NEWS IN BRIEF

Tetanus Vaccine Spiked with Sterilization Chemical to Kill Black Babies in the womb

Tetanus vaccines given to millions of young black women in Kenya have been confirmed by laboratories to contain a chemical called Human Chorionic Gonadotropin (HCG) that kills unborn babies.

HCG was developed by World Health Organization (WHO) in 1992 for the purpose of controlling the birth rate.

More than 2 million young black girls and women were given the vaccine, pushed by The Catholic Church, UNICEF, the World Health Organization and Bill Gates of Microsoft.

The World Health Organization is headquartered in Geneva Switzerland. The 2000 census documents that more than 53% of the people in Geneva are members of some form of the Catholic Church.

The deliberate adding of HCG to vaccines without full disclosure to the population is a heinous violation of human rights and human dignity. And a clear proof of Messenger Elijah Muhammad's teaching for 44 years, that white people have a "PLAN TO DESTROY OUR RACE".

Messenger Elijah Muhammad warned all Black people in his book "Message to the Blackman in America:

"Our enemies, the devils, know and now seek to prevent us from being a nation through our women, as Pharaoh attempted to destroy Israel by killing off the male babies of Israel at birth.

The thousand years before Moses, Yakub killed off the black babies at birth to produce this present white race.

Pharaoh was envious of Israel's future of becoming a great nation, beloved of Allah, which would overcome Egypt and her future as a world power.

The same goes for the so-called Negroes and the slave-masters' children. The slave-masters envy their once-slaves' future and want to destroy it.

So the best thing to do is to tell you the truth whether you care for it or not. I will feel, then, that I have done my duty as a member of the same Nation as you. My love for you and your future is the same as that for myself..."

Here are just a few of the crimes now being committed against humanity under the guise of vaccinations:

CRIME #1) No informed consent. None of these women in Kenya were told the truth that they were being injected with a sterilization chemical designed to cause infertility.

CRIME #2) Race-based genocide. The targeting of Kenyan women with this vaccine is a deliberate selection based on their race. By any reasonable standard, this would be called a racially-motivated hate crime resulting in genocide.

CRIME #3) The deliberate killing of a human being. The spontaneous abortions caused by these HCG-spiked vaccines results in the ending of a human life inside the mother's body. These killings take place without the consent or permission of the mother, nor any opportunity for defense of the life of the unborn child.

CRIME #4) Violation of Geneva Convention limitations on medical experimentation. All these Kenyan women injected with this vaccine are being used as human guinea pigs in a covert, criminal medical experiment. None of these women voluntarily signed up for this medical experiment, nor were they even informed. This is a medical crime against human beings.

CRIME #5) Crimes against women. Only women were selected for this targeted sterilization vaccine effort, proving that this is not only a race-based crime but also a gender-based crime against women.

And guess who's the so-called "whistle-blower" in this case? Kenya Catholic Doctors Association, a pro-vaccine organization.

Messenger Elijah Muhammad warned us, in the same book, about this trick too,

He wrote: "Mr. Yakub taught his made devils on Pelan: That -- when you go back to the holy black nation, rent a room in their homes. Teach your wives to go out the next morning around the neighbors of the people, and tell that you heard her talking about them last night. When you have gotten them fighting and killing each other, then ask them to let you help settle their disputes, and restore peace among them. If they agree, then you will be able to rule them both. This method the white race practices on the black nation, the world over..."

You can see Clear Proof of how well the White Christians (Catholics) have fooled even the Black Doctors, in Kenya.

The French Connection

By Brother Khalil Shabazz

DETROIT--Messenger Elijah Muhammad taught us that the White race is "disagreeable to live with in peace!"

He taught us that they are nothing but "Peace Breakers" who destroy the peace of others.

The method that is often used by the White race to destroy the peace of Original people is by making a public mockery of them.

Back in 2009 the New York Post depicted President Obama as a chimpanzee being gunned down by two White police officers.

body parts of Native Americans.

The bloody scalps or "redskins" and other body parts of the Natives were like trophies to the White man.

Daniel Snyder and the "Washington Redskins" refused to change the name and stop using the logos and mascot that are offensive to the Native Americans. Even though they know the meaning of the term "redskin."

Now comes, Charlie Hebdo, a French newspaper known for making mockery of any and everyone.

Brother Khalil Shabazz

race will not have to take responsibility for their peace breaking actions!!

Islam is a religion of peace and there is no such thing as a "radical form of Islam." But the White man wants the Original people to suffer peacefully. He wants the Original people to withstand all of the White races humiliation and mockery without saying a "mumbling word!"

Even though Muslims don't make a mockery of Jesus as the Christians do of Prophet Muhammad, it is Islam that continues to be the blame and being reported as being "radical!"

The disrespect of Prophet Muhammad by Charlie Hebdo, the Washington Redskin mascots and the racist cartoon by the New York Post was not reported as being "radical!"

Charlie Hebdo's, Daniel Snyder's and Sean Delonas' refusal to apologize after they were made aware that their actions were offensive, were not reported in the news as being "radical". So the only conclusion that we, the Muslims, can come up with to describe these White Devils is the conclusion that Mr. Elijah Muhammad gave us of them and that is "the White race is disagreeable to live with in peace!"

One of the officers said to the other "They will have to find someone else to write the next stimulus bill."

This cartoon caused Al Sharpton and other Civil Rights Leaders to speak out against this cartoon as being "an attack on African Americans as being synonymous with monkeys." The New York Post continued to stand by Sean Delonas racist cartoon. The New York Post's response to the criticism from Civil Rights Leaders was "The cartoon is clearly a parody of a current news event, to wit the shooting of a violent chimpanzee in Connecticut. It broadly mocks Washington's efforts to revive the economy. Again, Al Sharpton reveals himself as nothing more than a publicity opportunist."

Aside from that incident we have another example in the "Washington Redskin Mascot controversy."

The term "Redskin" is a term used by Whites when they sold scalps and

On the morning of 7 January 2015, two masked gunmen armed with assault rifles and other weapons forced their way into the offices of Charlie Hebdo in Paris and fired up to 50 shots, killing eleven people and injuring eleven others during their attack.

But instead of the White race taking responsibility for their own actions and mockery they want to blame "radical Islam" for these attacks.

Because if the White man makes the public to believe that this attack was the result of these men joining a form of radical Islam, then the radical form of Islam will be the "scape goat" and the White

Samson & Delilah

Delilah, meaning “[She who] weakened” is a character in the Bible (Book of Judges) whom Samson which means “man of the sun” fell in love with.

Delilah was approached by the lords of the Philistines, to discover the secret of Samson's strength, “and we will give thee, every one of us, eleven hundred pieces of silver.” Three times she asked Samson for the secret of his strength, and all three times he gave her a false answer. The first time, he told her, “If they bind me with seven green withes that were never dried, then shall I be weak, and be as another man.” Then he told her, “If they bind me fast with new ropes that never were occupied, then shall I be weak, and be as another man.” The third time, he told her, “If thou weavest the seven locks of my head with the web....”[3] On the fourth occasion, he gave her the true reason: that he did not cut his hair in fulfillment of a vow to God;[4] and Delilah, when Samson was asleep on her knees, called up her man to shave off the seven locks from his head, then betrayed him to his enemies: “The Philistines took him, and put out his eyes, and brought him down to Gaza, and bound him with fetters of brass; and he did grind in the prison house.”

“Samson,
The Philistines
are Coming!”

Like the Samson of the Bible Kanye West is used here, as a symbol of the entire Nation of Black people. And Delilah (Kim) represents the Nation of white people.

Samson didn't realize that he was being used as a tool, fool and a slave and neither does Brother Kanye.

All he knew is that he had fallen in love with a beautiful woman, who was other than his own kind.

Neither men realized that it had been a plot designed by rich people in the government of his enemies.

Messenger Elijah Muhammad taught us the meaning of Samson's “seven locks of hair” being his source of strength. The Messenger said those seven locks of hair was a symbol of his SEVEN OUNCES OF BRAIN. His way of thinking. His knowledge of self.

These modern-day Phillistines (rich white people in America) know the secret of the Black

Man's strength. And America is the woman who uses the art of temptation and seduction to destroy us.

Temptation is the desire to perform an action that one may enjoy immediately or in the short term but will probably later regret for various reasons: legal, social, psychological (including feeling guilt), health-related, economic. Temptation is the inclination to sin. Temptation also describes the coaxing or inducing a person into committing such an act, by manipulation or otherwise of curiosity, desire or fear of loss.

The “putting his eyes out”, The Messenger taught us, was changing his way of thinking. Blinding him to the knowledge of self.

In the Biblical story Samson killed thousands of Phillistines with “the jawbone of an ass”. Messenger Elijah Muhammad taught us that the “jawbone” represent “speaking the truth”.

The Messenger also taught us

that when we get the truth to one Black people we “kill five devils”

When we study the timeline of our poor brother, Kanye West, it is plain to see how and why he was targeted by the “Phillistines”.

In February, 2004, Brother Kanye released his album, “The College Dropout” That contained, in short, the following lyrics:

*“Cause they make us hate
ourselves and love they wealth
That's why shortys hollering
“where the ballas' at?”
Drug dealer buy Jordans,
crackhead buy crack
And a white man get paid off of
all of that”*

West is one of the world's best-selling artists of all time, having sold more than 21 million albums and 66 million digital downloads. He has won a total of 21 Grammy Awards, making him one of the most awarded artists of all-time and the most Grammy-awarded artist of his age.

In 2005, Kanye West became a true Samson (strong Blackman)

when he spoke up in front of more than 3 million viewers during a live TV fundraiser for the victims of Hurricane Katrina. and said, “George Bush doesn't care about Black people.” He also blasted the media for the way they portrayed the Black victims. “I hate the way they portray us in the media,” West said as white actor, Mike Myers, on stage with him during the segment, grew visibly nervous. “You see a Black family, it says they're looting. You see a white family, it says they're looking for food. And you know it's been five days because most of the people are Black...” The same year, Time named West one of the 100 most influential people in the world.

It took nine (3 X 3) years to seduce Brother Kanye, but our poor brother made it clear to all of us that they had put out at least one eye when he accepted the “2015 BET Visionary Award”.

Kanye West tried to convince himself and the audience that racism is no longer a problem in America. “This is a generation that is far less racist,”

West suggested that the success of artists like Beyonce and the election of the nation's first Black president is evidence enough that racism is no longer a problem in America.

“We've had The Cosby Show, Obama's president, Beyonce's great...that's passed,” he added. Instead, West insisted that the real enemy is classism and the growing divide between the wealthy and poor in America.

He said, “It's not about racism anymore. It's classism. Like Paula Deen, she was old school with it. They like, ‘We don't do it like that anymore, that's racist. We classist now.”

We know from the Biblical story of Samson that after his eyes were put out, he began to realize he had been tricked (his hair grew back) and with the help of “a little boy” brought the whole Philistine Temple down killing himself and thousands of his enemies.

During the BET speech we noticed that Brother Kanye also made the following statements: “They want to present the idea of making it to the league or making it to be a rapper and not the idea of becoming an owner...and they would do anything they can to make it seem like a truthful idea is a stupid idea or crazy idea”

Who is the “They”, Brother Kanye? We know it's white people!

Brother Kanye also said during his acceptance speech: “Don't think that because we can afford this custom Balmont suit that we're free. And don't think that because we can buy a three hundred thousand dollar (\$300,000) car that we're free.”

Who is the “We”, Brother Kanye? It's Black people, right?

When the mainstream media reported the speech Kanye West gave, on racism, at the BET awards in 2015, they made no mention of that part of his speech.

But rather they sensationalized the misleading information he gave so that “we” wouldn't see that small lock of hair left on his head.

But we are not the only ones who see it, so look out Brother Samson, they're not done with you yet. And your people haven't given up on you yet.

You don't have to kill yourself to pull the whole house down. Read “The Fall of America”, by Messenger Elijah Muhammad. It's already falling. Just come out of her!

How to Fight Back

By

Minister Levi Karim

In the Name of Allah, Who came in the Person of Master Fard Muhammad. I thank Him for raising up His Last and Greatest Messenger, The Most Honorable Elijah Muhammad (peace be upon him) As-Salaam-Alaikum.

Messenger Elijah Muhammad taught us in his Book, The Fall of America, that We "cannot have peace until the power of the peace-breaker has been broken."

White people are the peace-breakers! Plain and simple. I know it! You know it! And they know!

No matter how many "peaceful protest" we have against the murder and mistreatment of our people, the white people continue to do the same evil to us that they have always done.

But we, Black men & Black women, have the power to stop him overnight.

Think about it. What makes white people so powerful? What do they have that we don't have? It is their ability to do EVIL! That's what! They can't rule without it! The DEVIL can not rule without EVIL.

And we know for a fact, based on their own history, WHITE PEOPLE ARE DEVILS!!!!

Evil is the force that gives white people their power!

Their nature is different than Black people because of what scientist call "genetic mutation".

