Honor Student says Black Students turned into 'mental slaves' in Public Schools

NEW YORK--"If you try to make a Black child coexist with a racist school system or a Eurocentric school system, then you are basically putting that child back into slavery, perhaps mental slavery."

That is what Carl Noldon, a black senior, honor roll, student at the Bronx High School for the Visual Arts, wrote in a speech written for a Black History Month program,

"What I have to say is designed for the enlightenment of those who suffer from a school system that hypocritically manipulates Black history in a way that causes a disconnection from Black students and their history," Noldon writes in the speech.

"There is something wrong with the educational system and the country. I believe the parents should take an active role in challenging the school system and even the curriculum of this school so that any residue of Eurocentrism is gone."

Noldon continues, "All the history teachers I ever had were White and from every last one of them I never received the link to the genius of Africa. Those teachers always taught European history with a much stronger emphasis. The result was I was brainwashed. I was brainwashed because I thought genius equated to White people because the teachers talked about how much a genius a person like Einstein was or the Greeks.

"Later on I had to realize that those people that the White history teachers talked so greatly about were used as devices to implant a slave mentality in me and an inferiority complex. But, what the textbooks never taught me was how Europe took a lot from Africa and how Africa precedes Europe with thousands of years of philosophical, religious, mathematical, scientific, artistic, and medicinal knowledge. The African represented a genius so powerful that advanced civilizations flourished even before the concept of Europe was thought of."

Noldon, who will graduate June 27, 2007, was set to read his speech, for the Black History Month assembly on Feb. 27, 2007 but instead, ended up calling the National Newspaper Publishers Association (NNPA) News Service, pleading, "I want my voice heard",

after the white principal of the school refused to allow him to present the speech to the body of 45 percent Black, 50 percent Hispanic, and 2 percent White students at the Black History Month assembly.

Noldon, reportedly, said in an interview that he never got to do the speech for one main reason: "The principal was basically talking about how he wanted me to change what I was saying in the speech? There were certain things in my speech, the content, you know, he wanted me to change to make it appeal to everybody. The principal gave me two options. The first one was to omit what I was saying in my speech, the other option was to not read my speech at all."

The NNPA reported, "the principal, George York, praised Noldon, calling him 'one of our brightest and best.' But said York declined to discuss specific details of why Noldon did not do the speech.

"We offered Carl every opportunity to share his article with our entire student community. We wanted him to go into classes, faculty meetings, assemblies, etc. We even spoke to Carl on several occasions, myself and my assistant principal [Ms. Debra Logan], about finding a scholarly venue to publish his fine work... It was really Carl's decision not to present," reported NNPA.

According to NNPA, Noldon's mother, Anna Noldon, says she was not surprised at her son's views.

"All he does is comes home and studies," she says. She says he was getting failing grades through elementary school until his uncle, Vincent Noldon, began teaching him about Black heritage and middle school teachers took an interest in him.

On the day of the Black History Month program, "He called me at work and he was very, very upset," she recalls. "He said they were not allowing him to do his speech."

Mrs. Noldon, reportedly met with the principal, who offered a special assembly for his speech to be heard, but, by then, it was too late.

Based on his personal studies, Noldon - in his speech - questions the credibility of some public school textbooks.

"In the world history textbook

in this school, it doesn't directly say that the Egyptians were Black people. The Egyptians were just as Black and diverse as the Black people in this country. In that world history textbook, it is quick to point out how the Greeks called their own thinkers 'lovers of wisdom' because they used observation and reason. But isn't that a characteristic of the Africans?" he quizzes.

"I realize that a lot of parents are just concerned about their child or children learning as much as they can. But I think the parents have to examine the psychologi-

cal impact that the textbooks in the school system [has on] Black students as well as students of other nationalities and cultures."

Noldon declines to cast all the blame on public schools for the conditions of Black students. But the 17-year-old, who says he will major in film and metaphysics at Manhattan's City College in the fall, attributes part of the problem to ignorance about their roots and schools that offer little cultural enlightenment.

"I don't think schools should use Black History Month as the only time to talk about the historical

genius of Black people," the speech stated. Noldon's speech concludes: "History has been twisted to brainwash the genius of the Black child. These students are learning that African thought is primitive while European thought laid the foundation for civilization? The parents have to take a stand and challenge the school system, the teachers, and those that misinterpret Black history because the mis-interpretation of one's history will lead to a misinterpretation of the knowledge of who you are."

CONSPIRACY TO STEAL BLACK HISTORY In Philadelphia and Washington, D.C.

By
Sister Lucy 2X

As-salaam-alaikum, believers and others...

VIRGINIA--It has come to my attention that there are two dreadful examples of the ongoing and constant conspiracy perpetrated by Caucasians in America, to steal Black history. They want to rob us of any semblance of recognition for achievement, accomplishment or creativity in every area of endeavor.

The first example is the KING TUT EXHIBIT which is currently in Philadelphia at the Franklin Institute. This exhibit showcases the wondrous and beautiful artifacts from the King Tut Tomb in Egypt. The King Tut Tomb is the final stop of a four city tour, Los Angeles, Fort Lauderdale and Chicago. The tour has taken three years and is sponsored by National Geographic Magazine to reveal the treasures of the Valley of the Kings.

Several devils went to Egypt claiming to be archaeologist and they were snooping around in northeast Egypt (in Africa), and finally in 1922 they stumbled upon the Valley of the Kings where King Tut and some of our other African ancestors were buried. Actually they were not just buried, they were hidden from the devil who they knew were thieves and robbers and who would plunder their sacred underground

burial grounds. Most of the items from the King Tut Exhibit are dated to have been created from 3,000 to 5,000 years ago. The great pyramids/sphinx is also located there and have stood the test of time. The Honorable Elijah Muhammad told us that Napoleon Bonaparte,

a white warrior, shot the noses off the pyramids because he hated their facial features because they were Black men.

Now here we are today. Black people in Philadelphia are protesting the fact that the white people

German Army uses Black People In America For Target Practice

GERMANY-- A video that aired on German TV showed an army recruit during shooting practice being ordered to pretend he was in New York's Bronx facing hostile African Americans.

This information brings to mind what Messenger Elijah Muhammad wrote in his book, *The Fall of America*: "White Americans and Germans — Allah has taught me — are the most wicked of the white race. The wicked deeds that have been performed and are still being performed by white Americans upon the so-called Negroes (their slaves) are the worst in the annals of history."

During the filmed training session, an instructor tells the soldier: "You're in the Bronx, a black van pulls up in front of you and three African-Americans get out and start really insulting your mother... act!"

The soldier then fires his gun several times and shouts obscenities in English, as the instructor encourages him to curse even louder.

The clip was, reportedly, filmed in a forest in July 2006, near the barracks of the northern German town of Rendsburg.

This is the latest in a series of reports on the German military. A group of 18 army instructors are on trial in the country accused of abusing and humiliating recruits during training in 2004. Last year, German newspapers published images of German soldiers serving in Afghanistan posing with skulls.

Brother Faheem, "The Mayor" of Blacktown.net

Special To Muhammad Speaks

"When you take the word 'town' you have two words: TO OWN"

--Words of Brother Faheem

CHICAGO--Blacktown.net has been on the internet since 1997. It started out as a newsletter and then and now is the one of the greatest Crusader against European Feminism.

Brother Faheem urges black men to become "citizens" of blacktown.net. Here are a few of "the Mayor's" views

ON FEMINISM

If we look at the prophetic symbolism of the story of Moses, it was a conspiracy to "stop the rise of a Messiah" It was a conspiracy to kill the male (boys). And what I'm saying is, this Feminism movement is indeed part of this conspiracy to stop the rise of the Black Messiah to kill the male children. How did they do this? Well, when we look at the last 30 years, it's been a systematic effort and it would take this interview and a lot of interviews to get to the absolute root of all of it, because one of the manifestations of this is the growing hip-hop ganster rap phenomenon, which a lot of people don't realize is another form of the "blues". In other words the gangster rap generation, the hip-hop generation, that's the generation that feminism sought to destroy. This hip-hop ganster rap generation is the generation of boys who grew up without a father. These are the boys who grew up in the single-mom household. And as our website said, the single mom is a social timebomb! The 1970's women's movement emerged right on the heels of Black Power Movement, of the Black is Beautiful Movement.

Angela Davis and Oprah Winfrey have been instrumental in leading us to accept the European-lesbian-feminist value system that is strangling our long tern ability to compete socially.

ON ANGELA DAVIS

"Angela Davis is no angel. In the late 1960's Angela wore an Afro and gave the Black Power Salute. But he was not in favor of Black Power then, nor is she in favor of Black Power now. She's a lesbian, militant feminazi, who wants to "love everybody" literally. She pimped the Black Power Movement to promote white lesbian feminism instead" Feminists used "Black Power" as a springboard the same way Angela Davis used the Million Man March to revive her popularity in 1995. She is the leading Black spokes person for lesbian feminism and opposed the 1995 MMM. She also expressed her pro-lesbian anti family philosophy at the 1998 Black Radical Congress in Chicago ironically on the weekend of father's day.

ON ABORTION

The Abortion agenda was obviously one of the ongoing issues of the 1970s Women's Movement and as it related to the Black community, it was part of the conspiracy to stop the rise of the Black Messiah.

When we look at that Mexican community and how the Mexican Family is absolutely exploding. In Chicago, which has one of the largest Mexican communities in the country. Every other Mexican woman is walking down the street with a baby stroller... they don't believe in abortion. They have reverence for the "Virgin Mary". So the concept of chastity, the concept of virginity and the concept of motherhood is very well established in the Mexican community.

But look at the Black community. Black women were systematically recruited into the feminist culture and told that the world was "overpopulated".

I remember, during the 1970s,

you used to hear this term all the time that "the world was overpopulated".

And I remember going on a trip down south and when we left the city and all of a sudden we started seeing farmland. You'd go to sleep and you'd wake up and you'd still be driving through farmland.

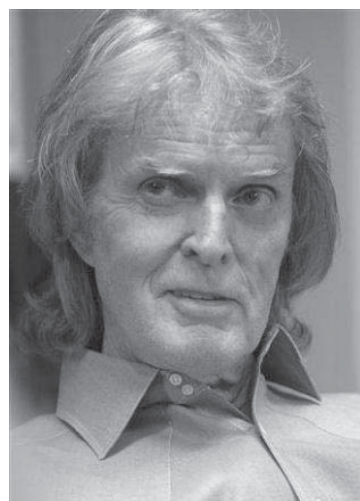

In other words, the world is not overpopulated, that is a myth that is promoted by the corporate America, who promotes feminism.

ON OPRAH WINFREY

Oprah Winfrey is the consummate black feminist icon that corporate America continues to hold up as a role model for black women. She is single. She's not reproducing. She is the case in point. She is the epitome to continue to promote this independent black woman.

"What profit a women if she gain the world and lose her own soul."

ON IMUS

Since 1998, we here at blacktown.net have been trying to tell black women how absurd it is for her to continue to waste billions on her hair, trying to look white....So a white radio talk-show "shock-jock" had to come along to rock, shock and sober everyone up, because

you all would not listen to what we have been saying for over TEN YEARS!!!!

Perhaps this epic controversy will now force black women to do what we have claimed she has not done in forty years: Defend the Philosophy of "BLACK IS BEAUTIFUL" instead of defending the women's liberation philosophy!!!

The wise whites know that if black women become angry and insulted. She could easily take the billions she wastes on trying to look white, and instead launch a Black Power Movement overnight; Because the hand that rocks the cradle rules the world!!!

ON CRITICS

Critics of blacktown.net continue to play dumb and pretend they don't understand the premise and purpose of our crusade.

When was the last time you saw a black child with a white doll??? I saw it in March of 2007 after leaving a parking lot. I also see it in grocery stores, all the time.

When was the last time you saw a black woman with piss yellow hair??? I SAW IT EARLIER TODAY

There is no other website like ours on the entire Internet. We are the only website that boldly declares that BLACK IS BEAUTIFUL!!! We are the only website that boldly declares BLACK POWER!!! We are the only men not afraid of the feminist witchcraft!!! We boldly declare that THE BLACK MAN IS STILL GOD!!!!

Thus, we should have thousands of loyal "Citizens" by now, who fully understand our mission!!!

Instead, blacks would rather continue to look at porno rather than pledge their allegiance to the basic premise that blacks need to start building Blacktowns, like the Chinaman has his numerous Chinatowns!!!!

Many Black women complain about the poor quality of Black men, yet she does not support our men's movement to heal and improve Blackmen!!! So This perhaps demonstrates that she deserves the monsters she gets!!

Otherwise Black women would be breeding better

sons; and she would be glad that we Blackmen now are starting a social movement to improve ourselves!

Instead black women continue to complain and nag about or website and how we expose her treason.

In the 1960s black men invented slogans to help black people heal from hundreds of years of slavery and oppression.

Singer James Brown made a song called Say It Loud, I'm Black and I'm Proud.

Stokely Chromichael invented the popular slogan Black Power...

Black Women have done nothing that we can point to. She continues to promote the philosophy of feminism and women's liberation, that she learned from white women!

She continues to exalt the white standard of beauty of blonde hair and blue eyes!

We are not afraid of exposing these indisputable, obvious facts!

Black women claimed she wanted the opportunity to be a leader and not be "oppressed" by men anymore.... Yet, she is only leading the black race back into the worship of white standards of beauty!

And she hates us for exposing her treason!!!!!!

Everytime the blackman molds the blackwoman to be his queen, she sells him out. Everytime!!!

ON QUEEN LATIFAH

Queen Latifah deserted her afrocentric style the same way black women deserted the 1960's Black Power movement to join feminism.

No one can deny that she used hiphop music to launch her career as a Hollywood Actress. Her characters are always "loud mouthed" drama queens with a lot of "attitude". Although she started out being positive and afrocentric, she eventually became a blonde hair wearing, Hollywood feminist icon.

