.

In 1906, Harvard professor Dr. Richard Strong infects prisoners in the Philippines with cholera to study the disease; 13 of them die. He compensates survivors with cigars and cigarettes.

In 1911, Dr. Hideyo Noguchi of the Rockefeller Institute for Medical Research publishes data on injecting an inactive syphilis preparation into the skin of 146 hospital patients and normal children in an attempt to develop a skin test for syphilis. Later, in 1913, several of these children's parents sue Dr. Noguchi for allegedly infecting their children with syphilis.

In 1913, Medical experimenters "test" 15 children at the children's home St. Vincent's House in Philadelphia with tuberculin, resulting in permanent blindness in some of the children. Though the Pennsylvania House of Representatives records the incident, the researchers are not punished for the experiments.

In 1915, Dr. Joseph Goldberger, under order of the U.S. Public Health Office, produced Pellagra, a debilitating disease that affects the central nervous system, in 12 Mississippi inmates to try to find a cure for the disease. In 1935, after millions die from the disease, the director of the U.S. Public Health Office admitted that officials had known that it was caused by a niacin deficiency for some time, but did nothing about it because it mostly affected poor so-called African-Americans.

From 1932-1972, The U.S. Public Health Service in Tuskegee, Ala. diagnoses 400 poor, black sharecroppers with syphilis but never tells them of their illness nor treats them; instead researchers use the men as human guinea pigs to follow the symptoms and progression of the disease. They all eventually die from syphilis and their families are never told that they could have been treated.

In 1939, In order to test his theory on the roots of stuttering, prominent speech pathologist Dr. Wendell Johnson performs his famous "Monster Experiment" on 22 children at the Iowa Soldiers' Orphans' Home in Davenport. Dr. Johnson and his graduate students put the children under intense psychological pressure, causing them to switch from speaking normally to stuttering heavily.

In 1942, The Chemical Warfare Service begins mustard gas and lewisite experiments on 4,000 members of the U.S. military. From 1946 - 1947 University of Rochester researchers inject four male and two female human test subjects with uranium-234 and uranium-235 in order to study how much uranium they could tolerate before their kidneys become damaged.

Six male employees of a Chicago metallurgical laboratory are given water contaminated with plutonium-239 to drink so that researchers can learn how plutonium is absorbed into the digestive tract.

Researchers begin using patients in VA hospitals as test subjects for human medical experiments, cleverly worded as "investigations" or "observations" in medical study reports to avoid negative connotations and bad publicity.

And the CIA begins studying LSD's potential as a weapon by using military and civilian test subjects for experiments without their consent or even knowledge.

In 1952, At the famous Sloan-Kettering Institute, Chester M. Southam injects live cancer cells into prisoners at the Ohio State Prison to study the progression of the disease. Half of the prisoners in this National Institutes of Health-sponsored (NIH) study are black, awakening racial suspicions stemming from Tuskegee, which was also an NIH-sponsored study.

From 1950 - 1953 The U.S. Army releases chemical clouds over six American and Canadian cities.

## Ebola and the White Christian Race

By Brother Khalil Shabazz

The Christian World of Filth has recently rediscovered a "rare and deadly" virus (according to the CDC) that has the potential to become a nation wide epidemic.

But what is not so well known to the public is that the Christians at the CDC have a patent on the virus which was "awarded" in 2010 (patent No. CA2741523A1, from naturalnews.com).

According to naturalnews.com on the "patent document" the U.S. Government "claim to have invented the virus" and "claims exclusive ownership over it's invention."

So in other words, the Christians have full control over this virus to do with it as they please.

Even though the U.S. owns the patent to this virus and they claim to have "invented" the disease, we all know from past events that whenever the Christians claim to have "discovered" a disease, more than likely it "came from Africa!" According to the Department of Human Biology at Stanford University, (<https://web.stanford.edu/group/virus/filo/history.html>)

Ebola, named after the Ebola river in the Congo, was first discovered by the Christians in 1976.

A second Ebola virus was discovered a few months later and a third

Ebola virus was found in 1989.

This third strand of Ebola supposedly came from "infected monkeys" imported to Virginia from the Philippines.

As usual the Christians can't tell us exactly where the virus originates but "infected monkeys" are always somewhere in the details.

We, the Muslims who follow Messenger Elijah Muhammad, must continue to remind our people of the "Life-Giving Teachings" of the Messenger of Allah, who taught us where all disease comes from.

Messenger Muhammad taught us that "all diseases come from the White Race." He taught us that in the "grafting process" of the White race they were made "weak boned and weak blood" and this is what he taught us Caucasian means (weak bone and weak blood).

The Caucasian White Race attracts diseases so easily that the hog or pig (which was grafted from the cat rat and dog) was made for the White Race for medical purposes to help cure them of their many disease.

We, the Muslim followers of Messenger Muhammad, must also remind our Black Brothers

## White Police officer Caught on Video Robbing a Black Man

**BROOKLYN**--A white NYPD cop was caught on video (See Youtube) in Coney Island getting physical with a Black man named Lamard Joye before stealing money (reportedly \$1,300) from his pocket and then pepper spraying him.

Joye's lawyer, Robert Marinelli, says the event was began when Joye (who is a well paid construction worker) and his friends began questioning cops who were roughing up a young man nearby.

This is becoming common practice all across America because of a more and more and is backed by the civil forfeiture, instituted by President George W. Bush, right after the 911 farce. Civil forfeiture allows law enforcement to seize large amounts of money (and even homes) from persons who haven't even been charged with a crime. Under current interpretations of the rules of civil forfeiture, police can

seize personal and real property when they believe it may be part of criminal activity.

Police do not need to charge the owner with a crime to seize the property, nor do they have to provide evidence of the commission of a crime, or even the intent to commit a crime. The burden is on the owner to prove that the seized property was not used for, nor was the result of, criminal activity.

Police did not arrest Joye, nor had they returned the money at the time of this writing.

This is nothing new. Messenger Elijah Muhammad gave Black men clear instructions concerning this in his book Message To The Blackman in America.

"Their record of unprovoked, evil attacks against our people is

Brother Khalil Shabazz

and Sisters of the history of these Devils and how they have used diseases as a weapon to commit mass genocide on groups of people.

We can't let our people forget about Captain Simeon Ecuyer sending "smallpox infected blankets and handkerchiefs" to the Native Americans and how these Christian Devils committed an act of genocide on the Native America people by using this disease, smallpox as a weapon against them!

We must also remind them of the "Tuskegee Syphilis Experiment", where Doctors intentionally infected Black people in the South with syphilis for 40 years untreated (from 1932 to 1972) trying to destroy the Black man and woman in America.

These Devils are even on record putting diseases in mosquito and letting them loose over the Black community.

So we the Black man and woman of America should ever be on guard whenever we hear these Christian Devil tell us about a disease they have discovered! Thank you for reading Muhammad Speaks news paper! As Salaam Alaikum.

# White Women Have a Long History of Falsely Accusing Black Men

AMANDA KNOX BLAMED A BLACK MAN FOR A MURDER SHE COMMITTED

SUSAN SMITH ACCUSED A BLACK MAN OF KIDNAPPING HER CHILDREN, AFTER SHE HAD DROWNED THEM

BONNIE SWEETEN LIED ABOUT BEING KIDNAPPED BY TWO BLACK MEN

White women have been falsely accusing Black men since they got here.

Remember Bonnie Sweeten, the 40-year-old white woman, who was sentenced to eight years in prison for a host of crimes including stealing money from her family and the law firm where she worked and lying about being kidnapped by two black men. Sweeten had actually taken her daughter to Disney World with her ill-gotten gains.

And what about Amanda Knox, the white woman who blamed a black man when she was accused by Italian police of killing her roommate. He was promptly arrested. Knox was finally found guilty of the crime and was sentenced to 28 years in prison.

And Let us not forget the scores of black men rounded up when Susan Smith falsely accused a black man of killing her children in South Carolina.

On October 25, 1994, Smith reported to police that she had been car jacked by a black man who drove away with her sons still in the car. For nine days, she made dramatic pleas on national television for the rescue and return of them. However, following an intensive investigation and a nationwide search, on November 3, 1994, she confessed to letting her 1990 Mazda Protegé roll into nearby John D. Long Lake, drowning her own children.

The ability of white women to paint black men as aggressors, despite any evidence, and to be believed immediately by law enforcement has always had dire consequences for the accused.

Remember Emmett Till?

Now comes dozens of white women who claim that a Black man assaulted them 40 years ago, but that they were "afraid" to tell back then.

They are backed up by the power-

ful white media, to try to convince us to hate our brother, Bill Cosby, who has worked his whole life to bring something good and wholesome Television to Black people. A Black man whose legacy will always remain as one who portrayed Black people in a positive light.

Why should we believe any of them?

For instance, Janice Dickinson, who wrote many books over the past 30 years (one titled, "Everything About Me Is Fake...") and gave interviews, where she discussed her numerous sexual relationships with male and female celebrities. But didn't mention anything about Bill Cosby until November, 2014.

And what about Joan Tarshis, who claims that she was assaulted twice by Mr. Cosby in 1969, when she was trying to be an actress at

19 years old.

Tarshis claims she had a drink with Cosby, then he raped her. Then she had another drink with him, on a different day and he raped her again.

Then comes Carla Ferrigno, who claims that when she was an 18-year-old "Playboy Bunny", she went with a male friend to Mr. and Mrs. Cosby's house, after they had all returned from the movies, and that Mr. Cosby kissed her when no one was looking.

When asked why she decided to make such a claim after all this time she said, "I'm one more nail in the (Bill Cosby's) coffin..."

So why are these devils and their Black imps trying to crucify Bill Cosby? They are afraid of his positive influence among Black people. Especially since he spoke a good word in favor of "Black

We Will NEVER FORGET The Scottsboro Boys! Nine black teenagers FALSELY accused of rape in Alabama in 1931, by two white women (prostitutes). The case included a frameup, an all-white jury, rushed trials, an attempted lynching, and an angry mob; All but twelve-year-old Roy Wright were convicted of rape and sentenced to death, the common sentence in Alabama at the time for black men convicted of raping white women. With help from the American Communist Party, the case was appealed. But it wasn't until November 21, 2013, after all nine were dead, that the State of Alabama granted them a pardon.

Muslims" earlier this year.

Over the past century, few Black men have achieved the legendary status of Bill Cosby. His greatest accomplishment is his creative genius of encouraging His (Black) people to act civilized, and to get an education.

In 1972 Bill Cosby, created "Fat Albert and the Cosby Kids" a cartoon based on his life growing up in a gang in Philadelphia.

Mr. Cosby used this show to

teach good manners, lessons in true brother hood, integrity and other civilized behaviors to Black Children.

NBC refused to air the show on Saturday Morning because it was "too educational", so Cosby took the show to CBS.

Fat Albert was honored and noted for its educational content, which included Cosby earning a Doctorate in Education. In every show's opening Cosby would playfully warn:

"This is Bill Cosby comin' at you with music and fun, and if you're not careful you may learn something before it's done. So let's get ready, OK? (Fat Albert voice) Hey, hey, hey!"

During each episode, Fat Albert and his friends (aka The Junkyard Gang), dealt with an issue or problem commonly faced by young Black children, ranging from stage fright, first loves, medical operations, and personal hygiene to more serious themes (though toned down for younger children) including vandalism, stealing, racism, smoking, being scammed by con artists, sexually transmitted diseases, child abuse, kidnapping, drug use, gun violence and death.

On November 28, 1999, Bill Cosby's, "Little Bill" first aired on "Nick Jr". and ran until February 16, 2004.

Little Bill is an inquisitive, imaginative and happy 5 year old black boy, who lives in a big city with his extended family; which in-

## The Brotherhood

By

**Minister Levi Karim**

**DETROIT**--In the name of Allah, Who came in the Person of Master Fard Muhammad. I forever thank Him for raising up His Last and Greatest Messenger, The Most Honorable Elijah Muhammad (peace be upon him).

A brother is more than just a man or boy in relation to other sons and daughters of his parents.

Brotherhood goes far deeper than that. Brotherhood is a community of like-minded people.s.

Brotherhood is the bonding of men of various backgrounds, beliefs, places, and eras around a singular set of life-directing commitments.

Brotherhood is not based on personalities and friendship, but shared commitments.

A brotherhood is weak or strong based on the degree to which the commitments are made and maintained.

A brother is a good brother if he follows the commitments and helps others follow them as well.

The strength of the brotherhood is based on how true each brother holds to those commitments.

Brotherhood has to be maintained. Constantly. For the rest of your life. If you choose to stop adhering to the commitments you made, then you fall out of the brotherhood. You stop being a brother.

The commitment we make is to Allah, (God), Who came in the Person of Master Fard Muhammad. To follow and obey what He taught His Messenger, The Most Honorable Elijah Muhammad (peace be upon him).

Our oath is: My prayer and my sacrifice, my life and my death are all for Allah, The Lord of the worlds.

We are not committed to a spook god. It is the Brotherhood of the Blackman! That is the God we are committed to.

Everything we do is for the benefit and betterment of the Black Nation, who is the Supreme God.

Our Sacrifice is For the benefit of our Black Nation. We give our life for the betterment of our Black Nation.

Messenger Elijah Muhammad taught us to love for our Brother that which we love for ourselves.

He taught us that if we have a bowl of bean soup then we are to share half with our brother.

Unity of the brotherhood gives

us power and force. That is what God is.

In the Nation of Islam, we learn to function AS ONE!

Allah is one God! We don't have one brother stepping out of the ranks doing his "own thing". That's not Brotherhood. We can not have unity like that!

We have been given instructions on how we do things and we don't change that teaching. We follow it to the letter. That is the only way we will be successful.

We follow and obey the law of righteousness. We don't let our emotions pull us away from that.

We don't allow anyone to provoke us to step out of the teachings of being civilized.

When we see our brother, it's like looking in the mirror. We see our own self. Mustache trimmed, faces shaved, Clean shirt, Sueded, Smelling good, smiling face, not joking, taking care of business, working hard, pushing the program, eating right, thinking right, living right, doing right.

We are committed to getting the Teachings of Messenger Elijah Muhammad to every Black man, woman and child. We work hard to be a good example of Messenger Elijah Muhammad's teachings, because we know that the only way to get this devil (white man) off our planet is with our righteous conduct.

When you are in accord with that teaching, you love yourself. And when your brother is in accord you can't help but love him too.

That's the only way to recognize your brother. If he keeps the commitment, then you know he is your brother.

Messenger Elijah Muhammad said, "You judge a man according to his work".

The Bible gives a good teaching on the love of the brotherhood in I John 4:20: **"If anyone says, 'I love God,' and hates his brother, he is a liar; for he who does not love his brother whom he has seen, cannot love God whom he has not seen."**

Upon hearing that the white (devil) police officer in Furgeson, Missouri was not indicted, and listening to the devil (white) prosecutor, and watched the "looting", car's burning.

Knowing the devil and how deceitful he is, the first thing I thought was that the looters and car-burners were people hired by the so-called authorities to cause violence to give them the excuse to launch their smoke bombs and march in their riot-gear for some

grand ego boost.

Then, I thought about Messenger Elijah Muhammad's words in the beginning of the book, "The Fall of America".

He said, "My people, I am here to fulfill a promise made long ago. I am here to bring you the truth. I am here with a solution to the problems of the so-called Negro and his white slave masters.

