Black man who survived lynching after being shot 28 times by 4 white police needs our help

By
Sister Zakiyah Karim

The Chicago Police have a long history of police brutality against Black men. We will NEVER FORGET the smiling faces of these four devil (white) police officers as they carried the dead body of Brother Fred Hampton Sr. (Black Panther) December 4, 1969 after they lynched him in the middle

of the night, shooting him while he was asleep in bed with his pregnant wife.

More recently (last year) four more of Chicago's devil (white) 10th District police officers; Officer Timothy P. Finley, Officer Nick A. Olsen, Officer Eric B. White, and Officer John E. Wrigley, received the Law Enforcement Medal of Honor from the state of Illinois after they gunned down an innocent Black man, Mr. Howard Morgan, about a block away from his home.

Rarely do you hear of a man being shot 28 times — and survive, but Mr. Morgan lived to tell us about it.

Mr. Morgan, who, himself, had served eight years as a Chicago Police Officer, and had moved on to work as a detective for the railroad, said that on February 21, 2005 around 12:45 AM the four white officers in two police cars who pulled him over, jumped out of their cars with their guns drawn.

“So being a police officer for 22 years, automatically, I exposed my

hands so they wouldn't think that I was a threat”, Mr. Morgan said.

“I identified myself as a police officer, but they snatched me out of the vehicle...and forced me to the street. At that point two other officers came up behind me and one hit me on the left side of my head with a weapon, and bust my eardrum. They pushed me to the ground and started shooting me.”

Mr. Morgan said, “one officer testified in court that he shot me

And still holding on to his identification and knowing he was a 14-year veteran officer with the Burlington Northern Santa Fe Railroad, The Chicago police stood in front of news cameras and said that “the suspect” was “impersonating an officer”.

Why? Mr. Morgan explained, “They didn't think I was going to live. They didn't want it to be known that they had shot and actually killed an officer who had served 22 years in Law Enforcement, had No record. And had over 25 accommodations on his job.”

And what was Mr. Morgan “suspected” of?

The police claimed Mr. Morgan fired 17 rounds at the officers with a semiautomatic pistol after they stopped him for driving without any headlights on.

These trumped up charges bring to mind the same old tactic that five other rouge (Cook County) cops used before the same old judge a few years back.

In June 1999, a young Black couple--Dominique Mapp and Cory Simmons--were in a car that crossed paths with a vehicle carrying five liquored-up sheriffs. All the cops were white. They had been drinking, first at a cocktail fund-raiser for Cook County Sheriff Michael Sheahan and then at a bar.

The five sheriffs reportedly harassed the couple immediately. One officer threw a beer can at

The girl later said she had not been raped. John Cameron (age 16) would have been the third brother lynched, but he was spared, when the girl's uncle intervened.

Cory Simmons. The sheriffs, in their vehicle, chased the couple's car. And shot out the rear window of the couple's automobile.

Simmons desperately drove through the South Chicago suburbs trying to lose the drunken cops. Miss Mapp testified that she crouched on the floor of the car in shock and panic, shouting, “They're going to kill us!”

Bullets just missed their heads as the couple drove to a police station in Robbins, Ill., a southwestern suburb of Chicago.

The sheriffs were not charged un-

til October 1999. The trial was not held until 2002.

Sgt. Thomas Lanigan and Officer Anthony Bohling were charged with attempted murder, aggravated discharge of a weapon and official misconduct. Officers Andrew Remus, Daniel Troike and Robert Jones were charged with official misconduct and obstruction of justice.

The last charge was because they initially lied about firing a weapon and covered up for Lanigan, who did the shooting. Lanigan was later forced to admit that he fired bullets. But he concocted a story that the couple fired at him.

Lanigan had four guns in his car. The other sheriffs were armed as well. Police found no evidence that

The Wisdom of the Ages

By Brother John 9X

In the name of Allah who came in the person of Master Fard Muhammad. We can never thank Him enough for raising up from among us the Honorable Elijah Muhammad, the Last and Greatest Messenger of Allah.

As-Salaam-Alaikum, Brothers and Sisters.

I hope everyone is well and that you are still on Allah's straight path.

The picture, below, is actually a sculpture called "The Wisdom of

Before we answer what would qualify as that wisdom, let us consider a different situation.

The fountain of youth was a place where an old man could take a dip and when he emerged from it he would be young and strong. It was a place that these devil explorers spent a lot of time looking for but never found. It's a place which we are looking for today.

How's that? You might ask.

We're a pill popping society. We take a pill for this a pill for that.

This ginseng pill helps with our memory. This anti-aging pills helps fight off wrinkles. This

wisdom of the ages would answer would be how to extend our lives.

Doctors do not know the wisdom of the ages because they "kick the bucket" at the same rate that the rest of us do.

What doctors can do is to identify problems and then profit from them.

All the technology is just a magic show designed so they can charge us and gouge us to maintain a lavish lifestyle.

They can't even cure a pimple on our face never mind something serious.

If we could get rid of our wrinkles, improve our memory, maintain and strengthen our virility, we would have taken a dip in the fountain of youth because we would be young and strong.

But the way we're trying to do it with these pills, vitamins, and dietary supplements is like the mythical fountain of youth. It's a mirage.

So where does that leave us? What is the wisdom of the ages and how can we use it to extend and prolong our lives?

The wisdom of the ages, Brothers and Sisters, are the Teachings of our Messenger, The Honorable Elijah Muhammad.

They are timeless. They are irrefutable and they are divine because they come from God Himself.

Not from some spook God! Not from some Mystery God! But from Allah who came in the person of Master Fard Muhammad. The one true living God for the Black man and woman here in the wilderness of North America.

We can use this knowledge to solve our problems. So what can we do to extend our lives?

We can follow the words of our Messenger in How to Eat to Live. Eating the proper foods at the proper time is key. Because with the proper foods come all the

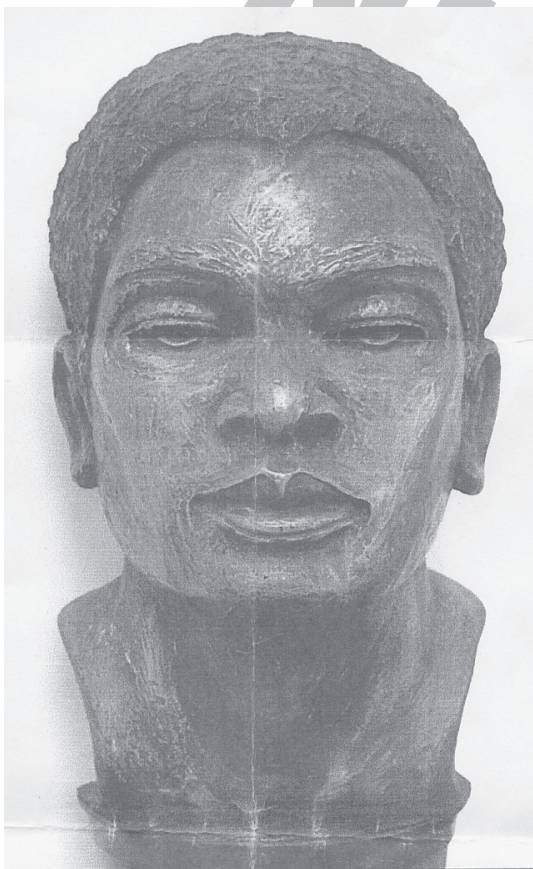

Brother John 9x

vitamins and minerals that we need.

And how did the Messenger feel about vitamin pills? He said that they are unsafe. He warned against taking them.

By getting as close as you can to the Messenger you can really find peace. You can really be as content as the Brother in the sculpture because you know you, too, possess the "wisdom of the ages".

the Ages". Check out the brother! He looks very content.

I think one might feel that way if he or she was in possession of such wisdom.

But what would qualify as the wisdom of the ages?

It would have to be knowledge that is timeless. Knowledge that is irrefutable. Information which could be used in many different situations to solve our problems. Knowledge that we could use to guide us and to predict the future.

vitamin C pill fights off colds. This Zinc pill and Vitamin E pill helps maintain virility.

Doctors reinforce this because instead of curing us they just pump us full of pills to keep us going.

Pills to keep our blood pressure down. Pills to regulate our blood sugar. Pills to keep our hearts pumping right.

Are doctors in possession of the wisdom of the ages?

If they had it, one thing you would notice would be that doctors would live a lot longer than others because one thing the

Stay out of the white man's Hospitals

Sloppy handwriting is the cause of 7,000 patient deaths each year, while preventable medication mistakes hurt 1.5 million patients. Every year 7.5 million unnecessary medical and surgical procedures are performed. At least 106,000 people die every year from adverse drug reactions.

While only about 6% of all adverse drug reactions are properly identified. Most side effects instead are mistaken for new disease symptoms, leading to further drugging and unnecessary medical procedures, increasing the risk of death even further.

Most of these deaths are from EXPECTED adverse reactions, because they are an extension of the drugs' action. The death rate for people between the ages of 45 and 64, who took their prescription drugs correctly, rose 90% in just 5 years.

Messenger Elijah Muhammad taught us that Fasting is the greatest cure of our ills. And that what we eat keeps us here and what we eat takes us away. Get the books, How To Eat To Live, book 1 and 2. Read how to stay alive and healthy in this time where the The American Medical System is the Num-

ber One Killer in the United States.

Researchers at Thomas Jefferson University Hospital in Philadelphia compared pathology data of Black to white women diagnosed with breast cancer between 1995 and 2002 and found that Black women, are less likely than white women to get breast cancer, but they are more likely to die from it.

A report published in The journal Cancer (August, 2007) concluded that "the factors that prevent black women from receiving the same quality of care as white women may be exacerbated by the more complex treatment regimens used for more advanced breast cancer."

In other words white women are receiving better care in the hospital for breast cancer than black women are.

What Black women need to know is that staying away from foods like meat, processed foods, fast foods and fried food and eating more FRESH foods like Broccoli, Apples, Cauliflower, Cabbage, Navy Beans, Tomatoes, and Beets, helps protect us from cancer.

According to the American Cancer Society (ACS), having more

children and breastfeeding longer lowers risk of breast cancer.

The ACS warns that women who take birth control pills and women who use Hormone replacement therapy (estrogen or progestin) have increased their risk for getting breast cancer.

As of 2001, Pfizer (a drug maker) was and still is the number one most profitable company of all the Fortune 500 companies.

Remember this: "Modern medicine is no more about health" It is a for-profit disease industry that can only survive if millions of people get sick and stay that way.

Time Manifests Truth

Judge of us, whether we do good or bad.

Messenger Elijah Muhammad said time brings about manifestation. And that His followers would be tested to see which ones would deviate from that which was given to him from the True and the Living God, Who came in the Person of Master Fard Muhammad.

The Truth, taught by Messenger Elijah Muhammad is the only thing that is going to stand today. Messenger Elijah Muhammad taught us that it is God, Allah, Master Fard Muhammad, that makes manifest what is in our hearts and minds.

When we say we believe in the teachings of Messenger Elijah Muhammad, as brother and sister believers, we must do and stand on that, which Messenger Elijah Muhammad has taught us.

When we say that we judge a man according to his works, that is the only thing, in reality, that we can judge him by. When we say one thing and do another, the Truth of our character is made manifest.

Sometimes we can misjudge or be misjudged by the making of mistakes because we all make them. But Time manifests if we are

truly doing wrong unintentionally or whether we are doing wrong intentionally. Allah knows our intentions.

Whatever there is in the heart, Allah will bring it out of us. Even in our dealings with one another, our heart must be right. We must be sincere, truthful, faithful, and loyal to one another -- The Brotherhood, loyal to Messenger Elijah Muhammad (peace be upon him) and to Allah. If not, Allah (God) Master Fard Muhammad makes us manifest when trying to pull a fast one (put one over).

Allah, Who Came in the Person of Master Fard Muhammad, to Whom praises are due forever, makes the hypocrites tell and bear witness against their own selves. Allah blinds them. Then He let's the Believers see them for what they really are.

Messenger Elijah Muhammad said Master Fard Muhammad takes control of their mind and makes them (hypocrites) bear witness

against themselves. When that smart crooked deceiver tries to put one over, Allah, God Master Fard Muhammad, makes them manifest to the ones that they thought they had put one over on. We see them for what they are.

Whether we are strong, firm stubborn, jealous, envious, weak or anything else; all will be brought out of us. Time makes manifest what is in us. Messenger Elijah Muhammad (peace be upon him) taught us that we are living in the Last Days. We must remember that we are being tested to see who would deviate from Messenger Elijah Muhammad's Teaching.

Messenger Elijah Muhammad taught us that hypocrites are liars. When people are out to deceive you as to who they really are or, the WAY they really are, They pretend to be someone else.