DETROIT, Mich.--In the Name of Allah Who came in the Person of Master Fard Muhammad to Whom all praises is due I forever thank Allah for giving to us His Last and Greatest Messenger The Most Honorable Elijah Muhammad . (peace be upon him)

The Most Honorable Elijah Muhammad (peace be upon him) said be careful who you follow you might be following a hypocrite, also the Messenger said "If The Minister is not teaching you what I have taught you. You should get up and walk right out of there".

Messenger Elijah Muhammad told us his followers to watch out for those smart crooked deceivers who are always trying to put one over. He said that one rotten apple would spoiled the whole barrel. Now that's plain!

With the help of Allah, Who came In the Person of Master Fard Muhammad, The True and The Living God, I would like to say to those believers, who joined the Nation of Islam after the death of our Beloved Messenger, The Most Honorable Elijah Muhammad (peace be upon him) on February 25, 1975, that first of all Messenger Elijah Muhammad (peace be upon him.) is not physical alive and on the Mother Ship as some claim.

They say this only to deceive

you. They know that you're are new Brothers and Sisters, who want to trust and believe those that were in the Nation of Islam at that time. We know that's A BIG FAT LIE saying that The Messenger is alive and on the Mothership. So we can not just sit and say nothing when we hear them tell you that lie or any other lie.

It is our duty to tell you the truth. If we don't, we will be punished for not keeping our duty. I know! I was punished before for not standing up to speak the truth when I heard the hypocrites lying on the Messenger. I suffered 10 long years! I started back smoking and drinking and I even picked up a cocaine habit. I stopped praying. I was worse than I was before I came into the Messenger's Teaching. All because I didn't stand up for the truth like I should have done. But I didn't go along with Wallace. I never stopped believing in Allah, Who came in the Person of Master Fard Muhammad. And I never stopped believing that The Most Honorable Elijah Muhammad was the Last Messenger of Allah. I just went back out into the devil's world and started doing wrong.

Now, there is a BIG DIFFERENCE between a wrongdoer and a hypocrite. We all are wrongdoers! But A hypocrite is one who says he believes then disbelieves.

When Wallace D. Muhammad took over the leadership of the Nation of Islam he changed the Messenger's Teachings and turn hypocrite against Allah, Who came in the Person of Master Fard Muhammad and Messenger Elijah Muhammad. Many of the so-called believers of Messenger Elijah Muhammad at that time turned hypocrite because they went right along with Wallace after they said that they believed in the Teaching of the Messenger. I myself didn't go along with wallace. I went back to the world I said, " If I go to hell, I will go by myself . He won't take me." And that's exactly where I went, to hell! Because of my wrong doing. I should have fought like the Messenger said for us to do, "fight them with truth to prove my position."

I thank Almighty God, Allah, Who came in the Person of Master Fard Muhammad, to whom all holy praises is due the true and the Liv-

ing God for His mercy and giving me another chance.

The Last Messenger of Allah said, "The hypocrites go around lying trying to make the people think they got it from themselves". These hypocrites, today, change some of the Messenger's teaching, not all. They had to leave some truth in order to deceive you (new Brothers and Sisters). They know that you love and trust them. Because they taught you of themselves and for you to love them. They know that you wouldn't want to believe us when we try to tell you the truth. Just like the devil knew we would have a hard time accepting Islam after they burned Christianity into our hearts.

These hypocrites told some of you that the Messenger had more than one wife and had 13 illegitimate children. That's one of the biggest lies that ever was told. Never, did The Honorable Elijah Muhammad teach us The F.O.I. to have more than one wife. He taught us to take care of our wife and children our family not wives and family.

What this boils down to is that those out in front of you want more than one wife. They tell you that the Messenger had more than one, so you won't look at them when they take on more than one wife. Don't get yourself caught up in that trap. Don't go for it Sisters! If you're caught up get out of it! Don't let your husband tell you that he is taking on another wife.

This is one of the reason, these hypocrites don't encourage you to read the Messengers books, listen to the Messengers tapes, and watch his videos. Instead give you their "Study Guides" and push their own tapes and videos that are all together different from what the Messenger taught.

Some them just hand you the Holy Qur'an, knowing full well that Messenger Elijah Muhammad taught that, "only 1/3 of the Qur'an is for us". He said this in a video taped interview that is available on VHS and DVD. These hypocrites teach you to love Malcolm because they love him, in spite of the fact that the Messenger said "A True Muslim would not sympathize with a hypocrite. " These

words can be found by listening to Messenger Elijah Muhammad's audio taped radio broadcast titled "Warning To the Hypocrites" (available now on CD). Read what Messenger Elijah Muhammad said about Malcolm in THE FALL OF AMERICA, on Pages 95 and 96.

The Messenger said, "*Malcolm fell out from us a hypocrite. He went and joined white people and worshiped them and he got what he preached for. Now the white man names colleges after Malcolm only to get you to join in the philosophy which he left behind ; that white people are good. Malcolm went to Mecca and saw white people. And instead of joining in with the Black Man , he joined in with the white man , although he was taught the white man's birth and death. He preached it as long as he did not turn enemy against me. He turned enemy against me, for he wanted my place over the people and he thought that by going over the earth and making a mockery of*

MALCOLM X AND THE NATION OF ISLAM 42 Years Later, The Truth

By

Sister Sophia Muhammad

MASSACHUSETTS--In the name of Allah who came in the Person of Master Fard Muhammad. I bear witness there is no God but He and the Honorable Elijah Muhammad is his last and greatest Apostle. As-Salaam-Alaikum

Many of us today were either young children or were not yet born at the time of the dispute between Malcolm and the Nation of Islam.

We heard the hypocrite and devil's version of what took place while the truth remained buried in archives of the Nation's Newspaper and in the hearts of the many followers of the Honorable Elijah Muhammad who either refuse to speak up, couldn't speak up or were afraid to speak up.

This dispute between Malcolm and the Nation of Islam is what certain parties are using to justify their claim that the Messenger had more than one wife.

For those of us who were not present, all we've had to go on were the words of those whom should have known the history and whom we relied on to tell us the truth.

I learned of the truth regarding the Messenger's domestic life by visiting muhammadspeaks.com. Until then I was made to believe that Malcolm was some sort of hero for exposing the truths of Elijah Muhammad and his domestic affairs.

Before then, like many new converts, we were made to believe that yes indeed the Messenger did have all these women, but he's allowed to do so because it is written of him in the Holy Qur'an and it's alright because he is the Messenger of Allah. But further studies proved that assumption to be false. The Messenger implemented the restrictive laws for us and lived by them himself.

Not only that, many of us think that the Messenger still loved Malcolm after he defected from the Nation of Islam, because we don't know the history of what took place. We are being taught today either that this was "just a simple misunderstanding" or that "Malcolm was killed because, had he lived, he would have taken away all of the Messenger's Followers".

When I started to study the actual history as it happened, I was so shocked, not just because nearly all of what I had been taught on this subject was an OUTRIGHT LIE, but also because it was AS IF THE TRUE HISTORY NEVER HAPPENED.

Where were all those people who knew the truth? Where were the followers of the Most Honorable Elijah Muhammad? Surely, they didn't ALL go with Wallace.

If it were not for websites, like muhammadspeaks.com, the truth would not be known to the many people who have been misled and misguided by others in this day and time. Many of those who knew the history didn't tell it and when confronted with what was printed in the Nation's Newspaper

A Call To My Brothers and Sisters

By

Sister Badia Muhammad

DETROIT, Michigan-As-Salaam-Alaikum.

I would like to take this time to speak to my Brothers and Sisters that have fallen into weakness, and have become estranged to the Brotherhood and Sisterhood in Islam.

It must be difficult for you in your daily life. I know that you are suffering due to the choices you have made in the

past, and may still be making right now. Surely you can not be satisfied with your present life-style. Your righteous spirit must be in pain from these hardships.

As Muslims, we strive to maintain a righteous Islamic image. But none of us are without our regrets. Allah, God puts us through trials to test our Faith in His power and our love for Him. Likewise, the Devil and his followers, test our weakness to see just how far away from Allah they can pull us. This presents a constant struggle within us to stay on Allah's pathway.

Sometimes it appears easier to

'No matter how far you may have fallen, if you truly wish to be a righteous Muslim, Allah and his followers will be waiting for you with open arms, especially this Sister'

give in to the Devil's temptations because of the temporary rewards he gives you. So I understand the difficulty in upholding your righteous self. I understand the guilt that you feel once you realize that the Devil's rewards are empty and only meant to lead you astray.

I say this to you as a Sister who has had to learn some tough lessons of my own. But this is why we pray to Almighty God, Allah in the person of Master Fard Muhammad, for his strength, guidance, and protection against the Devil and our own weakness.

I also understand the importance

Sister Badia Muhammad

of having each other.

Those of you trying to hold on to your Islam in some way, must be lonely. Your children must feel lonely. Your righteous spirit is lonely and longs for Islamic companionship.

Maybe you feel too ashamed to present yourself before your Brothers and Sisters in your current condition. Perhaps you wish to work on yourself until you are ready to return.

Whatever the reason may be that is holding you back, please do not give up on Allah, the teachings of His Messenger The Honorable Elijah Muhammad, Islam, your Brothers and Sisters, and do not give up on yourself.

No matter how far you may have fallen, if you truly wish to be a righteous Muslim, Allah and his followers will be waiting for you with open arms, especially this Sister.

As-Salaam-Alaikum

WOMAN IN ISLAM

The Importance of Daddy's Little Girl

Sister Pia' Angela Shabazz

Sister Pia' Angela Shabazz

CINCINNATI, Ohio—In the name of Allah who came in the person of Master Fard Muhammad, to whom praises are due forever for the Honorable Elijah Muhammad! As-salaam alaikum. One of the most underappreciated positions among black people is the black father.

Many women today are having babies carelessly. We don't think enough of our children or ourselves to make sure that our man is a good brother, and will happily be involved in raising his child.

We are beginning to believe the white man's hype that women can effectively raise children without a man.

A good black father is an essential part of a healthy home life; nevertheless it seems that "daddies" have become optional in the black community.

What the father gives to the daughter is something intangible and irreplaceable. A loving father gives his daughter a unique sense of worth and purpose that she doesn't get from any other man.

The father molds the daughter and teaches her about femininity, men and life strategies from a special perspective.

In him she finds protection from the cruelties of the world. He is her security. He is the light of her vulnerable little life. Without him, there is a part of her that is empty.

She may look for other men throughout her life to fill that space, however, no one else can.

My fondest, most vivid recollections are times spent with my father. He always opened every door for me. He told me that any man

worth having would do the same. My father never raised his voice to me or spoke to me disrespectfully. This is how a girl learns her value.

Fathers must have a tender relationship with the daughter. Realize that they are not the same as little boys. You can't talk to girls too harshly. She can easily be broken by a careless, callous father.

A daddy can make a little girl cry with just a look. She doesn't want to disappoint him. She longs to be cherished and nurtured by him.

It doesn't take a lot of money to have quality time with your daughter.

Read to your daughters. Tell them how beautiful they are. Cherish them. Make her a princess.

Girls grow up and remember the walks in park, being pushed on the swing, and flying kites. She remembers him picking her up when she falls and kissing her cuts and bruises. She knows he's always there. She feels special. Those precious times are the memories she treasures most.

I remember my daddy letting me know very clearly I had standards. Revealing clothing, bad grades, and running the street wildly as my friends did was completely unacceptable.

A father has more power over the daughter than he realizes. I remember bringing home a "C" in handwriting on a report card once and my father was shocked. Though nearly everything else was an "A" I could tell he was upset.

He told me that I was not an average child and that should be my last "C" - even in handwriting.

My friend's mothers were happy to see a "C" on their report cards. They said, "at least they aren't failing."

These types of things are life lessons and make the difference between settling for a mediocre existence and excelling.

Fathers don't be afraid to GET INVOLVED with your daughters! You will never find a love as pure and innocent as hers.

When you neglect her, you make her feel worthless and insecure.

When you spend all of your free time with other people, she feels insignificant. That she doesn't matter.

She'll look for that feeling of warmth and stability in unsafe places if she doesn't get it from you.

That sweet little girl might become another woman lost to society.

Black man you are crucial in mak-

ing the black woman better. Start today by talking to your daughter. Make sure you listen to her as well. What she has to say is important, so let her know it.

Because of unconditional love I was able to grow up and become a productive person. I am not satisfied with settling. I always strive to do better.

When I stumble I know that I can get back up again. My father believes in me and unknowingly taught me to do the same.

Now I see my husband giving his daughters the same things that my father gave me and I smile.

I thank Allah that I had a father. It made the difference. As-salaam alaikum.

Bayyinah Sharrieff

On the first facets of life in the Republic of the Sudan which I observed and subconsciously studied was the female. Being that I was forced to spend most of my time with females in the girls' hostel at the University of Khartoum, Sudan, I watched them very closely. I wanted to see if their outward appearance of calmness and security was real.

I COULD NOT believe at that time that the woman in Islam was content, not dating and mixing with men as she appeared to be. Most of the time was spent with the university students and they passed their time studying and conversing among themselves. Occasionally they would go to the cinema, but when they did it was in one large group and they all sat together in the reserved seats for the female students.

When they walked outside of their homes and the hostel before the public their postures were straight and tall, their eye serious. They would avoid any types of conversation which would make them laugh or cause them to let down their guard in public.

They did not walk slowly, but quickly to their destinations. They did not linger around store fronts. I do not remember seeing one of them run on the street. If they passed a man on the street they would glance down so as not to look in the man's face. Many of the women would pick up their tobes, which covered their hair, and bring the cloth across their faces, if they saw a man looking in their direction, so that the man could not see their faces.

They did not go out of their compounds much except perhaps to

the market place with a male relative to select cloth and shoes, or the like. They did not go to buy their own groceries alone. Their husband, son or male relative or house helper would buy the groceries and produce which she would need for her family.

THE SLOWEST that I saw any of them walk was on the campus when changing classes. Of course when they were together they were at ease and relaxed. It was here that I realized femininity. I saw grace in the movements of the Muslim woman when she was within the wall. Her care to her person was a wonder to my eye and I realized the beauty of cleanliness, bathing three times a day, not to mention their preparation for prayer, and washing the hair at least once a week, often twice.