You are seeking something. You are seeking an answer to your four hundred year old problem of slavery, servitude and fifth - class citizenship.

I am here with the solution to that problem.

How good it is, then, for Black brothers of like minds and similar burdens to get together for a spiritual feast.

For more than four hundred years your pleas for justice, freedom, equality, a decent place in the sun have reverberated like thunderclaps sounding in the dark valleys of Lebanon. Yet there has been no answer.

Never in the history of human evil have so many asked for a just pittance, so loud, so long and received in return so little, if anything at all.

The church has failed you. Christianity has failed you. The government of America has failed you. You have not received justice from

any quarter.

As prophesied, you, my fellow Black men, are as sheep among wolves and as is to be expected, every wolf is taking a bite at you.

You approach the Senate, the House, the White House, and you ask for justice. You get injustice.

All our prayers have come to naught because we have proceeded out of ignorance.

We have not known the true God. We have not known who are our brothers.

We have not known who are our enemies.

We have not known who is God; nor have we known who is the devil.

In a nutshell, we have not known the truth about God, the devil and until that truth is made plain to us, our prayers for justice will forever go unanswered.

We will be the subject of scorn and laughter.

By now it should be ever so clear that politics will no more solve our problem than it did the difficulties facing Israel during her bondage in Egypt.

We have come to the brink of extinction. We must now and here make an agonizing reappraisal of our way of life if we care anything for ourselves, our lives, our people, our race, the future of our properties, wives

**Minister Levi Karim**  
**PUBLISHER**

and children.

Justice is a common thing. Yet, it is elusive.

Men have sought its meaning and substance since time began.

Plato shrugged that justice was nothing more than the wish of the strongest members of society.

Jesus equated justice with brotherhood.

Shakespeare saw it as a matter of mercy.

I am here to tell you that justice is the eventual working out of the will of God as indicated in the fundamental principles of truth.

Justice is the antithesis of wrong, the weapon God will use to bring judgment upon the world, the purpose and consummation of His coming.

## CHAPTER 12:22

*“And the devil will say, when the matter is decided: Surely Allah promised a promise of TRUTH and I promised you, then failed you and I had no AUTHORITY over you, except that I called you and you obeyed: so blame me not but blame yourselves. I cannot come to your help, nor can you come to my help. I deny your associating me with Allah before. Surely for the unjust is a painful chastisement.”*

### By Messenger Elijah Muhammad

The time of the fulfilling of the above verse of the Qur'an is now going on among the so called Negroes and their slavemaster's children. It is the greatest desire of the devil: to deceive the people of God against the Truth and God's Messenger of Truth.

The poor American so-called Negroes were born and reared by this great enemy (The Devil) of Allah and the Truth. They (the so-called Negroes) do not see nor know God, the devil, or even themselves.

Therefore, spiritually, they are called blind, deaf, and dumb. They cannot see nor hear the Truth. The vicious enemy, the devil has them scared to death. He put fear in the Negroes when they were babies, four hundred years ago -- says Almighty God Allah.

The devil will not confess the Truth until he has no alternative-he has already deceived those who follow him. At the present time, nearly 90% of my people in America are following the devil and are actually unaware of it. It is almost Hopeless, when it comes to trying to make them understand.

They will even turn against you, their friend and sincere well-wisher, to the inducement of the devil's empty promises.

The devil in the above verse is not a spirit but a human being who is in the flesh and blood as you are: 'the Caucasian race.' The above verse take it and keep it before your eyes as a warning, for it is TRUE. They will soon confess that Allah is true, and that I, Elijah Muhammad, am His messenger, and that I have brought to you the true promises of Allah (God), but you are denying them for the false promises of the devil.

You have taken the devil to be the equal of Allah (God), and when the showdown comes, he (the devil) will deny misleading you. Note (the above words): "I called you and you obeyed me," though he had no authority over the believers of the Truth (Islam), but he did know that they were afraid of him from the cradle, and that if he called them they would be afraid to disobey his call.

It is a very dangerous time in which we are living in to ignore the Truth, when it means your life or death. The great tricknology (their false friendship and promises) which is being played on you by the Caucasian race, and especially your slavemaster's children, you should not accept.

I have brought you the Truth and the True promise of Allah (God), believe it and He will save you from fear and grief. See and read Chapter 7:21 of the Holy Qur'an (a most truthful scripture) where the devil swears that he is a sincere adviser. "And he swore to them surely I am a sincere adviser to you." The white race rejects the religion of Islam, its God, and Holy Book (Qur-an), because it is a Universal Truth, and that both the Arab Prophet, Muhammad, and Jesus were dark men, and brothers of the darker Nation, though they (the white race) naturally object to being a follower of a black prophet.

# A March for Righteous Believers

By Brother John 9X

Brother John 9X

**RHODE ISLAND--** As -Salaam - Alaikum, Brothers and Sisters. We are the most analyzed people on the planet.

We have more people analyzing what's wrong with us than anyone else.

What's wrong with our families. Why we join gangs, Why we're on crack, Why we kill each other in increasing numbers, Why so many of our sisters are getting pregnant.

There are literally hundreds of people writing grants, getting money to solve our problems!

This has been going on for a long time. The question should now be asked: has it made a difference?

With all this attention we're getting....have things gotten any better?

With all the NAACP programs out there to help us. With all the Urban League funded programs,

with all the Rainbow coalition programs, the situation for many brother and sisters has not gotten any better.

It has only gotten worse. And we are asked to go on a march. It is put to us this way. "If we don't do this now, we will probably be destroyed within the next 10 - 20 years, at this rate we are marching to the tune of death."

In other words, if you don't support this march, if you don't participate in this march, if you don't contribute financially to this march you are somehow against Black people.

But the question should be asked: Why should we march? There was the march on Washington, there were marches on Selma and Montgomery back in the day. Ten years ago, there was the Million Man March. After that came the Million Woman's march. The Million youth march, the million family march...with all this marching, we certainly should have holes in our shoes.

But the question has to be asked what did these marches accomplish?

I know what you are thinking, Brothers and Sisters. Without those early Civil Rights marches we still wouldn't have the right to vote, we would still have to sit at the back of the bus.

I would ask you: what has the right to vote gotten us? Most of the time we have to vote for the devil (white man) anyway and even when we can vote for one of our own, he or she really turns out to be the devil's stooge anyway selling us right down the river.

Getting the right to vote certainly

hasn't solved any of our problems. And neither has these marches.

Listen, Brothers, Sisters, in 1995 I was at the Million Man March. And I must say, in a way, it was a glimpse of paradise. To witness an unending sea of Brothers who were kind and polite to each other...for those fleeting few hours it was heaven on earth .... But getting back home again...it was the same old story. Nothing had changed !!

We were fed a line that we had made a difference, but it didn't really matter. What mattered was that they got to our pocketbooks with the never ending series of buckets being passed around asking for "funds". And now things haven't gotten any better. Things have only gotten worse.

And now were told by these Brothers and Sisters, these mis-leaders, that we've got to march again!

Like the devil himself these people try to put fear in us by telling us if we don't support them, it will lead to our death as a people. This is our last chance!

This is utter nonsense!! Brothers, Sisters the only March we need to make is to our Temple.

That is a March for righteous Believers ! The only thing that will unify us, the only thing that will make a difference, the only thing that will solve our problems is following the Messenger's program to the letter.

We need to stop listening to these mis-leaders. I've said it before and I'll say it again, Brothers, Sisters, stop dancing with the devil once and for all!! As.Salaam - Alaikum.

'Who does he think he is? There's no big I's and little u's in the Messenger's Teachings!'

## Devil's (White's) entertainment poisoning young minds

By DaJuan Rafi

**DETROIT**--The Devil's (white man's) entertainment is poisoning the minds of our young brothers and sisters.

Activities, such as watching T.V., Playing video games, and surfing the web, are destroying their ability to focus, which makes learning harder.

Schools closing also take away my peer's desire to learn.

All of these factors direct the focus of young brothers and sisters on nonsense that makes us grow up faster.

By putting the focus on men marrying men and women marrying women.

The devil (white man) is successfully ruining my generation.

The Most Honorable Elijah Muhammad wrote on page 277 of "Message to Blackman". He said, "on the streets of any metropolitan city in American it is common to see men sweethearting with men and women sweethearting with women.

Little boys with boys and little girls with girls."

Also on page 277 it showed the importance us having our own schools and educating our own.

Brother DaJuan Rafi

"There are no all girl schools as there once were. They are all girl schools of sweethearts. The same sex falling upon their own. Boy's colleges are breeding such filthy practices.

The jails, prisons, and the federal penitentiaries are all breeding dens of homosexuals."

### Study says Video Games Affect Behavior

# What Islam Has Done For Me

By  
Brother Rahman Rafi

**DETROIT**--In the name of Allah who came in the person of Master Fard Muhammad and his last and greatest Messenger the Most Honorable Elijah Muhammad. I greet you all with our nations' greetings of peace As-Salaam-Alaikum!

Being a follower of the Messenger, I continue to learn and grow in Islam.

The way I deal with people is one of the most significant changes Islam has brought to me.

Submission is key, but we submit to righteousness. That means being fair, honest, and genuine when dealing with people.

Before Islam, I was very critical and one could say I was somewhat negative. My motto was "keep your expectations low and your disappointments will be low." However Islam taught me the proper way to handle people.

In pushing The Program and trying to bring other believers in the Temple, we come across all kinds of people.

Our focus isn't on the differences in the people or their different walks of life. The focus is on the similarities.

All of our brothers and sisters

*'Our focus isn't on the differences ... The focus is on the similarities'*

want to be respected.

A positive greeting can always set a positive tone.

I used to find it extremely difficult to start a dialogue with anyone.

Selling papers and passing out flyers brought me out of that.

I found from "being in the field" there is always something to comment on.

It could be something as small as a brother's haircut or how he carries himself.

Any positive I see, I compliment on to try and start positive interaction.

Our people are used to negativity, stress and disappointment.

Anyone watching can see the pain on some of our people's faces.

As a Muslim brother I extend my ear to whoever I encounter, al-

Brother Rahman Rafi

though I personally may not have the words to address the dilemmas facing our people,

I always use the opportunity to extend an invitation to the Temple because while I may not have the words to address our people's dilemmas, I can say, with confidence, that the Hon. Elijah Muhammads does.

You must have a positive attitude to begin with. I always begin my day with prayer.

This puts me in the right frame of mind, because we will encounter negative people at times,

A smile is always helpful and being nice never hurts. As-Salaam-Alaikum

## The Muslim Daily Prayer Book Is Compiled Under the Guidance of the Most Honorable Elijah Muhammad May Allah's Peace and Blessing Be Upon Him

Sister Anna M. Ali

The Most Honorable Elijah Muhammad has stated on page (2) of The Muslim Prayer Book, may Allah's peace and blessing be upon him, Quote: . . . Here my beloved people who **Believe**, is The Book of Muslim Daily Prayers I had promised sometime ago to make available to you. Page (7)

### Object of Muslim's Prayer

The Object of Muslim's prayer is the purification of heart, which is necessary for spiritual advancement.

To Order, Please call (Sister Anna M Ali)  
(601) 751-0920 • Thank You

In the Name of Allah, who came in the Person of Master Fard Muhammad, to whom Praises are due forever; and His last and greatest messenger the Most Honorable Elijah Muhammad peace be upon him.

As-Salaamu 'Alaikum. Muslim Daily Prayer book by the Honorable Elijah explains how we must pray daily five prayers. Object of Muslim's prayer is the purification of heart, which is necessary for spiritual advancement. Benefit of Prayer, Allah promises many blessings to you if you turn to him in prayer.

Nations are no doubt destroyed when they indulge in evil inordinately, and they prosper only so long as their good qualities preponderate.

Each prayer consists of two parts: one is obligatory (called in Arabic *Fard*), the other traditional (called in Arabic *Sunnah*); and each comprised a different number of "steps", known as rak'ahs. Description of a "step" (rak'ahs) consists of the standing, bending, rising, and prostrating positions. After every two "steps" (rak'ahs) there is a sitting position. These are the Muslim Daily Prayers Allah gave to his messenger for the believers to pray daily all found in the Muslim Daily Prayer book by the Honorable Elijah Muhammad. The Supreme Wisdom Volume Two states the following (page 54) THE FAITHFUL'S MARK. To be truthful with you, God has said to me he will not accept any white people in his Kingdom. A special Mark will distinguish the righteous from the devils, and it will be in their foreheads caused by prostrating. The Muslims prostrate in their prayers on rough floors or rugs, which produce a mark on their forehead. (Some of my followers have such a sign now, produced by the five-prayers-a-day obligation). The righteous are always marked by his righteousness, as the wicked is marked by his or her wicked acts.

They are actually marked by nature and are recognized by both parties. Prayer from Holy Qur'an Maulana Muhammad Ali Translation chapter 2:125: And we made the House a resort for men and a place for security. And Take ye the Place of Abraham for a place of prayer. And we enjoined Abraham and Ishmael, saying: Purify my House for those who abide (in it) for devotion and those who bow down (and) those who prostrate themselves. Chapter 7:206, Surely those who are with thy Lord are not too proud to serve Him, and they glorify Him and prostrate themselves before Him. Chapter 20:132; And enjoin prayer on thy people, and steadily adhere to it. We ask not of thee a sustenance. We provide for thee... And the (good) end is for guarding against evil. Chapter 9:112. They who turn (to Allah), who serve (Him), who praise (Him), who fast, who bow down, who prostrate themselves, who enjoin what is good and forbid what is evil and who keep the limits of Allah-and give good news to the believers. Chapter 9:18: Only he can maintain the mosques of Allah who believes in Allah and the Last Day, and keeps up prayer and pays the poor-rate and fears none but Allah. So these it is who may be of the guided ones.

Al-Jumu'ah, The Congregation, Friday Prayer, chapter 62:9; O you who believe, when the call is sounded for prayer on Friday, hasten to the remembrance of Allah and leave off traffic, that is better for you, if you know. Also found in Muslim Daily Prayer by most Honorable Elijah Muhammad. May the peace and blessings forever be upon His messenger.

Sister Anna M. Ali, As-Salaamu 'Alaikum.

## Why The Messenger Devotes December To Fasting And Other Righteous Acts

By Abdul Basit Naeem

Reprinted from the December 13, 1968  
Edition of Muhammad Speaks

It is an irrefutable fact that the U.S.A. is the world's most highly commercialized nation.

So dogged and dour is the 'dollar-demons' dominance of nearly every aspect of life there that an average inhabitant of this subcontinent simply cannot escape the "Systems" powerful impact.

THUS IT IS, for instance, that in spite of the numerous (so-called) "freedoms" Americans (whites as well as Blacks) claim to enjoy, a vast majority of them apparently cannot think or act

for themselves and, more often than not, follow many of life's pursuits in direct deference to Madison Avenue merchandisers' machinations and whims.

The latter it is, indeed, that induce you to eat what you do at breakfast or dinner time, to regularly use "your choice brand" of soap or toothpaste, and to prefer the particular fashion or style of clothing that you wear for work or for leisure.

The men and women of the U.S. advertising industry, again, forever advise you on other

"necessities of existence," such as home appliances, automobiles and annual vacation travel.