Scientist say: "Caucasians have more...traceable mutations (such as white skin and blue eyes) than any other people."

White people's ability to do evil without remorse is another mutation that sets them apart from other humans.

God and the Devil are opposites. Good and Evil are opposites. Black and white are opposites. Do you see a pattern here?

Black people are the most loving, forgiving, merciful people on earth. Those are attributes of the True and Living God.

Check our history! Our poor mentally dead people being gunned down in the streets and are still trying to "Love their enemies".

They are doing everything they can to try to come to some kind of civil understanding with the white people. They are marching, laying in the streets, and protesting all over the country trying to get white people to agree that

"Black Lives Matter". But the devil just laughs and keeps gunning us down.

What Black people don't understand is that even the God they say they believe in won't forgive white people for their treatment of us.

In the first book of the Bible (Genesis 15:14) God says, "I will punish the nation they serve as slaves, and afterward they will come out with great possessions."

Since we have been taught by our Messenger from God, The Most Honorable Elijah Muhammad, that We are The God that we read about in the Bible, we also had to be taught how to fight the devil (white people). And we were!

God uses the FORCES OF NATURE to fight the Devil. So we don't need guns, knives, bombs or any of the weapons designed by white people to fight them. We only need to BE OUR NATURAL SELF (Muslim).

The word "Muslim" means one who submits his or her will to do the will of God.

The Force that gives us our power is the opposite of the force that gives white people their power.

White people used their force of Evil to gain great wealth. The weapon we must use to Fight back will cause him to lose his wealth and increase our wealth.

Our people have the right idea of "peaceful protests", but just as in the days of MLK, they are going about it the wrong way.

Messenger Elijah Muhammad showed us back then, while MLK and his followers were out in the street getting sprayed with water hoses, getting dogs sicked on them and getting beat up, how to conduct a successful "Peaceful Protest", and strike back at the devil (white people), without them ever knowing what hit them.

You don't have to show the devil how many people you can get together to walk down the street with you holding signs.

The Messenger taught his followers to hit the white man where it REALLY HURTS, in HIS POCKET! ECONOMICALLY!

The Biggest Money makers in this country are Health Care, Prison, Gambling, Entertainment and Cosmetics.

Eating to live, as Messenger Elijah Muhammad taught, alone would save Black people Billions of dollars, in groceries alone, not to mention the money we pay to doctors and hospitals and pharmacists for medical problems that can be cured naturally by eating

'Our unity with God, Who has already appeared among us in the Person of Master Fard Muhammad, to Whom praise is due forever, will set us in heaven while we live and on this earth, our national home.'

-Words of Messenger Elijah Muhammad

the right foods and not eating too often.

Add to that the Billions we would save by not smoking, drinking alcohol and soda pop, and gambling. During the so-called "Civil Rights Movement", Messenger Elijah Muhammad and his followers showed the world what a SUCCESSFUL PEACEFUL PROTEST looks like.

The Muslims used money they saved and became land owners, (farm land and real estate), purchaed educational centers, a printing press, a jet plane, clothing

stores, grocery, stores, restaurants, fisheries, and more.

We don't need to show the devil how many we have with us. As a matter of fact, it just might be better for us NOT showing our numbers. And before he knows anything we will have built the Nation of Righteousness that we want.

It's in the making now. Keep a low profile and just do what is right. Stop smoking anything, stop drinking alcohol, stop gambling, spend money with our own kind.

Minister Levi Karim
PUBLISHER

Messenger Elijah Muhammad gave us an "Economic Blueprint" to follow.

We don't have to schedule some grand event to discuss it. Let's just do it!

It is a very simple plan to follow. It is printed, below, for anyone who doesn't already know.

The Economic Blueprint

Reprinted from Message To The Blackman in America, pages 170 & 174

1. Separate yourself from the slave master.
2. Pool Your resources, education and qualifications for independence.
3. Stop forcing yourselves into places where you are not wanted.
4. Make your neighborhood a decent place to live.
5. Rid yourselves of the lust of wine and drink and learn to love self and your own kind before loving others.
6. Unite to create a future for yourselves.
7. Build you own homes, schools, hospitals and factories.
8. Do not see to mix your blood through racial integration.
9. Stop buying expensive cars, fine clothes and shoes before being able to live in a fine home.
10. Spend your money among yourselves.
11. Build an economic system among yourselves.
12. Acquire an education that creates unity and makes us desire to be with our own.
 - 1) Recognize the necessity for unity and group operation (activities)
 - 2) Pool your resources, physically as well as financially.
 - 3) Stop wanton criticisms of everything that is Black owned and Black operated.
 - 4) Keep in mind - jealousy destroys from within.
 - 5) Observe the operations of the white man. He is successful. He makes no excuses for his failures. He works hard in a collective manner. You do the same.

Teachings From The Holy Quran

CHAPTER 12:22

“And the devil will say, when the matter is decided: Surely Allah promised a promise of TRUTH and I promised you, then failed you and I had no AUTHORITY over you, except that I called you and you obeyed: so blame me not but blame yourselves. I cannot come to your help, nor can you come to my help. I deny your associating me with Allah before. Surely for the unjust is a painful chastisement.”

By Messenger Elijah Muhammad

The time of the fulfilling of the above verse of the Qur'an is now going on among the so called Negroes and their slavemaster's children. It is the greatest desire of the devil: to deceive the people of God against the Truth and God's Messenger of Truth.

The poor American so-called Negroes were born and reared by this great enemy (The Devil) of Allah and the Truth. They (the so-called Negroes) do not see nor know God, the devil, or even themselves.

Therefore, spiritually, they are called blind, deaf, and dumb. They cannot see nor hear the Truth. The vicious enemy, the devil has them scared to death. He put fear in the Negroes when they were babies, four hundred years ago -- says Almighty God Allah.

The devil will not confess the Truth until he has no alternative-he has already deceived those who follow him. At the present time, nearly 90% of my people in America are following the devil and are actually unaware of it. It is almost Hopeless, when it comes to trying to make them understand.

They will even turn against you, their friend and sincere well-wisher, to the inducement of the devil's empty promises.

The devil in the above verse is not a spirit but a human being who is in the flesh and blood as you are: 'the Caucasian race.' The above verse take it and keep it before your eyes as a warning, for it is TRUE. They will soon confess that Allah is true, and that I, Elijah Muhammad, am His messenger, and that I have brought to you the true promises of Allah (God), but you are denying them for the false promises of the devil.

You have taken the devil to be the equal of Allah (God), and when the showdown comes, he (the devil) will deny misleading you. Note (the above words): "I called you and you obeyed me," though he had no authority over the believers of the Truth (Islam), but he did know that they were afraid of him from the cradle, and that if he called them they would be afraid to disobey his call.

It is a very dangerous time in which we are living in to ignore the Truth, when it means your life or death. The great tricknology (their false friendship and promises) which is being played on you by the Caucasian race, and especially your slavemaster's children, you should not accept.

I have brought you the Truth and the True promise of Allah (God), believe it and He will save you from fear and grief. See and read Chapter 7:21 of the Holy Qur'an (a most truthful scripture) where the devil swears that he is a sincere adviser. "And he swore to them surely I am a sincere adviser to you."

The white race rejects the religion of Islam, its God, and Holy Book (Qur-an), because it is a Universal Truth, and that both the Arab Prophet, Muhammad, and Jesus were dark men, and brothers of the darker Nation, though they (the white race) naturally object to being a follower of a black prophet.

Hurry and join onto your Own Kind!

Thinking About Selma

By Brother John 9X

Brother John 9X

RHODE ISLAND--In the name of Allah, the Beneficent, the Merciful. We can never thank Him enough for raising up among us, the Honorable Elijah Muhammad, the Last and Greatest Messenger of Allah.

As-Salaam-Alaikum, Brothers and Sisters.

I don't often go to the movies. Messenger Elijah Muhammad advised against it.

Often it is just pure filth being so violent and full of blood that it would make your head spin.

But when movie, Selma, came out in January, starring black people and financed by black people, my expectations were raised as was my curiosity. Maybe there was something out there worth spending my money on.

Selma is a historical drama based on the Selma to Montgomery marches for voting rights which happened in 1965. These marches were lead by a group of activists headed up by Dr. Martin Luther King Jr. At the beginning of the film you see 4 girls walking and talking in a church. Then that church is blown up with the girls still inside.

This event was a defining moment for the civil rights movement providing motivation for the marches. Another defining moment is when Annie Cooper, played by Oprah Winfrey, fills out an application to register to vote only to be asked a series of questions by the registrar and have her application rejected.

Soon after this there is a scene where Malcolm X visited Coretta Scott King telling her what would happen if the marches weren't allowed.

Other notables in the film were George Wallace who was the governor of Alabama at that time,

John Lewis and Andrew Young both whom had pretty significant roles in the movement.

My only question is, "Where is the Honorable Elijah Muhammad?" The one man who had an

answer from God Himself for our suffering.

Can a historical drama such as Selma completely rewrite history by ignoring the presence of the Last Messenger of God on the scene? Well, it does!!

Throughout the film the hero is Martin, who is in favor of the marches while the villain is President Johnson who initially had "better things to do" and later was against them.. Because we have bought into this, Brothers and Sisters we have the situation of today. 2015!! Ohhhhhh, they tell us "We've come a long way.....But we still have a long way to go." How insulting is that?? Why do we have to go such a long way?

Because the devil himself was pushing further and further into the muck and mire.

Because we didn't follow the loving advice of the Messenger who was telling us this political solution of having the vote is not a solution.

And that The real way out is to seek a land of your own. That We must Love ourselves and do for self!!

Because we didn't follow the Messenger's orders, to the letter, we are left in a world with a Black president who's leading us nowhere.

We're left in a world of Fergusons and the NY Brother Eric Garner whom they choked to death (I Can't Breathe!). A world of hopelessness where if any one of us protests we're portrayed as anti police and anti American.

This is Black film, and should be supported by us. This is a film which will win Grammys for best music as well as several Academy awards. The film does a very good job presenting the marches themselves because it blends a film depiction with actual historical footage. But seeing us trying to withstand the police mens' nightsticks, watching the dogs chomp at us and having to swallow that arrogant devil George Wallace sneering at us is a lot to take. But it is a film which shows and exposes our heart---- a compassionate one who is willing to forgive the devil.

The NOI is pictured as some small splinter group of hate.

But by ignoring our soul, the teachings of the Honorable Elijah Muhammad we are left with nothing. So, go see this film. It does have a lot going for it.

But know that even though it shows us in a historical context it doesn't give us an answer to our problems. It leaves us in the quicksand. 50 years ago, Black people chose Martin Luther King to be their spokesman. But looking through the eyes of today we know that a better choice would be to embrace Islam. To come home to ourselves. And to think, by watching Selma we realize that the real hero, the Honorable Elijah Muhammad is the one person who is neither mentioned nor seen. I've said it before and I'll say it again Brothers, Sisters please.....stop dancing with the devil once and for all!! As-Salaam-Alaikum.

MISSING FROM SELMA!!!

Oprah didn't tell the people that the Black people who went "DOOR to DOOR" to register other Black people to vote in Alabama were trying to get AN ALL BLACK POLITICAL PARTY??? Black people like Fannie Lou Hamer, Stokely Carmichael and Ella Baker! The "Black Panther" was suppose to be OUR SYMBOL to replace the White mans racist symbol, the "White rooster." But all Oprah and Black people like her who Love the Devil want to do is ERASE THE BLACK POWER history in Alabama and replace it with making "America" believe that the intentions of the Black people who fought for "voting rights" was to share this Christian World of Filth with these Devils!!! Which is not the case!!

What Islam Has Done For Me

My Journey To Islam

By Sister Keana Buchanan

'I was on my journey to find the truth'

DETROIT--My love for knowledge and truth brought me into the Nation of Islam.

When I first went to the Temple, I thought I'd never come back after being taught Christianity was a slave-making Religion. Even though deep down inside I knew something wasn't right about my religion.

What led me back was my curiosity; I wanted to understand why Muslims, who follow Messenger Elijah Muhammad's Teachings, viewed Christianity in that way?

The picture, that was positioned in the front of the Temple where the Minister teaches, of the guy hanging from the tree, with devils all around him smiling, enraged me. It made me wonder where the brotherly love was or love thy neighbor teachings.

That picture brought me back to my tenth grade history class with Mr. Crenshaw.

He would show us videos and spend the majority of the class teaching us about our REAL history.

One video in particular made me look at my religion in a different light. It was a video of the klu klux Klan hanging a black man on the cross setting him fire on to burn to death.

The screams were unforgettable, it was graphic but it was TRUTH! I wanted nothing but the truth; no matter how hard it would be for me to believe.

I was on my journey to find the truth, but I had no idea where?

As I continued to visit the Temple, the new things I learned encouraged me to research other religions.

I wanted to get a better understanding of Islam, along with other religions. But no other religion gave me more truth and understanding than Islam, as taught by Messenger Elijah Muhammad.