Many times, Allah will open the eyes of ONE person and show HIM the Truth of the hypocrite or the deceiver, while everyone else around him, sees only what the deceiver WANTS them to see. As a result, if the person whose eyes have been open tries to warn the

others of the deceiver, those around him might tend to look at the warner as being an attacker or slanderer or just a bad person.

Allah, God, Master Fard Muhammad opened Messenger Elijah Muhammad's eyes to the fact that the white man is the devil. When the Messenger began to teach that the white man is the devil, many black people, who love the devil, didn't like the Messenger teaching about the white man.

Some, today, don't like to hear the Truth about the white man. And they hate the Messenger for teaching it. And also his followers who continue to teach that the white man is the devil.

Time continues to make manifest who all of us really are; and WHAT we REALLY think and believe.

We shouldn't become dismayed when we tell the Truth but are not believed or called an attacker or slanderer.

We should keep our trust in Allah, know that what Messenger Elijah Muhammad said is true and stand firm on that; Time brings about manifestation.

DETROIT, Mich.--In the Name of Allah, Who came in the Person of Master Fard Muhammad, To Whom all praises are due forever, The True and the Living God.

I thank Him for His Last Messenger, The Honorable Elijah Muhammad (peace be upon him). The Honorable Elijah Muhammad taught us that we are living in the Last Days (Judgment) and that our very own actions would be the

WOMAN IN ISLAM

My Prayer, My Sacrifice, My Life and My Death are all for Allah

By Sister Sophia Muhammad

MASSACHUETTES--In the name of Allah who came in the Person of Master Fard Muhammad. I bear witness there is no God but He, and the Most Honorable Elijah Muhammad is His last and greatest Messenger.

I greet you in the Nation's greeting words of peace, As-Salaam-Alaikum.

"My Prayer, My Sacrifice, My Life and My Death are all for Allah"

As Muslim followers of the Most Honorable Elijah Muhammad, we say the above words at least once as a part of our daily prayers.

What does it mean to us when we say these words? Have they just become vain repetition with no meaning?

In Message to the Blackman, chapter 67, the Messenger explains further the meaning of this very important oath that we make every single day to our Lord:

"The Prayer is one of the greatest prayers that we can pray..."

...But we must remember we are taking an oath in this prayer, that we will not accept any god but Allah, in the words:

'My prayers, my sacrifice, my life and death are all for Allah.'

We live for Allah; we die for Allah; we sacrifice all we have and our lives for Allah and His cause."

The Messenger goes on to say ***"This will be held against us on the day we shall meet Allah, who turn back on your heels and you who become hypocrites..."***

Do we understand the meaning of this oath? Can we be expected to keep our word to the little brother and sister we see everyday, if we can't even keep our word to Almighty God, Allah?

We have become repeaters of words, who only do things because someone else is doing it without the real and true understanding of what we are doing.

Do we truly understand what it means when we say our word is our bond and our bond is our life and we will give our life before our word fails?

We cannot be true Muslims if we do not keep our word.

So how many of us live and sacrifice everything we have, and will even put down our lives, for Allah?

As a solid community we can do anything in unity

Or do we think that this oath is no longer necessary now that the Messenger is no longer present among us.

We come up with some of the silliest reasons sometimes to get out of doing our duty to ourselves and our community.

As long as we are Muslims, we are bound by this oath, that we renew each and every day! We are not properly relieved from our post until we are 6 feet underground.

I was recently admonished for writing about certain subjects pertaining to the History of the Nation of Islam.

I was told, that I would anger people by telling the truth about the history of people such as Malcolm X or Louis Farrakhan.

I was told people love these men and it doesn't matter if it's the truth or not, they will try and hurt me because of their love for these men and their wanting to cover the truth.

I quietly listened and while I appreciate the care and thoughtfulness of the person, my inner consciousness could not agree with what I was being told.

I prayed on it and while I was praying I received my answer: "My prayer, my sacrifice, my life and my death are all for Allah, the Lord of the Worlds."

I understand that I am a sister and I do have to be careful. The more the Brothers stand up and fight the less the sisters will have to.

I have the utmost love and respect for the FOI who are actually out there living what they believe and working for a better today for his Black Nation.

I have all the love and respect in the world for you. All praise is due to Allah!

The Nation's history has been grossly distorted. The Messenger's name is being dragged through the mud, now by every Tom, Dick and Harry.

Our community is in shambles (both the Muslim Community and the Greater Black Community) and all we want to do is just remain quiet and pretend all of this is not happening because we are afraid of losing our lives if we speak out and act like we are Muslims who love and believe in the Message given to us by God Himself, through His wonderful and most humble Messenger.

We don't have to do anything but work. What are we afraid of?

Are we afraid that we'll actually accomplish something and that the pressure to keep accomplishing will be on our shoulders?

Are we afraid to carry such a weight because our beloved Messenger is not here with us? What's the problem?

Have we become so yellow-bellied that fear for our lives overpowers the need for standing up and speaking the truth?

So what else will we fail to do because we have become so cowardly?

SISTER SOPHIA MUHAMMAD

Co-founder of the Award-winning website (www.noiwc.org)

ardly?

We can not realize our true greatness if we constantly live in fear of losing our lives for speaking the truth.

Are we really happy living in a world that's contrary to that which we believe and content not seeing some sort of heaven for ourselves? Do we truly believe that Master Fard Muhammad is the Supreme Being, and that we will be protected if we live our lives in obedience to Him?

We should be proud to sacrifice our lives fighting for Islam.

It is understandable why we are

divided because we have lived amongst the devil for so long.

It's hard to shake his world, his way of thinking, his way of behaving and love for his way of life.

Many of us don't realize that the biggest fight is the fight within ourselves.

Chaos and disunity is the result of us losing that fight within ourselves.

We know even if we lose our lives during this fight, it was well worth it because of the final outcome. Let us remember our National Song. This is our purpose.

Our National Song

We are fighting for our Nation, and we will surely win.
With our Saviour, Allah, The Universal King.
We are united with our Nation and called by His Name.
So let us rise ye Muslims. Fight for your own.

CHORUS

Fight O ye Muslims. Fight for your own.
Fight for your Nation, and we will all be Free.
Fight for your Nation. Fight for your own.

Freedom, Justice and Equality. We now must have.
400 years a slave for the devil. Lost from our own.
So let us rise ye Muslims. Fight for your own.

CHORUS

Fight O ye Muslims. Fight for your own.
Fight for your Nation, and we will all be Free.
Fight for your Nation. Fight for your own.

The Earth belongs to the Righteous. Fight for your own.

Allah gives to you and I for a National:
The Sun, Moon and Star.

The best of His creation, He has given to you.
So let us rise ye Muslims. Fight for your own.

CHORUS

Fight O ye Muslims. Fight for your own.
Fight for your Nation, and we will all be Free.

Reckless News Reporting Works Against Citizens Identifying Perpetrators

By
Sister Shahrazad Ali

PHILADELPHIA, Penn.--Without exaggeration, practically every citizen in Philadelphia, Detroit, Atlanta, and other urban cities are aware of the rampant crime and murder rate problem. We routinely hear our Mayor, District Attorney, and Police Commissioners express frustration about citizens not coming forth to identify the perpetrators they witness committing these heinous acts.

This problem of crime nullification; when bystanders refuse to tell, better known on the streets as "Stop Snitchin," is blamed as the number one reason why police can't catch and convict the hoards of criminals

who unleash violence against the general society at large.

It seems none of us are exempt, and if killed by a random gunshot while we stand at the bus stop or sit on the couch in our living room; the best explanation the authorities have to offer is that "we were in the wrong place at the wrong time."

People living outside of certain areas don't understand criminal intimidation that terrorizes communities and threatens its' inhabitants with violent retribution if they identify lawbreakers.

These are the bullies who put out the instruction: "Stop Snitchin." Still, our neighborhoods are not filled with houses full of whimpering cowards, but they're not filled with blind fools either.

Regrettably our gut reaction to tell is overpowered by the fact that we will not be protected by the police – or anyone else – after our admission.

Our citizens know that the courts want to solve crimes – career advancement often depends on it.

Yet, we are not willing to risk our lives; our family, or daily security; when police, newspapers, television and radio broadcast agencies recklessly report our names and plaster our faces across every media.

The employees of these companies should be fired or fined for unethical behavior for violating the safety of citizens who bravely step forward to identify the guilty. Public exposure of witnesses undermines the entire justice system.

It is no longer acceptable to grieving families that their loved ones were just "in the wrong place at the wrong time."

So far, according to the statistics, anyplace inside America is "the wrong place."

The holistic approach suggested by many Police Chiefs is a good idea if we could all understand that people do not change by force. People change by taking on a new idea.

There are several groups trying to accomplish this. But so far, their impact is minimal, and the "Don't Snitch" and "Stop Snitchin" prevails.

Our Police departments and media agencies need to rethink how they report and publicize the faces of witnesses.

Sister Shahrazad Ali

At what point does the protection of a witness outweigh the desire to be the "first" to reveal every aspect of a murder case involving a dangerous criminal?

This is why conviction rates are low. And as long as the so-called public "right to know" is at the top of the so-called crime fighter's "priority list," at-risk citizens will continue to "see no evil, speak no evil and hear no evil."

Are Black Girls Worthless?

By
Sister Pia' Angela Shabazz

Sister Pia' Angela Shabazz

Cincinnati, Ohio--In the name of Allah, who came in the person of Master Fard Muhammad. We thank him for raising the Hon. Elijah Muhammad as our Messenger to teach us how to be men and women. As-salaam alaikum.

What is the value of black girls today? Do we view them as precious gifts or worthless, meaningless beings?

I don't want the politically correct answer, but the REAL answer.

The truth is that in today's society, black girls are valueless.

If they weren't, we would do more to protect them, nurture them, and raise them correctly.

The Messenger of Allah teaches us that: "...*We study poisons and chemicals of the earth and we pour these chemicals on the enemies of our crops to keep their enemies from destroying them. We love a crop that we can produce every year, every season, so well that we will kill every enemy that we find seeking to destroy it. We will even kill one another if we find the other one out there trying to steal that crop. Is not your woman more valuable than that crop of corn, that crop of cotton, that crop of cabbage, potatoes, beans, tomatoes? How much more valuable is your woman than these crops that you should keep the enemies from destroying the crops. Yet you are not careful about your women. You don't love them. Why? It is because you have allowed visitors to run in and out of your house, thus they have destroyed your love for your woman and your woman has not the love for you that she should.*"

The Messenger goes on to say, "That is a good sign. Until we learn to love and protect our woman, we will never be a fit and recognized people on the earth."

Unfortunately, we haven't listened. Today it seems that the darker the hue of skin, the less we cherish our girls.

That is one reason why we can still support a music artist accused of taking advantage of an obviously troubled teenaged black girl, with a clear conscious.

More than 5 years later there still has been no justice. If it had been a white child many of us would be infuriated and exclaim, "It's such a shame!"

Because it is a black girl we assume that she had it coming.

We assume that she was just going to grow up to be a sex-crazed black woman anyway, just like the ones we see in music videos. And we continue to buy his music.

Other black artists continue to collaborate with him for financial benefit. Still even more black musicians depict us as low down harlots. What a sad, pathetic condition we are in.

How did this happen? How did we come to view ourselves in this light?

You can see our doom approaching when we begin to believe that the future mothers of our people are destined to be nothing more than whores and prostitutes.

What does our future hold when it's okay for the devil to refer to us as "napp-headed hoes"?

What does it mean for our future when our own men continually do so?

What happens when you honestly accept this suggestion as true?

Women need to see brothers paying attention to the modest, feminine sisters.

If you persist to glorify the aggressive, ghetto, vulgar and obnoxious characteristics found in

the worst of us that is what we will strive for.

We need YOU to step up and do something to help change OUR condition.

It is easy to see how we could develop such a nonchalant attitude about our girls when we have

Continued on page 25

Be careful how you list names on your cell phone!

There is story circulating on the internet that one lady has changed her habit of how she lists her names on her mobile phone after her handbag was stolen. Her handbag Credit card, purse...etc.... was stolen.

Twenty minutes later when she called her Husband, from a pay phone telling him what had happened, hubby says "I've Just received your text asking about our Pin number and I've replied a little while ago."

When they rushed down to the bank, the bank staff told them all the money was already withdrawn. The pickpocket had actually used the stolen hand phone to text "hubby" in the contact list and got hold of the pin number.

Within 20 minutes he had withdrawn all the money from the bank account.

Moral of the lesson: Do not disclose the relationship between you and the people in your contact list.

Avoid using names like Home, Honey, Hubby, sweetheart, Dad, Mom etc..... And very importantly, when sensitive info is being asked through texts, CONFIRM by calling back.

Also, when you're being texted by friends or family to meet them somewhere, be sure to call back to confirm that the message came from them. If you don't reach them, be very careful about going places to meet "family and friends" who text you.