The joy of pleasing others: this what the Muslim woman wants. I saw this in the Sudan. If they could cause a smile to come on the face of another, pleasure then joy would be seen in their eyes. This was peace. They were very particular about their garments. The folds in their tobes (national dress) had to be just right.

They were shy about their person - even those who were tall and had heavy frames. They knew their duty was to please. Their smile was a cherished charm which they did not display openly in public to strangers. It was relished in the family. I used to wonder why my female colleagues did not smile or laugh in public. They would become angry with me if I tried to make them laugh in public.

Now that I am a follower of the Honorable Elijah Muhammad, I have an understanding of why my female colleagues looked down when passing a male in public,

even one of their own colleagues. The Honorable Elijah Muhammad points out in the Holy Qur'an 24:31...

"...say to the Believing women that they lower their gaze...and do not display their adornment except to their husbands, or their fathers or the fathers of their husbands..."

These are universal teachings of Islam. Had these students looked into the man's face they would be heavily criticized by their society and not respected as a decent woman.

The Honorable Elijah Muhammad has special training

classes for the woman in Islam to teach them the knowledge of their true selves: their actions and attitudes which correspond to being the comfort to the original man and their offspring.

Those in the Islamic society in the Republic of the Sudan had not been exposed to any practices other than their own which were based on the teachings of decency (Islam). I being one in their society was forced to take on their practices for I was outnumbered. This was not difficult for I was not al-

How Many Times Can A Man Save Your Life, Part 5

By Brother Ahmad Muhammad

“Those who believe not is referring to the American so - called Negro! (Black Man).

The devil becomes their friends and guardians and they adopt indecency and the devil’s way of civilization, and thus becomes the ENEMY of god and their Nation of righteousness (Black Nation) and therefore, their DOOM is that of the devils!” (white man).

**--The Most Honorable Elijah Muhammad! (Peace Be Upon Him)
Muhammad Speaks Newspaper February 16, 1968, Page 10**

CHICAGO, Illinois--In the whole of the United States, there was only ONE Black automobile dealer! With all the cars Black People purchased, only one Negro dealer! Mr. Ed Davis of Detroit, Michigan!

Constantly under duress from the factory and his white competitors, what horror stories he would tell!

Mr. Davis was generous with his advice to me and always spoke highly of The Messenger! Allah is Merciful! I have paid close attention to His Messenger! My customer base has grown in the automobile business! My application was accepted for a dealership!

Our loan company and advertising business was prospering! Many of our people were helped!

The new owner of the dealership where I was employed, wanted me to raise the profit margin on our people and wanted a share in income from our loan company! I refused! He was very angry! I paid no attention to him!...I should have!

It was a quiet evening when two gunman burst into the dealership! One stood by the door, the other shouted instructions! “If ANYBODY reaches for a phone you’re DEAD!” There were only six of us in the building at that time of the evening. The new owner had left early, which was unusual for him. With 4 forty five pistols pointed at us, nobody moved!

We all thought it was a holdup until the shouting one came to my desk and put the forty five to my head! GET UP! he shouted! “GET BACK IN THE SERVICE DEPARTMENT!” We went through the service department door!

The other thug stood guard over

the frightened others! They were Black Men! Well dressed Black Men! They didn’t ask for money! One hand gripped the back of my shirt collar and pushed me toward the rear of the service department!

The large forty five was pressed against my temple as we moved toward the darkest corner! A pleasant calmness came over me. I did not plan to give up my life quietly!

I thought about The Teaching regarding fear! “Allah-u-Akbar!” I said “Whatchu say?” said the thug! “I said, Allah-u-Akbar! God is Great!” I replied! He looked puzzled! “What is this all about? If I’m going to die, at least tell me WHY!” I said! The thug looked me in the eyes!” You know what the *** its all about! You TOOK something from my car when I was in for service yesterday!

We were almost back to Cleveland when we made a stop to check on our stuff. It was GONE! Your boss said YOU took it!”

I looked the thug in HIS eyes! He started at me, then noticed my National, pinned on my lapel. “I KNOW that sign! Who are you?” He said! “I am a follower of The Honorable Elijah Muhammad!” (PBUH). Put down your gun and let’s discuss this!

The thug’s gun lowered to his side! We talked! After our talk, he knew that I had been set up by the new owner of the dealership!

I respect The Messenger,” he said, “I believe you! If you weren’t a Follower of Mr. Muhammad, you’d be DEAD by now! That guy that owns this place almost got you killed!

We’ll deal with him!” The thugs left... apologizing to me as they went!... The five employees had to be hospitalized due to fright!...How many times can a Man save your life?

The establishing of a film company, 5-R Films, was a direct result of The Messenger!

I was complaining again. This time about what was not being done in films!

Our Messenger simply said to stop moaning, get a camera and make films!

Within the year after that advice and many mistakes, we were making films for The Nation of Islam and others!

I have never known ANYONE who worked as hard as The Messenger! He made you work hard as well if you were anywhere near Him!

The Messenger was not big on seminars, break out meeting, luncheons, etc...

He called the team in, gave them orders and instructed them to report directly back to Him (sometimes within hours) and GOT IT DONE! Whatever IT was!

The Messenger’s work load was unbelievable! With a few hours sleep, He would direct a multitude of projects!

He would graciously welcome visitors from all over the world, discuss problems relating to The Nation of Islam and STILL make time to receive a call from a believer!

One film project was a large undertaking! I was to go to various parts of the United States and film our Temples and the Believers at their businesses.

Brother Ahmad Muhammad

Also, I was to make a trip to Georgia to film the area where The Messenger was born, around Sandersville, Georgia!

With my credentials in order, I arrived in Atlanta, Georgia and was met by the Minister of Temple number 15, Brother Minister Hulon Shah and five Brothers!

It was always a pleasure traveling to other Temples and being given the fellowship of Muslim Followers of The Honorable Elijah Muhammad! (PBUH)

There were many in attendance when we reached the Temple and they all made me feel as if I had known them for years!

Minister Shah went right to business. “Brother, “he said, “This journey to the Sandersville area is DANGEROUS! You will have to go through Griffin and then turn South East! I am sending one of our best Brothers to assist you!

“Minister Shah then called up Brother A.D.X. “Brother A D knows Georgia like none other and will be invaluable to you!” ...Only Allah knew HOW invaluable the Brother A D X would be.

We rented a car and headed toward Griffin Georgia!

As we traveled, I stopped and talked with the Black workers I saw in the fields. Some picking cotton, others gathering peaches!

Brother A D had warned me that anything I said would be reported to local authorities immediately! This advice went in one ear and out the other. I kept stopping and talking with the workers.

The further away we got from Atlanta, the poorer the people seemed to be.

I found out that many were STILL working for NO WAGE, just a little food and a cot to sleep on!

I learned of and saw conditions so miserable that I would have disbelieved if someone told me!

Nearing Griffin, a truck load of young white males came toward us as if to hit us head on! We stopped! I was driving! They pulled as close as possible to our vehicle! The ones in back of the truck and the one driving spit on our car! They laughed as they drove away!

Get ready for MORE of that!” said Brother A D X!

There was harassment the whole trip!

Brother A D requested that he drive!

We were coming up towards Sandersville when I spied a huge field of the well publicized “red mud” of Georgia.

I wanted to film a red mud road to open a Saviour’s Day film about The Nation and The Messenger!

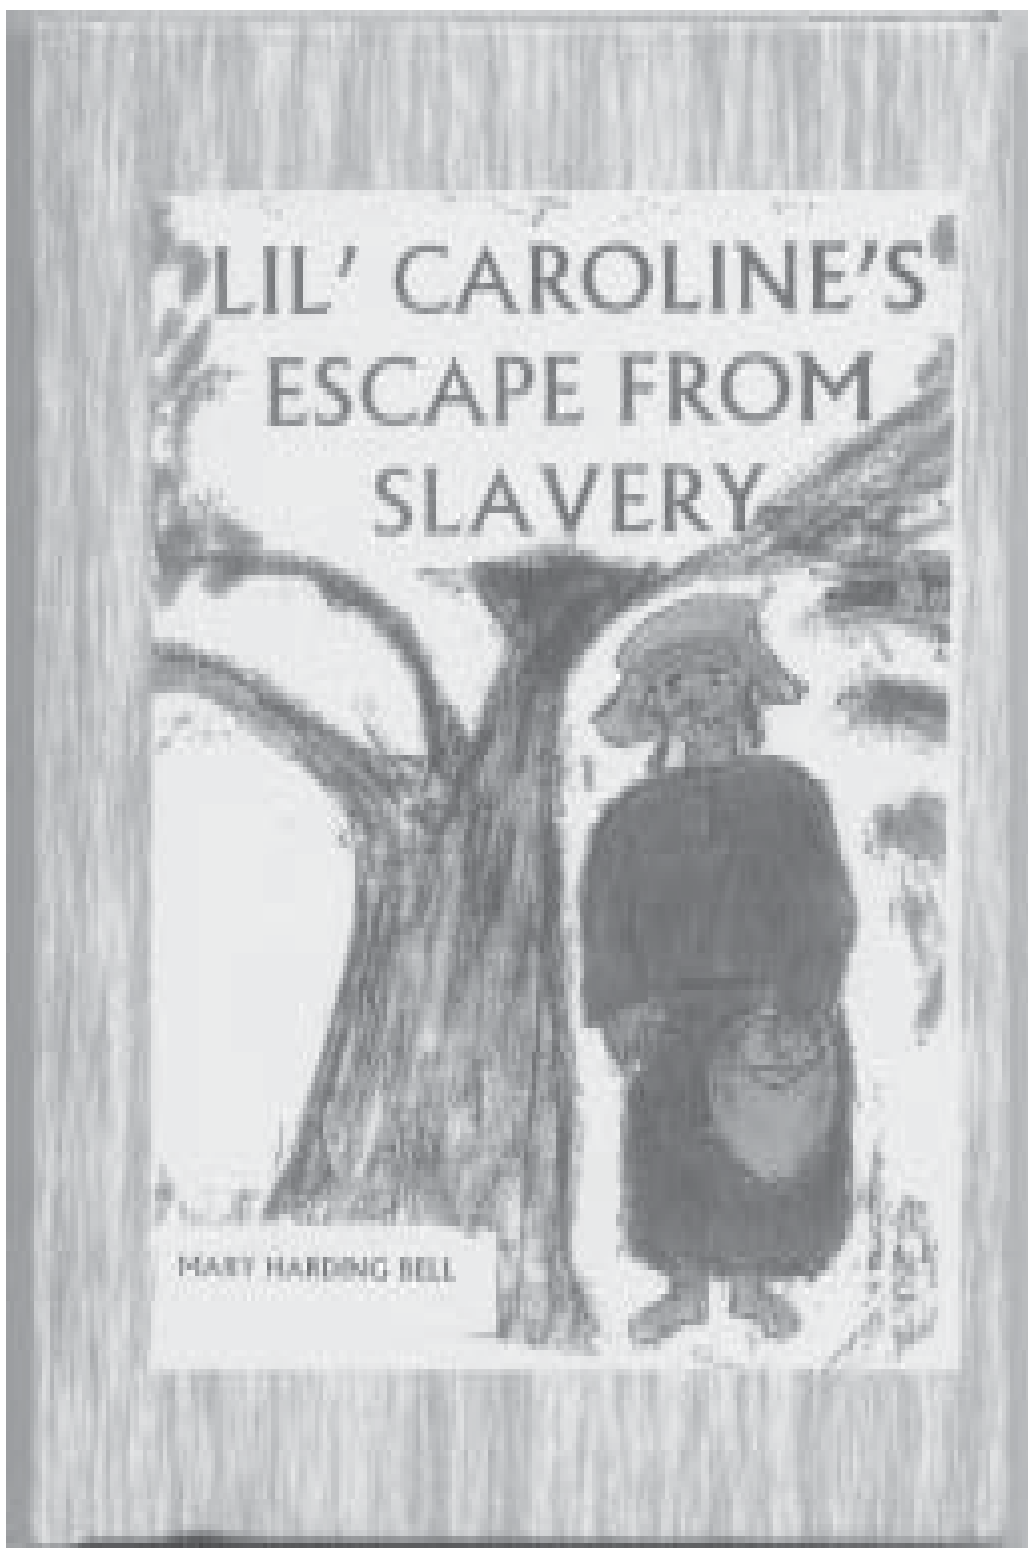

Down that bad muddy road we drove!

Many trees lined the road until it ended. We stopped in the middle of a field of red mud and got out of the car.

We began to set up the camera equipment, when a roaring noise accompanied with REBEL SHOUTS filled the air!

BY DR. MARY HARDING BELL

“An outstanding work of art (literary and visual), Dr. Bell tells a family story, easily read by children and sure to be adored by adults.”

-Words of Sister Zakiyah Karim, editor of Muhammad Speaks

This story is based upon the oral history of the descendants of the main character, Lil' Caroline. The basic story is an account told by Lil' Caroline over a space of time, as an adult, to her children and grandchildren.

The story begins in the year 2005, when Benjamin Harding takes his daughter Caroline, to see the home where his Great-great-great grandmother, Lil' Caroline, had worked as a slave and escaped from. During their trip, Caroline's father struggles to “explain the peculiar terrible customs of persons so long ago...” as Caroline struggles to understand.

MALCOLM X AND THE NATION OF ISLAM

42 Years Later, The Truth

Continued from page 7

when they were here, have nothing to say.

The story of Malcolm X is one that is of great interest to so many among our Black people, particularly those of us where were not there to live it as it happened.

THE HISTORY

According to what has been made public in the devil's and hypocrites history or account of what took place, by design, it was made to look as if Malcolm was this noble person who discovered

Elijah Muhammad was a "dirty old man" ,then realizing his mentor was a fraud he accepted the "true religion" of the Orthodox Muslims and suddenly saw the light and broke from him because he wanted nothing else to do with him. Nothing could be further from the truth!