This made me become more open-minded to learn new things.

I read the Bible but I didn't fully understand the Scriptures until I read the book "Message to the Black Man in America".

Islam, gave me knowledge of self, my God, and my religion and taught me who the real devil is.

It has made me realize I had to completely relearn everything I believed was right.

I thought that because the majority of people in America were Christians, it was the true religion of God. But I would have

Sister Keana Buchanan

never thought I was completely deceived by the devil (The white man).

When I became eighteen years old, even after I received the truth, it was still hard for me to transition into the life of Islam (peace and righteousness).

I didn't want to disappoint my family or give up my way of life just so easily. I let the voices of others drown out the truth, and keep me away from Islam.

Most individuals were very stereotypical of Muslims. They tried to make me believe Muslim women were oppressed and Muslim men were controlling and abused their wives.

Even though all the accusations were false, I still allowed people to make me ashamed to join the Nation of Islam.

So for a year I hid the fact that I wanted to be a Muslim. I was sensitive and took every comment against the Truth personally.

I was fearful of becoming Muslim, though I had already fallen in Love with Islam.

I felt weak mentally and was angry for caring about what others thought of me and Islam.

On December 21, 2014 I re-

claimed my own and it was one of the best decisions I ever made.

My belief in Islam became so strong nothing could come between me, Allah and his greatest and last messenger the honorable Elijah Muhammad.

Islam made me stronger. I now couldn't care less about other people's opinions.

It's nobody's business of the relationship between me and Allah (God).

Becoming Muslim has made me a better woman and as I continue to grow as a Muslim woman I will become even better.

America is Over Burdened by Welfare

The Social Welfare System of the United States has over burden America's ability to borrow / pay for it and collapse of the Financial system will follow.

One half of America receives some form of Federal Welfare. Promises made for Social Security, Medicare, Medicaid and Obamacare are beyond the government's ability to pay for them. Collapse is inevitable.

HISTORY REPEATS ITSELF

By Messenger Elijah Muhammad

Reprinted from the MAY 9, 1969 edition of Muhammad Speaks

THE RESURRECTION and SEPARATION, of the once-Black servitude slave in America must come to past.

This is why the whole of America and the world is in so much trouble today. It is due to the Work of Allah (God).

The Black People of America are the people of the Divine Supreme Being of Heaven and earth.

The Black People have been lost here, among the white race, for over four hundred (400) years. Now they have been found by God, Himself, and He is determined to carry out that which is written of Him. . . that is to Restore us again to our own Black People.

This is mentioned in so many of the prophecies concerning the return of the Lost-Found Black People.

The Lost-Found Black People are symbolized in the Bible prophecies, as the Lost Sheep, in the House of Israel (the race of the white man).

This work of the separation of the two peoples (Black and White) has begun.

These Divine Names that we have are one of the most direct proofs that the Work of separation is now going on.

To try to hinder the separation of the Black and White peoples is a waste of time. Allah (God) will let you waste your time and money and still you will not be able to accomplish your desires.

YAKUB

IN the days of Mr. Yakub, the father of the white race, Mr. Yakub, was seeking enough Black People out of Arabia from which to make his man (white race).

Mr. Yakub caused so much trouble to the peaceful settlement of the Arabian people until they had to yield to Mr. Yakub, and allow him to take those who were with him, to some part of the earth, other than Arabia, so that he could go ahead and make his man (white race).

Mr. Yakub had 59,999 converts who were willing to follow him anywhere he desired to go. These 59,999 converts are the number of people he used, from which to graft his man (white race).

Here we see that from the very beginning of the Black and white peoples, separation was a must.

The Holy Quran teaches us that separation of the Black and white peoples is a must.

ANCIENT BABYLON

WE, FIND in the history of ancient Babylon that her fall was due to the ill-treatment which ancient Babylon accorded to Israel (Bible, Dan.).

King Nebuchadnezzar, of Babylon, took captive the scholars of Israel; among them was Prophet Daniel. However, God was with these people and he frustrated the governments of both King Nebuchadnezzar and King Belshazzar, until they were forced to return Israel to Jerusalem.

EGYPT

ACCORDING to the history of Egypt's enslavement of Israel, the Kings, Pharaohs, suffered Divine Plagues and Chastisement (Bible, Ex.). . .

The so-called African American must do for himself

By

Bro. Calvin Shabazz

ATLANTA--Peace to you brothers and sisters. Calvin Shabazz is my legal name. The slave name is Calvin Woods. The name Shabazz is of royalty or royal blood.

In 1555 a crime was committed on the continent of Africa by one John Hawkins, the grandson of King James of England and a known slave trader, who was an admiral in the British Navy.

The Name of John Hawkins Slave Ship was the good ship "Jesus", well known in Spanish ports.

This is the ship Sir John Hawkins used to kidnap a whole nation of original people, not by force, but by trick (fraud). Then he disappeared and left our ancestors lost in the Western Hemisphere in a land where no one could speak their language.

For 64 years, they were robbed of their language, culture, and their way of life and were treated as livestock.

In 1619 they were shipped to the North corner of the West and put in the cotton fields of the south, from Louisiana to South Carolina.

For 379 years, they were not allowed to read nor write or even open a book.

That same year (1619), King James commissioned William Shakespeare and 47 other so-called scholars, to translate his own "version" of The Bible.

On July 4, 1930, Master Fard Muhammad, the Saviour for Black people in America, arrived

Brother Calvin Shabazz

in the west, as written in the The King James Version (Matthew 24-28), The Son of Man would come to West searching for the Lost Sheep.

He found one, Elijah Muhammad, slave name Poole, in Detroit, Michigan.

There He made Himself known, declaring that the Black people here under White America are descendants of the Holy Tribe of Shabazz who were lost for 50,000 years. And that the white man is the devil.

He, Master Fard Muhammad, came to redeem the so-called Negro and judge white America of the crime of murder, kidnapping and robbery.

The recent murders of black people, including Michael Brown in Ferguson, Missouri, Eric Garner in New York City Tamir Rice in Cleveland, Ohio, and Walter-Scott in South Carolina should be enough for a fool to see that

Pakistani Muslim View

Backs Messenger's Long-Time Charge That White World is 'Evil by Nature'

By Abdul Basit Naem

Reprinted from the May 5, 1967 Edition of Muhammad Speaks Newspaper

Our people in the 'Eastern' (i.e. 'Orthodox') Muslim world simply do not realize that, had it not been for the West's wanton exploitation and total usurpation of our vast material resources in the days of old (when the various European nations ruled most of Asia and Africa), we would not have to envy or beg of the "benevolent Big Brother" today for food or other aid.

THE "EASTERN" Muslims fail to fathom that without our own past weaknesses, which permitted the Europeans to penetrate our peaceful lands and slowly but systematically dispossess us of our wherewithal - and even cause inestimable harm to our mental

capacities - we would not find ourselves desperate or needy of economic support from others.

As it stands now, there isn't a territory of the righteous on earth which the "beasts" haven't invaded which consequently doesn't bear the ugly tell-tale marks of their "presence."

There isn't a community of our people where the white colonialists' notorious 'divide-and-rule' dogma has not gnawed at or substantially destroyed the very foundations of its original moral and social structure.

There isn't a spot on the planet where the unsightly 'weeds' (seeds of the wicked) have not somehow found a way to take roots.

LET US examine the matter closely: Just how did the white (Euro- American) world achieve its present "greatness"?

Certainly the white races were not always as rich or powerful as they are today. Certainly they did not come into their fortunes through hard work or sheer good luck. Nor did they reach their high plateau of prosperity via fair and ethical trade practices or through strict adherence to pious Judeo-Christian traditions. The answer is simple and obvious: The Europeans acquired their affluence by colonizing much of Africa and Asia as well as the Americas.

The U.S.A., in turn, attained its astounding success by driving off its first and original citizens, i.e., the red-skinned Indians, to concentration camps (otherwise known as "reservations" and through the use of 400 years of free (slave) labor. THE SLAVES - millions of them - were "indispensable."

They were brought in from their African homeland to clear America's snake-infested swamps, to dig irrigation ditches and canals, to plant and harvest corn and cotton, to build roads and shelters and for generally carrying out the white slavemaster's other wishes.

Without this unprecedented and largely gratis supply of manpower, the so-called 'pioneers' or "founding fathers" of this country could not have gained a headstart or amassed the fantastic fortunes their descendants and heirs boast of and enjoy.

The mainstream of the U.S.A., of course, to this day remains infected with old 'new world' viruses, such as inequality between man and man.

The 22 million black 'nephews and nieces of Uncle Sam' (American so-called "Negroes") are by no means considered or treated as equals of white "Great Society" members; nor are they allowed to exercise civil rights identical to those of the former slave-master's children.

ONE CAN easily deduce that the West has excelled and continues to excel the East mainly in the realms of fire power and human oppression.

Abdul Basit Naem

mischief-mongers and evildoers. That is to say, they are nothing but the real DEVILS.

"Human Trafficking" the New Name for Slavery

Slavery is alive and well! "Human trafficking" is estimated to be the second-largest criminal industry in the world.

As of 2014 there are an estimated 35.8 million enslaved people in the world. In the U.S. alone, there are an estimated 60,000 people in modern slavery as of the same 2014 study.

In fact, there are more people in slavery today around the world than at any other time in history, despite it being criminalized in 90 percent of countries worldwide.

The U.S. State Department has reported 50 percent of the 600,000 to 800,000 people kidnapped and "trafficked" across international borders every year are less than 18 years old, and 80 percent are female.

According to the Polaris Project website, 70 percent of the female victims (ages 12 to 14) end up in the commercial sex industry.

According to the National Human Trafficking Resource Center website, "there have been 5,042 human trafficking cases reported this year so far in the U.S., and 3,598 of those alone are sex trafficking cases. 4,155 of those reports were about females. While the nationality of many is unknown, 1,845 U.S. citizens or lawful permanent residents are among this number. 452 of the trafficking cases are in

Texas alone."

In 2013, according to a Texas DPS report on the Texas DPS website, a large sex-trafficking ring operated out of Houston was revealed.

On March 30, 2015 the United States FBI website revealed: **"It's sad but true: here in this country, people are being bought, sold, and smuggled like modern-day slaves."**

They are trapped in lives of misery—often beaten, starved, and forced to work as prostitutes or to take grueling jobs as migrant, domestic, restaurant, or factory workers with little or no pay..."

African-American Must Do For Self

Continued from page 11

we can not continue to look for white people to change their devilish murdering nature. WE ARE GOING TO HAVE TO CHANGE OURSELVES.

As Messenger Elijah Muhammad taught us, The first step is SEPARATION! Give the white man back his name, his religion, and his way of life and practice righteousness so that we can earn the protection of the God of Righteous. He is the only one able to make war with this Beast.

History Repeats Itself

Continued from page 9

When Allah (Jehovah) went with Moses, to free Israel from the bondage of Pharaoh and his wicked people who were determined to hold Israel forever in a slavish condition. When Pharaoh heard that Allah (Jehovah), and Moses were after Israel in order to free Moses' people, Pharaoh made up his mind to oppose the freedom of Israel. Allah (Jehovah) made Pharaoh an example of the American white race.

White America holds millions of Black People and she is not willing to let the Black People go, nor is she willing to give us a place here among them, to be free to ourselves.

White America keeps us, as Pharaoh did Israel, without a state or territory.

The Black People go from hand to mouth begging for bread and shelter. This is the reason now, why America is in a war with Allah (God).

Allah (God) is bringing about all kinds of trouble and plagues against America.

Allah (God) fights in many ways. The Ways that Allah (God) uses, we cannot win against Him. Studying the history of these above-mentioned governments and peoples, who held slaves and mistreated them we find that not one of these histories show that the slave-holders mistreated their slaves, as badly as America has mistreated her slaves. For we do not find in the above-mentioned histories where they lynched and burned their slaves.. But here, America burns her slaves alive, bound to iron stakes and daily shoots them down on the highways without allowing them the opportunity to defend themselves, before a just judge, for White America does not have a just judge.

White America has mistreated the Black Man so much so, that the Black once-slave now has been made so blind, deaf and dumb, under this illtreatment, that he wished to remain with white America. They love the slave-master. But this does not help America, at all.

I repeat the saying, HISTORY REPEATS ITSELF". The separation of the slave and his master is a must whether it comes about today, or a hundred years from now; separation is a must. Thank you for reading, HISTORY REPEATS ITSELF.

Vaccine Spiked with Sterilization Chemical to Kill Black Babies in the womb

Continued from page 2

One Black doctor (Dr. Nagare) reportedly asked “What reason do the Catholic doctors have for lying?” and went on to say, “The Catholic Church has been here in Kenya providing health care and vaccinating for 100 years for longer than Kenya has existed as a country.”

In other words, the very group exposing the sterilization agenda of the tetanus vaccines is in fact a pro-vaccination group.