'African American' agendas fall short in meeting the Black man's needs

By Minister Hector Muhammad

LOUISVILLE, Kentucky--With the high ratings and rankings of Senator Barack Obama (D-IL) in the current presidential race, this prospect has given so-called African American organizations such as the NAACP and National Urban League the hope that there is a possibility of a Black presidency.

Sen. Obama has even gone so far as to arrive late at certain forums and open up saying, 'I am late, am I Black enough for you.'

With the dwindling popularity of the Republican Party, and the record amount of money being raised by the Democratic candidates, the prospect of at least a Democratic presidency seems very likely.

With this in mind, these so-called African American organizations have taken the initiative to lay forth agendas that they hope will be instituted in the next presidential administration.

The National Urban League, now directed by former New Orleans Mayor Marc Morial, has issued forth an agenda entitled, 'The Opportunity Compact'. Tavis Smiley's State of the Black Union organization has set forth an agenda entitled, 'The Covenant with Black America.'

The "Opportunity Compact" states that it is the responsibility of the government to provide quality education, good paying jobs, the ability to buy good homes, and to spur economic growth in the Black community.

This is the same government who denied 854 million dollars in foreign aide to the victims of Hurricane Katrina and who has yet to send 1 billion in reconstruction efforts allocated by Pres. Bush verbally.

This is the same government that stood by and allowed the reversal of the Brown vs. Board of Education ruling by eliminating busing laws that evenly distributed Black students across schools within their district.

Marc Morial claims that the National Urban League is an organization that walks the walk, but boasts that \$20 million of subgrants allocated to their 82 of-

fices was used primarily to give our people the opportunity to get a GED so that they may be employed. Yet, in their own publication entitled 'State of Black America 2007' it cites that the unemployment rates for the Black male remains at 34.4%, which is below its value at the start of the economic recovery in November, 2001.

It also concludes that the contributing factors to the high and persistent rates of Black joblessness is poor preparation for participation in the mainstream labor force, a loss of jobs in low-skilled, relatively well paying industries like manufacturing and construction jobs, disproportionately high rates of incarceration accompanied by employment discrimination against former prisoners, and continued discrimination in a variety of markets: labor, housing and credit.

Yet, their solution is for its members to hope for greater coordination between policy makers and analysts. They hope that Black people will be more engaged with the Regional Federal Reserve Banks by telling them that they need to allocate public funds for 'African American Specific Economic Forecasts'.

Marc Morial states in his Opportunity Compact that 90% of Black businesses have only one employee who 85-90% of the time is the proprietor. Yet, his solution to business growth is for more government procurement towards Black businesses. All of these objectives is based on hoping that the government saves the day!

The Most Hon. Elijah Muhammad teaches us that the so-called African American actually believes that they have the same right as American citizens to go any place in white America they please and be accepted or allowed to enter into white society on an equal basis with the white man.

He further goes on to explain that if we understand that which are seeking to be accepted into and if we understood the nature of those whom we are seeking to integrate with we would, instead, be seek-

ing our own people's society or building one of our own, on some land or territory separate from the American whites.

In Tavis Smiley's 'The Covenant with Black America' he brings six core values to be issued to the platform of the current Presidential candidates that cover the areas of 'Health care and well-being, education, criminal justice, police accountability, affordable neighborhoods, voting, rural development, economic prosperity, environmental justice, and digital divide.' Tavis Smiley claims that this covenant is in action all over the country. Under the core value of 'health care and well-being'.

Dr. David Satcher, Interim President of Morehouse' School of Medicine writes that if racial disparities were removed from the health care industry, there would be 85,000 fewer Black deaths per year in America.

These deaths consist of 24,000 attributed to cardiovascular disease, 4,700 in infant deaths, 22,000 to diabetes, and 2,000 to breast cancer. His solution and the one accepted by "the Covenant with Black America" is the advo-

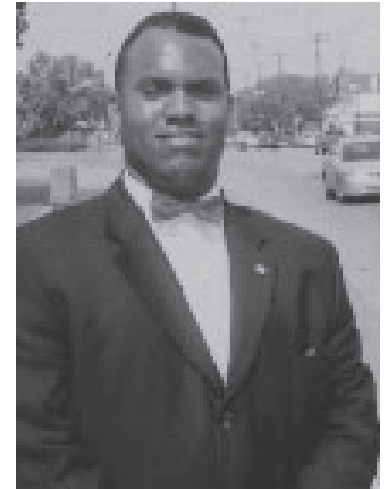

cating of system changes that include universal health insurance, guaranteed primary medical homes, proportionate representation in health professions, bias-free interventions, nonviolent and exercise-friendly neighborhoods, nutritious food outlets, educational equality, career opportunities, parity in income and wealth, home ownership, and hope.

Under the Core Value of the Criminal Justice system, Associate Director of the ACLU in Northern California, '...about one in every 265 whites is incarcerated in local, state, or federal prison.

By contrast, of the 36 million African Americans in this nation, almost one million of them are in prison; that is about one in every 36 black people who is behind bars somewhere in America.

African Americans represent 44 percent of all incarcerated people in state and federal prison cells, yet account for only 12 percent of the American population.'

Mrs. Harris also goes on to say that something is clearly wrong when the government's most effective affirmative action program is the preference people of

Minister Hector Muhammad

color receive when entering not college, but the criminal justice system.

The Most Hon. Elijah Muhammad teaches us that when you learn that the white man is not your brother, you will readily begin to see and accept the Divine Plan that Allah has in working for our people.

The Messenger of Allah further asks us the question. Who has been our aggressors and murderers ever since we have been in America? Who, by nature, was made quick to shed our blood. They are heartless, merciless, when it comes to

We've been lied to by a man whose works we think are glorious

By Brother Jamaica Muhammad

SACRAMENTO, Cali--In the name of Allah, The Most Merciful, The Most Kind.

I bear witness that Allah is one and He appeared in the person of Master Fard Muhammad.

And Master Fard Muhammad taught the Most Honorable Elijah Muhammad.

I greet you in the loving words of peace, As Salaam Alaikum.

I was listening to a lecture entitled "Has Farrakhan changed Directions".

In the beginning of the interview The Minister was asked if whites would ever be able to join the Nation, and The Minister replied by saying, "Yes, yes... Some of my Brothers may be shocked but I have to tell the truth when asked..."

As a student to the knowledge of self, God and the Devil, I was baffled by The Minister's answer, which posed many questions for myself:

1. Are The Minister's teachings

Elijah Muhammad had taught.

As Jesus said in the Bible, "Study diligently to Self Approve".

I begin making calls to mosques all over the country even Mosque Maryum.

The person who answered the phone at Mosque Maryum could not answer a question as simple as "Is the white man the devil?", but only replied that I should buy a cd, dvd, or a book from the Final Call that could help me.

I also questioned why Sister Clara Muhammad isn't recognized? Why is Farrakhan being exalted to divinity? And why is less and less being taught of The Honorable Elijah Muhammad and Master Fard Muhammad?

Many questions, which I had for years, I held in my heart, out of faith that The Minister was truly leading the Nation in the right direction..But there were blatant contradictions to the true teach-

'Many questions, which I had for years, I held in my heart, out of faith that The Minister was truly leading the Nation in the right direction..But there were blatant contradictions to the true teachings of The Most Honorable Elijah Muhammad in the Minister's Teachings...'

--Words of Brother Jamaica Muhammad

or real explanation.

This lie is still being taught to the believers.

We were like Christians, waiting for Jesus to return.

After studying from the Muhammad Speaks Website and other websites, talking to other believers around the country and hearing and seeing proof that Minister Farrakhan had changed directions from Messenger Elijah Muhammad's Teachings, there was no way that I could continue to support Minister Farrakhan.

Minister Farrakhan said, "If I deviate from the truth, you deviate from me"

But it's hard to accept the fact

but I was relieved to find that there are true followers of The Most Honorable Elijah Muhammad, that are studying and teaching the people the true teachings of the Most Honorable Elijah Muhammad, and now, by Allah's permission, I've been given the opportunity to join those who teach.

Not to become famous, or divine. Not to become a political leader, or self important, but to give to people The Message of Love, and the Beauty of True Islam.

Since I found the truth I want to help spread the truth like it once was when the Messenger was here.

By Allah's permission I want to help rebuild the Nation of Islam to the status it once held when the Messenger (peace and blessings be upon him) was amongst us.

Our people are in a terrible condition. The devil has used us as tools and fools for too long. Our so-called leaders lack the strength and courage to lead the people and in all essence they have lost themselves.

These so-called Negro leaders sell out our people at every given chance and our people continue to suffer.

Our people want truth, but don't trust Islam, due to hypocritical liars who present themselves as a voice of Islam.

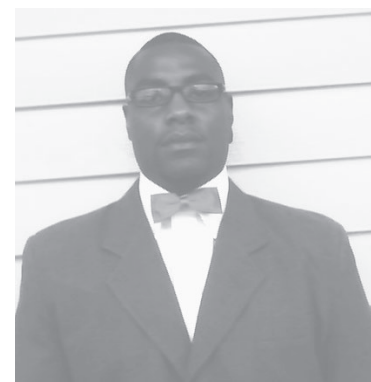

We must reverse this outlook of Islam. The Nation of Islam is our only lifeline, not Islam taught by a so-called orthodox Muslim but the true teachings of The Most Honorable Elijah Muhammad.

As believers we must work harder than we ever have to save our people from themselves and the Devil (the white man).

We must make it known that the True Believers of The Messenger and His true teachings are here! We will be successful by Allah mercy.

The Most Honorable Elijah Muhammad said we (black people) love the truth.

We have to stay on the path as the Quran says "guide me toward

Brother Jamaica Muhammad

the straight path"

The Most Honorable Elijah Muhammad left us a perfect teaching. Its like the Quran itself. We don't need Anyone to alter the teachings for any reason.

I was surprised to see that I received more positive responses than negative, after I posted my decision to follow Messenger Elijah Muhammad teachings on MySpace. All praises be to Allah! But one brother called me a hypocrite.

As black people we use words and not know the meaning so let me, by Allah's mercy, break this down hyp-o-crite: noun 1. a person who pretends to have virtues, moral or religious beliefs, principles, etc., that he or she does not actually possess, esp. a person whose actions belie stated beliefs.

2. a person who feigns some desirable or publicly approved attitude, esp. one whose private life, opinions, or statements belie his or her public statements. —Synonyms deceiver, dissembler, pretender, pharisee.

3. a person who professes beliefs and opinions that he or she does not hold in order to conceal his or her real feelings or motives

4. one who puts on a mask and feigns himself to be what he is not; a dissembler in religion.

Now that we should have a clear understanding of this word, know this, I believe in everything I say or do.

I couldn't care less what and how you attack me but I WILL NOT sit back and see you non studying, lack of intelligence, yes men and women, water-down The Messengers teachings.

Look in the gray box to read what the Messenger said about hypocrites:

Now study Blackman and woman! Ask questions! Seek guidance! And above all FOLLOW OUR MESSENGER, WHO IS, NONE OTHER THAN, ELIJAH MUHAMMAD.

I leave you in peace, spoken in the Arabic language of, As Salaam Alaikum.

Hypocrites

(Reprinted from the November 26, 1971 edition of Muhammad Speaks)

THE HYPOCRITES who have and who are now set in THE NATION OF ISLAM, must be removed out of our way.

No people nor Organization, regardless to what it is, religious or political, can be successful with Hypocrites on its panel.

HERE IN CHICAGO, the die has been set. And, material has been made according to the die. I hope that Allah will cause you to see, for I most certainly hope to get you removed out of our Temple No.2, which is full of DISBELIEVERS as well as in other Temples where they go from one to the other carrying venomous poison of hatred against Brother and against Sister and those who are trying to live the righteous life with the Truth that will bring them into HEAVEN AT ONCE.

DO NOT BEFRIEND HYPOCRITES

Being FRIENDS with the HYPOCRITES is dangerous. The Holy Qur-an warns you against taking them for friends, and the Holy Qur-an teaches you and me their disbelieving actions so that you may recognize them if they be in your family or home, you cannot be successful trying to befriend one who is against your God and the truth, for he is against you for believing it.

He becomes your enemy, regardless, if it is your husband, wife, son, or daughters. So, remember how the Holy Qur-an teaches us that the Messenger must be hard against such people, and I AM. I just hope the day will come that I can weed them, out, by the help of Allah, BECAUSE YOU (HYPOCRITES) ARE A GREAT HINDRANCE TO YOUR OWN SALVATION AND THE SALVATION OF OTHERS.

Elijah Muhammad,
Messenger of Allah

on course with the true teachings of The Most Honorable Elijah Muhammad?