The truth is, in 1963 after the assassination of President John Fitzgerald Kennedy (JFK) the 35th president of the United States, the Messenger of Allah ordered his followers not to say anything about the President's assassination

in order to prevent unjust attacks on his followers. Malcolm disobeyed direct orders from the Honorable Elijah Muhammad with his now infamous "chicken coming home to roost" speech.

Because he was silenced and suspended from public speaking, Malcolm became very angry with the Most Honorable Elijah Muhammad and resorted to slandering the Messenger and his family.

When Malcolm defected from the Nation of Islam he alleged that he found out through Wallace, the

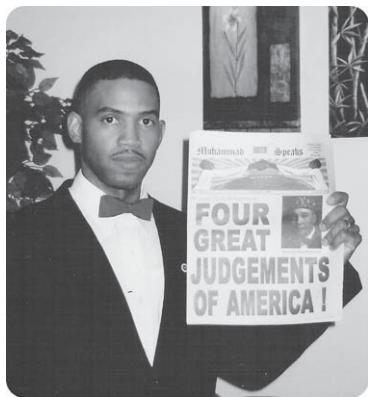

Messenger's son, that the Messenger had impregnated his teenage secretaries. Even went so far as to try and bring the Messenger into court to make him say that he was the father of these young women's children. He also alleged that, not only were, members of the Messenger's family jealous of him (Malcolm), but that the Messenger himself was jealous of him too. He traveled all over to try and discredit the Messenger of Allah but only ended up making himself look like a fool.

It is interesting to me how Malcolm's charges didn't hold water when the Messenger was here to defend himself and, that, he certainly did. The Messenger cleared his name of all of these false charges by the hypocrite Malcolm back in 1964-1965 and beyond. It was well published. Now, that the history is buried (or so they thought), these liars now stand up and say the Messenger had "wives". Now that the Mes-

What a Friend We Have In Muhammad

a friend of ours, took the worst from among us and made us upright in the sight of almighty God Allah?

Who wouldn't want a friend like that? YOU DON'T WANT A FRIEND LIKE THAT! If you did you would accept your own and become a registered believer of the Most Honorable Elijah Muhammad.

A friend is someone who looks out for your best interests. A friend is someone who will believe in you when you have given up on yourself. Messenger Muhammad was definitely a good friend to the Blackman and woman of America. What makes him fit to be our friend is that Messenger Muhammad was Waliullah (The friend of God).

Abraham walked with God and talked with God. Moses walked with God and talked God. Messenger Muhammad walked with God and talked with God, like a man talks to his friend.

Allah, in the person of Master Fard Muhammad, taught Messenger Muhammad for three and one half years and Messenger Muhammad was left in the midst of us to contend with our condition. A condition so bad that it took Waliullah (The friend of God) to get us out of the mud of the devil's civilization.

And what makes Messenger Muhammad's friendship so valuable is that his friendship benefited us and not the other way around.

So dear brothers and sisters, Fly to Allah (God) and His Messenger! Join on to your own kind and become a friend of Allah God under the teachings of Messenger Muhammad, I leave you in peace, As Salaam Alaikum

CINCINNATI, Ohio--In the name of Allah who came in the person of Master Fard Muhammad. We thank the great Mahdi for raising from our midst a divine leader, teacher and guide, The Most Honorable Elijah Muhammad (may the peace and blessings of Allah be upon him).

I greet you in peace, As Salaam Alaikum.

The Most Honorable Elijah Muhammad was the best friend of the Blackman and woman of America. Only a good friend would undertake the great job of pulling us out of the mud.

Master Fard Muhammad told Messenger Elijah Muhammad he had the worst job that any man ever had in history. I mean think over this, Messenger Muhammad was given the worst job that any man in any time was given, and he never quit or gave up.

Who, other than a friend, would labor in the midst of stiff-necked, hard-hearted and rebellious people for over forty years? Who other than a good friend gave us an almost independent nation within a nation? Who, other than

HOW TO EAT TO LIVE

www.muhammadspeaks.com

FOODS TO AVOID

By Messenger Elijah Muhammad

Reprinted from Chapter 30, *How To Eat To Live Book 1*

We should not be asking questions about what kind of foods to eat as much as we should be trying to eat one meal a day. This is where good health and the prolongation of life come from. Good health and the prolongation of life come from abstaining from filling our stomachs too frequently with food of any kind -- good or bad. Of this I can assure you from self-experience.

If we keep food going into our stomachs only once every 24 hours or 48 hours, and do not get the foolish idea that this cannot be done, then we can train our stomachs to eat once a week and our stomachs will not call for food more than once a week. This has been tried. If we could eat one meal a week, we could live as long as Methuselah.

We can get away from eating animal flesh and all kinds of scavenger sea foods. Do not eat large fish that weigh over 50 pounds -- such as canned tuna. Sometimes this canned tuna comes from a fish that weighs nearly a thousand pounds or more. Do not eat halibut, catfish, or carp.

There is a cheap fish called buffalo (white buffalo) that you can eat. But do not eat any stale fish if you can help it.

Even fish is not very good for us, due to their animallike instincts in the water. But we eat them, and it is not a sin to eat them (edible fish).

Many of the bass fish that are found in lakes, rivers, and running stream water are good to eat. White fish, channel trout (which is better), river trout and most perch are good to eat. You may eat fish that weigh from one and a half to four or five pounds.

We were reared on the animal flesh that was the divinely-prohibited flesh (the hog). We must not eat or put our hands on the carcass of the hog, or sit around a place

where it is being slaughtered or cooked. We should not even get the odor of it in our nostrils. It is a sin to deliberately stand and smell it being slaughtered or cooked.

The devil did this harm to you and me and to the people all over the earth. Of course, we cannot blame him for doing this, because he was not created to do righteousness, anyway. Do not think hard of them for anything they do or teach you to do, because they are just doing their job. Nature has made them to be as they are. I pray Allah that He will remove them from the planet earth, so they will not deceive and misguide people from the right way.

Eat only one meal a day and do not take food between meals, unless you are sick. A person that is sick and weak is excluded from the above said time of eating.

Remember, do not eat those ugly horse beans that you have been eating (lima beans, field peas, etc.). Eat only small navy beans. They are white and pink in color. There are also large beans of the same color, but do not eat the great big beans -- eat the small ones. Cook them thoroughly. Feed them to your children.

Do not eat freshly baked cakes. Give them a day to dry out, after baking. Do not ever hurry bread to bake, because it is better for us if it has been baked twice.

Stay away from eating fried foods.

Do not make a habit of filling your stomach with aged cheese. Eat cream cheese as much as possible, it is better for your digestive system.

Stay away from eating all meat and vegetables that are canned in metal cans as much as possible. Sometimes we are forced to eat them because we do not have any other. Try to get your food canned in jars; or while the food is in season, buy it and can it in glass jars yourself. If you eat a vegetable meal, try to get fresh vegetables, if you can purchase them from a market.

Remember to eat one meal a day, regardless to your type of work. You can live on one meal a day. This will help keep you away from your door. Of course, eating one

The Honorable
Elijah Muhammad
LAST MESSENGER OF ALLAH

meal every two days or three days is even better, but you are not going to apply yourself to eating once every two or three days, so try and eat only one meal every 24 hours. Make a habit of this and you will feel better and have fewer ailments.

The Banana: Food for LIFE and more

Information Submitted by Brother Babatunde Abdullah

ATLANTA, Georgia --After reading this, you'll never look at a banana in the same way again.

Bananas contain three natural sugars - sucrose, fructose and glucose combined with fiber. A banana gives an instant, sustained and substantial boost of energy. Research has proven that just two bananas provide enough energy for a strenuous 90-minute workout.

No wonder the banana is the number one fruit with the world's leading athletes. But energy isn't the only way a banana can help us keep fit. It can also help overcome or prevent a substantial number of illnesses and conditions, making it a must to add to our daily diet.

Depression According to a recent survey undertaken by MIND amongst people suffering from depression, many felt much better after eating a banana.

This is because bananas contain tryptophan, a type of protein that the body converts into serotonin, known to make you relax, improve

your mood and generally make you feel happier.

PMS Forget the pills - eat a banana. The vitamin B6 it contains regulates blood glucose levels, which can affect your mood.

Anemia High in iron, bananas can stimulate the production of hemoglobin in the blood and so helps in cases of anemia.

Blood Pressure This unique tropical fruit is extremely high in potassium yet low in salt, making it perfect to beat blood pressure. So much so, the US Food and Drug Administration has just allowed the banana industry to make official claims for the fruit's ability to reduce the risk of blood pressure and stroke.

Brain Power Research has shown that the potassium-packed fruit can assist learning by making pupils more alert.

Constipation High in fiber, including bananas in the diet can help restore normal bowel action, helping to overcome the problem without resorting to laxatives.

Hangovers One of the quickest

ways of curing a hangover is to make a banana milkshake, sweetened with honey. The banana calms the stomach and, with the help of the honey, builds up depleted blood sugar levels, while the milk soothes and re-hydrates your system.

Heartburn Bananas have a natural antacid effect in the body, so if you suffer from heartburn, try eating a banana for soothing relief.

Morning Sickness Snacking on bananas between meals helps to keep blood sugar levels up and avoid morning sickness.

Mosquito bites Before reaching for the insect bite cream, try rubbing the affected area with the inside of a banana skin. Many people find it amazingly successful at reducing swelling and irritation.

Nerves: Bananas are high in B vitamins that help calm the nervous system.

Overweight and at work? Studies at the Institute of Psychology in Austria found pressure at work leads to gorging on comfort food like chocolate and crisps. Look-

ing at 5,000 hospital patients, researchers found the most obese were more likely to be in high-pressure jobs. The report concluded that, to avoid panic-induced food cravings, we need to control our blood sugar levels by snacking on high carbohydrate foods every two hours to keep levels steady.

Ulcers The banana is used as the dietary food against intestinal disorders because of its soft texture and smoothness. It is the only raw fruit that can be eaten without distress in over-chronicler cases. It also neutralizes over-acidity and reduces irritation by coating the lining of the stomach.

Temperature control Many other cultures see bananas as a "cooling" fruit that can lower both the physical and emotional temperature of expectant mothers. In Thailand, for example, pregnant women eat bananas to ensure their baby is born with a cool temperature.

100% DISSAT

By Messenger Elijah Muhammad

The following article is reprinted by popular request from the March 20, 1970 issue of Muhammad Speaks

THE dissatisfaction, disagreement and warring forces of the nations of earth, together with the gradual resurrection of the Black man and his own mounting dissatisfaction, is causing the Black man to appeal to God and man for Justice. Justice or separation is demanded. They yet - mentally dead Black people will all join into the rising cry of the whole Black Nation for Justice, Equality and self - independence. From here, the Day looks terrible. THE Christian nation is the real cause of this Terrible Day, in which we are now living.

However, there is no man or ruler among the Christian nation who can bring about peace; nor is there one among them who can ease the mounting trouble. We have come to the point that will bring about the Great Separation between man and mankind. ALLAH (God) wants to see the Black man arise and accept his own. But the condition that the white slave - master has put the Black man in makes the Black

man a beggar who is ever looking to his white slave - master for his necessities of life. THIS ACT and desire of the Black man to be and remain in the position of a beggar to the white man makes the Black man look unfit for any decent, respectable and intelligent society of any nation. TODAY, we see in the Black man, the Spirit of Rising is moving into them from God, Himself, who came in the Person of Master Fard Muhammad, to whom Praises are due forever. But, yet the Black man does not want to come to Allah (God) ; however, you see that he wants to be Black.

So by refusing and rejecting the call of Allah (God) to set him in heaven at once' he turns and seeks to imitate old traditional Africa instead of looking for the modern African of Islam. THE BLACK MAN in America would like to show his love for Black but he is imitating the old traditional Africa, which Africa herself is trying to discard - and Africa must discard her old traditional life and custom. The ignorance and savagery here and there in Africa must be removed and replaced with the modern civilization of Islam and not by the westernized idea or way of life. EUROPE, ASIA, AFRICA , and NORTH America are at war — one against the other. The

Surely We have made the devils their friends those who believe not.

This happened to the Black People who followed Yakub from Aram off, from their Original Self, the clothes of Righteousness and their shame; and then made them to go nude in the hills and caves until the birth of Moses.

You are warned. You believe you are safe in following the invitation of the filth of the white race. Wait and see.

DISSATISFACTION

Northern People of our planet - Russia , China and the Islands of the Far - Pacific, Australia and New Zealand - all of these are involved in the warring forces and they join in the dissatisfaction and trouble of the nations of the earth. MAN MUST have a new world , a new government of Truth , Peace, Freedom , Justice and Equality before the life of man can be worth living. WITH the boiling over of the Near East , the Far East , America and Europe , how long do you think that such a world can stand before it crumbles to pieces and falls sprawling on its face? MY BLACK BROTHERS here in America, you must unite with me or else suffer the consequence of

this terrible time and trouble that is prevailing in the nations of earth Uniting with me is the only way that you can make progress yourself. This is a must for you , as God and the prophets of old have warned you to join with the man who comes with the preaching of “Make straight the path - way of the Lord” preceding this Great Time of Trouble. HERE , to make straight the path’ means correct your deeds. You must bow in submission to the will of God. God will not tolerate with you being otherwise. Allah (God) Demands that you Submit to Him. And not? you have submitted to the devil all of you four hundred (400) years that you have been here. You still want to remain in submission to the devil. I WARN YOU that you can enjoy heaven now , and you can suffer the torment of hell now, and not tomorrow , for such time is here - the Great and Terrible time and the Distress of Nations (Bible) We are all in distress , and you are pleading for the one who has caused all the distress that we are suffering , and who has caused our distress from the

have taken over the King Tut Exhibit and have made more than \$100 million in their city. And the worst and most flagrant disrespect is that they are denying that King Tut was Black because they want to claim him as their own. No way.

First of all, there were no devils in northeast Egypt, Africa 4,000 years ago. At that time the devil was in the cave, which they called "the dark ages."

They certainly were in no condition to design, manufacture or create the splendid handcrafted golden masks, shields and architectural designs.

They certainly, while in the cave crawling on all fours, were in no condition to carry out the groundbreaking autopsy or mummification processes used to preserve King Tut and others from that day.