The vaccine was only being given to women of child-bearing years, not men or women beyond the age of fertility.

The same vaccine sterilization campaign was used in 1993 in Mexico and both Nicaragua and the Philippines in 1994.

Why don't you hear about this on the news? Medical crimes against black people are perfectly acceptable to the white media as long as vaccines are used as the weapon. Vaccines are the perfect weapon for population control for several reasons: 1) Nobody really knows what's in them. 2) They can be easily spiked with hidden chemicals. 3) They can be administered under the cover of “public health.” 4) All governments and establish-

ment media will deliberately collaborate with the genocide in order to protect vaccines from being recognized as medical weapons.

So vaccines can be routinely used to inject populations with birth control chemicals or even stealth cancer viruses.

In fact, this is exactly what happened to as many as 98 million Americans during the mass polio vaccinations of the 1960's and 70's.

The CDC even documented the “accidental” injection of millions of Americans with the cancer-causing SV40 simian virus, but the agency scrubbed all that history from its website in 2013.

In Kenya today, government authorities also claim the sterilization chemical was an “accidental” contamination. That's the excuse that can always be used as a cover story in weaponized vaccination schemes, where governments deliberately taint vaccines with known chemicals that end life, promote cancer or cause spontaneous abortions.

The World Health Organizations endorses it. The United Nations organizes it. Governments help fund it. Vaccine-pushing scientists excuse it. Media outlets

cover it up and censor the story.

When pharmacies in your neighborhood push flu shots and other vaccines, they don't tell you they are part of a branch of medicine steeped in genocide, racially-motivated hate crimes and a medical war on women. They don't tell you that flu shots still contain toxic mercury at concentrations 100 times the mercury found in ocean fish. They don't tell you anything about what's in those vaccines for the same reason that women in Kenya are never told what's in them.

Vaccines are easily deployed as weapons against us, under the false cover story that they are saving humanity. What better way to pursue deliberate chemically-induced population control than to convince people they are being injected “for their own good?” This is precisely why Bill Gates famously said: “The world today has 6.8 billion people... that's headed up to about 9 billion. Now if we do a really great job on new vaccines, health care, reproductive health services, we could lower that by perhaps 10 or 15 percent.”

Why would Bill Gates be talking about vaccines REDUCING

human population if vaccines didn't secretly contain sterilization agents? Remember, Gates is the same person who has funded all sorts of sterilization technologies including one that blasts men's scrotums with high-intensity sound waves to make them infertile.

The evidence of deliberate sterilization chemicals in United Nations vaccines raises the obvious question: Was the recent Ebola outbreak in West Africa also intentional? And what else might scientists, vaccine pushers, world health authorities and governments have in mind for Black depopulation in the years ahead?

Is there already something in the food supply that causes sterilization? The answer is a definite YES, and just like the pandemic viruses, it too is genetically engineered.

These are the tools for the scientific murder of Black People: 1) Vaccines 2) Viruses 3) Food 4) Water 5) Chemtrails (i.e. atmospheric deployment of chemicals) All five of these present “opportunities” for genocidal scientists to achieve their goal of Black sterilization and depopulation.

That is precisely why anyone who wishes to survive the great human culling now under way must take extraordinary steps to isolate themselves from institutionally-produced food, water and medicine. The only safe food, water and medicine is that which was produced independently and far outside the control of Big Food.

Don't drink the city water without boiling it first, as Messenger Elijah Muhammad taught his followers for over 44 years. Don't eat factory-produced food. Don't allow yourself to be injected with weaponized vaccines. Don't take their deadly medicines.

Be smart by being skeptical about the claimed “safety” of all those things created by institutions and authorities that quite literally want to kill us off.

If you're smart and resourceful, you might just survive this great destruction of our people.

On the other hand, those who anxiously line up to be injected with the seasonal flu shots are all admitting they are too stupid and gullible to last long in a world where “science” has declared a covert war on human life.

How To Eat To Live

Vegetables

By Elijah Muhammad, Messenger of Allah

Excerpts Reprinted from *How To Eat To Live, Book 1, Chap. 2*

Virtually all vegetables are good to eat except collard greens and turnip salad. The roots of turnips do very well, but not the salad. Cabbages are good, especially the white head, but not the green leaves.

Cauliflower is a really fine vegetable, but take away the green leaves. There are a lot of other good vegetables that have been grafted from original vegetables, though some of the grafted vegetables are not good to eat.

Do not eat the vegetable called kale.

Eat some spinach, but do not become a habitual spinach eater. Eat rutabaga, a little every now and then. You may eat as much garlic and onion as you like, but no sweet potatoes and no white potatoes. Sweet potatoes were never good for any human to eat. They are good for hogs, but not for you. White (Irish) potatoes are a food for people who live in frigid zones, a staple food for such as Europe, Northern America and Canada; but potatoes and rice are too starchy for you and me. They laden us with too much starch and fat, which are friends to diabetes. Sweet potatoes are full of gas, do not eat them. There are many more vegetables you will find edible or forbidden to eat in this book. If you like, write me for information on other vegetables not mentioned here.

Allah forbids us to eat peas. He considers most peas fit for cattle and herds of animals, but not for the delicate stomachs of human beings. No black-eyed peas, field peas, speckled peas, red peas or brown peas. Do not eat the split peas you find in the store.

Fruit Grown in America Being Forced Ripened

Because ripened fruit does not ship well, fruit is picked before it is fully ripened. After shipping the fruit is placed in a warehouse, then gassed with chemicals to force it to look ripe.

For example, bananas are picked when green and artificially ripened after shipment by being gassed with ethylene oxide.

Calcium carbide is also used for ripening fruit artificially in some countries. When calcium carbide comes in contact with

Peas, collard greens, turnip greens, sweet potatoes and white potatoes are very cheaply raised foods. The Southern slave masters used them to feed the slaves, and still advise the consumption of them. Most white people of the middle and upper class do not eat this lot of cheap food, which is unfit for human consumption.

No beans did He advise, except the small navy, the small size and not the larger size, the little brown pink ones, and the white ones. This bean He valued to be very high in protein, fats and starches, and it is a safe food for prolonging life. As you will find, most of the Muslims like their bean soup. These beans are dry beans. He said that He could take one of our babies and start him off eating the dry small navy bean soup, and make that child live 240 years. He described no other bean. This dry bean, or pulse, is of ancient origin. It was this bean, according to certain historians, that Daniel preferred for himself and his followers in the prison of Nebuchadnezzar. Do not add rice and meats to these beans, because they contain proteins, fats and starches.

Virtually all fruits are good. We eat apples, oranges, bananas, pears, peaches, tangerines, mangos, plums, grapes (do not eat processed dried grapes, eat natural sun dried grapes), pomegranates, lemons and grapefruit.

Eat whole wheat, but not the whole grain, it is too much for the digestive system. Eat wheat, never white flour, which has been robbed of all its natural vitamins and proteins sold separately as cereals. You know, as well as I that the white race is a commercializ-

moisture, it produces acetylene gas, which is similar in reaction to the so-called natural ripening agent ethylene. Acetylene acts like ethylene and accelerates the ripening process.

Calcium carbide has carcinogenic properties. Industrial-grade calcium carbide also contains traces of arsenic and phosphorus which makes it a human health concern.

The use of this chemical for this purpose is illegal in most countries.

'I have said to eat no peas. At that time, I did not think about what we call sweet peas, which grow into pods. They can be eaten, but not field peas. I had reference to field peas, such as black-eyed peas...'

- How To Eat To Live, Book 1, Chapter 31

ing people and they do not worry about the lives they jeopardize so long as the dollar is safe. You might find yourself eating death, if you follow them.

He flatly forbids us to eat corn bread. The white race, and some African people used to live off corn bread because it is cheaply made. It is not good for human consumption because of its potency which only animals stomachs are able to digest. Positively do not eat corn bread. If you must, or are forced to eat it, he said to cook it two or three times, put it up, sour it with a good yeast, dice onions into it, and let it ferment like wheat bread. After this, cook it two or three times.

Never eat fresh, hot corn muffins, or hot cakes and syrup. When you eat half cooked bread it shortens your life, as all bread will rise again in our stomachs buckling our stomach and intestinal walls.

The more it is cooked, the less this will happen.

Rye bread if it is cooked enough is fine to eat. It is not good for office people, they are not active enough to digest such a bread. It is good for a working man doing manual labor. Office workers should not even eat baked beans, nor beans with rice and meat in them because their jobs do not permit them enough activity to digest such heavy foods.

Take time and prepare your own foods. Do not kill yourselves by running to the store buying processed foods to eat, and never buy those ready made biscuits.

Do not eat the highly rich soy bean, which is a new flour on the market. These beans are for cattle not human beings. The oil from soy beans is not good for our stomachs. Soy bean flour is being mixed with wheat flour by the flour mills. In fact, the Christians

Honorable Elijah Muhammad
MESSENGER OF ALLAH

are experimenting with all foods. They do not care what they eat as long as it does not kill them instantly. Beware!

For good health, we should raise and prepare our own food. As I said in this book, the white race is a commercializing race by nature. It is the almighty dollar they are after, not long life...

Who is that M

By Messenger Elijah Muhammad

Reprinted from Chapter 1 of Message To the Blackman in America

For thousands of years, the people who did not have the Knowledge of the person, or reality of God worshiped their own Ideas of God.

He has been made, like many things, other than what He really is.

The Christians refer to God as a "Mystery" and a "Spirit" and divide Him into thirds. One part they call the Father, another part the Son, and the third part they call the Holy Ghost; which makes the three, one.

This is contrary to both nature and mathematics. The law of mathematics will not allow us to put three into one. Our nature rebels against such a belief of God being a mystery and yet the Father of a son and a Holy Ghost without a wife or without being something In reality.

We wonder how can the son be human, and the father a mystery (unknown), or a spirit?

Who is this Holy Ghost that is classified as being the equal of the father and the son?

The Christians do not believe in God as being a human being, yet they believe in Him as being the Father of all human beings.

They also refer to God as He, Him, Man, King and The Ruler.

They teach that God sees, hears, talks, walks, stands, sits, rides, and flies; that He grieves or sorrows; and that He is interested in the affairs of human beings.

They also teach that once upon a time He made the first man like Himself in the image and likeness of Himself, but yet they believe that He, Himself, is not a man or human.

They preach and prophesy of His coming and that He will be seen on

the Judgment Day but is not man.

They cannot tell us what He looks like, yet man is made like Him and in the image of God, and yet they still say that He is a mystery (unknown).

How can one teach the people to know God if He, himself, does not know God.

If you try teaching the Christians that God is also a human being, they will say that you are crazy, that you do not believe in God and that you are an infidel.

In the meantime, while they admit that He is a Mystery God (unknown), they teach not to make any likeness of Him; yet they adorn their walls and churches with pictures, images and statues like human beings.

Can God be a Mystery God and yet send prophets to represent Himself? Have the prophets been representing a God that is not known (Mystery)?

They tell us that they heard Gods voice speaking to them in their own language. Can a spirit speak a language while being an immaterial something?

If God is not material, what pleasure would He get out of material beings and the material universe?

What is the basis of spirit? Is the spirit independent of material?

Actually, who is that Mystery God? We should take time and study what has and is being taught to us. Study the word and examine it, and if it be the Truth, lay hold to it.

To teach people that God is a Mystery God is to teach them that God is unknown.

There is no truth in such teaching. Can one teach that which he himself does not know?

If one teaches a thing that he himself does not know, he can be charged with lying to the people.

The word "mystery," according to the English dictionaries, is something that has not been or cannot be - something beyond human comprehension.

The unintelligent, or rather ones without divine knowledge, seem to delight themselves in representing the God as something mysterious Unknown.

Such teaching (a mystery God) that God is a mystery makes the prophets' teachings of God all false.

There should be a law made and enforced upon such teachers until they have been removed from the public.

According to Allah, the origin of such teachings as a Mystery God is from the devils!

It was taught to them by their father, Yakub, 6,000 years ago. They know today that God is not a mystery but will not teach it.

He (devil), the god of evil, was made to rule the nations of earth for 6,000 years, and naturally he would

not teach obedience to a God other than himself.

So, a knowledge of the true God of Righteousness was not represented by the devils. The true God was not to be made manifest to the people until the god of evil (devil) has finished or lived out his time, which was allowed to deceive the nations (read These. 2:9-10, Rev. 20:308-10).

The shutting up and loosening of the devil mentioned in Rev. 20:7 could refer to the time between the A.D. 570-1555 when they (John Hawkins) deceived our fathers and brought them into slavery in America, which is nearly 1,000 years that they and Christianity were bottled up in Europe by the spread of Islam and Muhammad (may the peace of Allah be upon him) and his successors.

Their being loose to deceive the nations of the earth would refer to the

time (A.D.1555 to 1955) which they were loose (free) to travel over the earth and deceive the people.

Now their freedom is being interfered with, by the Order and Power of the God of Righteousness through the Nation of Righteousness.