2. How can we focus on raising the devil before raising ourselves... ?

3. History has shown that if you let devils come among you, failure is not too far ahead...

I began to go into intense studying; comparing what Farrakhan is teaching, to what Messenger

ings of The Most Honorable Elijah Muhammad in the Minister's Teachings, such as, telling the people it's ok to be a Christian.

The Most Honorable Elijah Muhammad taught that Christianity was a white man's religion and a slave-making religion.

Minister Farrakhan also teaches that The Most Honorable Elijah Muhammad is still alive on the mother plane, without any proof

that we can be lied to by a minister or leader whose works we think are glorious. I was devastated because I believed in him, and then found out that I was lied to.

With all the potential and the influence The Minister has, and his ability to rally the people together, he only gives us half-truths, which continues to keep us, as a people,... lost.

I felt betrayed by the Minister,

HOW TO EAT TO LIVE

www.muhammadspeaks.com

There Will Not Be Any Pure Food on the Market Tomorrow...

By Messenger Elijah Muhammad

Reprinted from *Muhammad Speaks*, March 10, 1967

There is no way we can ever enjoy good health unless we obey the Teacher of health, Who advises us the proper way to eat.

No people have ever been so fortunate as the Lost and Found members of the Black Nation (so-called Negroes), to receive guidance of life from God, Himself, present among them — the God who will bring about a total change of civilizations of this world; Who has the histories of how people practiced a way of life for themselves back into the hundred of thousands, millions and billions of years.

Should not He know the best way to eat to live?

THE DEVIL IS A race of people used for experimental purposes, that the people of the God of truth, justice and righteousness did not intend to follow, but have followed their way of life for a short time.

Remember our success is obedience to the Will of the God of truth, justice and righteousness. What we eat, I will repeat, keeps us here and takes us away.

This is God's teaching to me, and it is so logical that there are no questions.

THIS RACE OF PEOPLE, experiments on everything other than good. This includes what they grow and prepare for us to eat.

There is very little pure food on the market today. And, there will not be any pure food on the market tomorrow, if they prepare it for you, because they are experimenting on your life to see what can take you away and what they can keep you here with for a certain length of time. Our lives are limited by what we eat that this race of people (meaning white devils) prepare for us.

The earth brings forth good food the natural way, but the food is poisoned by others ways.

The fertilization process they use

and the preservatives are all poison.

They know in their limited time of six thousand years to rule that they are experimenting on themselves and us, too.

Even the very earth is poisoned where they are experimenting on growing food for their markets, because it is the almighty dollar they seek and not the almighty health and long life for you and me.

GOOD WILL HELP THE enemy devil, but since by nature they are not made of good, they cannot prosper under that which they do not practice.

Eat one meal a day and get the best you can out of what is before you.

The Honorable
Elijah Muhammad
LAST MESSENGER OF ALLAH

Detergents linked to rise in Homosexuality

The Environmental Protection Agency (EPA) is reportedly being petitioned to ban so-called "gender-bender" chemical additives found in some household detergents and other cleaning agents.

The chemicals known as nonylphenol ethoxylates or NPEs, are already thought to be the cause of male fish transforming into females in waterways around the world.

NPEs mimic the female hormone, estrogen, which is the reason behind some marine species switching from male to female.

Black scientists believe that this is yet another "plan to destroy our race".

Messenger Elijah Muhammad warned us that the biblical story of Moses, where the male children of the enslaved people were killed, was a prophecy of the Black man and woman in American.

About 250,000 fewer boys have been born in the last 30 years in the United States and Japan, and scientists are linking the phenomenon to a body accumulation of these types of gender-bending toxins.

Approximately 400 million pounds of NPEs are manufactured in the United States each year.

Milk and bread are our best foods

Reprinted from the January 5, 1968 edition of *Muhammad Speaks Newspaper*

Milk is our first food; bread is next.

Man has been drinking milk continuously throughout his life—from cows, sheep, goats, camels, and buffalo. Since we still crave for this food and drink it (for after leaving our mother's breast, we go to the breast of cattle the balance of our lives), we should raise these cattle under the most protected eye for their good health.

THE PURE milk fat that we call butter should not be mixed with vegetable fats. It should be eaten without mixing it, like grandmother, and grandfather ate it.

Substitute foods are destroying a great percentage of good health.

Pure wheat makes the best bread. Having the knowledge that bread is easy to digest we must remember that to get the best results out of wheat bread we must cook it thoroughly done.

This is to prevent it from doing too much rising, which will cause the stretching of the stomach and other intestines.

BROWN THE bread deep as possible - to a color of deep brown. Do not make your rolls and loaves too thick.

Make them thin so that the dough can be cooked and browned through and through.

If not able to cook it thoroughly, due to its thickness, cook it a sec-

ond time, by the same process that you did at first; add yeast (a little more than the first time) milk and water to the bread, stir it and let it sit and sour again. Let it rise good, knead it and then put it back into the oven to cook a second time.

This second cooking double prepares it for digestion in our stomachs. Cooking the bread a third or fourth time makes it still better.

WE KILL ourselves in the way we prepare our food. We are too hasty in the preparation of our food. Some of the freshly-baked white bread is fancy to the eyes, but it will not do you a fancy good. It will shorten your life and soon kill you.

Take plenty of time to prepare your food the right way for cooking and then cook it right, not in haste.

THINK about the order of "hot biscuits." This is a foolish way of looking at and taking bread for the stomach, fresh, as soon as it comes out of the oven.

No bread cooked the first day should be eaten that same day. You should wait a couple of days before eating it.

There is no such thing as stale bread. Get away from this belief. The older the bread the better it is for your life. The little molds on the bread are not poison.

Brush it off and eat the bread and

if you eat some of the mold, it will not harm you.

BACK 50, 60 or more years ago when people did not take time to prepare their bread right (many did not use yeast, they used a kind of baking powder)-they were made sick time and again from the hasty preparation and eating of this bread.

Many of our people fry dough on top of the stove, "pancakes" (slang, flap jacks).

This bread, which you put in your stomachs to be digested, is hardly done. If you could look at it working in the stomach, it would look

Substitute foods are destroying a great percentage of good health.

as raw as it did before you put it on the stove.

This is hard work on the digestive system.

PLEASE cook your bread thoroughly done. Whatever bread you eat, never eat it freshly cooked, i.e. the same day that it is cooked. If you toast today's bread, you should let it brown to a deep color, almost a burn, so that it will be easily digested.

If it says "Non-Dairy" or "Topping", it's not real milk

Be aware of the possibility of accidentally picking up the wrong little container of cream when you order coffee at a restaurant.

Make sure that it is really a dairy product. Cream is a dairy product. So if the label reads "Non-Dairy Creamer", then you know you're not getting real milk.

The same goes for whipped cream, another dairy product, if it's real. So if the label says, "whipped topping" Look out!

Some of the ingredients of these fake creams include; Hydrogenated palm kernel oil, Sugar, Dextrose Sorbitol Sodium caseinate Mono-and-di-glycerides Citric acid Mono glyceride Hydrogenated soybean oil Carrageenan Polysorbate-80 Sorbitan monostearate and Artificial flavor.

Be very careful, because you don't want to be putting this stuff in your body. It's absolute poison. And you want to stay as far away from it as possible.

FASTING

By Messenger Elijah Muhammad

Reprinted from *How To Eat To Live, Book Two*

There is so much food of various kinds in the earth for us to eat we could hardly mention by names.

We are the wisest of all life on earth and in the heavens above the earth. Almighty God, Allah, in the Person of Master Fard Muhammad, to Whom Praise is due forever, has taught me. We must have regularity in everything we do.

SINCE THE earth is full of food, this does not mean we should try to eat the food all day long. We should eat one meal a day and when we eat this one meal, be sure it is of the best food for our bodies to digest and to keep us alive without our lives being agitated by enemies from the food and drinks we put in our bodies.

We have to safeguard our health against the enemies of our health by eating one meal a day. This gives an enemy (germ) that may be in our food time to die - to be completely dead at the end of twenty-four hours.

IF WE KEEP adding more food, it gives the germ strength and working power to destroy the very delicate and perfect machinery of our bodies. By nature, we are made of the best. And, we have to continue to give our bodies the best and in a moderate way.

Fasting is one of the greatest "doctors" we have. Fasting is prescribed for us in the Holy Qur'an and in the Bible. The Bible does not teach us as much of how good fasting is health-wise, as the Holy Qur'an does.

THE BIBLE'S teaching on fasting is mostly spiritual purposes. On one occasion, we find where Moses fasted for the cure of his sister, Miriam, who had contracted leprosy because of speaking carelessly of Moses. Her brother (Moses) then had to seek a cure from God for her.

But fasting, as Allah prescribed for us, is to prolong our lives with better health by eating the right food and not eating too frequently.

FASTING DOES much for us. A three-day fast will tell the story - you feel better; your body begins to feel lighter and not weighty as it felt when it was filled with food; your thinking is clearer.

Let us fast as often as we feel that we have not a desire for food. If you do not desire food, do not eat it. Eat when you are very hungry (of course, this does not apply to the sick, because the sick are exempt from fasting).

When fasting is practiced for good, good results will follow. But, if we fast, as the Bible mentions in Isaiah, just for debate, our fast is no good. The Bible teaches that the facts of people who go out and tell others that "I had a dream" and then call dreams, visions, are not accepted.

SOME PEOPLE tell stories about something they accomplish on the fast that they did not accomplish. The Bible answers such a person in these words; If you dream a dream, tell a dream and do not try to tell a dream for a vision from the Lord, when you did not get such a vision.

We must remember that we cannot be "holier than thou," unless we are really holy. So, let us say of ourselves what we really are and not what we are not because it is good in the eye sight of God for us to speak the truth.

FAST! It cleans the impurities out of the blood and causes the body to eliminate the poison stored in it from previous meals - sometimes from previous meals of many years, as the folds in our intestines can carry particles of food for a long time, and holds strength enough in them to keep us alive for two months. Our bodies store food in the folds of the intestines and in the blood stream.

After a fast of three days - and from that to nine days - these particles of food and poison that have accumulated will be eliminated. The blood is being cleansed of its impurities because the impurities have nothing to keep them in power to live; therefore, they die and leave the person happy and enjoying the re-

sults of a healthy body - which is the greatest enjoyment we can have.

WE ARE TAUGHT...and all religions teach fasting...so that includes us too. Of course, as long as we are in the Presence of God, we do not have to fast. But, we are not always in His Presence. In the Hereafter when all people will receive rewards of goodness who see the Hereafter, there will be no fasting.

WE, THE RIGHTEOUS, must fast as long as we are present and among the unrighteous. So, fasting is prescribed for us as well as those (people) before us. Let us look at the verse in the Holy Qur'an 2:183 translated by Maulana Muhammad Ali (copyright-1963): O you who believe, fasting is prescribed for you, as it is prescribed for those before you, so that you may guard against evil." Here it tells us why fasting is prescribed for us. It guards us against doing evil. Read the footnote of Maulana Muhammad Ali's

translation of this chapter for footnote. No.225.

WE HERE (Elijah Muhammad and his Followers)...I prescribe for you the month of December to fast in - if you are able to take the fast - instead of the regular month that travels through the year, called Ramadan by the Muslims; the month in which they say Muhammad received the Holy Qur'an.

WHY DID I prescribe for you the month of December? It is because it was in this month that you used to worship a dead prophet by the name of Jesus. And, it was the month that you wasted your money and wealth to worship the 25th day of this month, December, as the Christians do. The Christians know that it is not the birthday of Jesus; for they do not know the birthday of Jesus. No one knows it, because being persecuted by the Jews, Joseph and Mary feared the death of not only their newborn baby that they were bringing to birth, but even feared

for their own lives for committing the act out of wedlock. They feared Herod and his army and the religious set of the Jews condemning them to be punished with death. But, they were not to be killed for they were for a sign of the Black Man in America, according to the Holy Qur'an. See Holy Qur'an, Chapter 4:171.

While Christians have deceived you in worshiping the birthday of Nimrod who was born the 25th day of that month, no man knows the day Jesus was born, but they (Joseph and Mary) themselves. This is a sign right there; no man of the evil world was to know when the spiritual birth of Muhammad was to take place. And, surely they do not know. So, do not fast as the other religious people fast, for they have different objects and ways in which they fast, which are against the meaningful fasts that we take.

FASTING takes away evil de-

The Oppose

By Messenger Elijah Muhammad

Adam and Eve (the father and mother of the white race - (Yakub is the real name) refused the religion of Islam (peace) **because of the nature in which they were made. This makes it impossible for the white race to submit to Allah and obey His law of righteousness.**

This, the lost-found members of the Asiatic nation from the Tribe of Shabazz must learn of the white race: that it is a waste of time to seek mercy and justice from a people who by nature do not have it for each other. **They talk and preach the goodness of God and His prophets only to deceive you**, who by nature are of the God of Righteousness, into following them away from our God to a god who does not exist.