The devils even hired a forensic scientist to sculpt King Tut's face based on his skull. The white scientist concluded that "it was impossible to determine King Tut's color or race."

They are such liars even in the honest face of truth.

The whites refuse to acknowledge that there were no whites in that part of the world (Africa) at that time, that the drawings on the walls and papyrus are all of Black people (dark skinned), or that the Black women pictured all had braids with golden ornaments in their coarse hair, or that all of the statues they have stolen from the Tombs are faces of original people all with dark eyes and dark skin.

DNA is now used to determine race and nationality, but they have refused to do this test because it would prove beyond all doubt that King Tut is our Brother and Nefertiti is our Sister.

They do not even show or tell the visitors that Egypt is in Africa or that King Tut was a Black King who never left Africa. They are stealing our legacy.

Devils from France, England, Belgium and Poland have dug and ravaged the King Tut Tombs and stolen artifacts to take home and open museums.

This next story is indeed remarkable.

A prestigious Black fraternity, started in 1932, called "Alpha-Phi-Alpha" formed a King Memorial

Protesters carry signs in front of Franklin Institute against King Tut exhibit May 20, 2007,

Foundation to build a permanent statue of Dr. Martin Luther King, Jr., our civil rights icon; in Washington, D.C. This monument area will be similar to the Vietnam War section, and will be situated across from it. The statue will be 28 feet high.

The Alpha's host a membership of big-time negroes from across America. In fact, Dr. King himself was an Alpha.

Others, to name a few are, John H. Johnson (EBONY), Tony Brown, Andy Young, Paul Robeson, Dick Gregory, Adam Clayton Powell, John Hope Franklin, Bill Gray, Dennis Kimbro, Cornell West,

rectors of the project, and they are in charge of the money. They are trying to raise \$100 million and have accepted large donations from General Motors, Toyota, NBA/WNBA, Bank of America, BellSouth and Tommy Hilfiger.

We all know that when white people sponsor you financially, they own you, and tell you what to do.

Well, when it came time to decide who was going to be the actual artist to design and sculpt the statue of Dr. King; the Alpha's, who claim to stand for Black brotherhood, decided to have a design competition.

From left: Congressman John Lewis, Congressman James Clyburn, Pat Vredevoogd Combs, President, National Association of Realtors, and Harry Johnson, President and CEO of the Memorial Foundation, participated in the Capitol Hill ceremony.

Louis Sullivan, Keenan Ivory Wayans, Chaka Fattah, Maynard Jackson, Chris Rangel – and others too numerous to mention.

The Alpha's are the board of di-

The accepted artist candidates from 52 countries, including the U.S., Beijing, India, Paris and others from six continents.

The Alpha's went through 900

entries, narrowed the list down to 21 finalists and announced that they had decided on a winner. And the winning artist that the Black Alpha-phi-Alpha fraternity chose is Lei Yixin, from CHINA!

China? Martin Luther King, Jr. did not work for the civil rights of the people of China. The Chinese people have nothing to do with our quest for freedom, justice and equality in America. We must object to this.

Why did the Alpha's think it was necessary to go outside of America to get an artist to sculpt Dr. King who lived here in America?

Are they claiming that not one Black artist in America is qualified to sculpt a statue of Dr. King? What has China ever done for Blacks in America?

Why did the Alpha's think it would be okay with the Black people in America who love and respect Dr. King, for them to hire (and pay) a Chinese to express his image? This is cultural genocide.

And how many countries have statues of their local heroes artistically designed by an African-American? Answer: None, not one, anywhere.

The Alpha's are trying to be race-neutral and adopt multiculturalism.

Many of our people, especially

our so-called educated class are the most blind, deaf and dumb when it comes to doing for self.

Everytime one of us gets in charge of something, the first thing we do is give it away to people in other races.

The white architectural firm of the Roma Design Group, out of San Francisco will lay out the project and develop it. If there is any left over work, like hauling the dirt, a brother may get the contract for that part – hopefully.

Devils must think we are crazy, because no matter how badly they treat us, we are always financially loyal to them.

As the Messenger asked the Saviour in English Lesson C-1:

Question: Why does he love the devil? –

Answer: "Because the devil gives him nothing."

This is apparently the formula used by the slaves at Alpha.

Go to the website www.kingisours.com to read about the Black artist who initiated this complaint, and then call Alpha-Phi-Alpha to express our disagreement about them hiring a Chinese to sculpt Dr. King, and demand that a Black artist be awarded this contract. Tell everyone you know. Call Alpha at 202-732-5420.

MALCOLM AND THE NATION

senger is no longer among us to defend himself, they rehash the same charges that he already cleared himself of because they want to justify their own filthy behavior.

Back then, when Malcolm's home was so-called firebombed people were saying that he firebombed his own house to get back at the Nation of Islam (who owned the home) and for the publicity, which he was always hungry for.

In February 1965, Malcolm appeared on the Stan Bernard show and stated how upset he was because people were saying he put bombs in his home, that he knew would NOT be harmful to his family but would be enough to get some publicity and make it appear as if he were being threatened by the Nation of Islam.

In fact, he was questioned on the

show, if he were so concerned about his wife and his children and about the situation, why would he leave his wife and children to travel to Detroit on the same day of the bombing to be present at a rally. Any man concerned about his family after such a traumatic event surely would not leave his wife and children to go to a speaking engagement.

Malcolm alleged that the fire department, the police department and the news media were in a plot, with Elijah Muhammad, to make it look like he bombed his own home.

The idea that the Messenger would plot anything with devil police department and fire department was just as preposterous as the Messenger impregnating his teenage secretaries. And people knew that.

If we had been living in that time

THE NEED FOR UNITY

By Brother Jabari Shabazz

LOS ANGELES, Calif.--As Salaam Alaikum Brother's & Sister's Today I would like to discuss The Most Honorable Elijah Muhammad Taught that UNITY WILL GIVE US A GREATER POWER! One of the chief purposes of Islam in America is to bring about unity of our people. Unity is the purpose of the Coming of Allah (God) and also the judgement of the world. There is nothing that my people (the so called Negroes) need more badly than

Bananas

Continued from page 13

(SAD): Bananas can help SAD sufferers because they contain the natural mood enhancer tryptophan.

Smoking & Tobacco Use Bananas can also help people trying to give up smoking. The B6, B12 they contain, as well as the potassium and magnesium found in them, help the body recover from the effects of nicotine withdrawal.

Stress Potassium is a vital mineral, which helps normalize the heartbeat, sends oxygen to the brain and regulates your body's water balance. When we are stressed, our metabolic rate rises, thereby reducing our potassium levels. These can be rebalanced with the help of a high-potassium banana snack.

Strokes According to research in The New England Journal of Medicine, eating bananas as part of a regular diet can cut the risk of death by strokes by as much as 40%!

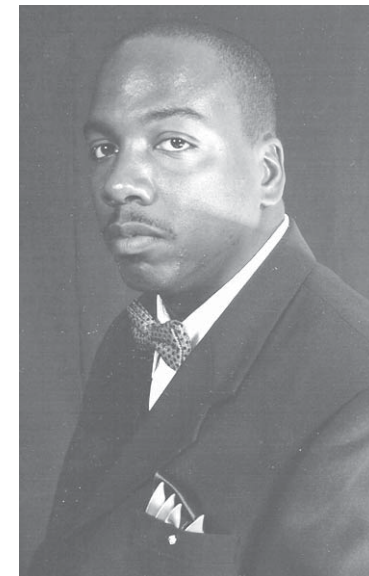

A banana really is a natural remedy for many ills. When you compare it to an apple, it has four times the protein, twice the carbohydrate, three times the phosphorus, five times the vitamin A and iron, and twice the other vitamins and minerals. It is also rich in potassium and is one of the best value foods around.

I will add one here; want a quick shine on your shoes? Take the INSIDE of the banana skin, and rub directly on the shoe...polish with dry cloth. Amazing fruit!

unity. When this is achieved we would have a GREATER WEAPON in our hands and possession than all the ATOMIC BOMBS the WEST can manufacture. Unite, my people, and regardless of your faiths and beliefs, from yourselves into one NATION of BROTHERHOOD (the love and help of each other). You will see that unity will solve the greater part of your problems before you know it. Words of THE MOST HONORABLE ELIJAH MUHAMMAD Written in THE SUPREME WISDOM VOLUME TWO pages 83-84 and you can also read it in on page 72. How can we UNITE if there is no PEACE among the believers in the NATION OF ISLAM under the Leadership of THE MOST HONORABLE ELIJAH MUHAMMAD, We must first UNITE together as Believers if we want the LOST FOUNDS NEGROES to unite with us. The duty of the civilized man is to teach civilization to the uncivilized - the arts and sciences of civilized people and the countries of advanced civilization (MES-

SAGETO THE BLACKMAN PAGE 44). How can we do this when the so called civilized man is acting like a SAVAGE Himself I see believer's in person or on the computer saying all kinds of foolish things about other believer's even the dress code of some believer's is out of order seeing sister's in tight fitting clothes and the brothers looking like gang-bangers with the baggie pants and the white tee's on. Nowadays you can't even tell a BELIEVER OR A SAVAGE APART because they dressing and talking the same and some of them are even treating their Women like SAVAGES. Uniting with each other is seeming to be a DIFFICULT TASK when the BELIEVER'S FOI & MGT aren't following the LAWS AND PRINCIPLES OF ISLAM that was taught to us by THE MOST HONORABLE ELIJAH MUHAMMAD. The Need For Unity Is A Must so that the NEW GENERATION of believer's that are now start to rise can get properly trained and get the REAL teaching's of THE MOST HONORABLE ELIJAH and

get the proper GUIDANCE FROM OLDER BELIEVER'S. There are believer's out there that are changing the teaching's of the MESSENGER so we must be aware of that however when you change the words of the MESSENGER you are changing the WORDS OF ALLAH. THE MOST HONORABLE ELIJAH MUHAMMAD WAS TAUGHT BY ALLAH (god) Himself who came in the person of MASTER FARD MUHAMMAD. SO PLAY WITH THE WORKS OF ALLAH IF YOU WANT TO AND THERE SHALL BE A GREAT CHASTISEMENT FOR YOU. If we all say that we believe that ALLAH came in the person of MASTER FARD MUHAMMAD and that THE MOST HONORABLE ELIJAH MUHAMMAD is his last MESSENGER (divine reminder & warner) than there shouldn't be no reason why we can't UNITE as believer's However if you are not teaching & living how the MESSENGER taught us then I can see why we can't UNITE right now. But UNITY is still the key for us as a WHOLE. Put down your big

Brother Jabari Shabazz

EGO and your big I and lets unite so that we can get some work done!! 1964 Laborer's meeting THE MOST HONORABLE ELIJAH MUHAMMAD HAD SAID IF HE WAS TO DIE THAT HE STILL WANTED US TO CONTINUE TO DO THE WORK AND TEACH THE PEOPLE LIKE HE WAS DOING..

42 Years Later, The Truth

in history, we would have seen how insane this man really was. However, we were not privy to the history, and those who lived it were either silent or did not tell the truth to this present generation.

Malcolm did not have a huge support base for his charges, he looked like a fool. So why, today, are these people trying to resurrect him and make him into a hero, when he was nothing but a coward?!

Malcolm threw out many ridiculous charges against the Nation of Islam playing right into the hands of the devil, but also living out what was written of him in the Holy Qur'an. Malcolm said (talking about the Messenger of Allah) "not only was he not divine, he wasn't even a man."

So what did the Nation of Islam have to say about this? In the interest of space, I can only review just a few things, but research it for yourself if you are interested

in finding out the truth.

THE NATION'S RESPONSE
The Messenger of Allah regarding Malcolm's charges from the September 11, 1964 issue of the Muhammad Speaks.

"He even told Jerry Williams that the next time he went for a pilgrimage, he hoped to take (Jerry Williams) with him to Mecca. That night, he told Jerry Williams that he was doing everything he could and was to try to bring me into court and make me say that I was the father of Lucille and Evelyn's children.

He went back to these girls who used to date him before he married his present wife, Betty. He made several trips to Chicago and made many phone calls to Evelyn. He finally persuaded her to agree with him. He tried to get others on his side by calling them, but they refused to go into court for him-to disgrace me after I had worked for 33 years trying to

bring the knowledge of Islam and of the God Allah to the 22 million black people here in America."

So here we have the Messenger denying these charges of infidelity/adultery and fathering children from women, two of which used to be Malcolm's sweethearts whom he persuaded to go along with him in these lies.

Malcolm's biological brother, Minister Philbert X, held a press conference to apprise the public of what had taken place. Excerpts of that press conference later appeared in the April, 1964 edition of the Muhammad Speaks Newspaper, entitled, "Malcolm exposed by his brother."

In this article, Malcolm's brother states the following:

"My brother Malcolm, greatly angered over his being temporarily silenced for ninety-days, now resorts to falsely charging Mr. Muhammad's family and the officials of our headquarters with seeking his ouster. All of the Muslims

know he defected and now speaks falsely about personal affairs of the Muslims, Mr. Muhammad and any Muslim of influence. My brother Malcolm will do anything and say anything to gain mention and his picture in newspapers."

"He has always prided himself on being a great user of people, especially women, and now he seeks to prevailed upon women who unfortunately were weak and went contrary to Islam. I have learned that he wants to use these women who have been dismissed from our group in an effort to accuse and smear any Muslim of influence in our group of misconduct. I take this opportunity to prevail upon you and beseech your media to apprise those who may be taken in by my brother Malcolm's desire to promote his own selfish ends and maintain his public image."

Malcolm was introduced to the Nation of Islam by his brother,

The Sound Of Music

By
Brother Alif Muhsin

DETROIT, Mich.---In the name of Allah who came in the person of Master Fard Muhammad, and in the name of his last and greatest messenger the most Honorable Elijah Muhammad I greet you reader in the nations greeting of peace As-Salaam-Alaikum

The Human body uses five senses to process data to the Brain. We all learned them as a kid: Seeing, Hearing, smell, touch, taste. The ear is an organ responsible for sensing and collecting sounds, and is divided into three components, the outer ear, the middle ear, and the inner ear. Each component of the ear has its unique functions. The function of the outer ear is to collect sound waves to the eardrum through the ear canal. In the middle ear there are three tiny bones that vibrate when exposed to sound waves. The inner ear is directly responsible for hearing and contains nerves responsible for converting physical vibrations from the middle ear into signals which are then transmitted to the brain.