For the past 6,000 years, the prophets have been predicting the coming of God who would be just and righteous. This righteous God would appear at the end of the world (the world of the white race).

Today, the God of Truth and Righteousness is making Himself manifest, that He is not anymore a mystery (unknown), but is known and can be seen and heard the earth over.

This teaching of a mystery God enslaves the minds of the ignorant. My poor people are victims of every robbery. They are so pitifully blind, deaf and dumb that it hurts, but I am going to prove to them that I am with Allah (God) and that Allah is with me, in spite of their ignorance of Allah and myself, whom He has sent. For I am not self-sent and the world shall soon know who it is that has sent me.

Allah (God) loves us, the so-called Negroes (Tribe of Shabazz,) so that He will give lives for our sake today.

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

Fear not, you are no more forsaken. ~~God is in person, and stop looking for a dead Jesus for help, but pray to Him whom Jesus prophesied would come after Him. He who is alive and not a spook.~~

Do you hate me because I represent Allah, the Living God, your Lord and my Lord? Can you, who believe in a mystery God (unknown), trust your Mystery to bring you bread or to defend you against your open enemies? If so, on what occasion did He help you?

If God is a mystery, you are lying to the world when you say that you know Him.

He wants to be known, it is His enemy (the devil) who does not want God to be known to you and me.

Do you refer to God as He, Him! These pronouns refer to a man. Do you say that you want to be like Him. Surely, you don't want to be a spirit without form, as spirits have no material form.

Your God and my God is a material Being-the Supreme of Beings.

Health That Produces the Filth

(7:27)O children of Adam, let not the arch deceiver seduce you. He expelled your parents from the garden, pulling off from them the clothes that he might show them their shame. He surely sees you, and he surely sees his hosts, from whence you see them not. Surely We have made you to be friends of those who believe not.

What happened to the Black People who followed Yakub from Arabia, they were cut off, from their Original Self, the clothes of Righteousness were taken from them to cover their shame; and then made them to go nude in the cave-sides of Europe, until the birth of Moses.

You are warned. You believe you are safe in following the invitation of the white race. Wait and See.

The Disgrace

California Drought In Perspective

By
Minister Wazir Allah

Minister Wazir Allah

UPLAND, Cali--The golden state has been in a drought since 2011, and each consecutive year there has been less rainfall. In certain counties, in the state such as Riverside County, there are fines of \$500 for wasting water. 2015 has begun the 4th year of the drought and everyone is talking about the economic impact. What should be observed is the drought in the light of scriptural fulfillment. Every effect of the drought is the fulfillment of what has been prophesied to destroy the modern day Babylon (U.S.A).

The Honorable Elijah Muhammad stated in 1967 at the annual Savior's Day address that America is going to be in a severe drought. In the Theology of Time lecture series, that the drought will produce a famine in the land. The people will become so hungry and desperate that they will desire to eat one another. California is a state that has about the world's 7th largest economy and produces about 50% of the agricultural products of the United States. So it is easy to see how this situation is a very critical thing to face.

In the bible, Joseph was taken into slavery and falsely imprisoned. Starting at Genesis chapter 39, Joseph spends years in prison and is released because of his ability to interpret dreams. He interpreted the king's dream to be seven years of famine. California is now beginning year

four. In the book of Luke, the prodigal son was forced out of the land of his oppressive masters by a famine. The Messenger warns us of the trying times ahead and what we should do to prepare. The drought of the west will be felt nation wide and will force black people to realize that America has nothing to offer us!!

Every black household should have plenty of water and food stored. Everyone needs enough food and water to last for a few weeks or better. Every able body person in each black home should be trained in CPR and first aide administration. Water should be divided up for three purposes: 1) store water for drinking 2) store water for hygiene 3) store water for sanitation. The drought is only going to get worse. Please invest in supplies to keep your family safe. Study the teachings of the Honorable Elijah Muhammad with your Muslim family at your local temple of Islam. Help yourself survive what's coming. Hear truth and live or hear lies and die!

Messenger Warned of a Great Drought and Great Earthquake

The following words trascribed from audio recording of Messenger Elijah Muhammad

I want you to remember that America is going down. She's falling! She's falling, as the Bible teaches you, to never rise anymore. And she's reaching out for all peaceful people, to carry them down with her. You need to come out of her, as the Bible teaches you, in the Revelation, around the 18th Chapter, I think it is. It says, "Come out of her, my people". You are the people of God. "And be not partakers of her in her plagues". You didn't think any plagues were coming but after this, a great drought is to hit America. And after that, a great earthquake is to hit this country. The Holy Qu'ran says not one city or town shall be left standing. And the Bible teaches you, and that a great earthquake took place. So big of an earthquake that there

never was the like, since the nation had been a nation. This is for Americas. All of these plagues and these Dreadful Judgments that you read of in your Bible, is for America. God told me that HE would destroy her first, because she had did the greatest evil. And in all of her troubles, she don't never be so busy killing people outside, that she won't kill you inside. She kills the "Negro". This is her topic. She kills you with a smile. She goes off laughing while she kills a "Negro" down the street. Shot him to death. My friend, we have a Saviour, today! To save us from this. He has chose me. And I have chose Him. I say. You do like me. He has chose you to sit in heaven. I say. You chose Him to be your God. There is none that can harm you, if He's with you. None!

BEFORE THE FLAG TURNED

By Minister Mahdi Muhammad

“None of Our revelations do We abrogate or cause to be forgotten, but We substitute something better or similar: Knowest thou not that Allah Hath power over all things?” Surah 2: 106

“When We substitute one revelation for another, and Allah knows best what He reveals (in stages), they say, “Thou art but a forger”: but most of them understand not.” Surah 16:101

WASHINGTON D.C.— One of the subtleties that has always offended me in the doctrine of some offshoots from The Nation of Islam is that somehow we are inferior to the old world of Islam.

I would hear or read the tough lectures of hypocrites beating up the east for their rejection of The Honorable Elijah Muhammad’s teachings only to hear them follow it up with an excuse about how we’re getting better, or closer, or we’re graduating to higher levels of understanding i.e. more like them.

This graduation is, in reality, mere regression not a progression. This is what happens when you don’t ‘speak straight talk’ as the Quran prescribes.

Louis Farrakhan has stated that the teachings of Elijah Muhammad needed to be “corrected and made perfect” and he accused the Master of teaching “light mixed with darkness”, this is the definition of hypocrisy. His text was the relationship between the NOI and the Old World of Islam.

My last four articles or so whether directly or indirectly have been addressing weaknesses that are manifesting in our community in some of our ability to defend the HEM.

We have seen a renewed interest in attacking the teachings of the HEM by aiming at our foundation, the Saviour. They have attempted to attack the Messenger through contradictions, or the Saviour’s (alleged) letters to the HEM that are supposed to have spelling errors.

But our Messenger taught us that they can’t ask Muhammad a question that he isn’t well prepared to answer and more importantly every knock is a boost.

Look at the conflict between Us and the Church in the 30s and 40s, and then all of a sudden white Jesus started coming down off of church walls and yes he was replaced by an equally ridiculous black version but we affected the consciousness of black mainstream thought, art, entertainment and most importantly theology.

And like Rev. Wright said if the

slave in the bottom of the boat has the same religion as the slavemaster guiding the boat then the slave has a problem.

So some of us owe the orthodox/Old world of Islam an apology, because this weak, milquetoast posture of bowing to everything Arab and eastern is an abhorrent disservice to our brothers and sisters in the east who could have and would have benefited from those debates.

I listened to a Khutbah given by a white American Imam on the subject “I can’t breathe” in homage, in his mind, to our brother tragically murdered by the NYPD, brother Eric Garner.

However when he quoted the Quran on “black mud fashioned into shape” he went into an explanation of how a scholar hundreds of years ago said that means that Allah took mud from all over the earth to make Adam i.e., white mud, brown mud, until it appeared black. His nature wouldn’t let him just read the Quranic text. A white Imam teaching black people is an anathema!

The Quran says that we don’t replace a teaching unless we do it with one better and it also says that whenever we send a messenger he’s sent with the language that the people speak yet the Qur’an says “We know that they say: ‘It is only a human being who teaches him’, the tongue of the man that they refer to is foreign, while this (Qur’an) is in clear arabic language”.

You see the man with the Quran would speak a different language than the Quran was revealed in.

As the so-called terrorism doctrine infiltrates the eastern mind, we must remember that old Islam has long ago reached its apex and has been in steady doctrinal decline.

And furthermore, since the door of old Islam is still open to the white race, our brothers by faith but not by nature, have had a profound impact on the way Moslems handle oppression and the oppressor. A violent impact as is their nature.

And for the record, well over 90% of all terrorist attacks kill

Muslims not westerners.

The old world is looking for a new direction. A direction that says hadith teaches to wear the best of foreign peoples clothes when in foreign lands so that’s the suit and tie, in America.

There’s nothing in the Quran that mandates a beard. Just let men be men and women be women, and if both sexes

aren’t wearing dresses then there won’t be a problem.

They say Allah isn’t a man but the Qu’ran says that the angels bowed and made obeisance to Adam, Al-khidr killed on behalf of Allah, and Jesus made a bird and brought it to life. So if man can give life, take life and make Angels bow it sure sounds like God to me.

They attack the Master but ask them where did Jabril the Angel go when he left the prophet in person, and where did he come from since he rode a camel. Did he have a family? Did he eat food?

The Qur’an has been attacked by scholars for being grammatically in error then how can you talk about the Savior’s letters?

Here’s the key. Our God grew into His perfection, that’s why we told you he spoke 16 languages and could write ten of them.

There’s more than 16 languages in the world. That’s why we told you when they wanted to make a son (Him) the first child was a girl and the father said ‘I missed’.

You can’t mock us when you see the

humanity of our God because His humanity is OUR teaching!

Before the flag turned and the crescent turned its back to the east and white mankind, the old world of Islam was great help to civilization but maybe the brother in the west on the masthead of the Muhammad Speaks newspaper is not just shaking the eastern brother’s hand but also lifting him up.

So when the world asks where is the ‘modern muslim’, the Nation of Islam in the west raises its hand. Get to your local Temple at once!

WOMAN IN ISLAM

From Muhammad Speaks January 13, 1967

By Mrs. Clara Muhammad

It came to me, as I said my morning prayers, to write these words for our newspaper. I could write a book, but I can not put in words what Allah, through His Messenger, has done for me-praise His holy name forever.

Now I AM asking Allah, through the newspaper of His Messenger to please open the eyes, hearts and ears of our poor blind, deaf, and dumb brothers and sisters here in the wilderness of North America-to the knowledge that Islam is the only way out of this hell. I pray daily for my poor people, and I am sincere, brothers and sisters in trying to help Allah's Messenger in some way.

Allah has asked us, in His holy words, to help solve this problem: I know we can help because he would not have asked this of us if it wasn't possible to do.

Once my family and I were at our lowest ebb-in a bad condition. With five children, there were times when we didn't have a piece of bread in the house, nor heat, water or even sufficient wearing apparel. My husband would walk the streets looking for a job daily but would come home with no job.

I would go out and try to help him, but with five small children, I could not work steadily. However, I was suc-

cessful going door to door, asking for work.

The people would question me, and I would tell them the truth. Some of them did not have any work, but they would give me a little money and some gave me food. This was Allah's work, but I did not know it then. Praise His Holy name forever.

Now we have plenty of food, clothes and all of the necessities of life. We are happy to share it with our brothers and sisters. Sometimes we feed from 35 to 50 people at one time in our home-never without food to spare.

Allah has blessed us and thousands of others. But we want every one of the 22 million of us to get their blessings. Then we all will be happy. And there will not be a place on our planet Earth for anyone but those believers.

The Messenger has labored hard for 35 years, trying to open our blind eyes. He does not want a single person destroyed with the wicked. Neither do we, his followers. We all love you.

I have been following him every since he accepted Islam, and I will follow him as long as I live, if it pleases Almighty God, Allah. Praise His holy name forever.

Open up your hearts and minds, and get behind the Honorable Elijah Muhammad, the Messenger of Allah, and Allah will bless you.

Dress, Right DRESS

By Sister Zakiyah Karim

DETROIT-Most so-called "religious" people, whether Muslim, Christian or other, consider themselves "Soldiers" in the "Army of the Lord" a spiritual army.

Muslim followers of Messenger Elijah Muhammad's teaching take that position VERY SERIOUSLY!

We distinguish ourselves from other "soldiers" by our uniform or dress.

Every army has a uniform to identify themselves. The devil has an army too. And the devil's "soldiers" wear a very distinct uniform to identify themselves.

Religion is no more than the way we choose to live our life. It makes no difference what we SAY is our religion. What we DO, how we act, proves what our religion REALLY is.

And we naturally gravitate toward the uniform (DRESS) of "God" we serve.

If we serve a righteous God our uniform will be righteous. If we serve the God of evil (The Devil) our uniform is likely to show it.