Our future is at stake, and 99 per cent of us do not know it. With **ever-evil snoopers** around you seeking an excuse to do their worst to you makes it hard for the 99 percent ignorant to ever know the truth. **Their greatest desire is to prevent you from ever accepting the truth.**

They claim the truth to be subversive and hate teachings.

They seek any kind of charge to place against us to get revenge for our teaching the truth.

They tap our telephones, eavesdrop and follow us around from place to place, and use tape recording machines; and the hypocrites and stool pigeons among us keep them up to date on what we say and do.

They are bold enough to even ask your own relatives to help them to do you evil; and due to fear and ignorance on the part of my poor people, **the enemies hire them** to destroy themselves. Truth hurts the guilty. Will persecuting and murdering the truth bearer help the evil doers in this late hour of

the day (the end of their time)?

Our problem must be solved, saith Allah, the God of Righteousness, Who is with you and me to raise us up, the poor lost and found members of the Original Owners of the Planet Earth (the tribe of Shabazz).

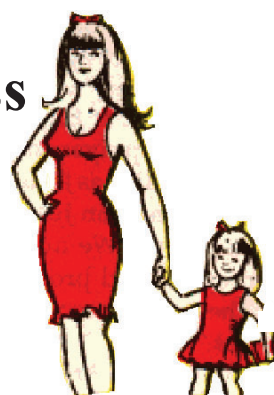

A good solution is as follows:

Stop opposing the spread of Islam (peace) among us. Let us go back to our God, Allah, and our religion of Islam (peace).

Since you will not give us (the so-called Negroes) equal justice, and do not want social mixing with your free slaves because of degrading and lowering your own status in the eyes of the world, help us to go for ourselves, either out or in your country.

For 400 years, we have

This happened to the Black People who followed Yakub from Ara off, from their Original Self, the clothes of Righteousness and their shame; and then made them to go nude in the hills and cave until the birth of Moses.

You are warned. You believe you are safe in following the invitation of the filth of the white race. Wait and see.

Although **we are marched before your enemies**, and there we pour out our lives for the freedom of your lives, children and your country, **we return home to meet an even worse enemy**. We are hated and kicked out in certain places **like an "un-**

The Truth About Halloween

Minister Jamal Muhammad

Momence, Illinois--In the Name of Allah, Who came to us in the Person of Master Fard Muhammad, the One True and Living God. In the name of the Most Honorable Elijah Muhammad. I greet my brothers and sisters in the divine greetings of peace and paradise, As-Salaam-Alaikum.

We are now in the European season of pagan holidays. Pagan is that which takes one away from the practice of righteousness.

Throughout the United States, from coast to coast, children and adults alike, will celebrate Halloween, Thanksgiving, All Saints Day, Christmas, and New Years; just to name the five that are most prevalent. These are the five major paganistic holiday celebrated here in the wilderness of North America. No group of people will celebrate harder or act a bigger fool, during these so-called holidays, than the forty million people who blindly identify themselves as African-Americans.

If someone were to ask you, "Why do you allow your children to take part in the pagan holiday of Halloween?" What would you say. Think on it. You see, most of us don't think. We act automatically. We are programmed. We have been doing these things to ourselves and our children without thinking about what we actually are doing.

What is the reason or meaning of letting your children dress up and imitate; "witches", "monsters", "devils (with horns on their heads and tails)", and other mythical creatures that have no place in reality or any God-based environment.

Look at this mask. Now this is one of the masks that our children and even adults wear during Halloween. Now what is the significance of wearing a mask of a skull. And this is one of the more tamer ones. Some have blood dripping down the mouth of the mask, some have the eyeballs popping out.

Now ask yourself. What is it all for? Are we mad or just programmed? Regardless of your religious label, if you believe in the teachings of the Scriptures, then be honest with yourself and try and justify why you or your family will participate in some of these practices that are in direct

contradiction to the word and teachings of God.

Why do we allow our children to dress up in these lunatic costumes and go door to door and beg strangers and neighbors for candy and gifts, when we have no knowledge of the malice, animosity and hostility these strangers and neighbors have in their hearts against children and especially black children. It has become common for some child to be poisoned or injured during Halloween. A razor blade stuck in an apple or candies laced with poison.

How do you know that these people are not psychotic or just plain evil. How do you know that the candy is not poison. Think very carefully. The truth is. You don't know it.

Now how about the many silly adults who far outdo the children in celebrating Halloween. They have office parties, adult costume parties where they dress up in the same costumes as their children or worse, then get high, drunk, and commit adultery all in the name of "Halloween fun". They attend parties at lounges, taverns, night clubs, ballrooms and even at Christian Churches. Why would a "House of God" entertain a pagan ritual unless they don't know any better.

If you are going to take part in these pagan holidays, at least learn how they came about, and what they mean. Let's stop "tricking and

treating" ourselves. Let's take a look at the origin of Halloween The first thing we should ask ourselves is: Where did Halloween come from.

The earliest Halloween celebration were held by the Druids in honor of "The Lord of the Dead". It was a Druid belief that on day before their harvest festival (November 1st) "The Lord of the

Dead" called together the wicked souls and spirits that within the past 12 months had been condemned to inhabit the bodies of animals. Now, who were the Druids? Simply put, the Druids were an order of priests in ancient Britain, who believed that on Halloween; ghost, spirits and fairies, witches and elves came out to haunt people. They thought that the simple cat was sacred and believed that the cats had once been human beings that were changed as punished for evil deeds.

In the 700's the Roman Catholic Church named November 1st, "All Saints Day". The old pagan customs and the Christian feast day were combined into the Halloween festival.

This history of Halloween and the Christian religion, both, begin with the same people, The early Caucasian people of Europe.

All Saints Day (formerly known as All Hallows Day), is a Christian Holy Day observed by many Christians on November 1st. It honors all "Christian Saints", especially

those who do not have days named for them. The word "Hallow" means "saint". Halloween takes it's name from All Saints Day. October 31 is the "eve" of (or day before) November 1st. Halloween was first called "All Hallows Eve", and later changed the name to Halloween.

Let's take a look at the many symbols and superstitions associated with Halloween. The most common symbol for Halloween is the jack-o-lantern. A "hollowed-out" pumpkin (carved) with humorous or frightening face. The name may have come from an old term for a night-watchman (man with a lantern)

The Irish have a tale about the origin of "jack-o-lanterns". They say a man named Jack was unable to enter heaven because of his dishonesty and that he could not enter hell because he played a trick on the devil. So he had to walk the earth with his lantern until judgment day.

Irish immigrants, who came to North America in colonial times

Minister Jamal Shabazz

seeking "religious freedom" brought, with them many of the practices of Halloween that we see today. Their popular pranks included turning over sheds and breaking windows.

This holiday should be chased out of your city and chased out of your church. And before you get caught up celebrating or having your children to celebrate anything, why don't you spend some time with them finding out what this thing is all about.

Halloween has no place among people who are trying to serve a righteous God, regardless to what religion you say you believe in.

Elijah Muhammad a Divine Guide For The Blackman

By Brother David Muhammad

CINCINNATI, Ohio--In the name of Allah who came in the person of Master Fard Muhammad we thank the great Mahdi for raising from our midst a divine leader teacher and guide The Most Honorable Elijah Muhammad (may the peace and blessings of Allah be upon him) as I greet you in peace As Salaam Alaikum.

The black man and woman of America had never known divine guidance. We looked to the government, the preachers, the politicians and our prayers for divine guidance went unanswered.

We had many leaders come to us but they were not divinely guided. The only leader who came to us with right divine guidance was the Most Honorable Elijah Muhammad.

The guidance that Messenger Muhammad brought was simple guidance, so simple that a fool would find it hard to err. But who is a bigger fool than the blackman and woman of America.

What Messenger Muhammad and his followers accomplished under his divine guidance is still unequalled to this very day.

Only a divinely guided man could have done the work the honorable Elijah Muhammad did in our midst. Let's see what the Messenger said on divine leadership this quote is from Message To The Blackman page 263, "As I have repeatedly taught and the scholars and scientists will agree with me the so-called Negro must have divine leadership today. The leader must be divinely appointed, not self-made or made by the people. This is universally known; I am that man, divinely appointed by Allah?"

The solution to our problem is divine Messenger Muhammad teaches us, and that's why we need a divine leader. The problems that we faced and are still facing to this day were so great that Allah himself had to visit us. But Allah never teaches the people directly he always leaves a divine apostle or Messenger to guide those he

Brother David Muhammad

wishes to save. Think over these things. Now today we have a lot of SELF APPOINTED leaders who are not divinely guided, but they go by their own thinking. Messenger Muhammad teaches us we don't want your thinking we want Allah's thinking. Dear brothers and sisters study the teaching of the Honorable Elijah Muhammad and you will come to the same conclusion as myself, that Elijah Muhammad was Divine Guide For The Blackman. As Salaam Alaikum.

Frogs & Snakes

By Brother Ahmad Muhammad

Brother Ahmad Muhammad

CHICAGO, Illinois--*“Now the white people want to marry Negroes. Negroes who have no knowledge of themselves want to marry white folks.*

It is like a FROG wanting to marry a RATTLESNAKE because the rattlesnake is so full of frogs he cannot swallow another one.”

A quote from The Most Honorable Elijah Muhammad (peace be upon him) Last paragraph, pages 235- 236 in His book, Message To The Blackman in America.

In The Most Holy Name of Allah, The Beneficent, The Merciful. Who came in The Person of Master Fard Muhammad.

We can never thank Allah enough for raising from among us, our Leader, our Teacher and our Guide, The Messenger of Allah, The Most Honorable Elijah Muhammad ! (May the peace and blessing of Allah be upon Him forever !)

As Salaam Alaikum Dear Followers of Allah’s Messenger!

In relating some of my many learning experiences as a follower and worker under the direction of Allah’s Messenger, I pray that some insight may be gleaned as to questions about the wonderful Person known as The Messenger of Allah, His positive, strong methods of operation and His followers.

Some of the young and gifted writers of today’s great Muhammad Speaks Newspaper, have posed questions to their elders as to our past.

Many Why’s and How Come’s, flow from our young people and well they should.

May Allah bless them for putting forth these stinging questions, seeing that most of them never saw or heard the Messenger in Person, yet follow his Teachings, in spite of multiple leaders, pulling at them in all directions. May Allah guide them aright!

One of the questions is, “Where are all the Muslim Followers of The Most Honorable Elijah Muhammad? Where did they go?”

The answer to those and similar questions is the same as the answer to the question, “Where are all the so-called African-Americans who were shouting, ‘I’m Black and Proud!’ and Black is Beautiful”. They were HYPOCRITICAL!

The false Muslim Followers of the Honorable Elijah Muhammad (peace be upon him) and the “I’m Black and I’m Proud” crowd, have gone through the familiar change of hypocrisy and have returned to the grave. Only this time, the grave is deeper.

According to The Messenger, Allah told him, “You have the hardest job of any person in this world!”

I can recall, one day at the Temple, a tall, dark, slim woman made her late entrance. Gliding down the aisle in a swift manner, going in front of the Sisters on post, She had made her grand appearance about three minutes into The Most Honorable Elijah Muhammad’s (peace be upon him) lecture.

This was done on purpose! She was a strutter, one who prostitutes!

The Muslim Sisters and the female visitors had filled the front seats on the Sisters side of the Mosque. The few seats available were in the rear and in the balcony.

The two Sisters on post had invited the tall, dark woman to a seat in the rear on the main floor.... Abruptly, she sped down toward the front.

The woman was stopped by the Sisters on front post, immediately.

All eyes in the Mosque were upon the tall, dark woman, including The Messenger of Allah, The Most Honorable Elijah Muhammad. (May the peace and blessing of Allah be upon Him forever).

It was not so much that she

showed rudeness or was thought to be a threat to The Messenger, or that she was wearing a short fur in the warmth of September, **BLOND!!! HER HAIR WAS BLOND!**

This tall dark woman of our Black Race had dyed her hair Blond.

The year was 1959, Chicago, Illinois. Women, in that time, did not dye their hair blond or red, nor streak their hair in red or blond, unless they were prostitutes and the like!

No self respecting Black Woman would do such a thing!

At that time, there was a move to get Black People to stop using caustic hair straighteners, like lye, to ‘Conk’ or ‘Process’ their hair, ‘relaxing’ it (actually killing it) to look like Caucasian hair.

The various ‘processes’ inflicted pain to the user, damage to and loss of the hair.

Short, tight fitting dresses, low cut blouses, open toed shoes and coloration of the hair made it easy to tell a prostitute from a respected woman, relieving the respected woman from being approached.

Our Mosque at 5335 South Greenwood Avenue in Chicago,

Illinois, was packed!