In 1993 researchers Rauscher, Shaw, and Ky studied the effects of music to the brain. And learned that the sound of music had a di-

rect effect on brain activity. Especially in children, whose brains are still maturing.

I know you are wondering where I'm going with this, right? Well The sound waves that we allow into our heads, are basically consumed by our brain, and consequently guides our thought process. For example, when we here a siren or alarm we know that means danger. We can guide ourselves in the wrong direction simply from what we hear.

Our youth today have become extremely aggressive and temperamental, impatient, violent, and rude. Partially from what we allow them to see on television, but mainly because of what they hear on the consistent basis on the radio. Songs of aggression, pain, violence, and sex. I know you've heard some of these songs before. "grew up a screw up" by young jeezy, "bury me a g (gangsta)" by young jeezy, "bust a clip by" lil' flip, and many many more.

The Brain is like a computer, the only data that it has is the data that you store in it. If you want your son to grow up and be a decent person in society, you have to program him that way. If you want

Brother Alif Muhsin

your daughter to be a good wife and mother to her family, you have the responsibility of making that possible.

The Most Honorable Elijah Muhammad (Messenger of Allah) taught us to keep the mind and the body clean. Listen to soft sounds and decent lyrics like Jazz and Classical and some R&B and Hip-hop have good lyrics. Such as: "Umi says" by Mos def, "real people" by common, And many more. Search the web and do some research. The music should make you feel at peace. So next time when you turn on the radio, ask yourself; what is this song doing to my consciousness and how will it guide me on to the path of righteousness.

As salaam Alaikum.

me, he would do just that ...get rid of me. But the very people of Mecca and Egypt and other places he went, they are with me today. Here, in the United States of America, today, I have more followers than I had before Malcolm said a word. You cannot disgrace one whom Allah (God) has taken for His friend, for He has the power to keep your disgrace to a naught. The white man teaches you to worship Malcolm in order to lead you astray against me. You come around trying to argue with us. I do not give two cents for you following Malcolm if you want to follow him. You will get divine death and destruction with no one to give you any honor and respect.... only the devil whom you serve. The devil sets enemies and hypocrites for you to worship in order to pull you away from me. He knows that you would be a fool to follow enemies and hypocrites. But that is to turn you away from your salvation which I am preaching. You cannot prosper fighting against me, for Allah (God) is not with you; He is with Me. It does not matter how many devils you have with you. You could have a world full of devils, but that would not amount to anything. It shows how anxious you are to get what the devil offers you for following his guidance. Allah (God) came to put and end to the enemy devil and their power to rule. This you will learn."

When Messenger Elijah Muhammad was bold enough to expose the white man, by TELLING THE TRUTH and teaching that THE WHITE MAN IS THE DEVIL, the white man cried to the world that The Messenger was "teaching hate".

Today, as yesterday, he is not the only enemy of the Blackman and woman in America, who must be exposed. And Muhammad Speaks Newspaper has taken on the task to expose all enemies of the righteous, including those hiding among us pretending to be righteous Muslims.

Muhammad Speaks has re-

ceived a few messages from our readers that maybe we shouldn't "mention..." the hypocrites, disbelievers, mis-leaders, and wanna-be-big-I's, "...by name".

While they admit that what we have printed is THE TRUTH, many of those who complain, refer to the

'This paper is so valuable that we can't afford to let one go to waste. It is like water to a man dying of thirst.'

-Orientation Brochure

truth as "airing dirty laundry".

We realize that The Nation of Islam is in a state of division. The Believers are divided up into different "camps" under different "leaderships" while all claiming to be followers of Messenger Elijah Muhammad's Teachings.

The leaders of these "camps" are using The Messenger's name to trick the new believers, who don't know the truth, into believing that Messenger Elijah Muhammad taught things that he DID NOT TEACH!!!

Our Orientation Brochure tells us that Muhammad Speaks is our "only means of direct communication."

It is the only way we have of getting the truth to our Brothers and Sisters in these different camps to warn them that they are being misled.

Do you REALLY think we should stand by a say NOTHING?

Are you suggesting that we give the man and woman dying of thirst an empty glass or a half-glass of water?

TRUTH is the CLEAN GLASS of water, you hear about! Messenger Elijah Muhammad said, "In telling the truth, don't ever tell the truth and then turn it around and nullify it to suit the hearer."

If we are not going to Fill This

Paper Up with Straight Truth then it loses its value. Telling half-truths won't help our people. We have to come full force with truth to beat the enemies of truth.

The Messenger said, "Muhammad Speaks is a newspaper that will actually give life to the dead."

We can't give life to the dead by tiptoeing around so-called "delicate" subjects because some sympathizer might not like. Messenger Elijah Muhammad said, "The truth hurts but, it does not hurt anyone but the guilty. My job is to fight with The Sword of Truth."

Messenger Elijah Muhammad (peace be upon him) is physically dead now. But, he said, "Even if I die or get killed, as the Holy Qur'an teaches you, that don't make you

turn back on your heels. You carry the Word right along! Because my kind was before me and we have the history of what happened to them. I'm not afraid that they will or Allah will give them the privilege of taking my life, but I'm just saying these things. If it would happen, don't worry, you have the Truth just the same! And just step up in the next soldiers track that fell, and keep going keep firing! And let them blow you down. That's the way we do on the battle front. As fast as one falls the others step up in his track. Until finally we overcome the enemy and destroy him. So don't you think that Allah is not with us?"

The new believers coming in under the different "leaderships" such as Farrakhan, Wallace (Warith), Silis, Marvin, Solomon, etc. must be exposed! It is no different from Messenger Elijah Muhammad exposing those lying Christian preachers.

So in a nutshell, Farrakhan is an admitted hypocrite!!! Silis is not "The Saviour", Marvin is not "The Son of Man", Warith is the chief hypocrite and hates the Teachings of Messenger Elijah Muhammad, Solomon is not "The Supreme God" and John Muhammad was not "The Minor Prophet".

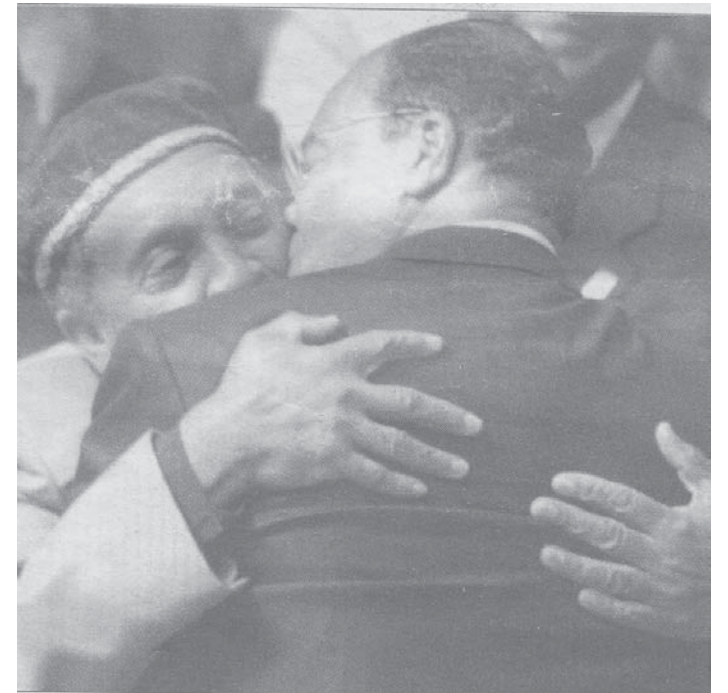

If you feel that you can not sup-

port the Muhammad Speaks Newspaper, because you feel that it is wrong for us to speak The Truth. You fall right in line with what Messenger Elijah Muhammad said

"THE TRUTH SEPARATES. But, he said, "Truth is welcome among those who seek it."

I hope and pray to Allah that what

I said would help you in getting some understanding. With the help of Allah Master Fard Muhammad The True and the :Living (God) I hope to bring to you some more truth from our Beloved Messenger The Most Honorable Elijah Muhammad (peace be upon him.) As-Salaam-Alaikum

Pictured; Chief Hypocrite (Warith, aka Wallace, D. Mohammed) and admitted Hypocrite (Louis Farrakhan) embrace at Farrakhan's so-called "Saviours' Day 2000"

"A good and true Muslim, according to the Holy Qur'an and the Teachings of Almighty God, Allah, to me will not take anything to do or show sympathy of love for a hypocrite, though they may be their own near of kin: their parents, their sisters, their brothers and their own children."

Minister Al-Muntaquin Ali

PHILADELPHIA, Penn.--In the name of Allah, who came in the person of Master Fard Muhammad, and in the name of his last and greatest Messenger, the Most Honorable Elijah Muhammad.

I greet all believers and readers of Muhammad speaks news with As Salaam Alaikum.

General Order #1. To take charge of my posts and all temple property in view.

These are very strong words. How many of us have even been able to get past General order #1.

Some will say, "Oh I've been in the Temple 20-40-plus years, that's layman's stuff."

No! It is an order of the greatest magnitude.

First you must be strong to take charge of anything. Right? How strong are you? Didn't you fall off your square about that little thing that happened in the ranks of the Lambs followers?

Are you the one who always wanted to give orders but couldn't take any orders. Huh?

Were you the one who put your business over Temple business?

And aren't you the one who said selling Muhammad Speaks is not a major priority to you? And you ain't no paper boy. Huh?

You did not obey our first general order.

Did you even take charge of your post at all? No! You tried and lied to get out of doing your duty. Now you want to know why you are not being blessed by Allah Master Fard Muhammad.

Now, I must ask you a question. Do you really believe that Master Fard Muhammad is all Mighty God Allah? And do you believe that the Most Honorable Elijah Muhammad is His Messenger?

If you truly believe in these two

as Allah and his Messenger, then what is the problem? Get right with Allah and do it now.

Are you even aware that you, yourself, are Temple Property? So the first thing we must do to follow general order number 1 is take charge of ourselves.

See here, in truth, what Messenger Elijah Muhammad said about God. Those who learn to see God as He is will be the lucky ones. Now we need to learn to see our God in truth.

Why? Because Allah is (the truth. Holy Quran chapter 22.) Now in truth what and who should you be?

You know the answer. A righteous Muslim.

If you are too weak to take charge of yourself (post) and all Temple property in view then maybe you lack confidence.

Our leader and teacher has taught us that our confidence is gained through prayer. Right?

Well maybe we should get to praying and praying often. At least 5 times a day.

If we do what the Lamb has told us to do we will have great confidence in our lessons given to us by Allah's Messenger, Elijah Muhammad.

Once we get control of ourselves other Temple property will be easy to take charge of.

We know that the white man is the devil as taught by Messenger Muhammad,

Our leader and teacher has said our nature is to be righteous, so lets not play devil as we can't be him. We can only be a tool that the devil will use for his advantage (imps).

Now we know that a believer is Temple Property so don't let the devil and his imps fill your head with death.

If you back away from Allah Master Fard Muhammad, than what are you backing up into but the devil? There is no gray area here, only truth.

Now, speaking of filling up Temple property (you), I go to the Supreme Wisdom book by Messenger Elijah Muhammad, where he writes about Nebuchadnezzar and Belshazzar.

The Lamb says if it were not for those stolen vessels that were the property of the Temple of God, he would not have killed or chastised them.

You are those golden and silver vessels. Precious in the eyes of Allah Master Fard Muhammad.

The lamb goes on to say these vessels are you today and that's why Allah wants to destroy America for stealing you and I out of the Temple of God.

In another place the Lamb says the vessels were filled with wine and wicked things, which an-

gered God.

This is a sign of you and I, with our heads full of the devils thinking and drinking. Also we are full of his drugs and swine.

We think and act like him and are so sick that the hearse runs in our neighborhood almost 24/7.

Following the devils ways will get you death. Following the ways of Allah and his messenger will get you life.

Our leader and teacher said Allah wants to put us in heaven at once, while we live.

While we live is key, because, it seems to me, some who profess Messenger Elijah Muhammad have become very spooky. They don't say life after the grave but it sure sounds like what they teach.

So you, believer, leave them to wander on in their ignorance just like the Holy Qur'an teaches.

Get the filth out of yourself and be that golden vessel that belongs in the Temple of God.

Now, your Brother, doing all he can do to obey general order #1, wants to take charge of my post and all Temple property in view. And being true to the Lamb of God's teachings, I want for my brother (sister) that what I want for myself.

Your brother in truth,
Bro. Minister Al Muntaquin Ali

'Are you even aware that you, yourself, are Temple Property?'

Compliments of Sister Pia Angela

The Honorable Elijah Muhammad
Radio Broadcast: "Accept Your Own and Be Yourself"

God never changes His word. When He chooses a man to do a thing He don't later change His mind and say, "I made a mistake by choosing Jonah. I'm going to send John or James in his place, because he ran from me." God don't do no such thing as that. He already knew Jonah, what he was going to do, as He is a foreknowing God. When He chooses a Messenger to deliver a message to a people He knew the future of that Messenger. He knew everything about him. He knew what will happen, and how He has prepared to take care of whatever happened and the Messenger. He have already prepared it Himself what he will do, but He don't change the man or nothing.

There is no such thing that anyone chooses one to go in that one's place. No sir! The man that God choose to deliver a message to a people, or a nation, He never changes and you can't change that man for another one yourself. You have to accept that same man as the Israelites had to accept Moses regardless to their criticism of him. And the people had to accept Jesus regardless to their criticism of him and mockery of him, they still had to accept him.

Taught me the right way to eat to live a longer and healthier life?

Brother Malik Muhammad

Detroit Michigan--I am so happy, brothers and sisters, for the Messenger teaching us the right things to eat, and what not to eat, in order to live.