Of course the dress does not guarantee that the wearer is genuine, but it is a start.

Anyone can put on the uniform and not really be a true representative of that uniform.

The uniform can be used as a costume. Police, fireman, and nurse uniforms are sold as costumes all the time for people who want to PRETEND.

But when we want to BE FOR REAL, we wear the kind of dress that represents who we are.

I love being identified as a follower of Messenger Elijah Muhammad's Teachings.

The Messenger gave us a specific kind garment to wear. Not just to be modest. But to fully identify who we are.

Police officers in different cities have different uniforms. This helps to identify the exact

the location the police officer represents. Detroit police don't wear the uniform of Chicago police, though both wear police uniforms. If you saw a Detroit police officer in Chicago's uniform, wouldn't it confuse you into thinking the Detroit police officer was a Chicago police officer?

While I think that Eastern Muslim Sister's hijab is very beautiful, I prefer the head coverings that identify me as a Muslim follower of Messenger Elijah Muhammad's teaching. That is my personal choice.

When we look in the mirror, we should see the person that we are striving to be.

I am striving to be a follower of Messenger Elijah Muhammad's Teachings.

The Messenger warned us, "If you are not satisfied with the styles I give you then I am not satisfied with you being my follower"

Whatever God (religion or way of life) you soldier for, let your (uniform) garment represent that. If you say you are a soldier for the righteous God, DRESS RIGHT!

I'll close this article with more words of Messenger Elijah Muhammad, "American designers and manufacturers dress the woman up in about one third of a dress and turn her out partially nude before the public. You would not expect to witness this in a country that preaches Christ Jesus and has churches dotting here and there throughout the land.

“Islam is Mathematics and Mathematics is Islam”

by Maulud Sadiq Allah

Denver, COLORADO--“Islam is Mathematics and Mathematics is Islam” This is what we’ve been taught. And, while often we go with the simple definition that it means that a thing can be proven, weighed & calculated logically...and that’s Islam. That’s true.

But what makes this statement so profound is that if one were to interview a cross-section of Black people - from drug dealer to diplomat, most would profess (almost proudly, in many instances) that they don’t know or aren’t good at Math.

“My uncle cannot talk his own language.”

Having introduced Math to the world, isn’t it quite fascinating that even now in all of our “free-ness,” so few of us take on Math as a main subject of study?

I was blessed to have had the opportunity to attend Clark Atlanta University when one of the preeminent Mathematicians in the world - a man responsible for 80% of all Black Mathematicians - held a chair position there.

His name is Dr. Abdulim Abdullah Shabazz - formerly Dr. Lonnie Shabazz, Minister of Mosque #4 prior to 1975.

I often went in His office (he had an open door policy) and asked Him random questions about Math - all centered around the same theme: What can you use this math for?

He told me that (and I’m paraphrasing) we have been reduced to a people who see a problem and can’t figure out which tool to use to fix it. Math, he would say, provides that solution.

It would go over my head but I enjoyed talking with him and he enjoyed answering questions - a true teacher.

In retrospect, Math provides solutions to all problems - resonates with me.

Of course, in the literal sense, all modern life is essentially run, as I often state, by algorithms - with the “best” algorithm giving google the advantage it has over all search engines.

But if Mathematics is Islam, then the formula should tell us that Islam is the answer to all of our problems....

“Did I hear you say that some of the seventeen million do not know they are muslims?” I would argue (and a list of questions would verify) - most of us (self included) are unable to solve, step by step,

Math problems beyond the most basic of Algebra.

I would also argue that many of us don’t care to learn any more than that, as we function day to day without ever having to do more than mere subtraction and addition...if that. (I’m sure studies would find that most people in modern society can go months without ever using any math)...

Yet there are people who dedicate their lives to solving problems as complex as Hilbert’s Problems - a group of 23 “unsolved” problems.

Most have been, but Mathematicians still work day and night to find NEW ways to solve these 112 year old problems. Why? “Then what happened?”

Despite being told that said above quote for nearly 82 years now, how many of us can say we are truly proficient in either Math or Islam?

If Herbert Berg were to pull one of us aside and attempt to have a conversation about how the Honorable Elijah Muhammad practiced the

Sunnah, how would that conversation go?

Do we know what the Sunnah is? Who Herbert Berg is? Is Arabic - what we are taught is our Original Language - even a priority?

“Well, They wanted to go to their own country but they could not swim 9,000 miles.”

Wherein I could use any of the thousands of statements given by the Honorable Elijah Muhammad stating that Master Fard Muhammad came to make us the Best and that we would be a Model for the world.

Surely in our present state - with a fear of math and so-called “orthodox” Islam, we can never rise to that state.

How are we going to go to our “own country,” and all we speak is English, know little Islam, and can’t use Mathematics to solve the problems of infrastructure (and corruption) that plague most of the post-colonial world?

These are just questions - but All Praise is Due to Allah there are simple answers to them provided by Our Lord. Peace.

Black Teens at Predominantly White High School Reveal Feelings of Inferiority, Isolation

Bethesda-Chevy Chase High School, in Maryland, is a top-performing school.

Apart from the school’s academic excellence, it’s racially diverse and believed to be friendly to students of all races.

While that is the portrayal of the school from the outside looking in, some Black students opened up and made a video highlighting how racism affects them within the school.

The video, “I, Too, Am B-CC,” was inspired by “I, Too, Am Harvard,” another video that revealed the ills of racism at Harvard University.

The B-CC students’ recording draws attention to the kind of racial slurs directed at Black kids by their White counterparts. Most of the students narrated how they are often made to feel like they don’t belong and don’t deserve to be there.

Makdes Hailu, the student who came up with the idea of creating the video, says that when she earned a spot in the school’s academic excellence team, some White students felt it wasn’t out of merit, but more for racial inclusion.

Sisan Dorsu - Student at B-C-C.

“At that moment, I just remember feeling so hurt,” Makdes said in the video. “For the rest of the year and throughout the team, I just felt like everyone was looking at me like, oh, I was that Black girl who made the team because she was Black and not because of merit.”

Another student, Sisan Dorsu, says her B-CC experience made

her feel inferior, compelling her to “act White.”

“Growing up, I felt like I have had to look like the White man, dress like the White man, talk like the White man in order to be seen as being on the same level with the other white kids,” Dorsu (pictured) says in tears. “Now, I’m in a situation where I really don’t know, like, what am I?”

Dress Right Dress

Continued from page 19

most truly righteous people in the country.”

All night long their voices are heard on the air preaching Jesus Christ, the prophet who lived two thousand years ago. He is dead and cannot hear the prayers of anyone, not even his own. The Christian preachers try to fool you by telling you that if you pray to the prophet Jesus that he will hear you. This is false. He cannot hear you. If it were true, why cannot they get him to hear them when they call for peace anywhere?

Their doctrine is used to deceive the Black man, so that he will stay on his knees praying to something from which he will never get an answer. He will never get any answer from a dead prophet.

What kind of little girl can we expect from a mother who is walking around one-half naked and is displaying herself to

the world, dressed in such a dress that no animal would wear? There is more shyness displayed in animals than there is in the so-called Christian American dressed in a mini-dress.

The Black woman should be too proud of herself to disgrace herself in the same manner as her white slave-mistress. The Black man should be sent to prison for being such a fool as to allow his wife and daughter to go out and show their nude selves to the public.

Nudity originated from the white race. Now they want to say to the world that “I am the guide.” The guide to what?

The Holy Qur’an says that they lead you to nothing but filth and evil. The Bible is referring to the people of America when it is referring to the people of Sodom and Gomorrah. Allah (God) destroyed them when he saw that it was good to do so. (Gen. 19:13). As it was with Sodom and Gomorrah, so it will be with America.

Do Not Gossip, it leads to self-destruction

By
Brother Mutakabbir Ali

NEW JERSEY--In the name of Allah, the Beneficent, the Merciful

As Salaam Alaikum (Peace be upon you)

Let us thank Allah, in the person of Master Fard Muhammad, for His mercy in raising up His Last and greatest Messenger the Hon. Elijah Muhammad, peace and blessings of Allah forever be upon him.

Our beloved Messenger, the Hon. Elijah Muhammad teaches, that gossip was taught by Mr. Yakub to the devils before they left the island of Pelan or Patmos in your Bible. "... That--- when you go back to the holy black nation, rent a room in their homes. Teach your wives to go out the next morning around the neighborhood of the people, and tell that you heard her talking about them last night.

When you have gotten them fighting and killing each other, then ask them to let you help settle their disputes, and restore peace among them. If they agree, then you will be able to rule them both. " This method the white race practices on the black nation, the world over." (Message to the black man in America)

The majority of television talk shows is centered around gossip. Gossip is not just some silly, idle talk around the water cooler. As a matter of fact, it has been the most destructive force amongst friends, families and relationships.

Gossip has even gone so far, as to be the cause of murder in some cases.

I'm reminded of a saying that starts like this: " Everybody's business, is nobody's business."

And looking at the facts, nobody would like anyone to say something other than good, to another about oneself, am I right?

It's not necessary to think someone has something to hide. It's a person's right to reveal whatever or whenever they feel comfortable enough to share. But, it's never anyone's right, to share someone's business unless permission was given or there's a circumstance requiring that; and in that, it's executed with tact,

Gossip, rumors, backbiting, slander, are all in the category of defamation of character and woe to those who purposely indulge in this kind of behavior.

The followers of Allah's last and greatest Messenger are not allowed to be tale-carriers, We're not of those who go across the street, just to tell what's going on, on the other side of the street.

We respect the laws of our God and Saviour whose proper name is Allah.

Notice how we are counseled in

these words: "O you who believe, let not people laugh at people, perchance they may be better than they. Nor let women laugh at women, perchance they may be better than they. Neither find fault with your own people, nor call one another by nick-names. Evil is a bad name after faith; and whoso turns not, these it is that are the iniquitous."

The Holy Quran continues: "O you who believe, avoid most of suspicion, for surely suspicion in some cases is a sin; and spy not nor let some of you backbite others. Does one of you like to eat the flesh of his dead brother? You abhor it! And keep your duty to Allah, surely Allah is oft-returning to mercy, Merciful."

This kind of knowledge ensures peace of mind, as it helps to keep one away from evil or negative talk. I remember when my seniors use to say, " If you don't have anything good to say, then don't say anything at all." (This was the

Brother Mutakabbir Ali

law.... The code of conduct back in the day).

Now most of the television shows or conversations are about, "he said, she said", creating confusion and causing untold chaos in the lives of many.

James, in the Bible, gives a beautiful account when he wrote: "If anyone among you thinks he is religious, and does not bridle his tongue but deceives his own heart, this one's religion is useless."

From James, we've learned the importance of bridling or controlling the tongue, as it can lead one astray from the path of Allah who came in the person of Master Fard Muhammad.

Gossip or gossiping leads to self destruction of character, which downgrades your morals that

The Muslim Daily Prayer Book Is Compiled Under the Guidance of the Most Honorable Elijah Muhammad May Allah's Peace and Blessing Be Upon Him

Sister Anna M. Ali

The Most Honorable Elijah Muhammad has stated on page (2) of The Muslim Prayer Book, may Allah's peace and blessing be upon him, Quote: . . . Here my beloved people who **Believe**, is The Book of Muslim Daily Prayers I had promised sometime ago to make available to you. Page (7)

Object of Muslim's Prayer

The Object of Muslim's prayer is the purification of heart, which is necessary for spiritual advancement.

To Order, Please call (Sister Anna M Ali)

(601) 751-0920 • Thank You

In the Name of Allah, who came in the Person of Master Fard Muhammad, to whom Praises are due forever; and His last and greatest messenger the Most Honorable Elijah Muhammad peace be upon him.

As-Salaamu ' Alaikum. Muslim Daily Prayer book by the Honorable Elijah explains how we must pray daily five prayers. Object of Muslim's prayer is the purification of heart, which is necessary for spiritual advancement. Benefit of Prayer, Allah promises many blessings to you if you turn to him in prayer.

Nations are no doubt destroyed when they indulge in evil inordinately, and they prosper only so long as their good qualities preponderate.

Each prayer consists of two parts: one is obligatory (called in Arabic *Fard*), the other traditional (called in Arabic *Sunnah*); and each comprised a different number of "steps", known as *rak'ahs*. Description of a "step" (*rak'ahs*) consists of the standing, bending, rising, and prostrating positions. After every two "steps" (*rak'ahs*) there is a sitting position. These are the Muslim Daily Prayers Allah gave to his messenger for the believers to pray daily all found in the Muslim Daily Prayer book by the Honorable Elijah Muhammad. The Supreme Wisdom Volume Two states the following (page 54) THE FAITHFUL'S MARK. To be truthful with you, God has said to me he will not accept any white people in his Kingdom. A special Mark will distinguish the righteous from the devils, and it will be in their foreheads caused by prostrating. The Muslims prostrate in their prayers on rough floors or rugs, which produce a mark on their forehead. (Some of my followers have such a sign now, produced by the five-prayers-a-day obligation). The righteous are always marked by his righteousness, as the wicked is marked by his or her wicked acts.