As a matter of fact, they are even capable of counseling you in regard to your own funeral arrangements---to insure that you are accorded a "decent, Christian burial" after death.

The "System's" media of influence are both omnifarious and omnipresent: You find them in your daily newspapers and in the weekly and monthly magazines you receive by mail. You can see them affixed to storefronts and pasted onto giant billboards that dot the nation's highways.

They also form an essential and integral part of your favorite radio and T.V. programs---for neither could come into being without those "brief messages" (commercials) from our sponsors."

ANOTHER CONGRUENT characteristic of same (i.e., the "System's media) is that they never cease to prey upon our human emotions, thereby perpetuating and giving permanence to the vicious cycle of overt commercialism.

However, never is the flagrant and willful exploitation more

manifest than it is in December---that is to say, during the prolonged, Thanksgiving-to New Year's Day "holiday season."

COME DECEMBER, the money-mad Madison Avenue manipulators' campaign suddenly gains extraordinary momentum: Newspapers and magazines begin to bulge with extra promotional material.

Page after page of "holiday" advertising extols the "incomparable Christian virtue" of gift-giving ("even unto yourself").

In supermarts and department stores across the country, phony, mercenary Santas (was there ever a real one?) endeavor to stimulate sales of toys and other "seasonal" merchandise for their bosses.

"Buy This." "Buy That." "Buy Now, Pay Later." "Easy Credit." "Convenient Terms Arranged." "No Down Payment Until February."

These and countless additional, equally-enticing phrases become common place and incessantly fill your ears and eyes.

IT GOES without saying, though, that most December doings and goings-on scarcely relate

Abdul Basit Naeem

to the perplexing, fundamental problems that confront the twenty-five million "Asiatic" (black) inhabitants of this land (American so-called "Negroes"). Neither the "holiday spirit," nor, for that matter, other kinds of (consumer) "spirits" eliminate or alleviate their plight and suffering.

On the contrary, many Black Americans actually contract additional woes as they succumb to the "System's" sustained pressure tactics and sign up for new "holiday" loans.

What is perhaps infinitely worse and wholly unjustified is the fact that much of this foolishness, extravagance and spending spree is carried on by all parties concerned ostensibly to commemorate the birth of Jesus of Nazareth---who, as many eminent historians will attest, wasn't even born on "Christmas Day" (December 25)! The "Devil's deceit and deception" is thus further perpetrated in December making the month a veritable period of unprecedented misguidance, misfortune and temptations.

SMALL WONDER, then, that my Muslim brothers and sisters in the wilderness of North America---that is to say, members of the U.S. "Nation of Islam," headed and magnificently guided by the divinely-raised HONORABLE ELIJAH MUHAMMAD---deem fit to devote the entire month of December to fasting, abstinence and rededication to the grand and indubitably righteous and most worthy cause of FREEDOM, JUSTICE and EQUALITY for all Black Americans!

### Reports Finds Black People will Spend more for Holidays than all others in America

According to a Nielsen holiday report released on October 28, 2014 Black people in America will buy more holiday items than anyone in the country.

The Nielsen findings for this year's holiday season were determined by two studies. The information company used a consumer survey to poll over 25,000 U.S. households in September of 2014 and also reported sales predictions drawn from 92 categories and five departments that represent more than \$100 billion in sales, according to the report. What these studies concluded was that not only were multicultural shoppers expected to account for 43% of this year's 1.8% dollar rise of extra spending, but Black people make up 17% of that percentage, with Asian-Americans at 13% and Hispanics at 13%.

The report says so-called "African-Americans" plan to spend the most are on online purchases, groceries, and electronics.

Nielson and ESSENCE Communications teamed up to compile the 2014 African-American Consumer Report, and the piece found that so-called African-Americans have a "growing economic [buying] power" that is expected to grow from \$1 trillion to \$1.3 trillion in just a few years.

Blacks are also considered "a fertile economic opportunity for corporations." With so much wealth

and economic influence, it is certain that the Black community could help make or break many companies or services eager to capitalize off the group.

### Arab Muslims in America get 'caught up' in the spider's web of Celebrating Christmas

DEARBORN, Mich.-- Arab Muslims in America have become divided over the issue of whether or not it is wrong for Muslims to celebrate Christmas.

Some Arab Muslims who are eager to "blend in" with what they call "American Culture" makes excuses to celebrate the pagan holiday with the so-called Christians of America.

Some say Christmas is not a Religious Holiday and that it is merely a cultural holiday set aside for children to have a little make-believe fun.

They say "Santa Claus", "Christmas Trees", reindeers, elves and decorative lights have nothing to do with religion.

They say, "it's the magic of Christmas we celebrate, not the whole religious thing."

But that so-called "magic" part is the main part that Messenger Elijah Muhammad tried to help his followers (Black people in America) avoid. That's the costly

part. That's the part that retailers commercialize on.

If the worship of the righteous Prophet, Jesus, was actually what Christmas is all about, then fasting, praying and charity would be the best way to observe the holiday. And that is what Messenger Elijah Muhammad taught his followers to do the first 30 days of December.

Many Imams, in the largest Arab Muslim community in America, who are witnessing their own people spending hundreds of dollars for unnecessary trinkets to celebrate Christmas.

According to an article published last December in the Arab American News, "Imam Mohammad Elahi, leader of the Islamic House of Wisdom in Dearborn Heights, echoes Messenger Elijah Muhammad's Teachings. He believes that the actual celebration of Christmas in the U.S. and Europe has turned into a commercial avenue rather than a

# Special How To Eat To Live

## Natural Food What Allah... Taught Me

By Elijah Muhammad, Messenger of Allah

*Reprinted from the January 17, 1969 Edition of Muhammad Speaks Newspaper*

We are often making suggestions of the various kinds of foods the earth produces for us to eat.

SINCE the coming of the white race, they (white race) have set forth one of the greatest confusions of what foods the human family should eat, and today everything like food is eaten by the human family.

Whether this food is good for human consumption or not, it is offered in the market to us to eat.

Naturally, all follow what the white race offers to us in the way of eating, clothes, shelters and money, because of their given power to rule over us for a limited time (6000 years).

We have followed their dictation as to what we should accept and

what we should reject almost to the letter for the past 6000 years.

Now, a New Ruler and His way of civilization stands knocking on our door with His list of how to eat to live.

The scientists of this world (the white race) failing to gain the confidence of the people ran a race of commercialization between each other.

This commercialization on foods has put forbidden, divinely forbidden, and poison foods on the market for human consumption.

Now these poison foods have created another commercial field (drugs) to temporarily reduce the effect of the poison foods eaten by the people, that they purchase from the food markets.

Therefore the health and span of good happy lives without drugs, of the whole white race and the Black people who are under the rule of the white race, are being destroyed by the artificial and poison foods put on sale in the market (which is backed by the government and communities to be eaten by human beings for the sake of that "commercialized dollar."

SUGAR ---- For an instance, sweets and meats have become the greatest desired "dishes" of America.

Food is eaten with many artificial flavors and colorings (slow death) added.

There is no need to draw sweets out of sugar cane and sugar beets to sweeten other foods.

Other foods have natural sugar or sweetening in them. Even meats are sweet enough for our taste and digestion.

A little salt added and a little pure pepper added to make it taste

hot is sufficient. The other flavors are not necessary.

FRUIT -- are all good and best for our consumption in their natural state. Fruit should never be cooked to get the better value out of them for our health.

Fruit should be eaten raw and not cooked.

The drying of fruit is only for preservation so that it can be eaten later but not with the value that it contained when it was fresh.

In the Creation of the earth, the Creator caused everything to grow in the earth that would be, or act as, the sustainer of our lives.

The natural food value of the vegetables that we go to the market and buy should not be destroyed with a lot of additions.

They contain the vitamins and proteins nature put in them for us, if the experimenters and poisoners of food do not interfere.

Natural food will give to us natural health and beauty and prolong

Honorable Elijah Muhammad  
**MESSENGER OF ALLAH**

our lives, if the poison hand of the commercializer does not touch it.

None of us should suffer with sugar diabetes if we would eat natural food, because the sugar in natural food is not enough to poison our blood with sugar.

## Doctors Advised to prescribe diets without GM foods

The American Academy of Environmental Medicine (AAEM) has called on all physicians to prescribe diets without GM (genetically manufactured) foods to all patients.

They called for a moratorium on GMOs, long-term independent studies, and labeling.

They stated, "Several animal studies indicate serious health risks associated with GM food," including infertility, immune problems, accelerated aging, insulin regulation, and changes in major organs and the gastrointestinal system.

There is more than a casual association between GM foods and adverse health effects. There is causation..."

Former AAEM President Dr. Jennifer Armstrong says, "Physicians are probably seeing the effects in their patients, but need to know how to ask the right questions."

Renowned biologist Pushpa M. Bhargava believes that GMOs are a major contributor to the deteriorating health in America.

GM foods are particularly dangerous for pregnant moms and children. After GM soy was fed to female rats, most of their babies died -- compared to 10 percent deaths among controls fed natural soy.

GM-fed babies were smaller, and possibly infertile.

Testicles of rats fed GM soy changed from the normal pink to dark blue. Mice fed GM soy had altered young sperm.

Embryos of GM soy-fed parent mice had changed DNA. And mice fed GM corn had fewer, and smaller, babies.(49)

In the US, incidence of low birth weight babies, infertility, and infant mortality are all escalating.

The only published human feeding study revealed that even after we stop eating GMOs, harmful GM proteins may be produced continuously inside of us; genes inserted into Monsanto's GM soy transfer into bacteria inside our intestines and continue to function.

Eating corn chips might transform our intestinal bacteria into living pesticide factories.

Messenger ELijah Muhammad taught us that the only way to get rid of such poison is to by fasting. Not eating anything at all for 3 or more days.

The Messenger said, "Fasting is one of the greatest "doctors" we have... It cleans the impurities out of the blood and causes the body to eliminate the poison stored in it from previous meals - sometimes from previous meals of many years, as the folds in our intestines can carry particles of food for a long time, and holds strength enough in them to keep us alive for two months..."

By Messenger Elijah Muhammad

*Excerpt transcribed from an audio recording of Saviour's Day 1967*

As-Salaam-Alaikum! We always enjoy listening to what Min. Lonnie Shabazz has to say because he has education of this world. And one of the main basic education. That is mathematics. He is the professor of mathematics. And there is no civilization that can ever rise up and be honored under no such name as civilization without mathematics.

Mathematics, as Allah has taught me, is truth. And he compared it with Islam. Islam is mathematics and mathematics is Islam. So the two is truth. Equal truth. You can prove it at any time. Unlimited time. That Mathematics is truth. Well so, as we can prove, figure for figure, that mathematics is truth, then we can prove, word for word, that Islam is truth.

We are very happy to have you here and we don't want to bore you. We want to tell you what we are going to say and get out of here and go home. Well, we don't have no home right now. We're trying to find our way home. We have been lost from our home for now, a little over 400 years. So we are, now, trying to find the way home.

There are many of us, that probably would not agree with what I just said. But, when we read the history of our forefathers, coming into America (well not, say coming into America). They never would have been here, if it had been left to them. Since they were BROUGHT HERE BY FORCE, by those who wish to commercialize on their labor. We have not had any knowledge of our self nor of our kind, that we left, nor our religion, nor the God of our reli-

gion, nor the people of our religion. We have been isolated from God, truth and our people and native land.

I want you to remember, my beloved, that this is the problem that must be solved today. It is the knowledge of we, the lost and found people, black people in America, and the way to self. The way to our own.

We would not have ever known the way to self and to our own people if we had looked forward for guidance to self and kind from other than our own.

I want you to pay good attention to what we have to say for the next few minutes or hour or so. And if I happen to go over an hour or so, don't think hard of me for doing so because I yet won't (have) told all that I want to tell you. I want to tell you plenty, but I fear your patience. I don't count myself smart for saying I want to tell you plenty. It is plenty what I have received - What has been revealed to me. Therefore, I can't tell you all, so that you can understand it well, in a few minutes. I have to have time to go into detail.

I represent to you, not a prophet. But I represent to you God in Person.

The Misunderstandings of God - The Misunderstandings of Devil - The Misunderstandings of The Scripture of God's Prophets have gotten the people, today, lost to the knowledge of actually God and His prophets and the Scriptures that they brought for our guidance.

The Bible, an older revelation of God to the Prophets than our late

*'The white race cannot change, they'd h*

Holy Qur'an, last revelation that has been given to us by the Wonderful and the Most Honored Prophet of the past, Muhammad, to whom praise is due forever. He will be praised. Because Muhammad is actually the Name of God.

I want us to remember that we are living in a time of universal change. Whether you would like to go along with the change or not. That's immaterial. You can remain in what you have. But that won't remain with us. A complete change of the world. A complete change of Scripture.

These two books, here, before us, Holy Qur'an and Bible. These two books stop on this side. There is some truth that's in them that will go on, as God has taught me, for the next ten or nine thousand years, pardon me. There are truths in them that will live and won't come to pass, some of them, for the next nine

thousand years. And that is not nine days. That's not nine years. That's nine Thousand years! So don't worry about that nine thousand years. Worry about your time. This is the time you should worry about, in the time that you are living in. Let the others worry when they come here. That is, if Almighty God, Whose proper name is Allah, in the Person of Master Fard Muhammad, among us today..if He makes it better before that time. If he brings about perfection of the people, and the language, and the guidance, Divine guidance, before that time, we will thank Him. We thank Him for making a change.

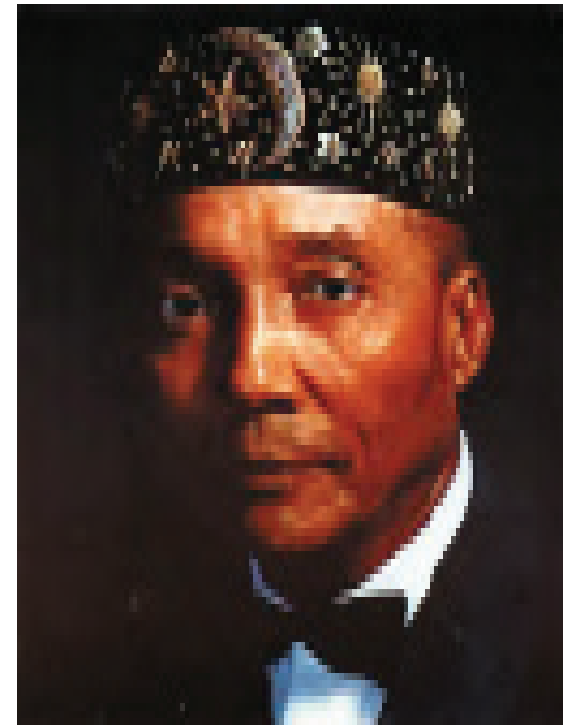

We have lived in a world that is opposed to truth and righteousness. We have lived in the world, the last 6,000 years, that is opposed to the Aboriginal people of the earth-Black people.

They are not to be looked upon as people that absolutely taken it upon

themselves to be opposed or an enemy to what they were made in. But we should look at them this, that the nature in which they were made in cannot be altered by them. It is in that which they were made. And again, if we learn the truth of the father of them, we have to blame ourselves. Again, we have to remember that if our father was wise enough to make from himself an enemy for himself for the next 6,000 years before a greater one for righteousness and justice arises among us.