For instance the general knowledge of Islam taught me that the hog was not to be eaten, but not WHY it was not to be eaten, except that the Bible and the Holy Qu'ran both were against eating it. Messenger Elijah Muhammad made it plain, as to WHY I should not to eat it, NOR touch it's carcass.

The devil (white people) refer to this abomination as pig, hog, bacon, hog head cheese, lard, and other nice sounding names, so that we will continue to buy and eat this animal. They give you a picture of a clean-looking pig dressed

in a suit and tie called (porky pig) as a child and you grow up and have no revulsion against this repulsive, filthy and disgusting animal.

And we bought and ate this animal under clean sounding names like ham and bacon. Islam under the guidance of the Honorable Elijah Muhammad (Messenger of Allah), taught me that the true name for this animal is Swine.

In the book **How To Eat To Live**, on page 14, the Messenger said that one Arab told him the name in Arabic was Khanzier. Khan he said means I see. Zier means foul, or "I see the animal, foul" -and very foul. The Honorable Elijah Muhammad said this is the best explanation he had heard to cover the very nature and characteristics of this animal.

Let us go to Websters dictionary to see what some of the meanings

of foul are. Foul: stinking, loathsome extremely dirty, disgustingly filthy, full of dirt or foreign objects, rotten, wicked, abominable, not decent, obscene. These are just some of the adjectives that describe what the swine really is.

If the devil (white people) were to sell this animal under it's real name, for example swine bacon, swine feet, (etc.), I believe even the most devoted pig lovers of our people would stop and think before purchasing this filthy animal.

The Most Honorable Elijah Muhammad, taught us that this animal is 99.9 percent poisonous, and that other poison will hardly poison him. A poisonous snake is food for this animal.

Most Detroiters know that Belle Isle (a popular "picnic" area) was once called snake island then called hog island.

In short order the hogs ate up all

of the poisonous snakes. Once it was cleaned up of the poisonous snakes the devil built barbecue pits on the Island and opened it up to the public as Belle Isle.

The Honorable Elijah Muhammad said that everything the God says not to do the devil says to do.

The Messenger taught us not to eat the by products of the swine such as LARD, ANIMAL SHORTENING, GELATIN, SHORTENING, ANIMAL FATS HYDROLYZED, ANIMAL PROTEIN, COLLAGEN, ORENZYMES.

They (the devil) put this poison swine's by products in breads, cookies, candy, and a host of other foods.

Messenger Elijah Muhammad (peace be upon him) taught us that the Orthodox Jews eat as we eat, those that follow Musa's (Moses') teaching and they use symbols to recognize that their food is swine free. We are taught to look for their symbols when we purchase our foods to make sure it's swine free or "kosher".

The Messenger taught us when we eat the flesh of swine, this poison is of a live nature in the form of a parasitic worm that is found in the stomach and intestinal walls at first. It then breeds and works its way into the muscles of the body. This worm is called trichina.

The Messenger also said this worm will work it's way into the spinal cord and from there travel up to the brain, at which time there is no possible cure.

Messenger Elijah Muhammad also taught us not even touch the

carcass of the swine because these worms can enter your body through the pores of your skin and can cause all types of health problems, such as rheumatism, backaches, stomachaches, headaches, sickness and fever.

These are just some of the reasons that I am happy that Islam, as taught by the Most Honorable Elijah Muhammad (peace be upon him), taught me about this foul animal. I thank Allah, Master Fard Muhammad, for His coming and raising up His Last and Greatest Messenger, the Most Honorable Elijah Muhammad to teach and guide us.

Watching TV makes you fat

Many studies have linked obesity to watching television. Now researchers say that the more entertaining a show is, viewers are likely to eat more.

One scientist reportedly said, "If you can concentrate on how the food tastes you'll eat less because you'll feel full faster," and added, "If you want to lose weight, turn off the television or watch something boring."

13 Million Black Babies Murder By Abortion

Abortion has claimed an average of about 1000 black pregnancies every day now for over 26 years. The net effect of that is we have now missing from our population, within the United States alone. Over 13 million black children would have been born had we not bought into this foreign value system of abortion.

How do you think we feel?

By

Sister Renee Allah

DETROIT, Mich.--In the name of Allah, Who came in the Person of Master Fard Muhammad. As-salaam-alaikum.

As followers of the Honorable Elijah Muhammad, we have been taught the importance of our proper dress.

Our dress code is what separates us from this world. It also shows to the world that we are someone who has accepted that seed of righteousness.

The Holy Quran states that we, Male and Female, were made for each other and that we both (male and female) are to find quiet of mind in each other.

So, Brothers, how do you think we feel, as sisters who abide by the Messenger's instructions, when the FOI will turn and gaze, with admiration, at a sister who is being other than herself?

You know what sisters I am talking about. I mean our dead sisters out there in the street who feel that the only way she can get a brother to notice her is by showing her precious parts.

Aren't you supposed to know better? What are you doing? Have you

forgotten who you are, brother?

How are we going to be that example for our people when your actions are the same as theirs?

In our classes we are taught to "lower our gaze".

It takes courage and strength for a sister to finally accept who she is, accept what her role is, then dress and act properly.

When you gaze at that mentally dead sister it discourages, not only the one that is trying to live according to the laws of Islam, but

also the other sisters who may assume, by your gazing, that you prefer her (devil's) style, rather than Allah's. Brothers please remember that.

Sisters, we must get our minds right also. We can no longer afford to have that "I don't care" or "anything goes" attitude. We must get ourselves together.

The Messenger said he had one suit in the beginning but that he made sure that suit was clean and

Two sheriff marked police vehicles and two trucks FILLED with red necks had BLOCKED OUR EXIT!

Shotguns were pointed in our direction as the Sheriff alighted from his vehicle!

He pulled out his pistol and started walking slowly toward us! The deputies and other savages stayed put!

"We're in BIG trouble!" said Brother A D, "They mean to leave us OUT here!"

The sheriff cautiously came closer! "Are you scared Brother?" asked Brother A D! "No Brother," I replied. "But I'm concerned Let us pray to Allah to give us strength! Fight with those who fight with you!" said Brother A D X!

As the sheriff neared, we finished our prayers! "Where's the OTHER

NIGGER?" Shouted the sheriff! "DON'T MOVE!" He continued! We said nothing!

"I SAID WHERE'S THE OTHER NIGGER?" "There's no one else!" I said.

The sheriff stood about 15 feet away and did not move closer! "I saw ANOTHER NIGGER in the BACK SEAT!" He hollered!..

You must have seen my coat hanging up!" I said! ..He hesitated...

"What do you niggers WANT down here? How come you're talking to OUR niggers? Stirrin' um up an all! What THEY make is OUR business!"

I thought of the warning giving to me by Brother A D! My how FAST the word travels down here!

We remained calm and remembered that The Messenger had to LIVE among these devils! I told

the sheriff that we were filming the beauty of the state of Georgia and we were in route to Sandersville.

He asked for identification! I gave him my business card."We're goin' to check up on this here card! If you're lyin' We'll be back an...."

We knew what that meant! The sheriff told his mob to clear the road and they roared back to what ever hell hole they came from!

Brother A D X looked at me and said, "They won't check a thing! My parents were killed in this area! I KNOW these devils! We'll pretend we're headed south! As soon as we can. I'll pull off the road! We'll wait a while in a hidden spot and see what happens! They WILL be after us!"

Brother A D used driving skills I had never before or since seen! He got off of bad roads on to worse ones! Finally we were down along

side a swamp! An inch or so to our right or left and IN the swamp we would go!

No one would think a car would be down a bank on the edge of a swamp "They won't look for us down here in swamp land!" said Brother A D! We waited! About 10 minutes had passed and sure enough, that horrible roaring sound was upon us! We could barely see the sheriffs' vehicles and the trucks whizzing by, due to the thick swamp brush!

Rebel shouts of "FIND THE NIGGERS!" Filled the humid air! "I told you, "whispered Brother A D! "We'll have to be very careful on the way back to Atlanta.

Whites and scared Negroes will tell on us in a second! We'll wait a while longer! We'll have to stay off all the decent roads!

"May Allah be with us!" Said Brother A D X , as he pulled up onto the red muddy road!

After what seemed an eternity, we neared Atlanta! Driving back to Atlanta in the dark and through marsh land was an experience!

If Brother Minister Hulon Shah had not assigned Brother A D X to assist me, I dare not guess where I would have been!

We made it back to the Atlanta airport! I was still not comfortable!

Brother A D said he would return the rental car for me. It was late

and we both were physically and mentally tired BUT spiritually ALIVE!

WE thanked Allah and His Messenger, The Most Honorable Elijah Muhammad (PBUH) in prayer, for guiding us through what many have failed to come through! All Praise is due to Allah!

We gave each other the Greetings and parted as strong Muslim Followers of The Honorable Elijah Muhammad! (PBUH)

How many times can a Man save your life?

When beginning this narrative, I knew that there was not time nor paper to relate ALL the blessings and lifesaving experiences, that Allah through His Messenger, The Most Honorable Elijah Muhammad (May the peace and blessing of Allah be upon Him forever) has given to me and my family.

If anything, it proves that no matter how wrong or hardheaded you may be, Allah gives you chance after chance to do the right thing! The sooner the better.

And He gives you of all you ask of Him. And if you try to count Allah's favours, you will not be able to number them.

Hearts of the Father's To the Children

By

Minister Daniel Muhammad

DETROIT, Mich.-- In The Name of Allah, The Beneficent, The most Merciful. All Praise os due to Allah for raising in our midst His Last and greatest Messenger, The Honorable Elijah Muhammad (peace be upon him).

As - Salaam - Alaikum

The Honorable Elijah Muhammad's job was to turn the hearts of the Fathers to the children and the children's hearts to their Fathers.

He turned his heart to Master Fard Muhammad after learning that He Master (Fard Muhammad) was the Father that came to meet us (the prodigal son) and gave us the Kingdom.

Since we are followers of the Honorable Elijah Muhammad our hearts also have been turned to our God and Savior Master Fard Muhammad.

He Allah wants all of our people to return to Him.

We the believers must strive hard to reach our people before it is too late.

Will you accept the God of our nature (Master Fard Muhammad) and follow His Messenger's teachings?

We the black people of America are given a New Islam by Master Fard Muhammad, The wisest God

of All, according to the teachings of His Messenger The Honorable Elijah Muhammad (peace be upon him)

In the new Islam, the secret of God being a man is made manifest and also the fact that the Caucasian race (the white race) is a race of devils.

He Master Fard Muhammad is The Sole Master of this Day of Judgement. And no one can judge His servants but Him .

He forgives whom He pleases and Chastises whom He pleases, for He knows the hearts of all

people.

Let us pray this prayer offered by His Last Messenger for us, often. "Thou art our God , O Allah, and we are thy people. Deliver us from our murderers and we will serve and obey Thee all the days of our life. And we will teach our children Thy praises and to submit to Thee for Thy unequalled Love and Mercy for us. And thanks to You , O Allah, for making manifest our enemy (the devils) and help us, O Allah, to die the death of a Muslim. " As - Salaam - Alaikum

me so ashamed to see, or hear on the radio the Black man begging. The position of a beggar of bread for his people is the most humiliating and disgraceful style a man could have assumed for himself , in this modern time. And the white man is laughing up his sleeve at the poor Black man who does this. In this modern time of education, no man should want to be disgraced in any such manner. He is putting his Black people in the position and condition of our Black grandparents , by begging the

white master for bread. This makes them lazy , disrespected and discarded as unfit to qualify to become a respectful member of the intelligent and refined society of the nations of earth. WE are walking on bread daily. Bread is in the earth. Money , clothes , homes and all the necessities of life are under our feet. COME JOIN UP and help me to make a great Nation out of the Black man in America. Elijah Muhammad.

DOLLAR STORE SHOPPERS - BEWARE!

An investigation on bargain stores is underway (including Dollar Tree, Dollar General and 99 Cents). It has been discovered that the Crest, Colgate and other brand name toothpastes aren't the same as from other leading grocery stores.

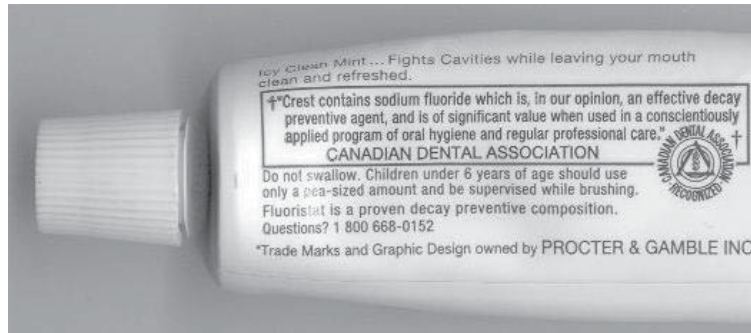

The toothpastes were manufactured in many other countries and are not approved by the American Dental Association (ADA).

Some toothpastes from South Africa contained fluoride amounts ten times stronger than what is allowed in the U.S. (prescription strength).

The fluoride amount stronger because South Africa doesn't use fluoridated water.

So if you or your children use it often and occasionally swallow it, you could be poisoning yourselves.

Messenger Elijah Muhammad warned us in book 1 of, "How To

Eat To Live," of the dangers of fluoride even in our drinking water. He said, **"The scientist should not advocate the use of such poisonous chemicals as fluoride, chloride, and sodium, which may have a bad effect on our brains and our human reproductive organs. The scientist that uses such poison on human beings wants to either minimize the birth rates or cause the extinction of a people."**

The Dollar stores declined to comment and a full investigation has begun.

Not only the toothpaste is different but also the bowls, cups, plates, storage containers, etc. whether they are made of plastic, glass or styrofoam come with a WARNING LABEL.

The only thing about that is that the customer usually never sees the Warning.

The Warning in one Dollar Store Wholesale Ordering book reads on the back.

"ITEMS IN THIS BOOK ARE MADE FROM MATERIALS KNOWN TO CAUSE CANCER IN THE STATE OF CALIFORNIA".