They are actually marked by nature and are recognized by both parties. Prayer from Holy Qur'an Maulana Muhammad Ali Translation chapter 2:125: And we made the House a resort for men and a place for security. And Take ye the Place of Abraham for a place of prayer. And we enjoined Abraham and Ishmael, saying: Purify my House for those who abide (in it) for devotion and those who bow down (and) those who prostrate themselves. Chapter 7:206, Surely those who are with thy Lord are not too proud to serve Him, and they glorify Him and prostrate themselves before Him. Chapter 20:132: And enjoin prayer on thy people, and steadily adhere to it. We ask not of thee a sustenance. We provide for thee... And the (good) end is for guarding against evil. Chapter 9:112. They who turn (to Allah), who serve (Him), who praise (Him), who fast, who bow down, who prostrate themselves, who enjoin what is good and forbid what is evil and who keep the limits of Allah-and give good news to the believers. Chapter 9:18: Only he can maintain the mosques of Allah who believes in Allah and the Last Day, and keeps up prayer and pays the poor-rate and fears none but Allah. So these it is who may be of the guided ones.

Al-Jumu'ah, The Congregation, Friday Prayer, chapter 62:9: O you who believe, when the call is sounded for prayer on Friday, hasten to the remembrance of Allah and leave off traffic, that is better for you, if you know. Also found in Muslim Daily Prayer by most Honorable Elijah Muhammad. May the peace and blessings forever be upon His messenger.

A Big Mistake Raising Children is Not Talking about Sex

By Sister Shahrazad Ali

Excerpts Reprinted from the Book, 'Things Your Parents Should Have Told You'

We have lived to realize that you were over exposed to white females as the standard of beauty from movies and magazines. But what we didn't realize is that these images were not the only thing you learned from the visual media. You have had year after year of watching movies and television shows where every kind of evil and wrong doing was committed.

You learned how to lie, steal, cheat, sneak, rebel against authority, practice adultery, handle weapons and kill - and how to break the rules of civilization. You watched and heard every storyline about how to do these vicious acts and how to possibly get away with it.

This was your training about how to get along with others in life. These visual examples set the tone for the malpractice of your morality regarding human life.

These programs were home-study hypnosis for you because for many decades we let television be your sole babysitter and company, and you watched for thousands of hours. If we had only knew...

You have made sex the major attraction at your...functions.

You do this because you are drunk on sex and the sexual innuendo of movies, TV and magazines.

In American society everything culminates in some kind of sex.

Everything is shown to relate to sex. Sex is used to advertise everything.

The white businesses use sex to advertised every product and ignore the fact that everyone sees these ads - little children and the elderly.

So from a very early age we allowed you to be programmed with sexy ideas and sexy hints and sexy themes.

We didn't know it would influence you to become sexual addicts or become totally focused on sex as a stimulus needed to do everything.

One of our biggest mistakes in raising you was our being unaware of the repeated bombardment of sex in your day to day existence.

As a result of this sexual overdose, sex has lost much of the joy and satisfaction it was designed for.

Sex has been reduced to a first kiss to you. You have brought new meaning to the "one nite stand" idea because you are recognized to have sex immediately with anyone you even remotely like.

You have not been taught sexual

patience or how to select a sexual partner carefully based on a relationship, a relationship plan or physical safety.

We did not show you the correct moral leadership and allowed the liberal sexual attitudes of white people to influence and guide your sexual development.

You do not trust your mates around others, including your friends because you know that anything can happen - sexually-between them because any sexual whim you have, you feel must be instantly gratified.

The girls are so willing and available that it has taken any idea of qualification out of the equation.

We should have told you how temporary and destructive rampant and reckless sexual expression can be. Sexual liberation is not multiple partners...

...We should have told you what we know about sex and how it can become addictive and the driving force in your life.

We should have told you how being too sexually active with too many people can destroy your life and the lives of others.

We should have told you that sex is not just a form of recreation to be participated in randomly.

We didn't have AIDS to deal with but as soon as we found out about it, we should have brought you in on the discussion. The education system's solution is to give you condoms - because they know that you have been raised in a society where sex is the main activity of the day...

It seems to be of little affect to try to teach you against having pre-mature sex if we/adults are not going to change your environment - what you are exposed to.

We seemingly have no control over what you see. But we should have told you how to have control over yourself by teaching you about the dangers of advertisement designed to program you into focusing only on sex while ignoring other important areas of your development.

We didn't teach you self control, we only taught you about the systems around you designed to control you if you got out of order with the law.

We don't teach you the changes your bodies will go through as you mature and what to expect. The women don't tell the girls and the men don't tell the boys.

By leaving this segment of life up to you to investigate on your own, we hampered your developmental knowledge about human sexuality.

Would You Have Respect For God?

NEW JERSEY—In the Name of Allah, The Beneficent, The Merciful, Who came in the Person of Master Fard Muhammad. We forever give Thanks and Praise to Allah for raising in our midst, a Divine Leader, Teacher and Perfect Guide in the Person of the Most Honorable Elijah Muhammad.

As I go about my daily work of trying to deliver the 40 million mentally dead to the Lamb of God, the Honorable Elijah Muhammad (HEM), I am always trying to think of new ways to entice the curiosity of the black people that I encounter who are still intelligent enough to seek knowledge.

Just as any F.O.I. this brings me into debate after debate to prove the validity of our claim that the HEM is the last and greatest messenger of ALLAH (God). We should be clear here that the word messenger and the word prophet in many languages are interchangeable. However, the HEM said to us that the word prophet does not fit when it comes to his teaching because he said, and I quote (Prophets predict the coming of GOD, I am here to tell you of the presence of God in a man.)

The great beauty of the teaching of the HEM is that when you have a good heart, and earnestly study his teaching, ALLAH (God) brings you into the deeper understanding of why one of the favorite quotes of the HEM is (Islam is mathematics and mathematics is Islam) because everything begins to add up.

Islam as taught by the HEM allows you to see the mathematics in all aspects of life including religious theology which, as I said in the beginning of this article still entices the curiosity of intelligent black people.

WHY DID GOD SEND THE PROPHETS?

If we study the three great monotheistic religions of the world, Islam, Christianity and Judaism the catalyst for sending the prophets who became the progenitors of these religions was in each case the condition of the people to whom they were sent.

According to the Bible, the children of Israel were brought into bondage in a land styled under the name Egypt.

There they were made to serve hard task masters that afflicted them for four hundred years. After that time, and many prayers from those who were being afflicted, Allah (God) judged that nation and sent Moses to free the children of Israel and bring them out of Egypt with a new religion other than the one practiced by Pharaoh. Thus we have the religion of Judaism.

If we study the Bible further we find that the Jews had corrupted what Moses left and were being persecuted by King Herod which facilitated the coming of Jesus and the advent of the Christian religion.

Prophet Muhammad of Arabia was sent to a people who were not necessarily being afflicted, but had fell far into paganism and the filth thereof. The Arab people who have been entrusted with the 1st known house of worship, the Kaaba, that was built by Abraham with, according to the Jews his son Isaac, and according to the Arab Muslims his 1st born son by Hagar, Ishmael had adopted paganism in all aspects of their lives and had turn the Kaaba into a shrine filled with 360 Idols, one for every day of the week. (the HEM however, taught us that both Ishmael and Isaac helped him build this great house dedicated to the worship of the one God Allah).

As we research the histories of these religions, Biblically as well as socially, we find that all three of them became corrupt, falling away from the original teaching and guidelines left by the Prophets. Significant corruption in these religions caused each one to predict the return of a man like unto the original prophet himself.

A man of great power. A man filled with knowledge, wisdom and understanding. A man who would condemn the wicked and reprove the prophets.

The Jews say that in the end (of the Devils time to rule) a man like Moses will return who will be called the Messiah, ending their nomadic status in the land by granting them the promise homeland. This is why there is controversy concerning the state of Israel. some Jews say its is the fulfillment of the promise, while others contend that it is an outgrowth of Zionism which is not true Judaism. Regardless of philosophy, I would like to know which of those credited with the founding of the State of Israel, David Ben-Gurion or Theodor Herzl, was the Messiah.

The Christians teach that Jesus himself will return after having spent the last two thousand years at the right hand of God waiting for God to make his enemies his footstool.

Orthodox Muslims believe that one coming out of the family of Prophet Muhammad (PBUH) whose name will be Mahdi will come and he will be the restorer of the kingdom of Islam.

Now, if these prophecies are correct, and I believe they are, are we looking for three men to come or one great man who will bring the truth of all reli-

gions bringing about submission to the will of the one true God.

This brings us back to our title question in its totality...

WOULD YOU HAVE RESPECT FOR GOD IF HE DID NOT SEND THE LAST ONE TO US; THE SO-CALLED NEGRO

In the previous paragraphs of this article we examine the history of religion and the circumstances which cause Allah (God) to send the prophets. When we look at the history of the black man and woman in America, not only do we fit the criteria to receive the blessing of Allah (God) in a messenger, but our condition duplicates the circumstances of every Prophet in the Bible and the Holy Qur'an to its zenith.

Never has there been a people on Earth in the terrible condition of the Black people of America. We have suffered every atrocity worse than the Holy Qur'an or Bible can describe. Did the Biblical children of Israel experience the slavery, suffering and death to a greater degree than us. Were they stripped of everything they once were as a people and reduced to the lowest form of humanity. Were they forced not to learn the rudiments of civilization under penalty of death. We don't have in the Bible or the Holy Qur'an where there were woman raped unmercifully and even the slave masters own seed sold off like chattel. The Bible or Qur'an does not speak of a people who were packed in the holes of slave ships where the majority of them died before reaching their destination, and this for 310 years.

Jesus of two thousand years ago is credited with healing the blind, deaf and dumb and those having all manner of disease, but for many of those he healed the disease was seen overtaking them again, which led Jesus to ask the question, "how do you cure a reprobate mind" What people in history are more in need of mental healing than the so-called Negro. To live in the mist of such wealth as in America and have nothing, and be completely dependent upon another people for everything even though we have been considered free for over 100 years has to be the height of mental disease, blindness, deafness and dumbness.

The level of pagan devil worship we practice in America would make Prophet Muhammad run for the hills never to return. Our love for the evil of this world is so intense we run from truth to waddle in it. The slightest observation of our behavior will manifest that we have invented a few idols the Arab people prior to the advent of the Holy Prophet never thought of.

Minister Keith X

As a Blackman from America I must question God, looking at the condition we are in, where is our Moses, where is our Jesus or don't we count.

Since we are more in need of a messiah or a Mahdi than any other people I must also question the readers of this article again

WOULD YOU HAVE RESPECT FOR GOD IF HE DID NOT SEND THAT LAST ONE TO US.

I certainly would not and I would never worship a God like that.

Now that I hope I have made you think I have a wonderful an-

nouncement to make. That Allah is a just God, that He heard your prayers and looked at your condition, and He didn't send a Prophet, but chose to come Himself and find one amongst us that He (Allah) poured His knowledge, wisdom and understanding into, and set him before the world as His last and greatest Messenger, the one that all of the prophets wanted to see. The Honorable Elijah Muhammad is that one. If we study his teaching and work amongst us, we will find in him the solution to the world's problems.

Thank you for reading this article. As-Salaam-Alaikum.

Black Preachers want to know when the downward spiral of the Church will End

TEXAS—Reverend Randy Vaughn, the pastor of Mt. Sinai Baptist Church, along with 150 other black pastors, stood in protest against the Churches acceptance of homosexuality.

From March 15 to the 18th, these pastors protested the invitation by The American Baptist College to allow an open lesbian, who is so-called "married" to another woman, to speak at a lecture there.

Spoken like a Muslim follower of Messenger Elijah Muhammad's Teachings, Reverend Vaughn said, "We do not wear our sin as a badge and parade it," said Vaughn. "When will the downward spiral end?"

According to Vaughn, the more the church is willing to accept those who are living a gay lifestyle, the more that it will "damage the family unit."

Dwight McKissick, another protesting pastor from Arlington, TX, said, "We believe the Bible and its teachings. We believe homosexuality — as a matter of fact all the Bible talks about as sin — is sin."

"We don't feel you have the right to live any way and be respected in the congregation of our faith," he said. "There is nothing holy about lesbianism as

Reverend Randy Vaughn

there is nothing holy about heterosexual adultery."

"It is certainly high time that the largest organized body of Black Christians anywhere in the world take a definitive, official stand on this subject," McKissick said.

This brings to mind the words Messenger Elijah Muhammad spoke in 1959, which appear in the first chapter of his book THE FALL OF AMERICA.

Please turn to page 26 and read what God's Messenger to the Black man and woman in America said on this subject.

Christianity has failed you!