We have no rights to discriminate. We have no right to make fun unless we are going to include ourselves. The coming of Almighty God today reveals the truth and the truth makes happy, glad the heart, of those that belong to the truth, and in which the truth is in favor of. But those, whom truth are against, naturally it brings out to them that in which by nature they are, an enemy of truth.

The white race cannot help themselves for being what they are. The only way that they could change, they'd have to be re-made. As you have a piece, there, covered in symbols, in the argument between Jesus and one, Nicodemus. The Nicodemus

The Most Honorable Elijah Muhammad  
**THE LAST MESSENGER OF ALLAH**

mus there represents the whole entire white race.

There are many of them, today, would like for a change. They, all, are not alike. But they all, by nature, are alike. I hope that you get understanding.

When you first come into the knowledge of yourself, your religion, you are like a fish that is fresh caught from the lake. He's jumping. He's bending, because he's in the atmosphere. So when you first learn the truth of self and of the race, Caucasian race, then you're all excited. The white people know you well. But you don't know them, well. This is the coming of God to you and me in this time-to acquaint us into the knowledge of self and others (those who blinded us to the knoweledge of self)...This is the work of the Coming of God, The Great Mahdi. The Restorer of the Kingdom of Islam.

## To cover up our people, in the Bible, they symbolize you as a sheep

Continued from page 15

And to restore the lost member of the aboriginal people to his place.

This brings about trouble. This brings about war.

IT is written in the Bible that when He comes, he would make war. Because the old world is not going out, without being pushed out...

The long awaited Saviour Has Arrived. Not to come but has arrived.

The Christians teach the coming of Jesus, or the return of Jesus to usher in the Judgement of the world. And the Christian sayings ...with the worship of Jesus every day over the radio and tv, but yet they are not ready for Jesus.

They don't want his return. They don't want no substitute of his kind. Because, according to the Bible, the Jesus comes to execute Judgment upon the ungodly or upon the Satan world.

And how could this world be glad to see Jesus!

But they have so blinded you and me to the true knowledge of God and the true knowledge of his religion. They preach Christianity with their addition and with their blinding of the truth in it (symbolizing) putting the truth under symbols, that you will never be able to understand.

There is not a one could have understood the Bible, the way it is written, or wrote, for you and me, unless God, Himself prepares you, and teaches you the understanding of it.

The white theologians or Scripture scientists admit they have so fixed the Bible in their way that the truth is hard to understand.

Though the truth is here, in the Bible, if understood. They know they have did a well job of it, that when they closed it up, the Revelation in the back of it, it reads, "Blessed is he that reads and gets understanding". I bear him witness. We don't all understand it.

God has raised me in the midsts of you to interpret for you. And I do my best to give to you the truth without self addition.

I have no knowledge of anything that I'm teaching. Only what Allah has given to me, in the Person of Master Fard Muhammad, To Whom Praise is due forever.

I would like for you to take note of the Prophecy and of the 3rd of the Last one. God Himself. They used to preach it that God came in the flesh and the blood. But they don't preach that too much now.

The Bible says, here in Matthew, first chapter, 21st verse, "And she shall bring forth a son

and thy shall call his name Jesus, for he shall save his people from their sins".

We want you to listen good and don't misunderstand.

If Jesus was to save his people from sins, 2,000 years ago, where are they? Where are the saved ones.

I want you to remember these things. These are the scriptures that you boast that is right. And if you boast that it's truth, then you have not understood the truth of it. Because you misrepresent it.

I would like that you listen to something else. If he came and saved the Jews from their sins, we don't find them. They're not here today. And if it meant that the total race of the white people, why are they expecting Judgment.

If they say that he was sent to the House of Isreal seeking to save the Lost Sheep of the House of Israel... some of us misunderstand this... They think that refers to whole race of white people or Israel, but they misunderstand it. They fail to catch the trick, there, of the Theologian saying the Sheep of the House of Israel.

He didn't say Israel was Sheep. He says the Sheep OF the House of Israel...

We must look closely into the Word to understand what is meant...

If he is a sheep OF the House of Israel, it means another people that is in the House of Israel or in race of Israel.

That is not the same. They are different.

Therefore, to cover up the aboriginal member of our people, here in the West, they symbolize you as a sheep.

Therefore you were not able, until today, to understand that the sheep is you in another Nation-In a house that you don't belong in!

The average clergyman preaches it as one who needs to be brought back to the church. Christianity.

I want you to change your text, Brother. It is not a sheep that is out of the church. It's the sheep that needs to COME OUT of the church!

Jesus don't claim no association with the Jews, with Israel...You worship everything that white people worship, but yourself.

You, now, even reject them trying to say anything good of you, if it's not what they have BEEN teaching you.

There are white people in America, and abroad, that have great respect for Islam. But they are not supposed to teach you Islam.

# The Control

By Minister Mahdi Muhammad

WASHINGTON, D.C. – Of all the types of evidence presented in any matter, the best of these is empirical evidence.

The dictionary defines empirical evidence as information that is acquired by observation or experimentation or information that justifies a belief in the truth or falsity of a claim.

This is the greatest distinction between the teachings of other faiths and the teachings of the Honorable Elijah Muhammad. Our beliefs are based on proofs more than faith.

There is a crucial flaw in every major religion of the world that does not exist in Islam, as taught by the Messenger.

That flaw is the problem of evil and how and why it exists in a universe created by a beneficent God.

The spook God that sees all, hears all and knows all and is all fore-knowing has a problem in proving his existence over a wicked world where good is currently weaker than evil and bad things constantly happen to good people.

After all, why would the Mystery God allow evil? They say because man has free

will and that's a gift to us, but that's a lie if God doesn't have free will how could it be anything but a curse to us, especially since in the here-after or heaven we won't have free will or be able to choose evil, why should it be in the first creation at all?

They say that it's present so that God could know who was worthy of His blessing or heaven, so He created this world as a test, but couldn't the spook God just have made all of us worthy in the first place?

This reality has forced the religious scholars of the world to create another dimension after death to rectify the wrongs seen in the world because there is so much injustice "how can God be God and let them get away with it?"

You see if God made the Garden of Eden, Adam and Eve, then He's also responsible for the snake and the apple.

This contradiction creates mental gymnastics in the minds of Christians where they can praise an "All-powerful" God in one breath and curse a similarly powerful devil in the next.

But the Quran says "corruption has appeared in the land because of what man's hands have wrought".

*Rev 10;7 - the mystery of God will be finished MTTB – "As we near the exhaustion of the wisdom of this world"*  
*Psalms 18:11 He made darkness his secret place Control - An individual used as a standard of comparison for checking the results of a survey or experiment*

And as for natural disasters Allah says in HQ 8; 24 "guard yourselves against affliction which may not smite those of you exclusively who are unjust".

So old world Moslems have a problem now as well, for how do we account for the perfection of 'spook Allah' with imperfect aim, who sometimes kills the innocent with the guilty.

Old World Islamic scholars are consistent with their response as they teach that Allah created good and evil and can do as He pleases.

But that isn't true because Allah can't lie, He can't be unjust and He can't violate His own nature.

So the question remains... why?

The flaw of their supposition is that a perfect God reigns over an imperfect world and the rational mind or objective scholar dismisses this as mere blind faith

of religion without a basis in reality.

For reality proves there is a God because of the intricate design and purpose found in the smallest aspects of creation, but yet imperfection is also present in the same creation.

The mendacity of other faiths have been made clear by the earth shattering teachings of Master Fard Muhammad through His servant the HEM.

It was rather simple in its subtlety and staggering in its implications and contained the key to every question ever asked about self and God.

Questions like "Why are we here? Where did we come from? Why is there suffering? And where are we going?"

In science there's a process to reach an empirical truth, and if the method can be reproduced, without fail, a theory can become a law.

The scientific method of experiment requires in every laboratory there be a "control". A control is the part of the

Min. Mahdi K. Muhammad  
Muhammad Temple of Islam

experiment that is untouched by the variables applied to the experiment.

For example, if I wanted to test how well plants grow with fertilizer as compared to without fertilizer the control group would be the plants without the fertilizer.

In Arabic the word for a persecution, difficulty or trial is called a 'fitna'.

In HQ 2; 27, the Quran says that a fitna or persecution is worse than death, but it goes on to say that man was made to face difficulty but it also says Allah wishes ease for you. Hmm.

## NOTHING BUT FILTH

### Jacob wrestling with the angel symbolizes you too

Continued from page 16

This is against their nature and the oath which they have among themselves. Not to ever wake up the Negro to Islam.

And futher on we can find you in the Bible and the warnings against the waking of you by them. But these things are covered up. In other words, they're under symbols...

...Don't think Israel is a good name. Israel is not a good name. Israel is an evil name...

...I know you don't like to hear that. But I make it plain to you, according to the Bible.

The Bible says Jacob was named Israel. That's where we get it from.

In the Bible, it says, Jacob was given the name, Israel, after he had conquered the angels, right?

The Bible says that he wrestled with the angel all night. Remember that. Understand what is meant.

Now if this man was wrestling with the angel of God, trying to force the angel to do some thing the angel did not come to do, that's an enemy of the angel.

He says, "I will not let you go". The angel pleaded, right? He pleaded to Jacob to let him go. Jacob said, "No, no, no. I can't let you go until you bless me." This is an enemy!..sticking up the angel of God...

This is the history of Yakub, the Father of the Caucasian people in his work of grafting from the righteous -- From the Black man --His race of people.

And he didn't intend to stop until he separated Black and white.

White was in Black, but no one had ever made and attempt to bring it out. And the wrestling all night meant those six days (or 600 years rather) that he was, in grafting the white man out of the Black man, which was under the darkness (spiritual darkness) of making his world (this people).

The day represents his made man ready to go and conquer the original people coming to him.

Civilization. He's alive and now he's ready to go.

We have blessed Yakub with a new nation on the earth. And the same goes for today. He has wrestled with us, to keep us under spiritual darkness for the last 6,000 years.

Now, today, he rises up, at your rise, in anger, and he wishes to keep you in darkness to keep his soul blessed. Your rising to brightness of the truth is death to his night.

These things you must learn. Israel, as your Bible teaches you, means the one who conquered the angel, who conquered the Black man, and taking from the Black man power to rule the Blackman.

# The Control

Continued from page 17

The Bible says that after Abraham's seed has served four hundred years as slaves they will come out having 'great possessions'.

In Christian tradition, we are told that Jesus descended to hell before he ascended to heaven. He had to go down before he could go up.

The first made man on the planet was the female and the scripture says that when God went to remove the female from the male he put the man to sleep first.

So in making the devil from the original man, the original man had to be put mentally asleep to allow the weaker part of himself to rule him so that he could see if evil was the equal to good.

The process of writing history every 25,000 years and destroying the libraries at year one forces us to exhaust our wisdom rather than rely on old wisdom thus pushing us toward our eventual perfection or conclusion.

The devil, we are told, begins as Iblis, a being that is made of fire.

In the bible, he is referred to as Lucifer which means 'a light bearer'.

The nature of the devil is to put heat on us, and once you add fire to black clay you'll get a finished form.

We were seeking perfection from the beginning.

The earth is the laboratory that Allah used to conduct this experiment and the 25,000 year cycles were the method of exhaustion used to expel all wisdom hidden within us.

The appearance of the physical devil, in a time vacuum of the current cycle, provided the last step of exhaustion.

As Solomon says in Ecclesiastes 'everything that could be done has been done and there is

nothing new under the sun.'

The knowledge of God had to be kept a secret because in the past this knowledge had catastrophic consequences (see Moon), so Allah's identity remained hidden from the public until now.

Now there is a man, on the scene today, who is part fire and part clay. He is part potter and part pot. He is from the womb of mankind but from the seed of the original man.

When we peek into his wisdom, we were unable to find the limit, therefore we know we will never exceed his world order.

He's figured out what we did wrong in the first place that allowed evil into the first creation and He knows how to get it out so that we will never produce a devil again.

He is the first perfected man! The teaching of the HEM that crushes the atheist and the religious alike is the truth that God learns!

It's through his growth that He can make us like Him, for He is the Control of the experiment that didn't change until now.

The other prophets were all children of lesser gods, never the God that was in the chief seat, until today.

The Master left His throne, took off His holy robes and stepped into the hells of North America to find a nothingness people to begin His new creation.

He is now introducing Himself to the world. All praises are due to Allah, who came in the person of Master Fard Muhammad.

Get to know Him! Get to your local Temple at once! (Learn about the Perfect Day Campaign on November 30th at [www.blackmuslimlife.com](http://www.blackmuslimlife.com))

# A Faithful Servant

## Minister John Muhammad

August, 1934 - October, 2014

**CHICAGO, ILLINOIS** --Brother Minister John Muhammad was born the son of William and Ethel Peoples in Barnwell, South Carolina on August 16, 1934.

Growing up in this time period, he witnessed all types of cruelty toward black people.

While living in Hartford Connecticut, in 1955, he heard a powerful, eye opening, and thought-provoking message of truth, Islam as taught by the Honorable Elijah Muhammad, delivered by Minister Malcolm X.

John enjoyed and agreed with the message and on his second visit he reclaimed his own and began his journey within Islam.

John was twenty years of age at the time but this is when life truly began.

He was thrilled with his new found knowledge and, like most of us, he rushed home to share this great information.

At the time he lived with his aunt, who was married to a white man.

Upon hearing the news of his acceptance of Islam, she became furious and ordered him to pick between Islam and living in her house. John's decision was easy.

He would leave and continue

learning and practicing Islam, as taught by the Honorable Elijah Muhammad.

He continued his studies of the knowledge and wisdom of Allah (God) from the Messenger, learning the reality of God, Heaven, Hell, Self, and the History of Black people.

John Peoples was no more. He accepted his God and way of life (Islam), wrote his letter, and became John X.

Within the Fruit of Islam (FOI) he quickly ascended. He displayed great skills and understanding and gained the ranking of Squad Leader.

Determined and focused, he was quickly promoted to Lieutenant and then Captain.

In 1959, the Messenger of Allah blessed him with the duty of Minister and choose for him the last name Muhammad.

Minister John Muhammad was trained, appointed, and commissioned by the Honorable Elijah Muhammad, the Last and Greatest Messenger of Almighty Allah (God).

The Messenger sent him to Springfield, Massachusetts to Minister over Muhammad's Tem-

ple No.13.

He hit the ground running and quickly became very successful with spreading the teaching throughout Massachusetts and the greater New England area.

In 1972, the Messenger reassigned his strong Minister to Muhammad's Temple No.26 in San Francisco.

In the year 1975 Minister John Muhammad was married to a beautiful MGT by the name of Christine and eventually moved to Temple # 2 in Chicago.

From 1955 until his last day, he fought in the name of Allah and his Messenger.

He stayed strong, faithful, and steadfast regardless to opposition, touching the lives of anyone in which he came in contact.

Brother Minister John Muhammad is preceded in death by his lovely wife Christine.

He leaves to cherish his memory his daughter Maryum; his step children Jerry, Kimberly, Dawuad and Stefan; grand children Jibril, Bayyina h, Malik, Makala, Malia, Sophia and Maya Christine; his in-laws; and a host of Muslims Followers.

# De-Masculinity

By

Bro. David Muhsin

**DETROIT**--Clothing doesn't necessarily determine masculinity. Some could argue that in some cultures men wear skirts.

However in the culture we live in, dresses represent femininity and, being a masculine male, I would want to express myself by associating my attire with masculinity.