Australia to Join Japan and United States Missile Project

Australia plans to join the U.S. and Japan in researching a missile defense system to combat threats in Asia, a newspaper said May 22.

Tokyo and Washington started working on the plan after North Korea hovered a long-range missile over Japan's main island in 1998.

Foreign and defense ministry officials of the three countries agreed on a joint research framework at a meeting last month in Tokyo, the Nikkei business daily said without identifying its sources.

As a first step, the three countries would hold a meeting by December in which Australia would look at the ongoing work, it said.

"Japan and the United States will work together with Australia to strengthen security in the Asia-Pacific region," said a senior official at Japan's defense ministry, according to the Nikkei.

Australia has long been interested in missile defense and first sealed a defense research cooperation agreement with the U.S. in 1994.

Australian Defence officials agreed in December 2003 to help the U.S. in developing its worldwide missile defense system, called "Son of Star Wars."

In March, Tokyo signed a security pact with Australia, its first such deal other than its alliance with the U.S.

Tensions building between Russia and United States

Russian President Vladimir Putin of Russia subtly compared Bush's foreign policy to Hitler's Third Reich in a speech he gave on May 16, 2007, commemorating the 62nd anniversary of the defeat of Nazi Germany.

Putin did not specifically name the United States or NATO but used phrasing similar to that which he has used previously to criticize American foreign policy while making an analogy to Nazi Germany.

The comments marked the latest in a series of sharply worded Russian criticisms of the foreign policy of the United States - on Iraq, missile defense, NATO expansion and, broadly, the accusation that the United States has striven to single-handedly dominate world affairs. In a speech in Munich on Feb. 10, 2007 Putin characterized the United States as "one single center of power: One single center of force. One single center of decision making. This is the world of one master, one sovereign."

US President George W. Bush, reportedly, said on March 21, a lot of tensions exist between the West and Russia and voiced skepticism about Russia's path to democracy under President Vladimir Putin.

Putin has been upset at U.S. plans for a missile shield in Europe that he considers aimed at countering Russia but which Bush says is to counter the potential threat of missile attack from renegade states.

lowed to do anything which they did not do and after submitting to their practices I appreciated them and appreciated learning how to be myself (feminine).

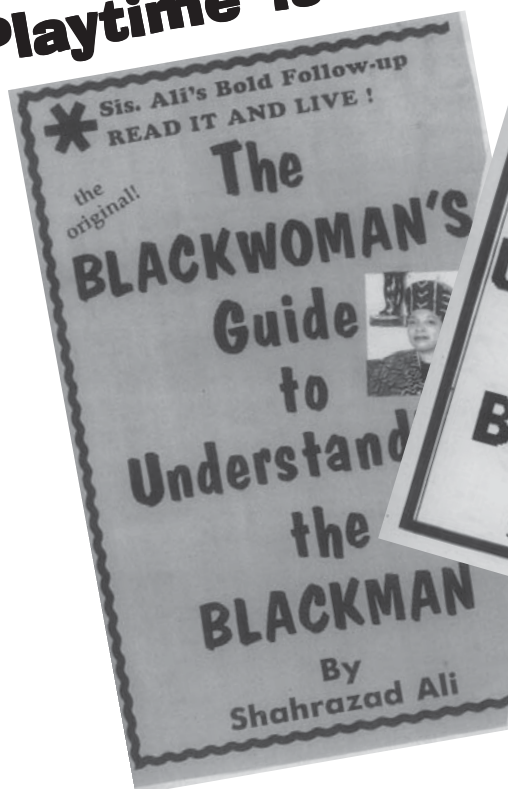

The remarkableness of the teachings of decency of the Honorable Elijah Muhammad is that those who follow him are in the minority. The Majority are doing other than what the world respects in the line of decency. Yet his followers are standing tall trying in the midst of this filth to be upright.

I know this his teachings are universally in accord with Islam for I have been to the Sudan and Egypt in the Muslim community a total of 23 months and have seen the respected woman in Islam. All praises are due to Allah (God) for raising "...a Messenger among you (Black man) who purifies you and teaches you the book and the wisdom and teaches you that which you did not know" (Holy Qur-an 2:151): "and guides you into all truth" (John 16:13).

Minister Philbert X who had already been a member of the Nation of Islam for many years and wanted for Malcolm what he wanted for himself.

In the 1964 Laborer's Meeting, the Messenger admonished some of his Ministers, asking why they did not speak up when these charges were levied against him. During this Meeting The following is an excerpt:

Well this is the thing that Ministers must remember to do. If I told you in the beginning. That if I am attacked you should attack the attacker. How many letters has the paper office gotten in there declaring what you think of Muhammad? We didn't get all those letters from you. You just sit still and see whether Muhammad was going to say yes or no. But, you said that you was with him, well now here is a man here that is trying to put him under feet and in the mud of everybody. Well I must make some kind of effort to show the world that I am with the man, he is got the truth and that whatever is wrong with he and his God, His God is the one to take care of that. This man here I don't know whether he telling the truth or not but However I have no seen anything wrong with the man. He is alright with me. Why didn't you do something in that way? But not the office received no letters saying that. I know. As I told Brother Benjamin just a while ago and he been knowing me ever since 35. I didn't get no letter in the office that he knew me. See this is the thing that. That's right! He knows my... If any man know my moral character that man and his wife knows! Because I was a young man in those days. He used to see women trying to get after me. He used to see me get after them and make them better. Never would fall for them, for that kind of stuff. All right, for a long time, seven years up and down that coastline. Right. My wife use to come and visit me sometime at his house. I couldn't come out here to visit her because they would kill me, in those days. All right, now the enemy that was after me in those days is dead. Allah told me the way he died.

He told me you can go back there and I will be with you. And so he's dead. Now this is the thing when we say lot and don't follow it up, that don't go for nothing. As the Holy Quran plainly teaches us mere belief counts for nothing unless carried into practice. If one of these captains here say I will take my fruit and I will defend this Temple to the last drop of blood in me. But if we never see him even try to convince someone trying to scandalize the Temple, that you are wrong, brother this is the truth. If he never speaks up then, how can we expect him to go out here and spill some blood? The same. So if you go stand on the rostrum and peach to the people Brother Minister that Elijah is the Messenger of Allah and a man over there starts throwing mud in his face and you sit there and look at him. "I'll wait and see if he going to wash it out. If he don't wash it out then I know the mud is due him. Maybe I am wrong myself." This is the kind of old thoughts you start entertaining. I know what you start thinking. Most certainly. But whenever I see that someone is slinging mud in your face and I know you have did a lot of good around here. Well, what right do they have to say that, that man is not a good carpenter? When he built this house, he built a good house here. And now they talking about he's no carpenter. I am going to go tell them if I have to take a hammer and knock one in the head, I am going to tell them that man is a good carpenter and I defy you to disprove it. This is the fact. But If you don't back me up when I am tongue lashed how could I expect you to back me up if I am cut at? Shot at?"

Space will not permit me to include that which the other Ministers said regarding Malcolm and his false allegations, however you can easily check yourself by seeking out the Muhammad Speaks archives for that year (they may be hard to find, but well worth the time). Other Ministers who spoke out against Malcolm's lies and treachery included: Minister James, Minister Farrakhan, Minister John Shabazz, Minister Samuel and others.

The 1964 editions of the Muhammad Speaks are filled with information regarding what really took place and defended the Nation's position.

So why now today do we have the same lie that Malcolm originally contrived to smear the Messenger's name and moral character being resurrected and some of the same women who the Messenger said were Malcolm's sweethearts being presented as the Messenger's wives?

I believe it was Malcolm himself who said if you wanted to keep something hidden from the

Blackman put it in a book.

I guess these Liars and distorters of History were not counting on the fact that this generation would actually dig up and research the past and see what really transpired. Allah is the best knower in all that we say and do.

I leave you with the words of the Messenger of Allah at Saviour's Day, 1968, regarding who Malcolm was:

"Malcolm was not no friend to you, he double crossed you. He double-crossed himself. Therefore Allah didn't double cross him. He give him what the Holy Qur'an

teach you He would give him, and the history teach you the same. The man didn't die a just and righteous man, he was a wicked hypocrite." As-Salaam-Alaikum

Prior to the Gold Presentation, Sis. Dionne, recalling a telephone call placed by an anxious and excited Sis. Amy in early November stated, "She [Amy] asked me to 'check out' the website. I remember thinking, 'Yeah, right. Whatever!' I was completely and utterly uninterested in the concept of a sorority. 'If they [sororities] didn't attract me in college, I certainly didn't have any interest now as a wife and mother who has been out of college for over a decade.'"

Sis. Dionne ultimately viewed the sorority's webpage to humor Sis. Amy. She stated, "I was instantly gratified and excited about what the sorority stands for, represents and can contribute to society.

I saw an organization that provided a strong support mechanism that makes it easier for college-aged Muslim girls to keep their duty to

The major programs of the sorority are reflective of its six pillars: Islamic Awareness and Involvement; Environmental Awareness and Involvement; Educational Development; Economic Development and Indigent Support; Physical and Mental Health; and

WHAT ISLAM HAS DONE FOR ME

Taught Me How To Clean Up

By
Sister Yvonne Hakim

DETROIT, Michigan--From the very first day I started coming to the Temple Meetings, I heard Minister Levi Karim teaching about how we have to clean ourselves up and divest ourselves of the devil’s habits; no smoking, no drinking alcohol, no shaking-up, no fornication, no adultery, no lying, no cheating, no stealing, no staying out late at night (partying) and no eating pork.

But he didn’t just say stop, he told us that Messenger Elijah Muhammad left instructions for us on HOW to stop doing these things. Not just HOW TO, but also HOW LONG it should take us to do it.

The Messenger gave us six (6) months to clean up. But the first thing he said we should do if we want to clean up from these things is to PRAY (at least five times a day).

But, he said, that we had to CLEAN UP even before we started praying.

Before we pray, we wash our hands, mouth, nose, face, head, ears, neck, arms and feet. This washing is called, Ablution. Then we stand on a rug that is only used for praying and say our prayer.

After coming to a few meetings, I decided to register. After I began coming to the MGT (Muslim Girls Training) Classes, for a while, I started learning HOW TO CLEAN UP my house. I thought I knew. But I didn’t.

In this part of our class, called “HOW TO KEEP HOUSE”, I found out that cleaning up the house we live in is a lot like washing for prayer. The first step was to remove the clutter.

Sister Yvonne Hakim

I had to get rid of all the things that were laying around that I didn’t really need.

Ablution removed all the make-up I had on my face.

How Do You Think We Feel?

pressed each day for the next day).

Before we leave out the house make sure that we are dressed properly. Here are some basic tips: Keep yourselves clean & without any foul odors.

Make sure your garments are fitted to you & keep those garments clean and pressed

When shoes are old, we toss them. Don’t continue to wear them.

Handbags should be clean and polished.

We comb our hair under those head pieces. They were not given

to us to cover our hair because we don’t keep it up.

Most importantly we keep our children clean and together. We are representing more than ourself. We have a nation on our shoulders and everyone is watching us.

We are the first teachers. What we teach our children will live with them for the rest of their lives.

In the warning to the MGT it says to repent and do the first work. Remember the days when we were taken from city to city? We must work to get that glory back brothers and sisters.

THE IMPORTANCE OF EDUCATION

By
Brother Karriem Shabazz
(Age 15)

MOMENCE, III.--Most young black men think about childish and immature matters and don't seriously think about their future. They are hedonistic and do what feels good.

These young black men have a deluded and unrealistic outlook for their future. They have plans and dreams of being rappers and athletes. Few, however, will actually achieve this "success".

Most of us honestly believe that education is stupid and a waste of time and think that individuals that aggressively pursue education and don't take part in their silly activities are "nerds" and "squares". This distorted view will

lead those of us who feel this way to a certain doom.

The only way for the young black man to escape this certain doom is to engage in the serious acquirement of education. Education allows the seeker to acquire the knowledge, skills, and tools to function and succeed outside the world of the white man.

We as black people have the habit of always pointing our fingers at the white man.

The fact the we are an uneducated people is OUR FAULT! The only thing stopping us from the acquiring of education is ourselves.

If we stop making excuses and being lazy, we can be successful.

'Young Black Men think people who aggressively pursue education are nerds or squares'

However, young black men must be sure to seek an education, which will benefit us.

Messenger Elijah Muhammad says in "Message to the Blackman [Page 39] for us to "Get an education but an education which removes us from the shackles of slavery and servitude".

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the white and the black. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.

2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.

3. We want equality of opportunity. We want equal membership in society with the best in civilized society.

4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and mineral rich. **We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.**

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.

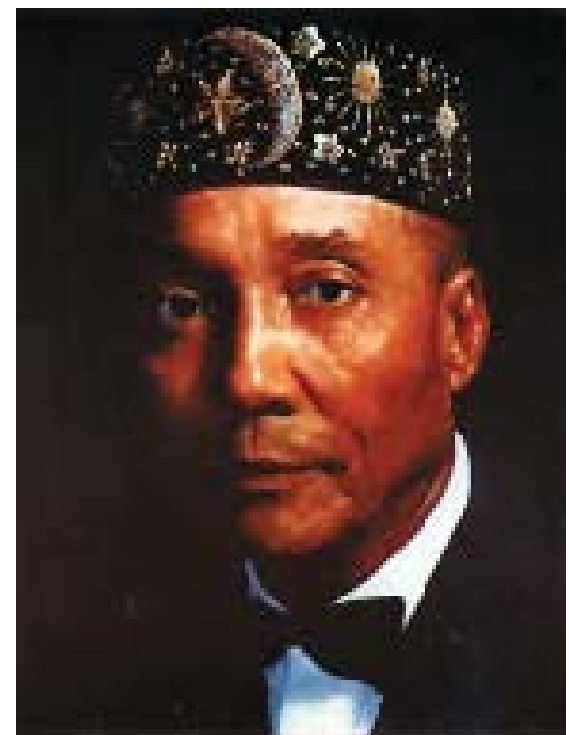

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he should be freed

**The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH**

from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation - of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. **WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.**

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