By Messenger Elijah Muhammad

Excerpt from Chapter 1 of Fall of America

"My people, I am here to fulfill a promise made long ago. I am here to bring you the truth. I am here with a solution to the problems of the so-called Negro and his white slave masters. You are seeking something. You are seeking an answer to your four hundred year old problem of slavery, servitude and fifth-class citizenship.

I am here with the solution to that problem. How good it is, then, for Black brothers of like minds and similar burdens to get together for a spiritual feast. For more than four hundred years your pleas for justice, freedom, equality, a decent place in the sun have reverberated like thunderclaps sounding in the dark valleys of Lebanon. Yet there has been no answer.

Never in the history of human evil have so many asked for a just pittance, so loud, so long and received in return so little, if anything at all.

THE CHURCH HAS FAILED YOU. CHRISTIANITY HAS FAILED YOU. THE GOVERNMENT OF AMERICA HAS FAILED YOU. You have not received justice from any quarter. As prophesied, you, my fellow Black men, are as sheep among wolves and as is to be expected, every wolf is taking a bite at you.

You approach the Senate, the House, the White House, and you ask for justice. You get injustice. All our prayers have come to naught because we have proceeded out of ignorance.

We have not known the true God. We have not known who are our brothers. We have not known who are our enemies. We have not known who is God; nor have we known who is the devil.

In a nutshell, we have not known the truth about God, the devil and until that truth is made plain to us, our prayers for justice will forever go unanswered. We will be the subject of scorn and laughter.

BY NOW IT SHOULD BE EVER SO CLEAR THAT POLITICS WILL NO MORE SOLVE OUR PROBLEM THAN IT DID THE DIFFICULTIES FACING ISRAEL DURING HER BONDAGE IN EGYPT.

We have come to the brink of extinction. We must now and here make an agonizing reappraisal of our way of life if we care anything for ourselves, our lives, our people, our race, the future of our properties, wives and children.

Justice is a common thing. Yet, it is elusive. Men have sought its meaning and substance since time began.

Plato shrugged that justice was nothing more than the wish of the strongest members of society. Jesus equated justice with brotherhood. Shakespeare saw it as a matter of mercy.

I AM HERE TO TELL YOU THAT JUSTICE IS THE EVENTUAL WORKING OUT OF THE WILL OF GOD as indicated in the fundamental principles of truth.

Justice is the antithesis of wrong, the weapon God will use to bring judgment upon the world, the purpose and consummation of His coming.

Although we are the chosen of God, when it comes to justice, the so-called American Negroes are the most deprived people on the planet earth. Had justice prevailed, there would be no need for a day of judgment to come today to plead, not to the unjust judges of the world, but to the just judge to give the Black man of America justice. That just judge is Allah, God.

WE HAVE COME TO THE

END OF THE DAYS OF THE UNJUST JUDGES. EVEN THOUGH IT MAY OFFEND SOME, YOU MUST KNOW THE TRUTH OF IT ALL. THE TRUTH HURTS THE GUILTY. According to the sayings of Jesus, the truth will make us free.

The imperative need is for a clear cut definition of that truth that will make us free.

WE MUST DISTINGUISH BETWEEN THE TRUTH AND THE FALSE SO-CALLED TRUTHS THAT HAVE BEEN HANDED DOWN TO US FROM GENERATION BY OUR SLAVE MASTERS.

We have been falsely taught that the truth was the matter of Jesus' birth and death. It has been taught, and this is also false, that the truth is the revelation of Christianity. Neither of these is the truth. Neither of these will make you free.

THE TRUTH TO FREEDOM IS THE KNOWLEDGE OF GOD AND THE DEVIL, TRUTH OF YOURSELVES, OTHERS AND THE REAL RELIGION OF GOD.

How mistaken you are to assume that Jesus was the final word of truth. Jesus Himself admitted He could not tell it all. Yet He promised that God would send one who

would not only reveal the ultimate truth but Who would reveal it to the people lying in the mud of ignorance and shame.

We, the fools of the world, would be the first to know that truth, not the wise of this world.

This is not cause for offense: for when God said He would reveal his truth to the fools of the world, it was a blessing, not an insult to us.

After all, this names us His chosen people.

Thus it is that the problem of the Black man in America has set off an era of troubling throughout the world.

UNTIL YOUR PROBLEM IS SOLVED THERE WILL NOT BE PEACE FOR ANYONE.

Today, then, is a new day dawning in a new world; for the old day and the old world have passed away.

The new day, the new world, if you please, cannot come into full meaning until justice comes to our people.

THE BURDEN IS NOT OUR OPPRESSOR'S ALONE. MUCH OF IT IS UPON US. THE TIME HAS COME WHEN WE MUST SPEAK OR DIE.

Our leaders, or so-called leaders, are choked by fear. Such a leader is not worth the salt that leavens his bread.

This fear is the root of their failure to tell you the truth. Now this truth must come out.

You have misunderstood the Bible.

Christianity is a white man's religion and it contains no salvation for the Black man.

For this very reason, the prayers of your preachers to the government, the Father, the Son and the Holy Ghost have fallen on deaf ears.

NOW, I ASK YOU, WHAT GOOD IS CHRISTIANITY TO YOU AND TO ME IF THAT RELIGION AND THE GOD OF THAT RELIGION WILL NOT DEFEND US AGAINST LYNCHING AND RAPE?

Indeed, we would be fools to believe and trust such a religion and such a God knowing that He bestows all His blessings upon our enemy.

We are taught to look forward to a salvation that does not exist.

Christianity offers you salvation after death. You must go down into the earth and rot.

That kind of salvation I don't want. I will not give you two cents for it.

Any man that will work hard all his life praying to God to take and give him a home beyond the grave is a fool.

I am sorry if you think ill of me,

but the truth is all I am going to speak.

THE BLACK MAN IN AMERICA IS IN A TERRIBLE CONDITION. HE IS EMASCULATED, BLINDED, CONFUSED, AND WANDERING ABOUT AT HIGH NOON ON JUDGMENT DAY.

If judgment day were not here, instead of some remote hour to come, I would not be bringing you this message at this hour!

Elijah is here because the day of judgment is here!

What a sorry spectacle we make before God and the nations of the world! Here we are, upwards of twenty million Black Americans who have given their blood, sweat, and service for four hundred years in the vain hope that one day justice would be ours.

When the bugle call of war sounded, the Black soldier stood erect. The plains of Europe, Asia, Africa and America have been fertilized by his blood. Yet the government of the nation, for which he fought and in whose cause he died, allows his sons to be lynched and then adds salt to the wound by concealing the identity of the lynchers.

More, the government seeks out the lynchers and then turns them over to their fellowmen who share the lynchers' cause and motives.

Our daughters and wives are lynched before our eyes. The government will not put a stop to it. They will allow the lynchers to lynch you and me if we are charged with an attempt to rape one of them.

The lynchers live right next door, down the street, up the alley. Yet, they are not brought to justice.

All of this grief you and I must suffer. All these burdens, we must bear.

It is beyond comprehension that the American government, mistress of the seas, lord of the air, conqueror of outer space, squire of the land and prowler of the deep bottoms of the oceans, is unable to defend us from assault, rape and murder on the streets of these concrete jungles.

What sane man can deny that it is now time that you and I take counsel among ourselves to the end of finding justice for ourselves...

Our sons and daughters are lynched, kicked, beaten, hung up in the sun, drowned in the river, in ponds and lakes.

Their bodies are found in the street, on the highway, in the bushes -- killed by the very people for whom they have slaved

their lives out to give comfort.

WHEN YOU STAND UP AND SPEAK A WORD IN BEHALF OF YOUR OWN PEOPLE, YOU ARE CLASSIFIED AS A TROUBLEMAKER, you are classified as a Communist, as a race hater and everything but good.

How can you as a people ever be anything if you are going to crush out your leaders who try to seek justice for you even at the cost of their own lives?

I, Elijah Muhammad, am classified as a race hater. What race? What teaching am I uttering that you can classify as race hatred?

HOW CAN THE DEVIL SAY LITTLE ELIJAH MUHAMMAD IS TEACHING RACE HATRED IN THE FACE OF OVER FOUR HUNDRED YEARS OF HIS HATRED OF YOU AND ME!

If God has revealed to me the truth of this race of people and yourself, and I tell you of it, and that is the truth, then don't say that I am teaching race hatred. Just say I teach the truth.

There is only one thing that I am teaching today that is hatred. That is the truth of the devil. That truth I did not know. Only God knows the truth of the devil. He has revealed it to me.

If that is not the truth, let the devil attack God. It is just that the truth has come to you, people without the knowledge of the truth, the deceived, and misled by a wise, wicked scientist. I am here with the truth from God Almighty, and for that truth I will give my life. I will not hide that truth to the inducement of falsehood. I won't mix it up with falsehood.

I say to you, my beloved brothers and sisters of injustice, if you will only reflect on what is said from the mouth of Elijah, you will not take it for insult. You will not take him for a race hater. You will take him for a beloved brother, a beloved teacher and a beloved defender of yourself. I am not before you of myself. I have not been sent of myself. My mission is not for me, nor is my mission from the devil. I have been Sent by Almighty God, Allah.

It is a very strong and powerful mission that will bring a turning point in the history of the world at large, the Black man in particular.

The truth will make you free. What is that truth that will free us? You say, "We are already free. Abraham Lincoln freed us." That is not the kind of freedom of which I speak. Abraham Lincoln was not instrumental in trying to free you. Remember that! Abraham Lincoln wanted a United States of America. They didn't

want two presidents. They didn't want two governments ruling America. They wanted only one government with one president for all. It was not that they were so full of love for the so-called Negroes, that he wanted to free them from the hands of his brother. But this was a good weapon to bring his brother into submission to his idea of a United States and one President of that United States. So, therefore you were just lucky that you got freed from servitude and slavery at that time. Otherwise, you would probably still been in servitude and slavery today...Mr. Lincoln was not your brother. He was not your friend anymore than George Washington.

Now we are one hundred years up from slavery. Many of you feel proud that you have been schooled. You have a few diplomas and degrees. You can do little things educationally, but that does not get you justice in America. You still suffer injustice with an armful of diplomas and degrees from colleges and universities. Is that right?

If that is not right, I am willing that you shoot me down, cut me down, anyway you please to get rid of me, if I am not right. If I am right, be aware! What we want today is justice. We want the truth. The truth has come to you. You are not accepting it. Think it over!

leads into darkness.

I thank you for reading these few words as I like to close with a prayer from the Messenger the Hon. Elijah Muhammad: "Thanks, thanks to Allah, our God, in the person of Master Fard Muhammad, The Great Mahdi, who was to come and has come, to restore--- we, who were lost from our Own - the Kingdom of Islam—and to destroy those who have destroyed us. Thou art our God, O Allah, and we are Thy people. Deliver us from our murderers, and we will serve and obey Thee all the days of our life and we will teach our children Thy Praises and to submit to Thee for Thy Unequaled Love and Mercy for us. And thanks to You, O Allah, for making manifest our enemy (the devil), and help us, O Allah to die the death of a Muslim."

This prayer can be found in Message To the Blackman in America; the Messenger used it in his closing reply to Mr. J.B. Stoner, the Arch Leader and Imperial wizard of the Ku Klux Klan.

As Salaam Alaikum

The Messenger of Allah Presents

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the whited and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.

2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.

3. We want equality of opportunity. We want equal membership in society with the best in civilized society.

4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and mineral rich. **We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.**

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression. These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.

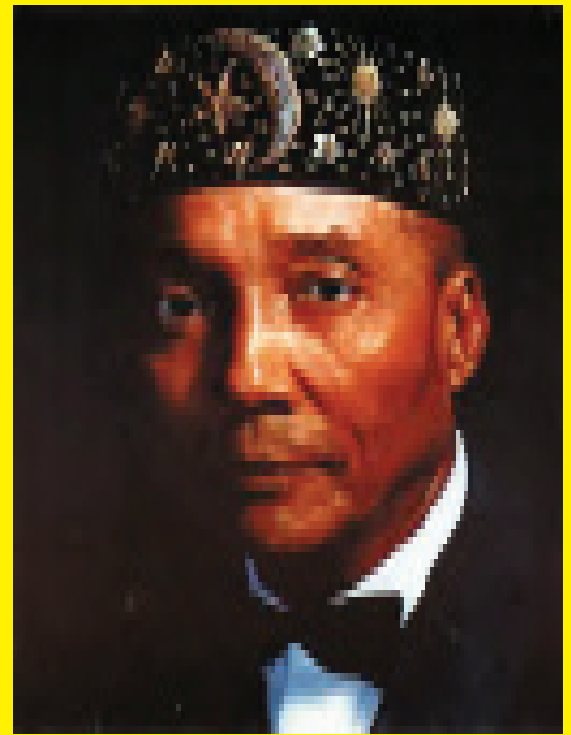

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans.

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

We believe the black men should be freed in name as well as in fact. By this we mean that he should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.

12. **WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims. We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.**