Clothing is a way of self expression. If someone wants to display to the world "I am a businessman and want to be taken seriously", they put on a suit and tie.

If one wants the people to see them as Gothic they may dress in all black and wear a spiked wrist watch.

I believe that unannounced to young black males, we are slowly turning away from masculinity. People underestimate the stresses of young black males (and black plight in general).

If a father isn't in the home; from a young age, a lot of young brothers hear their mother speaking in a negative way towards black men due possibly to a bad encounters in past relationships.

In such cases, she is playing the role of both parents. So uncon-

Brother David Muhsin

sciously, I believe, it takes a toll on the black male psyche.

Not to mention all the other sorts of oppression coming at us such as an obviously racist criminal justice system and disgraceful school systems, (to name a few).

So without us even realizing it we inadvertently shun things that associate us with being a male; and methods are used to subconsciously perpetuate this mindset like subliminal seduction.

Subliminal seduction is a psy-

## White People Cause Bloodshed Everywhere They Go

Continued from page 17

There is more but we must move on.

Jesus, 2000 years ago was no lover of white people, as they claim.

According to his own preaching, he was not a lover of the House of Israel. He condemned them as enemies. He says here in (The Bible-John) 8:44 that, "Ye are your father, the devil, and the lust of your father, ye will do."

What is it, he's lusting after? The LUST of your father! He answers himself. He says, "He was a murderer from the beginning and abode not in the truth."

Yakub couldn't wrestle in the daytime. He had to let go in the daytime. So it is with this world today. They have to let go when truth comes.

This is the Bible. I'm not producing something, other than what you already have. He says, "He was a murderer from the beginning". And who knows better than you and me.

We lived under them for 400 years. They have murdered us for 400 years! And still murdering our kind all over the earth.

He came. He sought to save that which was lost. This is enough to tell you and acquaint you with the good of the coming of God seeking to save you. Save you from what?

We must understand. He's a murderer and a liar! If he's a murderer and a liar, he did not teach you the truth then.

We go over here and we take a look at the Revelation. Revelation teaches us, here in the 12th Chapter, that "He was a great deceiver. He deceived the whole earth." Which it should have been put in words "people". He deceived all the people of the earth.

In teaching me, from the mouth of Almighty God, in the Person of Master Fard Muhammad, To Whom Praises are Due forever, He said that the white race have deceived, brought in subjection, nine-tenths (9/10) of the population of the people of the earth.

I say these things you must know. He deceived the whole earth or people. Brought them into a war against God Almighty and the truth of God Almighty...

According to history, the white people have ever been at war. Ever since they had civilization... They have never been able to get along in peace with themselves.

I want you, my beloved Black Brothers and Sisters, to know the truth.

As the prophecy, here in the Bible, in the same book under the title, St. John, "The Truth will make you free". Free of what? Free of being misled by a liar. It is time!

If you don't know the truth, today, goodbye.

There are some people who fear and is ashamed to accept truth because of fearing to lose friendship with the enemy of the truth.

You don't have his friendship if you accept or reject. Because, by nature, he's against you. By nature, he was made against you. By nature, he will oppose you if take him to heaven. He did do that. We have history - proof-that he opposed you, even in heaven.

That's why 6,000 years ago they had to throw him out. And to have peace today, you have to throw him out of the earth.

...The world is at war now. Who started it?

The one who started it, is the guilty one.

It was not Islam! It has to be Christianity.

It was Christian Europe who started the war in 1914, among themselves. And that war lasted up until Ethiopia was invaded (1935-1936).

That war brought us in war with Asia. The jumping off was in Asia in 1942. And ever since 1942, the world has been wrestling with one piece of arms after another one to bring them to today. The end. And final end of war.

To do what Muhammad? To put an end to war-making. To put an end to those who delight themselves in making war. Stop them once and forever.

They had, among themselves in Europe, once upon a time, a Thirty (30) year war, a hundred (100) year war, and everywhere they have gone, so history teaches us, on the planet earth, among people, they started war.

This is the people that answers to their history in Qur'an, "What will you make, but something that will make mischief in the land and cause bloodshed". It is this race of people, that makes mischief everywhere they go and causes bloodshed.

The people were at peace in the Islands of the Pacific, and in the mainland of the Far East. They were at peace, until the Christian goes in with his Bible and with his bottle of whiskey and with his Marines, setting out at sea with gun boats to throw shells on the people of the mainland and the Islands to force them in subjection to their will.

There is no people absolutely following the civilization or the rule of white European people, only by force and fear. You'll find that in your Bible. That they rule them by fear, by force. I want you to know the truth, as the time is at hand.

God didn't raise me up, in the midsts of you, to bear witness to other-than-the-truth, but to give to

you the truth, which will bring to you, Salvation for self. Join on to the Nation of Righteousness. Give to you the Kingdom of the Nation. Make you rulers of the people of earth. All of them who will not bow to you, goodbye!

There are many of our people that say, "If I had to live under the rule of Negroes, I'd rather live under the rule of whites."

You are perfectly welcome to live under the rule of white people because that's who you have been living under. But you have never lived under the rule of Negroes.

Negroes are not going to rule. Negro is a slang given to us by those who love to make us blind, deaf and dumb to the knowledge of self. That word don't mean civilization. It means a neutral of civilization. He's neither this, nor that. He's like a piece of iron. He's dead and lifeless.

He comes to save that which was lost. Where is he lost at? In the House of Israel! Where is the House of Israel? It's the Caucasian race!

Who is He that comes to save us? Jesus of Palestine? No! Is he going to be resurrected to come back and save us? No! There is no prophet that is dead, of the past, will be resurrected. There is no such thing as people coming back after a prolonged time from death.

I'm with you when you say mental death. But when you go talking about physical death, I run from you.

There is no such thing as men rising up out of graves from physical death. No sir! I don't care how good a prophet he was, when death gets a hold to him, that settles it.

This truth, the white Theologian knows. The priests know that. The Pope of Rome knows that. But he would like for you NOT to know it.

Because the Resurrection refers to the rise of the mentally dead Black people. And the rise of one, means the fall of the other. One can't rise unless the other one falls.

I want you to be agreeable with the truth. I'm not here to make fun. No. No. I'm not making fun of white people.

I just want to teach you the truth. Because if God made him to rule, we can most truthfully say, we served them. We certainly have served them, up until the end of their time and over. We've given them lots of breaks.

For 2,000 years, the preachings of the return of Jesus has

gone into the ears and hearts of the Christian people and especially the Black people, who have been converted to Christianity.

Christianity is a religion made for the purpose of converting Black people to the following and obedience to white people.

I will contend with you on that truth from Genesis to Revelation of YOUR Bible and then go back and get the Holy Qur'an and still contend with you.

The Holy Qur'an is a true and a righteous book...It is a true book. This is the book you should try and study.

Don't go get Sales translation. Don't get no missionary of white people's translation of the Holy Qur'an to look for truth. They will deceive you. They don't want you to be Muslim. As you have a proof of that today. In certain parts of Europe, you'll be sent to prison, again and again, for accepting Islam.

That's the truth. Of course YOU go for accepting Christianity. As I told you, he was made to be against YOU. You can be their best fol-

lower. That don't make any difference. So long as you are a Black man, that's it! They are your enemy...

The poor lost member of the Aboriginal Black Nation that has, now, been found and is, now, guided by God, Himself. That the Bible prophecies may be fulfilled...

...A parable of Solomon and of the great architect getting killed.

After burning the beautiful Temple, then he was killed. Then Solomon ...sent searchers for him to find where had he fallen dead at. When the searchers returned, they said, "we found him, but we could not raise him." He was so rotten, that his flesh slips off his bones if we try and raise him. He had been dead a long time.

How was he killed? The enemy killed him by knocking him in his head...

This is the real place to kill the man.

## The Imposter

By  
Bro. Calvin Shabazz

ATLANTA--Greetings to you, brothers and sisters who are reading this article. Read the book of Psalms.

So-called theologians, scholars, preachers of my people, you are the biggest of cowards. You stink in the nostrils of the civilized world.

For 379 years, our ancestors, hood-winked by the slave-master, would be sent as so-called "preachers" from plantation to plantation with the Bible to teach the "pie in the sky when you die" teachings of Christianity.

Preacher of the so-called African-American today, what is your excuse? The ??? had no choice.

You are the goat that leads the sheep to the slaughter house (The church). When you know there is No Salvation there for the sheep.

Preachers, you better read Revelation 18:1-6. All of it!

You tell the same lie every Sunday!

In the fifties, The Honorable Elijah Muhammad invited all of you to the wedding. (Read Matthew 22).

The church is not the only place where you can find the devil's preachers among our people.

The devil has now groomed Imposters to teach their own brand of Islam, disguised as Teachings of the Honorable Elijah Muhammad.

Brother Calvin Shabazz

Those who profess to be ministers of the Hon. Elijah Muhammad, who say The Honorable Elijah Muhammad chose you to lead the sheep. No sir!

Messenger Elijah Muhammad didn't choose himself!

The Perfect one put those shoes on his feet. Master Fard Muhammad, None other!

Read Malachi 3-4. and the Holy Qur'an, Section 2" The Cow (Lip Profession) and the Holy Qur'an: The Companies, Section 2 Believers and Disbelievers, and finally the Holy Qur'an, The City, 90th Chapter.

I am a student of the Honorable Elijah Muhammad, who don't profess to be a scholar or theologian, but I can entertain them.

The Honorable Elijah Muhammad is taught by the best Knower, Master Fard Muhammad.

# They invite you to nothing but Filth

Continued from page 19

Solomon said, so I will go and see if I can help you raise him. He went himself to show them how get hold of a dead man.

...It symbolizes the real people of today. He showed the people how to raise this man. How to take hold of the dead.

After they'd taken him up out of the grave, he doesn't like the dead man to be buried under the Temple. Take him east. They found him in the west.

There is another prophecy in the Bible that He, meaning God, will send his angels, send his people from the East to gather you from the West.

A Saviour Has Been Born!

"I will go after them. Even I. I will search for him, until I find him". "When I find him, I'm going to take him back to his own people".

...I'm going to plant him on the hills, on the mountains of Israel.

It's the rule and authority of that Nation. The mountains of them... I'm going to mount you up and make you a ruler over self and others!

They have to be searched for. Why?

An enemy has them. And the enemy is hiding them. The enemy calls him by his name.

They don't know me. They are not as wise as a donkey. The donkey knows his master's here, but my people do not know me. Think over it.

I'm going to search for them. For an enemy has them. They don't know me because the enemy didn't teach them of me.

They don't in go in their own people's name. They don't pray the prayer of their people. They don't turn their faces toward the East. They don't spread out their hands to me...I must go after them. I must save them.

What are you going to do with that people? I'm going to join them on to their own people...All praise is due to Allah! I'm going to choose them. They're going to be MY People! I'm going to make them, myself. A Nation. All praise is due to Allah!

Who should be any happier than YOU and me, that a Saviour was designed to save us! Who are we in trouble with?

The time has come, as I gave it to Abraham, that I'm going to judge that people for they have sinned.

Held us slaves for 400 years. "I'm going after them...I'm going to announce judgement and death to them because they have destroyed my people.

They have robbed them. They have spoiled them. They have blinded them...They can't see Me. They have made them deaf. They can't hear Me. They have made them dumb. They can't speak My language. I'm going after them. I'm gonna save them from their sins. I'm gonna save them from the Judgment that I shall pour upon, those who have misled them, who have destroyed them and brought them against Me...I'm going to be their God and they shall be my people. I'm going to take away fear and ...put it upon those who put it on you."

A Saviour is born to Save the Blackman! Think over that!...

...Where is any proof that you can save us? "I saved Noah, and those that were following him, from the flood. I made them to ride death that I sent on those opposed me and disbelieved my Messenger! I set those in a boat upon that death, the water. And he was saved"...

The Saviour has appeared in

America for us, and we have Proof through prophecy that He would come, now He is come to save us,

I think that we should give honor and praise to the God, Who has chosen us, who are the dumbest of people in the Western Hemisphere. For you love your enemies...

The Theologians sat that in there on you. "Love Your Enemies".

Who in the world can love an enemy, when God, Himself, don't love His enemy?!

But this is to keep you blind, deaf and dumb. "Love your enemy."

They call the truth "Hate". They say what I teach is hate teaching. They say that the teaching is to hate white people. No! It is not the color. But the truth is NOT to make love with the devil.

If you love the devil, you must suffer the consequence of the devil. And the devil is destined to be destroyed by the God of Righteousness. Because righteousness has Power. Righteousness has voice. Righteousness has the power and wisdom,

the know-how to rid itself of that which is other than itself. And if we love our enemies, we can't love God.

You are in the hands of the enemy. You have been deceived by the enemy of God, oftentimes called adversary, that means devil, just the same.

Any time that you are opposed to right, truth and justice, you are an enemy to God.

You can be white as snow and you can be Black as an Ace of Spade (as we used to call it). It don't make any difference. You're an enemy.

These are the type of people that is destined to be removed from the earth. It is the people who do not love righteousness.

All of the white people won't be destroyed, because some of them believe. And by their belief, they will be given an extension of time. But there are some that don't believe and will do everything against you believing. This is what you call Satan.

Satan's wickedness, opposition, is not confined to himself, but he affects others. Therefore, when it affects others, he makes others like himself...

We cannot live among that people that is an enemy to God, since God, Himself, now is here, unless we want to suffer their fate or the consequence.

God comes to destroy unrighteousness and to set up Righteousness... He goes after His own...He comes to save you and me, who are members of the Nation of Righteousness, but have been made other than righteous by following a people, who by nature, was made other than right.

Save us from the ignorance of the time and judgement of the world. We're ignorant of the day and time we are living in, that this is the time of Judgment of the world that we have known.

We Must Know the Truth! We must know the time and ending of this world so that we will be able to fly for our lives, as Lot and his followers did.

The angels told Lot what they came for. "We came to destroy the people that has rejected you, who has rejected your Message. We came to destroy them. We are Messenger's of death for this people. Make haste and get out of here, Lot! Don't look back! Don't be in sympathy for the people we're going to destroy, even if it be your own family. Make haste and get out of here. Because we can't do nothing until you are gone" Think over that!

...This is entering into the Believers now. We are not afraid. And we are not grieving.

If our children go from us, we don't grieve over it. All we want to know, "Are you one of us or one of them?" Take your place on either side you want to.

We have a lot of opposition to the truth. Our family, sometime, is our greatest enemies. And this is a trial,

cludes his parents, his older brother and sister, and his great-grandmother, known as Alice the Great. Along with his good pals Fuchsia, Andrew and Kiku, Little Bill tries hard to be fair and do the right thing as he learns life's lessons.

When he stumbles, though, he has the support of his family, friends, and other adults in his world.

He is known as Little Bill because his actual name is Bill Jr; his father's name is also Bill.

The series reached the hearts and minds of Preschool age Black children, who, for the first time on TV, saw a POSITIVE BLACK cartoon character their own age.

The stories are based on Bill Cosby's Little Bill book series,

Bill Cosby's successes span five decades and virtually all media.

But recently, Bill Cosby started becoming one of white people's worst nightmares: a Black man that is well loved by Black people who is willing to tell his people the truth.