In those days, The Honorable Elijah Muhammad (peace be upon him) gave lectures frequently at our Mosque and throughout the country.

All of us, the Muslims and Visitors, seemed to hold on to every word He spoke!

During that time, there had been a so-called ‘revelation’ on CBS television by newsman Mike Wallace and his Negro ‘sidekick’ Louis Lomax.

They were ‘revealing’ the presence of a ‘hate group’ made up of Blacks that were not in love with whites!

The title of this production was called, “The Hate that Hate Produced”.

thankful to be in those beautiful black skins with natural hair. Then along came “The Strutter” into our Mosque.

The black blond knew better to come to the Mosque in a short skirt.... If she could have, she would have!

The Messenger of Allah, The Honorable Elijah Muhammad (peace be upon him) was extremely clear on the manner of dress for women and men at the Mosque!

It was very simple. If you were a female, you could NOT come into the Mosque in a short revealing dress !

If you showed up at the door of the Mosque “dressed like a prostitute” you were told to go home and find a dress beyond your

My! My! Although the Honorable Elijah Muhammad (peace be upon him) had been teaching since 1931, in 1959, the news was still treated as a ‘revelation’ and an alarm for the white people in the United States of America, as if The Nation Of Islam under The Most Honorable Elijah Muhammad (peace be upon him.) had just been discovered!

This ‘important’ news made it seem, that like Topsy, in the book Uncle Tom’s Cabin, The N.O.I. (Nation of Islam) had just ‘ sprung up!’

Negroes became more aware of their dire situation, thanks to The Messenger, and were becoming

knees, then return to the Mosque.

These directives were explained in a courteous and gracious manner by the Sisters on post (M.G.T.) Muslim Girls Training or the (F.O.I) Fruit of Islam Brothers on post in the absence of an MGT.

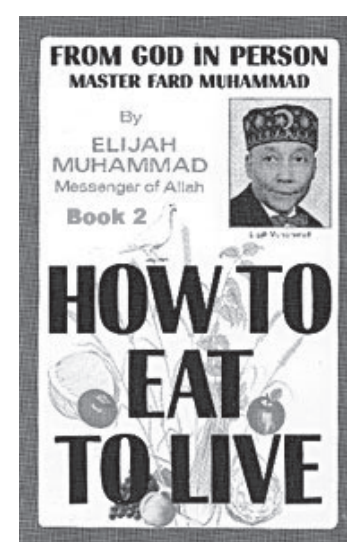

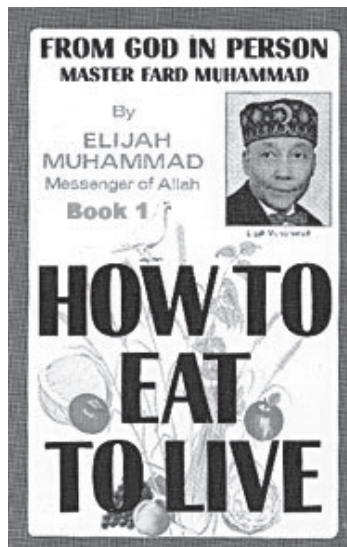

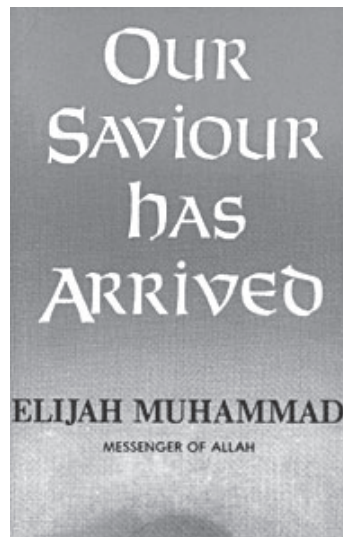

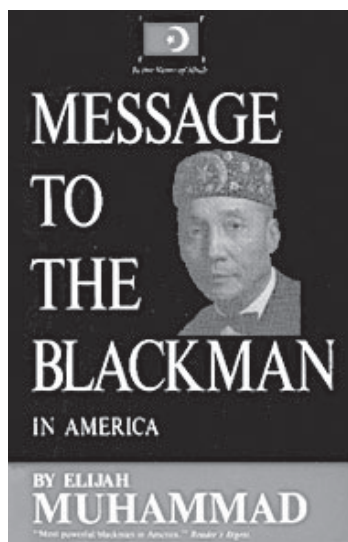

“Who in their right mind would bleach their hair blond ?” Said a Sister, loud enough for many to hear. Her statement was probably in the minds of most.

If her question was to be answered, she was in the right place, we all had come to the right place, sitting in front of Allah’s Messenger, whom had answered that question numerous times !

The FROG...BEGGING to be EATEN BY THE RATTLESNAKE

Continued from page 18

“WE ARE MENTALLY DEAD!.....DEAF.....DUMB...AND BLIND!.....STIFF NECKED AND HARD HEADED!”

We felt certain that after The Messenger saw this woman with her unnatural hair, He decided to change His sermon!

This however was only speculation by Muslims conversing after The Messenger's lecture!

It seemed like the interruption of The Messenger's lecture gave Him the pause He needed to warm to His main subject for that day, the usual one, **Saving the Black Man, Woman and Child!**

I will paraphrase as best I can and give praise to Allah for the Messenger's insight in having His sermons later transcribed in magazines, newspaper articles, radio broadcasts, audio tapes and ultimately in His Five acknowledged books; Message To The Blackman in America....How to Eat To Live How To Eat To Live book 2.... Fall Of America.... Our Saviour Has Arrived.....

The Messenger continued His lecture...

“We have been so deceived that we doubt everything that does not have the white man's approval!

Our people are the fools of the nations! The average so-called

Negro wants to change his own flesh color and blood for a strange blood and flesh!” “

Our minds cannot think of any evil and degenerate act that has not been committed upon us BY WHITES! ...In the factual light of all that the Caucasian white man, woman and child has done against us...from day to day...year after year WHY! ...WHY! ...WHY would even the feeblest of minds want to cohabit with SUCH AN ENEMY, much less, ruin your NATURAL hair and it's NATURAL color to appear as the enemy' hair! ...Or as you foolishly say, 'It's the style!...WHO'S STYLE?....”

This is SELF HATRED! ...it is GROTESQUE!The FROG, wanting to look like it's KILLER, the SNAKE, who has a long history of murdering the frog and the frog's family!

The SNAKE strikes the FROG with his poison fangs, then SWALLOWS the FROG!....I don't think we see the FROG trying to look like the RATTLESNAKE! In fact of it, we see the FROG SEPARATING HIMSELF from the RATTLESNAKE whenever he can and as fast as possible!

I don't think we have the brains of a frog! Have you studied the history of the DEVIL. WHITES,

SINS AGAINST US?.....Do you even want to study the history of all their HORRIBLE CRIMES AGAINST US?

Our women must STOP TRYING TO LOOK LIKE WHITE WOMEN by bleaching and coloring their hair!They must STOP TRYING TO BE WHITE by painting their faces, looking like clowns!

Our women are NATURALLY BEAUTIFUL, they don't need no paint! Every male in the world is after our women but our SILLY MEN! ...They are too busy trying to sweetheart with the pale unnatural white woman!

MAN!.....Don't you know that Allah has given you the BEST of women?...Here you go running around like a poor hound,.....crying after the white woman! The FROG...BEGGING to be EATEN BY THE RATTLESNAKE!”

All theimps and UNCLE TOMS who LOVE THE DEVIL ,are going down with the devil as we are starting to witness! ..It will not be a pleasant experience!...As Allah is my witness, come over to your own kind!..... The time of this world is at hand!...

It was obvious that the Messenger was perturbed. Probably because He, unlike us, could see what was coming.

The Messenger would warn us time and again about the terrors that we would see in the very near future but we could not comprehend the seriousness of what the future would really hold. Most of us were not really listening!

In 1959, we were caught up in our own perceived importance. What 'we' had done to increase the size of The Nation Of Islam!... We became the “Strutters.”... We reopened our graves with our silly bickering and self importance and crawled back in!

While working this past week in the 87th Street area on the Southside of Chicago, Illinois, a predominately Black section, I thought for awhile that I was in Sweden, Norway or Germany!...There were so many blonds of all sizes!.....There were also many woman with red and/or blonde streaks in their hair!....NO, they were not white women, they were Black women!

Is there paper enough to list the atrocities, insults, unjust treatment, slights, plots against black people comitted by whites for generations up to the present.

Can you name the ways? Physically? Emotionally? Mentally? Spiritually? Culturally?

Yet, many of us take great pains to LOOK LIKE THEM!...MARRY

THEM!....INSANE!

Again, we look to The Messenger of Allah, the Most Honorable Elijah Muhammad, (May the peace and blessing of Allah be upon Him forever) to give us the defining terminology...

“MENTALLY DEAD!”

The five books (shown above) authored by The Messenger should be read by all not once, but repeatedly.

You will find new information, much to your surprise each time you read one of The Messenger's five books!....You will say, “Now, how did I miss that?”

Integration is not the Key, Part 2

By
Brother Muhammad Saleem Bey

OAKLAND, Cali—In the Name of Allah who came in the Person of Master Fard Muhammad to whom all praise is due for raising up one among us our Leader and Teacher, The Most Honorable Elijah Muhammad. The Last and Greatest Messenger of Allah. I greet you my brothers and sisters with the Divine Greeting of Peace

As - Salaam - Alaikum

Integration is being encouraged through TV commercials and movies, with whites and Black mixing together in schools, churches, and intermarriage.

This makes the poor Black ex-slave really think that they are entering a condition of heaven or equality with their former slave holders, but it is proving to be our doom.

Look what happened to our poor little 20-year-old, mentally disabled, Black sister, Megan Williams, in West Virginia, who was repeatedly raped, beat, stabbed and tortured beyond belief, all while being called a nigger by her devil (white) boyfriend (Bobby Brewster) and his mother (Frankie Brewster) and 4 of his friends; Danny Combs, Alisha Burton, Karen Burton, and George Messer.

But what did the so-called "mainstream media" do with this? They mentioned it with less enthusiasm than they did when they reported on dog fights.

CNN, NBC, ABC, CBS, Fox and the rest, sensationalized the story about Michael Vick being accused of making some dogs fight.

But the reports about the lynching of Megan Williams have been COVERED UP with stories about OJ Simpson and some white boys that he thought were his friends.

What is it going to take for Black people to realize, know and understand that regardless to how much we want to love them and be their friend - WHITE PEOPLE ARE DEVILS!

All of them are devils! The little white babies are devils! The white girls you like to watch on TV are devils! The white man in the suit that shook your hand is a devil and the little old white lady that

smiled at you in grocery store is a devil. All white People are Devils! They are not your friends.

Sure! Devils have the ability to ACT REAL NICE. But that is exactly what it is, AN ACT!

It's all Hollywood. That's the devils make-up. Faking! Pretending! Deceiving! Lying! Cheating!

The devil can't win your confidence and friendship letting us

According to the transcript of a police interview with Miss Williams, she got in a truck, willingly with Bobby Brewster and his friend.

Do you think Megan Williams would have went with these devils, if she had thought they were going to torture her?

No! This poor sister actually thought that the devil (Bobby Brewster) was her friend.

During the interview, Miss Williams told the police officer "See,

woods and this lady picked me up in a truck and she brought me back to where Bobby and them was. And he beat me and choked me and stuff"

When ask why she didn't have the lady to take her somewhere else, Miss Williams said, "She said she couldn't take me so she took me back there."

"Back there" was the home of her white boy friend's mother, Frankie Brewster, who sat in a chair and demanded that Miss Williams "lick her" or that, she and the other five devils (white people) would kill her.

But you would think that Williams' ordeal would have ended when an anonymous tip led to her September 8, 2007 discovery by Logan County sheriff's deputies. It didn't!

Megan Williams was placed under arrest while she lay in the hospital, sent to jail and forced to appear in Kanawha County Magistrate Court in Charleston on September 18, 2007 for bouncing some checks a year ago. She was released on \$8,000 bond.

What happened to Megan Williams should be enough to prompt Black people all over this country to unite and fight this devil, not with physical weapons, not by marching, and not in the devil's courtroom, but by the method recommended for us by God's (Allah's) Messenger to the Black man and woman in America. He said that the only way to fight this

know right off the bat the they are devils. No! They are going to pretend that they are your friend. They are going to win your trust. Then when you least expect it, the REAL DEVIL will come out them.

they took off and left me in the woods by myself, they said they was going to the store and I was afraid they wasn't going to come back and I had ran down to the road, something chased me up in the

devil is to first separate ourselves from them, join on to our own kind, give them back their slave-making religion (Christianity), and their way of life (smoking, drinking alcohol, gambling, fornicating, lying, cheating, stealing, backbiting, etc.)