On November 4, 2014 in a Press Release by the Smithsonian Museum, Bill Cosby's wife, of 50 years, announced that they are on a "MISSION TO WAKE (so-called African-American Families) UP".

Cosby married Camille Olivia Hanks, on January 25, 1964, and had five children: four daughters and a son.

Bill and Camille Cosby loaned the

Smithsonian their art collection of more than 300 African American paintings, prints, sculptures and drawings they began acquiring more than four decades ago, based on their personal tastes rather than on investment value.

They strongly believe that so-called African-American families should "seek to learn from and preserve their cultural history, which is told, in part, through works of art."

Messenger Elijah Muhammad taught us that "History is Best Qualified to Reward all Research"

In the Press release, Camille Cosby is quoted saying,

"Our mission can be summarized by Elizabeth Catlett, 'Art must answer a question, or wake somebody up, or give a shove in the right direction.'"

In May, 2004 Bill Cosby echoed Messenger Elijah Muhammad's teachings at a NAACP meeting in Washington, DC. to commemorate the 50th anniversary of the Brown v. Board of Education Supreme Court decision.

Brown v. Board of Education was a landmark United States Supreme Court case in which the Court declared state laws establishing separate public schools for black and white students to be unconstitutional.

At that meeting, Mr. Cosby said of Black people: "They're standing on the corner and they can't speak English. I can't even talk the

way these people talk: Why you ain't, Where you is, What he drive, Where he stay, Where he work, Who you be... And I blamed the kid until I heard the mother talk. And then I heard the father talk.

Everybody knows it's important to speak English except these knuckleheads. You can't be a doctor with that kind of crap coming out of your mouth. In fact you will never get any kind of job making a decent living.

People marched and were hit in the face with rocks to get an education, and now we've got these knuckleheads walking around. The lower economic people are not holding up their end in this deal. These people are not parenting. They are buying things for kids. \$500 sneakers for what? And they won't spend \$200 for Hooked on Phonics.

I am talking about these people who cry when their son is standing there in an orange suit. Where were you when he was 2? Where were you when he was 12? Where were you when he was 18 and how come you didn't know that he had a pistol? And where is the father? Or who is his father?

People putting their clothes on backward: Isn't that a sign of something gone wrong? People with their hats on backward, pants down around the crack, isn't that a sign of something? Or are you waiting for Jesus to pull his pants up? Isn't it a sign of something

when she has her dress all the way up and got all type of needles [piercing] going through her body?

What part of Africa did this come from? We are not Africans. Those people are not Africans; they don't know a thing about Africa. With names like Shaniqua, Taliqia and Mohammed and all of that crap, and all of them are in jail.

Brown or black versus the Board of Education is no longer the white person's problem. We have got to take the neighborhood back. People used to be ashamed. Today a woman has eight children with eight different 'husbands' — or men or whatever you call them now.

We have millionaire football players who cannot read. We have million-dollar basketball players who can't write two paragraphs. We as black folks have to do a better job. Someone working at Wal-Mart with seven kids, you are hurting us. We have to start holding each other to a higher standard.

We cannot blame the white people any longer."

Some Black people, even some Muslims, got angry. But as Messenger Elijah taught us, Truth hurts the guilty. The Messenger had to correct Muslim's concerning the way were nam-

The U.S. Army secretly contaminates the Norfolk Naval Supply Center in Virginia and Washington, D.C.'s National Airport with a strain of bacteria chosen because so-called African-Americans were believed to be more susceptible to it than Caucasians. The experiment causes food poisoning, respiratory problems and blood poisoning.

A 1953 article in Clinical Science describes a medical experiment in which researchers purposely blister the abdomens of 41 children.

From 1953-1973, The U.S. Atomic Energy Commission (AEC) sponsored iodine studies at the University of Iowa. In the first study, researchers give pregnant women 100 to 200 microcuries of iodine-131 and then study the women's aborted embryos in order to learn at what stage and to what extent radioactive iodine crosses the placental barrier. In the second study, researchers give 12 male and 13 female newborns under 36 hours old and weighing between 5.5 and 8.5 pounds iodine-131 either orally or via intramuscular injection, later measuring the concentration of iodine in the newborns' thyroid glands.

Researchers at Harper Hospital in Detroit give oral doses of iodine-131 to 65 premature and full-term infants weighing between 2.1 and 5.5 pounds. In an AEC-sponsored study to learn whether radioactive iodine affects premature babies differently from full-term babies,

From 1955-1957 In order to learn how cold weather affects human physiology, researchers give a total of 200 doses of iodine-131, a radioactive tracer that concentrates almost immediately in the thyroid gland, to 85 healthy Eskimos and 17 Athapascan Indians living in Alaska. They study the tracer within the body by blood, thyroid tissue, urine and saliva samples from the test subjects. No one tells the test subjects what is being done to them.

Within the same time frame, U.S. Army covert biological weapons researchers release mosquitoes infected with yellow fever and dengue fever over Savannah, Ga., and Avon Park, Fla., to test the insects' ability to carry disease. After each test, Army agents pose as public health officials to test victims for effects and take pictures of the unwitting test subjects. These experiments result in a high incidence of fevers, respiratory distress, stillbirths, encephalitis and typhoid among the two cities' residents, as well as several deaths.

From 1957 to 1964 In order to study how blood flows through children's brains, researchers at

Children's Hospital in Philadelphia perform the following experiment on healthy children, ranging in age from three to 11: They insert needles into each child's thigh and neck, bringing the blood down from the brain. Then, they force each child to inhale a special gas through a facemask.

In 1962 Researchers at the Laurel Children's Center in Maryland test experimental acne antibiotics on children and continue their tests even after half of the young test subjects develop severe liver damage because of the experimental medication.

The FDA begins requiring that a new pharmaceutical undergo three human clinical trials before it will approve it. From 1962 to 1980, pharmaceutical companies satisfy this requirement by running Phase I trials, which determine a drug's toxicity, on prison inmates, giving them small amounts of cash for compensation.

In 1963, Chester M. Southam, who injected Ohio State Prison inmates with live cancer cells in 1952, performs the same procedure on 22 senile, so-called African-American female patients at the Brooklyn Jewish Chronic Disease Hospital in order to watch their immunological response. Southam tells the patients that they are receiving "some cells," but leaves out the fact that they are cancer cells. He claims he doesn't obtain informed consent from the patients because he does not want to frighten them by telling them what he is doing, but he nevertheless temporarily loses his medical license because of it. Ironically, he eventually becomes president of the American Cancer Society.

Researchers at the University of Washington directly irradiate the testes of 232 prison inmates in order to determine radiation's effects on testicular function. When these inmates later leave prison and have children, at least four have babies born with birth defects. The exact number is unknown because researchers never follow up on the men to see the long-term effects of their experiment.

From 1963 to 1966, New York University researcher Saul Krugman promises parents with mentally disabled children definite enrollment into the Willowbrook State School in Staten Island, N.Y., a resident mental institution for mentally retarded children, in exchange for their signatures on a consent form for procedures presented as "vaccinations." In reality, the procedures involve deliberately infecting children with viral hepatitis by feeding them an extract made from the feces of infected patients, so that Krug-

man can study the course of viral hepatitis as well the effectiveness of a hepatitis vaccine.

From 1963 to 1971 Leading endocrinologist Dr. Carl Heller gives 67 prison inmates at Oregon State Prison in Salem \$5 per month and \$25 per testicular tissue biopsy in compensation for allowing him to perform irradiation experiments on their testes. If they receive vasectomies at the end of the study, the prisoners are given an extra \$100.

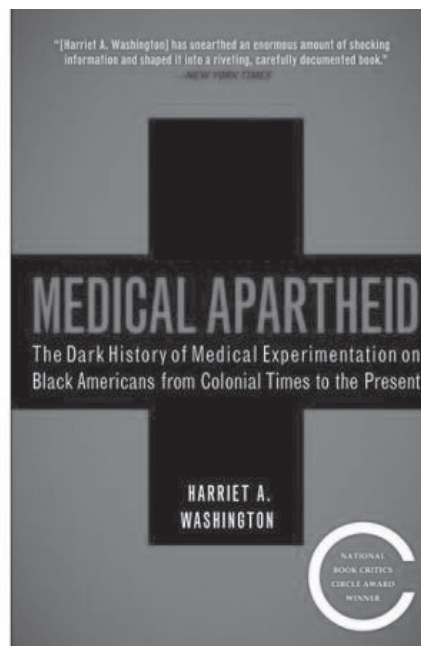

In a study published in Pediatrics, researchers at the University of California's Department of Pediatrics use 113 newborns ranging in age from one hour to three days old in a series of experiments

used to study changes in blood pressure and blood flow. In one study, doctors insert a catheter through the newborns' umbilical arteries and into their aortas and then immerse the newborns' feet in ice water while recording aortic pressure. In another experiment, doctors strap 50 newborns to a circumcision board, tilt the table so that all the blood rushes to their heads and then measure their blood pressure.

(1964 - 1967) The Dow Chemical Company pays Professor Kligman \$10,000 to learn how dioxin -- a highly toxic, carcinogenic component of Agent Orange -- and other herbicides

affect human skin because workers at the chemical plant have been developing an acne-like condition called Chloracne and the company would like to know whether the chemicals they are handling are to blame. As part of the study, Professor Kligman applies roughly the amount of dioxin Dow employees are exposed to on the skin 60 prisoners, and is disappointed when the prisoners show no symptoms of Chloracne. In 1980 and 1981, the human guinea pigs used in this study would begin suing Professor Kligman for complications including lupus and psychological damage. From the era of slavery to the present day, the first full history of black Americas shocking mistreatment as unwilling and unwitting experimental subjects at the hands of the medical establishment. Medical Apartheid is the first and only comprehensive history of medical experimentation on African Americans. Starting with the earliest encounters between black Americans and Western medical researchers and the racist pseudoscience that resulted, it details the ways both slaves and freedmen were used in hospitals for experiments conducted without their knowledge a tradition that continues today within some black populations. It reveals how blacks have historically been prey to grave-robbing as well as unauthorized autopsies and dissections. Moving into the twentieth century, it shows how the pseudoscience of eugenics and social Darwinism was used to justify experimental exploitation and shoddy medical treatment of blacks, and the view that they were biologically inferior, oversexed, and unfit for adult responsibilities. Shocking new details about the governments notorious Tuskegee experiment are revealed, as are similar, less-well-known medical atrocities conducted by the government, the armed forces, prisons, and private institutions. The product of years of prodigious research into medical journals and experimental reports long undisturbed, Medical Apartheid reveals the hidden underbelly of scientific research and makes possible, for the first time, an understanding of the roots of the African American health deficit. At last, it provides the fullest possible context for comprehending the behavioral fallout that has caused black Americans to view researchers and indeed the whole medical establishment with such deep distrust. No one concerned with issues of public health and racial justice can afford not to read Medical Apartheid, a masterful book that will stir up both controversy and long-needed debate.

# A Reminder for Those Who Believe

By  
Brother Mutakabbir Ali

*"Oh you, who believe, follow not the footsteps of the devil. And whoever follows the footsteps of the devil surely he commands indecency and evil. And were it not for Allah's grace on you and His mercy, not one of you would ever have been pure, but Allah purifies whom He pleases. And Allah is Hearing, Knowing."*

~ Holy Quran chapter 24 verse 21.

**NEW JERSEY**--In the name of Allah, who came in the person of Master Fard Muhammad, to whom praises are due forever. We thank Allah, for raising up His Messenger the Hon. Elijah Muhammad (peace be upon him).

It is in the spirit of peace, we greet one another with As-Salaam-Alaikum (Peace be upon you).

In the news we learned that homosexuals (perverted sexualities) have sought legal rights to unite in what they call: matrimony.

This is not holy matrimony,

but quite a deceptive tactic for the perverted to continue to practice this insidious behavior.

Our Creator, (whose proper name is Allah in the person of Master Fard Muhammad), did not want us to have or practice same sexual relations. And for a person to occupy, or confirm this kind of relationship is like turning away from the guiding light (truth) and laws of Allah!

Woe, to those who believe in same sex unions. Woe, to those who live with, support and actually believes that there is nothing wrong with same gender relations.

Our Lord, the creator of the heavens and the earth, the all wise and best knower, He created us and our sexual natures.

For surely, in that respect there is no alteration of Allah's creation.

I have met many brothers and sisters who were trusting that the government officials won't allow same sex marriages to survive in this country.

Many recognize that these kinds of relationships are a disservice to both male and female.

For a man to believe that he is a woman is a disservice to a woman. And for a woman to believe she is a man is in fact a disservice to a man.

And those who go both ways are surely out of their minds. Both, the Bible and Holy Quran acknowledge that marriage was instituted by Allah (God):

**"And Adam said this is now bone of my bone, and flesh of my flesh; she shall be called woman, because she was taken out of man. Therefore shall a man leave his father and his mother, and shall cleave unto his wife; and they shall be one flesh."** Genesis chapter 2 verse 23 and 24.

The Holy Quran repeatedly speaks of the two mates, man and woman, as being created for each other:

"Oh people keep your duty to your Lord, who created you from a single being and created its mate of the same (kind) and spread from these two, many men and women... chapter 4 verse 1.

"He it is who created you from a single soul and of the same did he make his mate that he might find comfort in her (7: 189)."

Both these verses are generally understood as referring to the creation of the first man and the first woman, but the relation between man and women in general is obvious from other verses:

"And Allah has made for you from among yourselves, and has given you sons and daughters from your wives," (Chapter 16 verse 72)

In order for man to continue to exist, we must obey the laws of Allah.

Homosexuality is a sin, of the highest order!

Those who accept this way of life are on the wrong path of life. As the Bible explains: "They are blind leaders of the blind. And

Brother Mutakabbir Ali

if the blind lead the blind, both shall fall into the ditch." Matthew chapter 15 verse 14.

Remember, we must continue to seek understanding and be wise.

Allah hates homosexuality just as much as He hates fornication and adultery!

Study your Bibles and Holy Qurans, read and learn of the punishments that were handed down to those who disobeyed the laws.

Be very careful, there is a group going around saying: "I believe that if two people love each other, then no one should have the right to stop them."

That is a statement of a fool!

A same sex relation is not love or a normal function. This is a deep psychological problem where the person's perception is misconstrued therefore they relate to the same sex instead of seeking the opposite.

I am not trying to present a psychological profile on this issue. It is my intentions to remind those who believe in Allah and His Messenger not to tolerate this sort of behavior in any form.

FEAR ALLAH! Love is not lust, nor can lust ever be love.

Remember, we are living in a time where Satan will make what is wrong appear right, and what is right appearing wrong.

Satan's job is to take as many as he can to Hell with him.

Don't be fooled. Prophet Muhammad (PBUH) gave us this hadith: Abu Hurairah reported Allah's Prophet (PBUH) as saying: "Four types of people awake under Allah's anger, and go to bed under His displeasure. One, Men who imitate women, and women who imitate men, and two, those who have sex with animals, and three, men who have sex with men. And four, lesbianism is Zina (Forbidden) between women."

We are living in a sad day and time. When gays and lesbians are seeking marriage and heterosexuals are avoiding marriage.

It appears to me that Satan is up to his old antics once more.

May Allah lead us to the right path in all affairs. As Salaam alaikum Bro. M. Ali

ing our children. The Messenger said, "You can legally give your Children Holy Names when they are born, do not destroy that Holy Name by placing the devil's name at the end of it, For Example: A couple named Molly & Willie Byrd must not name their child Muhammad Ali Bryd."

In his book, The Fall of America, Messenger Elijah Muhammad said, "You can't blame the government for not giving you anything when you are not asking for anything. The only thing that you are pleading for is a job..."

But the words of Mr. Cosby in June, 2013, angered white people in America worst that anything he could have ever said.

The iconic stand-up and star of the beloved sitcom The Cosby Show suggested to The New York Post that we should take a page out of the Holy Qu'ran if we want to have healthier families, less crime and more productive people.

Mr. Cosby went on to say, "I'm a Christian. But Muslims are misunderstood. Intentionally misunderstood. We should all be more like them. They make sense, especially with their children. There is no other group like the Black Muslims, who put so much effort into teaching children the right things, they don't smoke, they don't drink or overindulge in alcohol, they protect their women, they command respect. And what do these other people do?

They complain about them, they

criticize them. We'd be a better world if we emulated them. We don't have to become black Muslims, but we can embrace the things that work."

Messenger Elijah Muhammad warned in his book, "The Fall of America", "When you stand up and speak a word in behalf of your own people, you are classified as a troublemaker, you are classified as a Communist, as a race hater and everything but good.

How can you, as a people, ever be anything if you are going to crush out your leaders who try to seek justice for you even at the cost of their own lives? I, Elijah Muhammad, am classified as a race hater. What race? What teaching am I uttering that you can classify as race hatred? How can the devil say little Elijah Muhammad is teaching race hatred in the face of over four hundred years of his hatred of you and me!

The Messenger wrote: "In over one hundred years, we the Black people have not learned to think for self first. This is due to the fact that we try to think something for the benefit of the slave master; something to make him smile at the freed Black slave!.. The white slave master is so full of deceit that he can deceive you and all others.... "As a deceiver, the devil has no equal; he is the professional, the wisest of all deceivers.

The Bible teaches you that "he deceived the whole world...Well except the angels of heaven."

## De-Masculinity

Continued from page 18

chological method used to entice someones subconsciousness; or seducing/affecting someone's mind without their being aware of it; not necessarily always used as a method of a sexual persuasion.

Subliminal seduction works on many levels. If someone has a hidden agenda that would otherwise be met with disgust or opposition, subliminal seduction is the perfect method.

This method is used in advertising all the time. Companies need to keep us continually buying their products. That's why the coca-cola bottle is shaped like a woman, That is why car commercials can refer to a new car as the new, sleek, and sexy.

How can a car be sexy? It can not, but they use words like this to entice us on a primal and hormonal level, so subconsciously we will think, if the cars is sexy, and I'm in the car, I will be sexy.

Since there is plenty of competition, every company is battling for our subconscious mind.

Companies spend millions of dollars to repeatedly expose us to their message because they realize that it has an impact.

Pepsi spent 1 million dollars to re-brand their logo. Pepsi realizes that if they bombard you with their logo they can influence your decisions. So that when we go to the store thirsty we will pass up all the water which our bod-

ies consist mostly of and purchase their sugary death drink.

When we buy it we don't see it as a death drink because their commercials and advertisements seduce us on a basic emotional level.

If this method is effective in selling products it would also be effective in pushing an agenda.

So when every song on the radio is talking about money, sex, and drugs, we shouldn't be surprised when that's the only thing on our minds.

When famous black stars, like Kanye West, Omar Epps, A\$AP Rocky, P Diddy and others are wearing skirts, we shouldn't be suprised when black men and boys start to turn away from masculinity.

Even under the laws of America brutal police forces beat black people and deprive them of simple justice, including those who are in prison at the present time and those who are being sent to prison throughout the country. Untold thousands are being held in prison unjustly..."

# Urban Survival Security and Self Defense

By Sister Shahrazad Ali

*Excerpt Reprinted from the Book, 'Urban Survival for the Y2K'*

There is a criminal element inside and outside of urban areas who will try to take advantage of the absence of "911" rapid response from police.

While the Constitution allegedly guarantees the right of every citizen to own and "bear arms," this is an individual decision based upon your own self-defense philosophy.

Guns historically own self-defense philosophy.

Guns historically have harmed us more than they have helped us.

Shootings committed in domestic situations remain at an all time high.

And families who are forced to live in the same quarters indoors for an extended period of time may get on each other's nerves to the point of violence.

There will be all kinds of disagreements about what to do and how to do it.

Anyone in the house having a gun can become dangerous and put everyone at risk.

As much as we would not like to think about it, the hardships created by (a computer shutdown) will warrant us to have some type of security system in place.

If the electrical system goes down and the Nuclear Power plants are forced to shut down, there are laws on the book that demand that the police "911" system shuts off too.

Think about it, if there are no street lights at night, no burglary alarm systems to go off, and no police to call; the stage will be set for looters and robbers to take to the streets scavenging, stealing and terrorizing businesses and people.

Getting ready for this type of situation calls for us to get rid of "civilian thinking," and prepare for more of a "guerrilla warfare," climate.

The streets could very well turn into a "Wild West" scenario, including wounded or dead bodies lying openly in the streets with no ambulance or mortician service to remove them.

Adding to all of this hell will be DRUGS - people selling drugs and people starting on drugs, and people trying to feed their habit.

This will go on until the local drugs run out, and with no way to get a new supply to replenish and market, things will get crazy between the drug dealers and their clients (users). Crime will soar.

### PRISONS AND JAILS:

Statistics claim that there are 8 million people in jail worldwide with 25% of them located here in America - the only country claiming to be the "Land of the Free."

These 2 million prisoners, men, women, teenagers and children, are housed in prisons all over the country.

They each cost taxpayers about \$40,000 a year per prisoner, to feed and maintain.

The majority of these prisons are modern and updated to have their cell doors run automatically by computer.

Both State and Federal Maximum Security (during a computer shut down), the prison cell doors - and other doors all over the prisons, will either open and fail to close, or close and fail to open.

Either way, this creates a problem for the nearly 1 million Black and other non-white people who are locked up.

You can be sure that if there is a food shortage, the last people on earth to receive concern or consideration will be those who are in prison.

If this group gets out, they will go seeking their families and friends, and those who are sane will become a real help to their communities.

But those who are insane, will add to the problems on the street.

Hopefully, the people of color who are in prison will hear this message and begin to prepare themselves for possibly sudden release or inhumane treatment from frustrated prison administration.

### GOVERNMENT PLANS FOR THE UNREADY

The entire American system for administering aid to the needy is based on a battlefield or disaster medical term call "Triage."

This comes from a French word which means "to sort".

It is traditionally used for sorting injured people into groups based on their need for immediate treatment.

This term will apply when it comes to allocating food, water, and protection.

Help will be given where it is perceived to be able to do the greatest good.

While some will be in a pitiful condition they may not qualify for help from the government.

This term "Triage" is based on the concept that you cannot attend to everyone so you must assist those with the best chance of survival.

Triage is broken into three (3) categories: 1) Pass over those who can survive with no attention. 2) Ignore those who are too far gone to survive. 3) Assist those who have the best chance of survival.

This is a system akin to natural selection, only the strong survive, separating the wheat from the corn.

the Holy Qur'an teaches you.

Then the Holy Qur'an gives us the answer of Allah: He says, "If your beautiful wife, your sons and your daughters, your wealth and your fine well-bred horses will save you from Allah, Wait and See." See will that help you.

It means, don't you think, now, that you can tell Allah, "Well these were my children and this was my wife. I could not leave them."

The Jesus makes it clear. He said if you're on the housetop, don't even look to take nothing down. Come on and fly for yourself. If you're in the bed, you and your wife, get up and fly for yourself. Don't look to try to carry the other one if the other one don't want to go. You fly for YOUR life. One taken and the other one left.

This is to teach you and acquaint you with the seriousness of this Day and Time.

Islam is here to separate. Not here to unite you with evil. You are already united on the side of evil. But since you are members of the righteous, He comes to give to you the truth and separate

"...An army of policemen throughout the country with clubs in their hands set out to beat the "nigger" and to shoot the "nigger" if they feel like it.

Nothing is hindering him. He is not going to go to prison for doing it. All he has to do is to tell the judge that he shot that old "nigger" and the judge will wink his eye at him and say "Wish I had a chance to shoot him myself." This is the kind of people we are living with. With murderers, not friends, but murderers..."

"I want to know if you were born in America as I was. All your life you have been hated by white people and you are hated by them today. Here comes the truth of the white man making you know that he cannot love -- that he is the devil himself."

I want to say to you again that this truth has come to you to separate you from the devil. I am taught by Almighty God, Allah, that he is going to destroy this world. You should try to get out of it, not integrate into it.

They are doing everything they possibly can do to deceive the poor old Negro."

"...I am here to teach the way back to the truth, back to the author of Truth."

"We live in a government that has always yielded and sided with the murderers and those who slay us and our people at home and abroad -- anywhere the black man may be on the earth. You should

you from falsehood, and from those that seek to keep you covered under falsehood. He comes to Save us.

This is a Mighty Great Gift! To save us from the Judgment and the Destruction of our enemy.

And we see, today, that the enemy is well aware of that. He's done everything he possibly can to get you and I to go down with him. It is up to you to cleave to Allah and to separate yourself from the enemy of Allah. It is up to you.

You want to hold friendship. You want them to think, "Awnah, I won't leave you." While they give you hell all the time. But that's up to you! You don't look any better than those who forsook Noah and would not get in the ark with him.

You don't look any better than those who would not fly up in the hills from the destruction of Sodom and Gomorrah.

You don't look any better than those who drowned in the Red Sea, who would not go across with Moses. You don't look any better.

And the Holy Qur'an asks the question to the Messenger: He says, "Are your people any better than they?"

No! A disbeliever is the same today as that one was in Noah's time. They all do the same thing.

As you may notice, that when you who accept Islam, a lot of you have to fly from your home. You can't stay home with your people. They don't like you to be Muslim.

They claim they are preaching righteousness in the church. But when you start DOING righteousness, living up to that which they profess to be living up to, they hate you. They tell you to, "get out of here".

They run their teenage daughters out, their teenage sons, because

they accept Islam. They come to us flying. Telling us what you said to them. But one day you will be following them up.

Allah is not to be mocked. He doesn't let you get away with this forever. For it is written of He, set in the mouth of His prophets that every knee will have to bow.

He's a God that don't allow us to do as we please. Do as He says. He must be honored. He must be respected, as The All-Powerful and All-Wise One.

He has the power to force the bowing of the heavens to His Will. And if He has the power to force the bowing of the heavens to His Will, what are you? Who are you to be a little stiff-kneed and stiff-necked.

If He says in the Bible, that He will make, even the enemy, The Dragon, The Devil, to lick the dust in humiliation, what are you that's following the devil? Who are you? Where is your power to

resist Him, when your power is in the devil? And if the devil falls, himself, victim to the power of God, where are you going?

...Your desire to integrate with white America, that means destruction of you. Any black man or woman who wants to marry in the white race, they don't love their own.

The white race, today, with their scientifically disguised murderer of you, under birth control. You should fly from them.

There are thousands of our women, today, made childless, on the account of such deceitful murder of the seed of your Nation in you.

Any black woman that goes to the hospital submitting to such, she should not remain in the society of her people.

White people know their doom and they want you to go with them. What right do you have to

# The Only Solution

By

**Brother Emmanuel Muhammad**

MINNESOTA--In the name of Allah, the beneficent, the most merciful, who came in the person of Master Fard Muhammad, to whom all holy praises are due forever, the lord of all the worlds.

I bear witness there is no God but Allah and the most Honorable Elijah Muhammad is His last and greatest messenger, here in the hells of north America.

As salaam Alaikum Muslim family and those who desire to one day be apart of the Muslim family, under the guidance of the most Honorable Elijah Muhammad.

I am grateful to almighty God Allah for blessing me to be a believer in these difficult times for black people in America.

When I look at the condition of our people that the white devil put our people in, I become more thankful to Allah for allowing me to understand why it was important for Allah raising up in our midst a divine leader and teacher, the most Honorable Elijah Muhammad for these troubling times.

We are witnessing in various cities, across the hells of North America, brutal treatment of our people by the hands of whitefolks and we who follow the messenger know it's going to get worse, which is why we must continue to make our presence known in the public among our people so they can know there is an alternative.

The Honorable Elijah Muhammad said his followers are a shel-

ter in the so called Negroes midst, but if the majority of the followers of the messenger today are in doubt as to what our role is, which allows us to hide behind the walls, then the blame could be put on us for standing around idling.

The attacks we witness on black people in America is nothing new and the reason it's happening back to back is due to the fact we're at the mercy of a people who have no good in them. In addition to them being wicked, evil and beastly by nature.

So what kind of treatment do you expect from a people like that?

If you're a so called negro reading this article you're probably in doubt, even though you witness all this injustice in this land, by white people, who are murderers by nature.

This is due to you not having a knowledge of them, yourself, nor God whose proper name is Allah.

But we were given a messenger from Allah (God) to teach us who, and what we're dealing with and how to avoid continuing being a victim at these "cracker's" hands.

The Honorable Elijah Muhammad taught us that there is no justice for us, as long as we are being called by their names, living their way of life, and worshipping their cross called Christianity.

The white people's flag, so teaches Messenger Muhammad, is for them and not for us because we have our own flag; the sun, moon and stars, which represents free-

dom, justice and equality.

When we master our flag by acting on the principles of our flag, will we get true justice, true freedom and true equality.

Therefore, spare me the details on how you're being mistreated in the whiteman's world (country) whether it be in the form of your job, housing, ect, because the white devil is doing what he is suppose to do.

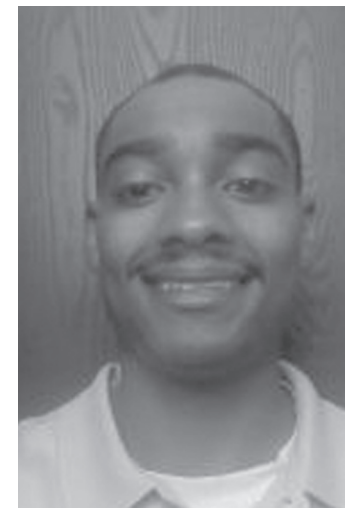

Why don't we do what we're suppose to do and use the mistreatment as motivation to join up in the ranks with a Muhammad's Temple of Islam.

You say, "I disagree with your ideology in the Nation of Islam." Then, do you agree with the mistreatment of whitefolks more? Because after all this mistreatment you would think we would have enough sense to say, "I may disagree with the Nation of Islam's ideology, but at least they're practicing establishing a better society tailored in freedom, justice and equality."

But the true reason, as to why you don't join in the ranks is really self hatred. Everything else you say is just an excuse.

You despise your birthright, just like Esau in the scriptures, and you hate the idea of a world of nothing but black people.

There are black people who were born in America yet decided to become citizens in China, India, Africa, and other various spots, yet if I was a gambling man, I would be willing to bet the people's ideology in those other countries, about black people in

Bro. Emmanuel Muhammad

America, is terrible and they view us as a sub-human creature, but that don't stop you from joining them.

There's nothing wrong with our teachings or beliefs in the Nation of Islam because everything is good; the blackman is God. That's good!