We should be outraged enough to make some kind of a change in our lives and not just take this as another news story that we forget about in a week or two. THIS IS OUR LITTLE SISTER!!!!

Messenger Elijah Muhammad hit the nail on the head when he said (in his book The Fall of America) "... You are weeping and moaning over the death of Jesus two thousand years ago. You are going in-

sane over the preaching of Jesus' life and death. Yet, you don't weep, moan and go insane over the rapes and lynching of your own people in your own time. It is a modern disgrace to see you shouting and having spasms in church over the mistaken notion that God gave His only son to save the Christian world. What a shame!"

The Messenger goes on to say: "We must exert every means to protect ourselves! The message I bring is not for the cowards. Those of you who follow me must be ready to withstand the barbs and insults of those who come to investigate, pry, and claim that our ultimate aim is to undermine the American way of life. We have no such intentions. Our critics know it. There is nothing under the rug or subversive about what I say and teach. It is shouted over the air, in the newspapers, on the street corners. Why, then should you be intimidated by those who seek only to throw fear in your hearts and know what we say is right. How ironic it is that the very people who charge us with disturbing the status quo themselves go around raping, lynching..."

Messenger Elijah Muhammad taught his followers that we don't have to take up arms against this devil. He taught us that our God, (Allah, Who came in the Person of Master Fard Muhammad), The True and Living God will protect us on the condition that we obey His Messenger!

And what are the instructions the Messenger gave us?

He said, "These acts of carnage must come to an end. To that end I suggest the following. First, we must discipline our women. If any of them are so blind as to consort with our oppressors, then we must take counsel among ourselves and with her.

We must exert every pressure at our command until she will have returned to a state of loyalty to her own.

Much of the defection among our women stems from the fact

that they have been cajoled into following the oppressors' style when it comes to hair, dress and clothing.

These are the badges to sin and cause men to leer and behave lasciviously.

If you study the customs and traditions of Islamic countries you will see the proper manner of dress. These are the rules we must lay down and enforce if our women are to receive the respect due them.

Of course it must be realized that the oppressor seeks out our women to debase them. There is no real love and affection in his heart for them or us. She but becomes the tool of his pleasure, the object of his scorn.

Secondly, we must realize the difference between integration and separation.

To integrate with evil is to be destroyed with evil. What we want — indeed, justice for us, is to be set apart. We want and must insist upon an area in this land that we can call our own, somewhere we can hold our heads with pride and dignity without the continuous harassment's and indignities of our oppressors.

Thirdly, we must realize that whereas the Black man in Africa is our brother, our central responsibility is with the Black man here in the wilderness of North America...

When you take a good look at what Messenger Elijah Muhammad taught in face of what has happened to Megan Williams and what has never stopped happening to us, as a people, since we were brought here in chains you can't help but to see that he was indeed THE MESSENGER OF GOD TO BLACK PEOPLE IN AMERICA.

"The solution to all these problems lies in a clear cut understanding of the truth.

I have come to bring you that truth. Now, I spell it out so that even the children among you may

know the nature of tomorrow.

First of all you must know the truth about God and the devil. We, the Black men are of God.

Our oppressors whoever they may be are of the devil! Their nature is evil! They are incapable of doing good!

Secondly, I must tell you the truth about the day of judgment. You have been taught that one day the dead In God shall rise again. You have taken that to mean that people will get up from the graveyard and walk about. That is so much nonsense!

Properly read, the resurrection means that we, the Black men of North America, will rise from mental death. Realize who we are! Discover who God is! Name

after sign that their Moses had met with God and his Message that God would protect them from the oppressor (Pharaoh) of their day.

Our Moses (Elijah Muhammad) told us (in Fall of America): "Allah is sufficient for all our needs. This is why I do not have to beg from our oppressors or march on their Capitol with my hat in my hand. For how can I on one hand preach the doom of the oppressive system and then with the other hand ask alms of the oppressor.

Allah is our God. We are His Blessed. He has given all the world to us if we would but first give our all to Him.

I met with Allah as Moses met

it sets the oppressor's teeth on edge.

The power of Islam is best seen when compared to the failure of Christianity.

First, Christianity has failed you because it was the religion which first placed you in slavery.

Secondly, Christianity has failed you because through its doctrine of turning the other cheek it has rendered you incapable of defending yourself in the hour of peril.

Thirdly, Christianity has failed you because it has caused you to forsake the pursuit of justice in this world in the pursuit of an illusory and nonexistent justice beyond the grave.

Now, my beloved, you are faced with the same problem that beset Moses and the children of Israel during the era of the Egyptian captivity.

Pharaoh did not want Moses to preach the religion of Jehovah in Egypt because Pharaoh knew such preaching would bring damnation to his wicked kingdom.

So it is that your oppressors did not want you to hear the gospel of the Black man.

They know that this gospel will one day be their undoing.

Pharaoh did not want Moses to call the Jews to the wall to wail at sundown.

He knew that once the Jews were united in the name of the religion of their fathers they would no longer abide in slavery with a docile air.

Pharaoh did not want Moses to teach the gospel of justice on this side of the grave.

He knew that once the Jews determined in their hearts to seek justice here and now they would rise up and demand a place in the sun."

We at the Black Muslim Temple of Islam in the City of Oakland CA, 818 W 27 St. are teaching with our Brother Capt. D.S. Bey separation not integration.

with Jehovah. Then, like Joseph, go on to become master in the land wherein once you were a slave!"

It couldn't be more obvious. We are living in the day of Judgment. We have done all we could to try to live in peace with white people in America.

What will it take for us to see things as they really are?

In the days of Moses, the people prayed for a deliverer. When he finally came the people were just as hardheaded, stiff-necked and rebellious as you are today.

Those people were shown sign

with Jehovah.

Allah has revealed the truth unto me. It is up to you to believe it or let it alone. But this does not negate the fact that I know the end of it all. I know tomorrow. I would be happy to tell it to you if you will believe it.

I want you to know that our oppressors are exerting every effort to prevent you and me from uniting.

They do not want a united Negro, they do not want an Islamic so-called Negro.

They know that Islam frees Black men from fear. As a result,

JABARI'S MARTIAL ARTS Academy was founded by Olu Jabari using a style of martial arts called Hekima (meaning "wisdom"). Through the teachings of Olu Jabari's Grandmaster, Master, and Instructors of the Alkebudo System, Olu became destined to expand his capabilities to others in the Detroit community.

Since it's foundation, JMAA has been instituted in over 25 different organizations and associations throughout the Detroit Metropolitan area. The future for JMAA maintains its slogan by saying that "A Family that's kickin' it together stays together!"

In addition JMAA plans to continue to offer services to the Detroit community with plans of expansion to other cities, states, and across the country as well.

In August of 2001, a great collaboration, inspiration, and mission of many individuals & businesses of the Detroit community formed.

The Mission: To develop a Martial Arts Academy that would not only help the community, but allow everyone the opportunity to have lessons at an affordable cost. Thus, Jabari's Martial Arts Academy (JMAA) was formed and the mission began.

JMAA teaches self-patience, self-integrity, self-awareness and finally self-defense. JMAA also teaches the importance of resolving conflict through the module of discipline learned from our partnerships with the parents and guardians of our youth.

JMAA realizes that karate helps to form a new way of life for its students and families, assisting with self-motivation, spirituality and team orientation.

The services we provide are martial arts training, self-defense seminars, and family unification through our JMAA philosophy.

The mission of JMAA is to provide superior and affordable martial arts training that will assist in fostering strong family units and community presence for participants in the City of Detroit.

WHAT ISLAM HAS DONE FOR ME

Taught me to love selling The Muhammad Speaks Newspaper

By

Brother Malik Muhammad

Brother Malik Muhammad

DETROIT, Mich.—In the Name of Allah, Who came to us in the person of Master Fard Muhammad, The true and the living God to Whom all praises are due, we forever thank Him for raising up the most Honorable Elijah Muhammad {peace be upon him} from among a people that had never had a warner from among them before.

I remember from the age of eleven to the age of thirteen years old, I had paper routes in Detroit Mi. I carried the Detroit News and also the Chronicle paper among others throughout the Detroit neighborhoods, the thing I disliked the most about the jobs was called canvassing. This meant going from door to door after work and trying to get new customers for whatever paper you were working for. I had lots of problems with the rejection of people not wanting to sign up for the paper. I didn't like the rejection at all. When I accepted my own in the Nation of Islam I still had this aversion to rejection with the Muhammad Speaks Newspaper, but I wanted to do what was right, so I went out with the brotherhood and I sold the paper. The more often I went out with the Muhammad Speaks and the more I understood the importance of the Muhammad Speaks the easier it became to accept the rejection, and to sincerely want to get it into the hands of our

people. I picked up the spirit to want to sell the Muhammad Speaks, but there was always someone with a negative attitude that I had to deal with, they would say things like, "Jesus speaks Nigger!" or sisters would look at me shake their heads and say things like "what a waste" or some others would try to lower your spirits by pretending that they were going to buy the paper, and then walk off saying nasty things under their breath. Other things were said that I don't care to put in this article, but between the insults and negativity, Allah God (Master Fard Muhammad) would always send one who wanted the paper and would smile and say things like, "Thank you Brother" or "The messenger was the man, brother".

This would lift my spirits and help me to know I was doing the right thing. Messenger Elijah Muhammad taught us that everyone was not going to turn us down, and that this paper is so valuable that we shouldn't let one go to waste. There is no greater feeling than to meet a brother or sister later in life and to have them to tell you, that because you were on your post, the paper they received helped to save their life. That the life giving teachings from Allah who came in the person of (Master Fard Muhammad) brought them out of whatever hell they were in.

I and every believing Brother in the F.O.I. must learn to accept negative rejection and still be able to continue to act in a civilized manner, even thanking the rude brother or sister because he knows they are among the mentally dead.

The Honorable Elijah Muhammad stated that the Muhammad Speaks Newspaper is the Nations number one program. It tells us in our Orientation Brochure that it is the only means of current and direct communication which we can depend on to reach the homes of our people. The most honorable Elijah Muhammad tells us that if you sincerely want to help our people in the struggle for Freedom, Justice and Equality, Then right now as F.O.I. This is the best way. Are we each and everyone of us that call ourselves the F.O.I. serious about helping our people to

get out of the mud and to help them to the Freedom, Justice and Equality that they deserve? Do you take seriously what the messenger of Allah taught us? Do you believe that the F.O.I. is truly the backbone of the Nation? If you do then it is incumbent on us, it is our duty to uphold the Nation of Islam. And the number one program for that is the Muhammad Speaks Program. The messenger said if you take that paper out you will fill your temple up. We must take the Muhammad Speaks seriously, we must work hard to get it into each and everyone of our peoples homes. as long as there is one person that doesn't know about Islam as taught by the most honorable Elijah Muhammad, then the F.O.I. must double our efforts to make sure these life-giving teachings reaches everyone of our people. We can't and must not put the Muhammad Speaks Newspaper on the back burner and expect to be successful. The Muhammad Speaks Newspaper is the blood-

line of the nation of Islam, we all know what happens if you cut off the bloodline. No with the help of Allah the Muhammad Speaks will go forward. It carries the name of God and the wisdom that God has brought to our people. To those brothers that are enlightened it is a joy and a honor to carry the Muhammad Speaks Newspaper into the homes of our people. The honorable Elijah Muhammad said start first with your family, then to your neighbors and then into the general population. There is no excuse for not diligently carrying this life-giving teachings into the homes of our people. Whether we are foot soldiers, lieutenants, captains or even ministers, we must all push the Muhammad Speaks newspaper program in order for the nation to be successful. Words of the messenger (Note to Minister: Our Newspaper is very important. I am charging you with the responsibility of instilling in the followers at your temple the spirit to put

a successful effort on your own. All praises are due to Allah (Master Fard Muhammad for the Honorable Elijah Muhammad and the Nations number one program "The Muhammad Speaks Newspaper. As-Salaam-Alaikum.

sires. Fasting takes from us filthy desires. Fasting takes from us the desire to do evil against self and our brothers and sisters. We are created of the material of goodness. Therefore, good belongs to us...and it should not be hard for us to turn to our own selves in which we were created...good.

WE are approaching the month of December, in which we usually abstain from eating in the daylight hours, as the Orthodox Muslims do, the ninth (9th) month of their calendar, the month of Ramadan.

Black man who survived lynching after being shot 28 times by 4 white police needs our help

Continued from page 2

Mapp or Simmons was armed.

To top it off, a 911 tape introduced by the defense recorded the sheriffs yelling, "Kill 'em, kill 'em." But still, the five cops were found innocent on all charges by a the devil (white) judge--Clayton J. Crane.

The sheriffs had chosen to be tried by a judge rather than a jury.

Judge Crane ruled, "I cannot be convinced beyond a reasonable doubt that they didn't think shots were fired at them."