It's just that you don't think nothing of yourself because the white people don't teach you who you are and it's not his job to do that.

Come to a Muhammad's Temple of Islam and learn how to better serve yourself, love yourself, respect yourself and honor yourself. Then will you see better conditions for our people. As salaam Alaikum.

Every December, The muslims (followers of the Honorable Elijah Muhammad) fast for the entire month.

Starting this year we want this fast to be enjoyed by the community of Black people.

We have a whole year of traditions, ceremonies, holidays, customs, and celebrations that originate with other cultures of people.

The Muslims have a beautiful fast that has been prescribed by Allah.

Why do we need to follow the celebrations of others, when Allah gave us the foundation to enjoy our own?

So we are inviting the people of the Inland Empire to come out and take part in the after sunset meal with the Muslims.

Every Tuesday evening at 6p.m. we will be at the Catch-Up Café (10798 Foothill Blvd., suite 100 Rancho Cucamonga, 91730). There will be a lecture on the history of Christmas beginning at 6p.m. through 7p.m.

Please come and ask questions about the holiday season. This is a time when we can join the discussion of truth and righteousness.

The Muslims (followers of the

Honorable Elijah Muhammad) fast for the entire month of December. We do not eat any meat in this month unless it is fish.

We are not to fight and bicker in this month, and to have forgiveness.

The fast is from sun rise until sunset. Then the Muslims can break this fast.

So please join us every Tuesday evening and let's break fast and eat together as a family.

We can make our own traditions and make the world bear witness that the Black people of America can and will unite in peace and truth.

On the 2<sup>nd</sup> of the month, there will be a talk on economics, the finances of the Black family and creating opportunity for self, origins of some of the practices of Christmas, and why the Muslims fast in the month.

On the 9<sup>th</sup> and 16<sup>th</sup> we will have a power point presentation and talk on who Nimrod is and his birthday of December 25<sup>th</sup>, who is Jesus and the truth about his life,

and why we should not worship Jesus in this month.

On the 23<sup>rd</sup> there will be an in-depth look into the Bible to examine the great misinterpretation that we have been taught.

On the 30<sup>th</sup> a video will be played and we will celebrate the closing of the month and our fast.

Let us spend this time supporting one another in faith, truth, charity, and love.

For any information on the location, menu, or any general questions about the café please call: 909-987-9862

Every moment that is spent with your family to honor Allah (God) is a moment well spent.

realize that your black brother is your black brother wherever he is on the face of the earth."

"This is the time that justice has come to you to settle the injustice done to you by your enemies and separate you from such evil people and give you a place somewhere on this earth that you can call your own. But you do not want a place of your own; you want to continue to live in a place with the murderers and crushers. What a silly people you are.

At the same time, he is shooting and killing you in the open eyes of the world, showing that he is your worst enemy and hated you from the very beginning and will always hate you as long as he is a human being made in nature which he is."

"You are lying at their gates and foot steps begging, fighting and bleeding and falling from their blows and gunshots.

You are trying to get them to accept you as their equal and as a free person.

The treatment you are receiving now and have received should bear enough witness to the truth. Your love for this unlike people and their wealth which they have robbed you of and the majority of your people now makes you want to be one of them and desire to intermarry with such people, while history has recorded them as burning your actual living flesh at the stake out of the law of justice.

There is no way that you can settle the price of justice between you and your open enemy but by your entire submission of will to Allah who came in the person of Master Fard Muhammad; come follow me, your brother Elijah Muhammad.

## Special How to Eat To Live

Continued from page 13

It is the sugar that is manufactured by the commercializers on sweets that causes the dreadful disease of sugar diabetes.

All sufferers from from sugar diabetes should abstain from eating sugar after they learn they are sufferers from diabetes and they should eat the natural food that Allah has placed in the earth for us, without the addition of sugar.

WE SHOULD cook the food the way we like it and season it with a little natural salt and natural pepper the way we like it.

It is sometimes hard to get natural salt. There are several salts on the market that the commercializers on food have put before us. The best salt is the natural salt or that which the Jewish people eat and season their food with.

The Jews are old settlers of the white civilization and the first guides of the white race in the natural and commercial field of foods.

The Holy Qur-an teaches the Muslims that the food of both the followers of Moses (the Orthodox Jews) and the food of the Muslims is good for each, because the foods of the two people do not vary too much.

There are some weak Muslims and There are some weak Orthodox Jews but they (Orthodox Jews), as God taught me, live more closely to the Muslim way of eating than any of the rest of the white civilization.

The Jews and Muslims have always been able to settle their differences between each other better than Christians and Muslims.

The Meccan white Muslims claim to be first cousins to Jews and the Jews have always claimed to be first cousins to the Black Man through Abraham's two sons (Ishmael and Isaac).

But, nevertheless, among the three parties now (Muslims, Jews, and Christians)--and a fourth party (Hindus) a great conflict arises and is growing to reach a bitter end if wisdom is not found to curb it.

But, the America Jew and the American Black Man may yet find some way of making a separate relationship out of the other world.

Eat the natural food and do not try eating all of it at one time.

Do not seek to "gobble" down all the refined sugars and sweets that are made from natural foods, lest you find yourself being put in a refined "box" that carries the dead.

# They invite you to nothing but Filth

Continued from Page 25

set up birth control law?

What right do you have to submit to such an inhuman thing, as killing off your seed for the sake of white people. When you are not out-numbering them here.

They out-number us around nine to one. So what right do you have to go, now, and start killing off your unborn baby. What right do you have to do so because they say they are taking care of you.

Why don't you tell them, I was not here, until you brought me here. Now, if I am a burden to you, why not take me back where I came from.

They know your cry, "that's too expensive".

Then you answer him. Say, "You brought it on yourself. I didn't come here to burden you."

All of his troubles, he made it for himself. And, now, has you blinded to the truth of self.

The Holy Qur'an says, "Do not kill your children..." for Allah has made this earth with plenty food in it, with plenty clothes for your baby. All you have to do is to get up and get out and get it. Every year this earth produces more food than life can consume.

This old earth can carry all the life on it, and then some more. If we have the thief and the robber out of it.

We don't have no history teaching us that once upon a time, before the making of the white race,

that we had to kill off people to keep them from over-populating the earth.

We don't have that kind of prolongation of our life. We don't live that long.

When the white man came to the world, he found plenty earth here. So much so that he got greedy and hungry for all of it.

He started killing off the natives here, then take over all so he could rule all.

He went out in the Isles of the Pacific, found the people eating a plenty...They were not saying that they had to kill theirs so they can live. Not until he got there.

He brings about hard times. Even under plenty.

He has plenty here now, but yet people, here, are starving and in the breadlines by the hundreds.

Then, he says, "I want to send a shipload of wheat to some other country". And here's a hungry man standing in line, holding his plate...

He causes hunger and suffering, in order to rule the people. Then he gets angry if other people will give you something, because that's leaving him out of the authority to rule you, under hunger.

I say to you, my beloved brothers and sisters, here this afternoon, we have a Saviour to save us from that. He's able to punish them and keep your little stomach full right along.

As the Bible teaches you in Psalms, "If I were hungry, I

would not tell you, for the cattle upon ten thousand hills is mine." This is the God talking.

You cannot starve God and His People.

He says, to you and me, in The Book, "My righteous servants shall eat, but YOU shall be hungry. The unrighteous shall be hungry, but not the righteous.

The earth is the home of the righteous. It is the property of the righteous. And it is offered, today, to the righteous, if the righteous want to live on it. Praise is due to Allah!

Come to Save us, the Black people of America, who are in need of someone for protection.

They bow under the fiery whip of rulership of the white man because they know not any ruler that they can seek refuge.

Here comes The Ruler. We didn't send for Him. He found us!! We didn't find Him. He came to save us, not we to save Him. He showed His Love to us, not we to Him. He ran to us and not we ran to Him. That's a good God!

Success for the Black man in America depends on Separation. You can not ever be successful, in the midst of this people and with this people, after the Coming of God...

...If I, myself, was white people, and was the ruler of you, ... and knowing the day and time of the end of their world, as they know, brother, you wouldn't have to ask me to let you go. I would take you

over here and tell you, "Leave. You get out of here."

I would do just like Pharaoh did. Pharaoh told Moses, "Get them and go, less we all be dead". The same thing is coming here.

The plagues and destruction that is now befalling America, it is to make America let you go. And that's telling you nothing that they don't know.

I'm not teaching them that which they do not know. These storms, these twisters, that you may see a lot of them dashing over country this spring and summer taking their most valuable centers, wrecking them.

You know by where they strike, that they are guided by God, Who is angry with the Civilization, and intends to bring them to there knees!

Hit them right in the towns and cities. Right in the heart of that city.

You didn't used to see nothing like this. They don't destroy little farm houses. They don't destroy little trees out there where there

is no need. They come in a flatten your skyscrapers, your homes, your stores.

This is a plague. This is the Judgment that God is sending on America.

He drops down ball of hail, like golf balls, like baseballs, like footballs.

This God is after somebody. That kind of ice don't need to be falling around here. This is God behind that.

Send snow, until you are not able to move around. He'll show you what He can do with even that of Nature. Pour snow on you. Tie you in. Tie your cars on the side of the street and on the highways. And you can't drive through the snow, nor can you walk through it. There's a God behind that. He's after someone.

Job says, in the Bible, in his book... that He has reserved snow and ice..against the day of battle and war. He fights you with that... The weatheman says some more on its way. This is what is beginning to appear in America...

## Abortion Doctor wants to get rid of "ugly black babies"

Messenger Elijah Muhammad warned us in his book, "MES-SAGE TO THE BLACKMAN IN AMERICA" that white people had a "PLAN TO DESTROY OUR RACE".

In recent years, various studies, have shown that Planned Parenthood, as well as other independent abortion facilities in America, target both Black and Hispanic communities by making sure their clinics are located in our neighborhoods.

The Life Dynamics survey cross-examined zip codes of minority neighborhoods and abortion facilities, found that 83% of abortion or abortion-referring clinics are located in minority neighborhoods.

The abortion industry has always had a racial component — since

the days of Margaret Sanger and her eugenics past — and more evidence of the inherent racism within abortion has come to light.

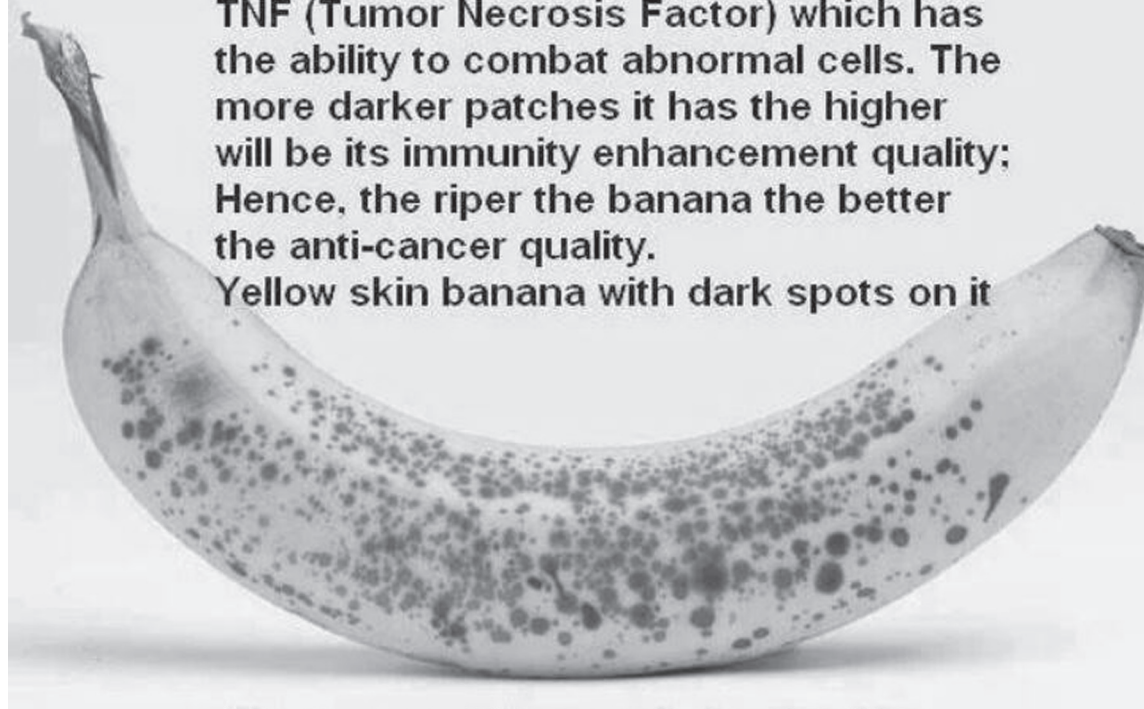

Day Gardner, President of the National Black Pro-Life Union, is alerting people to a video that shows abortion practitioner Ashutosh Ron Virmani referring to the black children that he kills as "ugly black babies." "Let me see one of you adopt one of those ugly black babies,"

Mrs. Gardner says, "The black community should be outraged because Ashutosh Virmani is a brazen racist and his statement supports what we already know of the billion dollar abortion industry—black babies are targeted because they are seen as poor, worthless and maybe even 'ugly.'"

Full ripe banana with dark patches on yellow skin produces a substance called TNF (Tumor Necrosis Factor) which has the ability to combat abnormal cells. The more darker patches it has the higher will be its immunity enhancement quality; Hence, the riper the banana the better the anti-cancer quality.

# The Muslim Program

### What the Muslims Want

This is the question asked most frequently by both the whited and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.

2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.

3. We want equality of opportunity. We want equal membership in society with the best in civilized society.

4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and minerally rich. **We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.**

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression. These are some of the things that we, the Muslims, want for our people in North America.

### What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.

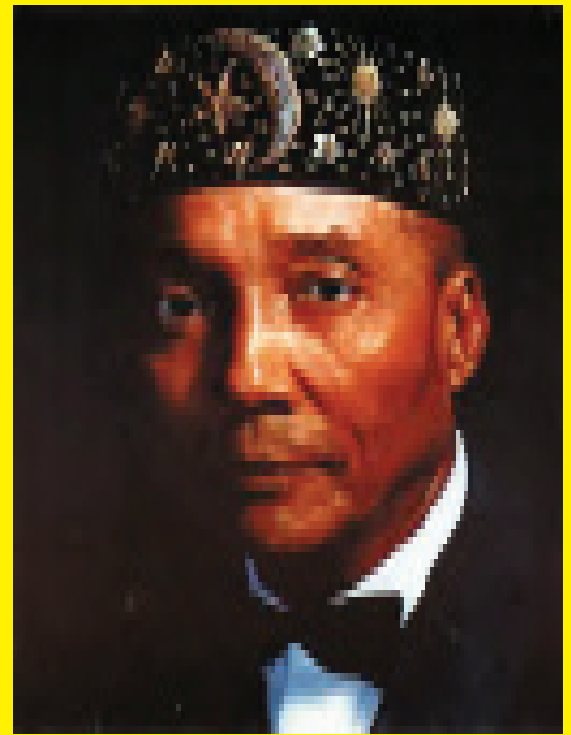

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans.

The Most Honorable Elijah Muhammad  
THE LAST MESSENGER OF ALLAH

We believe the black men should be freed in name as well as in fact. By this we mean that he should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.

12. **WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims. We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.**