While Howard Morgan lay shackled to a hospital bed, with 28 bullet holes in his body, he was charged with four counts of attempted murder and three counts of aggravated battery against the devil (white) police officers, and a weapons charge. And a Cook County Circuit Court judge imposed a \$2 million bond on him.

But what the cops didn't realize was that there was an eyewitness, Miss Cherise Rush, who testified to everything that happened. Her testimony was videotaped in the office of Mr. Howard's attorneys.

"She agreed with everything I said, before I ever got a chance to tell my side of the story because I was in the hospital unconscious for a while...said Mr. Morgan.

"Howard has committed no crime whatsoever," said retired Judge Leo Holt, who is representing Mr. Morgan along with two other attorneys; Sam Adam and Sam Adam Jr.

"You have a man who is experienced to the hilt in policing. He's not going to get upset because of a minor traffic stop," Holt said.

Holt said the bond was very unusual.

"In my years as a practicing attorney and the 18 years that I sat on the bench, I've never seen a bond like it," Holt said.

The 2 million dollar bond is an absolute outrage.

Mr. Howard was appalled by it. "I have a background in law enforcement. That should have been considered," he said. "A clean record. ... that should have been considered. It wasn't", he said.

For Rosalind Morgan, the bond turned into a crusade. She began a campaign to raise bond money for her husband, attracting the atten-

tion of WVON Radio's Cliff Kelly, who took it on as a cause.

"The whole thing sounded phony right from the beginning, particularly when we found out about his background," Kelly said.

Mrs. Morgan was able to raise over \$12,000 from the community through rallies and the radio. Then, an anonymous donor came forward with almost \$188,000 — enough to met the bond and get Howard Morgan out of jail.

"I thank God that they sent an angel of mercy to come," Rosalind Morgan said.

The defense, being legally bound to do so, turned a copy of the video-tapped testimony of eyewitness, Cherise Rush.

Then, just before the trial, Miss Rush, came up missing. Judge Crane gave the defense two weeks to find her.

Mr. Morgan's case went to trial, and Miss Rush testified in court that Mr. Morgan's hands were held behind his back when the gunfire started.

On May 11, 2007 the jury announced that it had reached 3 verdicts.

Howard Morgan was found "NOT GUILTY" on two counts of aggravated battery with a firearm, and "NOT GUILTY" the count OF DISCHARGE OF A FIREARM WITHIN THE CITY LIMITS.

It is plain to see that THIS JURY was going to find Mr. Morgan NOT GUILTY ON ALL COUNTS. After all, how could they find him not guilty of shooting a gun, then find him guilty of "attempted first degree murder" for shooting..."

So what did the devil do? On May 12, 2007, Judge Crane using his infamous "delay tactics" declared a mistrial before the other verdicts were reached siding with the prosecution who called for a mistrial on the grounds that the jurors may have been "tainted" because some or all of them had possessed cell phones during the deliberations.

Mr. Morgan's defense team has filed a motion for case to be dismissed. But the Morgan's may still have a long and costly fight ahead of them. They are asking for our financial support.

"I'm asking people to please continue to pray for us and assist fi-

Rosalind and Howard Morgan, pictured, need your financial support

nancially to help us in this injustice. It's very expensive...whatever the Lord puts on your heart to send, whether is one dollar to a million dollars, this is not just for my husband, this is case unto God." said Mrs. Morgan.

Mrs. Morgan set up the Howard Morgan Defense Fund though Park National Bank, 815 West 53rd Street in Chicago. And asks

that all donors include their name and address so that she can, personally, send them a thank you card.

Mr. Morgan is disabled now but as of yet is not receiving disability.

"God is working that out too..." says Mrs. Morgan "but in the meantime, we're still surviving and I trust as God's past mercy has

fortified me in this present distress, that victory awaits us."

Tragedy, many times, is the thing that brings families together. Let us not sit down on this. We knock over chairs, cry and holler over the lynching (crucifixion) of a man of God, who lived 2,000 years ago.

Let us do all we can to help our brother, who is also a man of God, and his God-fearing family, get through this Test of Faith.

An apple a day keeps the doctor away and the cancer at bay

Apple consumption has previously been linked to a reduced risk of lung cancer, heart disease, and stroke.

The peel contains about 75 percent of the dietary fiber in an apple. But a recent study has shown that the peel also contains most of the biochemicals apples use to seek and destroy cancer cells.

Scientists processed more than 200 pounds of Red Delicious apples, and extracted phytochemicals from about 24 pounds of peel. They screened the compounds for anticancer effects in laboratory cultures of human liver, breast, and colon cancer cells, and identified a group of compounds with potent anticancer properties.

Red Delicious apples were identified and confirmed to be highly effective against cancer. But your daily apple may also come with some undesirable additives. Apples are the second most pesticide-ridden fruit, after peaches, according to rankings by The Environmental Working Group (EWG), a Washington-based non-

profit. A single apple can contain as many as 12 different pesticides, even after washing.

To avoid pesticides, it is best to pay a little more at the register and buy organic, or better yet, grow your own.

The same quality of woman as the women that surround her.

It is time for the brothers to step up and take their place. We need them to exercise some level of control over the women in their circles (wives, daughters, sisters, etc.). If we don't stop the black woman from publicly disgracing herself, black girls don't have a chance. They are going to imitate what they see and the cycle will continue. The world doesn't respect us; therefore they certainly don't respect you. Many black women don't respect you. What are you going to do?

FASTING

Continued from page 23

I set up this for you and me, to try to drive out of us the old white slavemaster’s worship of a false birthday (December 25th) of Jesus.

ALLAH (God) Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever, Taught me, that Jesus was not even born during the entire month of December.

THE scholars agree, that according to their history, Jesus could not have been born in December.

ALLAH (God) Taught me that Jesus was born between the first and second week in September, instead of December. But no one knew the day of Jesus’ birth except Joseph and Mary.

BECAUSE of the Jews’ hot persecution against the birth of Jesus, the exact day of his birth was kept a secret, from the public. So, to break my people up from the worship of a false birthday of Jesus, we turned to abstaining from eating in the daylight hours during the month of December. This is, in no way, a FAST!

WHEN we abstain from food for so short a time as for early morning until after sundown and darkness begins to appear - we cannot call this a FAST, for we are eating the same way that we have always been eating (one meal in that day). IT is no FAST to me and to my followers to eat a meal after Sunday. We cannot call it a FAST!

A FAST should be from two (2) to three (3) days without eating food. If we are seeking spiritual advancement, we should fast for three days.

IN the case of Orthodox Muslims worshipping Ramadan by not eating until after sunset, and darkness approaches (they can eat all night long if they want to, until the next morning at dawn) - they call this a FAST!

THEY say that they do this in the Month of Ramadan because Ramadan is the month in which the Holy Qur-an was revealed to Muhammad.

BUT, the way that I understand scripture, it teaches us that Muhammad received the Holy Qur-an over a period of twenty-three (23) years.

MUHAMMAD did not receive the Holy Qur-an in one night or in one day. And, if he received the whole Holy Qur’an in the month of Ramadan, WHY FAST in that month?

IF we are given what we want

(Holy Qur’an) in that month, without FASTING, I cannot understand why we should FAST in the month of Ramadan, for the first revelation of the Holy Qur’an was already given in that month, without FASTING.

IT would look more proper for us to be rejoicing over the great salvation (Holy Qur’an) that Allah (God) sent to us, in the month of Ramadan.

If you can convince me it is necessary to Fast in the month of Ramadan because of Muhammad receiving the Holy Qur-an, or the first revelation of the Holy Qur-an, then I will go along with it. However, since the Qur-an was received over a period of years, I am very much baffled in trying to understand why we should FAST in the month of Ramadan.

WE should be rejoicing because of receiving the Holy Qur’an and we should teach others to rejoice throughout the month of Ramadan, if it is because the Holy Qur’an was revealed in that month.

OF COURSE, this is the Arab way, in their religious belief, that they should FAST. But I do say that it is not necessary to FAST to get something that you have already received.

WE should all thank Allah and be grateful to Allah (God) for Giving us the truth, or the Great Revelation (Holy Qur’an), that will guide us into a clearer truth than we have had in the past.

SO, I am not asking my followers to FAST in the month of December because of the birth of a prophet (Jesus) nor do we want to worship his birth or worship because some great Revelation was sent down to another prophet. No, it is just to keep my followers from worshipping falsehood, instead of truth, and to prevent them from spending their money in the falsehood of Santa Claus.

There are so many untruths that the people of untruth (white race) have mislead us in. We must come out of untruth, we must come out of falsehood.

I do know that FASTING is good. I have tried FASTING for many years myself. I do know that FASTING is good for our health and FASTING is good for our spiritual advancement...

'African American' agendas fall short in meeting the Black man's needs

Continued from page 9

you and me. This is evidenced in the criminal justice system. It is this same lack of heart and mercy that allows the white man to continue his unbalanced incarceration of the Black man in America. Mrs. Harris does not offer a solution other than for us to continue to work within a system that is leaned heavily against us. In Kentucky, the Black man makes us almost 40% of the incarcerated, yet makeup only 7% of the total population!

In light of the Presidential race, today, there are 43 members of the Congressional Black Caucus. Despite this appearance of progress, the Black man has yet to achieve full equality in the white man's democracy. This was evidenced with the 2000 Presidential election, and furthered evidenced with the 2004 election when questions were raised about the voting process in Ohio. The vote is of no value to any Presidential candidate. No President in the history of America has ever tried to help the Black man. With these agendas, the main goal is to fully integrate the Black man in America. An America that has never fully accepted us as a people. None of these current agendas address the needs of the Black man. The only agenda that addresses the needs is the Muslim Program set forth by the Most Hon. Elijah Muhammad. In order for us to relieve ourselves of these dilemmas is to acquire land for our own. So you can continue to hope for a Black president or a President that will address our needs. But those hopes will fall short of this and we will be left to continue on a decline in our communities.

The Illness of Domestic Violence

By
Sister Badia Muhammad

DETROIT, Mich.--As-Salaam-Alaikum .

Many topics of discussion cross my mind on a daily basis, but none have been more prominent lately, than the area of domestic violence, primarily the violence of a man striking a woman.

Like many others, domestic violence has managed to harm those closest to me. This has prompted me to speak out against those who find nothing wrong with using a "bit" of force to keep someone in line, or those who cannot control their emotions enough to suppress the anger within themselves.

I am mainly addressing the Brothers, both Muslim and Non-Muslim.

Although there are some Sisters that also fit this profile, the majority of those known for this behavior are Brothers.

To my Muslim Brothers: I do not know where you have been taught that it is acceptable to beat a Sister simply because she has offended or angered you in some way.

The only teachings from the Messenger that permitted a Brother to hit a Sister was to defend himself against her violent behavior, or if she was found "sweet-hearting" with a Devil.

Surely it would be to you're advantage, in the second case, to sooner leave that Sister lost in her own foolishness than to discipline her yourself.

Outside of these cases, you should NEVER put your hands on a Sister.

We are not punching bags for you to take out your frustrations on, or a child that you need to straighten out when our behavior angers you.

If a Sister is acting unruly or disrespectful when you are with her, TALK to her or LEAVE her alone, and let Allah deal with her.

The same goes for Brothers that claim other than Islam as your spiritual path.

If you cannot control your violent actions towards a Sister, please don't hesitate to speak to someone that can help you.

A Wise man knows that his words — not his fists, should be used to reach the common sense within a woman.

Sisters, I also want to speak to you about accepting this behavior from a Brother.

No sister should believe that she deserves this treatment. Don't hesitate to let someone know that you are being abused.

If you and a Brother cannot settle your differences peacefully between each other then end your relationship.

Your children are observing both of you. They WILL grow up to become future VICTIMS or ABUSERS or both, if you do not expose them to a healthy family environment.

Allah gives us the power to create or destroy ourselves. He has taught us through our beloved Messenger, The Honorable Elijah Muhammad, to nurture what has been bestowed upon us.

The relationship between the Blackman and Blackwoman is essential to our future.

Sister Badia Muhammad

We must take this seriously, if we want Allah to be pleased with us.

I pray to Almighty God Allah, in the person of Master Fard Muhammad, that my Brothers and Sisters will hear these words, and

feel my pain when I think of how this abuse tears down the structure of our Nation.

May Allah be with us all.

What the Muslims Want

This is the question asked most frequently by both the whites and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.

2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.

3. We want equality of opportunity. We want equal membership in society with the best in civilized society.

4. **We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere.** We believe that our former slave masters are obliged to provide such land and that the area must be fertile and mineral rich. **We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.**

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only

equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. **We want all black children, educated, taught and trained by their own teachers.**

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. **The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.**

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he should be freed

**The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH**

from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation - of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. **WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.**

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
